Demographics

Principal: Albert Chandler B

Start Date for this Principal: 1/16/2019

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Combination School KG-12
Primary Service Type (per MSID File)	Alternative Education
2019-20 Title I School	Yes
2019-20 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	85%
2019-20 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	White Students* Economically Disadvantaged Students
School Grades History	2018-19: No Grade 2017-18: No Grade 2016-17: No Grade 2015-16: No Grade
2019-20 School Improvement (SI) Information*	
SI Region	Southeast
Regional Executive Director	LaShawn Russ-Porterfield
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	CS&I
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Volusia County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Legacy Scholars Academy is committed to ensuring that all students have a comprehensive support system that will ultimately foster emotional and academic success.

Provide the school's vision statement.

The Legacy Scholars Academy Family envisions a climate of nurturing and trust where all students will have the opportunity for a high-quality, 21st-century education and graduate prepared for college, career and life.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Chandler, Al	Principal	school-based leadership, evaluations, school
McAdams, Claire	Administrative Support	
George, Tracy	Paraprofessional	
Stilwell, Melissa	Teacher, K-12	

Demographic Information

Principal start date

Wednesday 1/16/2019, Albert Chandler B

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Total number of teacher positions allocated to the school

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Math Achievement and Learning Gains. All of our students are residents of the Children's Home and in the Foster Care system. They have social and emotional issues that impact their learning. Mobility rates during the year and from year to year; Family/adoption/foster care issues.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Math Learning Gains. All of our students are residents of the Children's Home and in the Foster Care system. They have social and emotional issues that impact their learning. Mobility rates during the year and from year to year; Family/adoption/foster care issues.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Civics. All of our students are residents of the Children's Home and in the Foster Care system. They have social and emotional issues that impact their learning. Mobility rates during the year and from year to year; Family/adoption/foster care issues.

Which data component showed the most improvement? What new actions did your school take in this area?

ELA Learning Gains; SEL instruction and strategies.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

Students scoring level 1 on state assessments.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Social Emotional Wellness and Learning
2. Math proficiency
- 3.
- 4.
- 5.

Part III: Planning for Improvement

Areas of Focus:

#1. Culture & Environment specifically relating to Social Emotional Learning

Area of Focus All of our students are residents of the Children's Home and in the Foster Care system.

Description and Rationale: They have social and emotional issues that impact their learning. Mobility rates during the year and from year to year; multiple placements within the foster care system.

Measurable Outcome: Reduction in referrals
Increase in math learning gains to 50%
Increase in ELA learning gains to 50%

The ABCs of SEL (or, the Impact of Social-Emotional Learning) by Samuel T. Moulton, PhD (Jan 28, 2019) found that Social Emotional Learning has a significant, positive correlations with attendance, behaviors and course performance.

Person responsible for monitoring outcome: Al Chandler (abchandler@volusia.k12.fl.us)

Evidence-based Strategy: Integration of skill instruction and practices that support SEL within the context of an academic curriculum. SEL instruction and practice using RULER. RULER is an evidence-based approach to SEL developed at the Yale Center for Emotional Intelligence.

Rationale for Evidence-based Strategy: Our students are in the foster care system and their social emotional needs have a large impact on learning. The ABCs of SEL (or, the Impact of Social-Emotional Learning) by Samuel T. Moulton, PhD (Jan 28, 2019) found that Social Emotional Learning has a significant, positive correlations with attendance, behaviors and course performance.

Action Steps to Implement

1. Create Master Schedule that includes SEL
2. Set PLC meeting time, expectations and focus
3. Conduct collaborative planning sessions (middle and high school) for SEL/RULER instruction
4. Develop leadership/support team for SEL/RULER
5. PL on RULER
6. Learning walks during SEL instruction
7. Monitor SEL/RULER instruction through walkthroughs and feedback

Person Responsible Al Chandler (abchandler@volusia.k12.fl.us)

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

Math proficiency will be addressed through after school tutoring and small group instruction during math classes.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

Upon admission to FUMCH, students are assigned house parents who act as the parental unit while they are living at the children's home. Planners go home every day to communicate educational and behavioral information with house Parents. Parents will be surveyed at the Title I meeting to get input on how to spend any Title I funds.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.
