School Board Approval

This plan is pending approval by the Dade County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Analysis

Data Reflection
Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Reading and Math data components exemplified the lowest performance outcomes.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Reading exemplified the lowest performance outcomes. The absence of adequate personnel contributed greatly to the declination in this subject area.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Reading exemplified the greatest gap when compared to the state average. The absence of adequate personnel contributed greatly to the declination in this subject area.

Which data component showed the most improvement? What new actions did your school take in this area?

The Mathematics data component demonstrated a slightly better level of improvement. Additional tutoring through the support of Title I funding.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

Attendance will improve by 15-20%
Rigorous engagement with identified students in the Reading ELA Subject area.
Rigorous engagement with identified students in the Mathematics EOC Subject area.
Reduction in Suspensions and Behavior Interventions.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Attendance will improve by 15-20%
2. Rigorous engagement with identified students in the Reading ELA Subject area.
3. Rigorous engagement with identified students in the Mathematics EOC Subject area.
4. Reduction in Suspensions and Behavior Interventions.
5. Vet the potential students at a greater assessing process.

Part III: Planning for Improvement

Areas of Focus:

#1. Culture & Environment specifically relating to Student Attendance

Area of Focus Description and Rationale:	Attendance
Measurable Outcome:	Attendance will improve by 10% as compared to 2019-20 data.
Person responsible for monitoring outcome:	Lance Williams (law1poise@gmail.com)
Evidence-based Strategy:	Staff will address each student during intake explaining the attendance policy and requiring acknowledgement of policy.
Rationale for Evidence-based Strategy:	Overall attendance will improve 10% as compared to 2019-20

Action Steps to Implement

1. Administrative walk throughs
2. Contacting parents
3. Attendance contracts
4. Utilize school social worker for home visits.

Person Responsible	Lance Williams (law1poise@gmail.com)

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

none

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

Parent/Student interview prior to acceptance
Open House at each site
Teacher call parents as needed
Student take home monthly progress report
Parents have opportunities to request weekly progress reports.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.
