## **School Board Approval**

This plan is pending approval by the Hillsborough County School Board.

Last Modified: 4/29/2024 https://www.floridacims.org Page 3 of 16

#### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridacims.org">www.floridacims.org</a>.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

#### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridaCIMS.org">https://www.floridaCIMS.org</a>.

### **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

#### **Part I: School Information**

#### **School Mission and Vision**

#### Provide the school's mission statement.

As an educational entity we will provide each student with the necessary tools to become productive and responsible citizens.

#### Provide the school's vision statement.

Our students will become academically, socially, and behaviorally proficient as we prepare them to return to traditional educational settings.

### School Leadership Team

#### Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Wood, Earnest	Principal	Oversee academic programs at all DJJ sites.  Theoron Smith ASSISTANT PRINCIPAL Caleb Bates ASSISTANT PRINCIPAL Kelly Pettingill ASSISTANT PRINCIPAL Joanne Brabham GUIDANCE Lynette Judge SOCIAL WORKER Ricardo Neblett SAL SOCIAL STUDIES Karla Hart SAL ELA Eric Petro SAL SCIENCE Nicole Rizzo ESE SPECIALIST Henry Marcet ESE SPECIALIST
Franklin, Matthew	Teacher, K-12	

#### **Demographic Information**

## **Analysis**

#### **Data Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The performance of Economically Disadvantaged students is lowest in the area of ELA.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

ELA shows the most decline.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The ELA (reading) represented the greatest gap and area of concern.

Which data component showed the most improvement? What new actions did your school take in this area?

The greatest improvement was in the area of math.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

The area that is the greatest concern and in need of attention is Course performance (Math and Language Arts.

•

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

- 1. Course performance in the area of ELA and Math of Economically Disadvantaged students
- 2. School-wide positive behavior.

## Part III: Planning for Improvement

Areas of Focus:

### #1. Instructional Practice specifically relating to Differentiation

Area of Focus Description and Rationale:

Teachers will use differentiated Instruction to increase student achievement on the common and state-wide assessment. 82% of Economically Disadvantaged students failed to achieve a level 3 or higher on statewide Assessment in math. Teachers will administer Achieve 3000 and teacher made assessments to ascertain baseline scores, identify areas of academic deficiency, develop individualized academic improvement plans, conduct ongoing progress monitoring and track progress.

All students taking Common and Statewide Assessments will increase their scores one bucket level in math by May 2021.

Measurable Outcome:

Economically Disadvantaged students not achieving Level 3 on statewide assessments will receive Tier 2 academic instruction, increasing their academic performance by one bucket level over the course one school year.

Person responsible

for Earnest Wood (earnest.wood@hcps.net)

monitoring outcome:

Evidence-Usage of the "differentiated Instruction" model. Usage of Achieve 3000 to access reading levels. based

Strategy:

Rationale

for The "Differentiated Instruction Model" has been proven to increase academic achievement in students who present with differentiated levels of course proficiency. Achieve 3000 is a Evidencebased proven program used to allocate and provide lessons for varied reading levels.

Strategy:

#### **Action Steps to Implement**

- 1. "Differentiation" Professional Development will be provided to teachers In-service at Youth Services during Faculty meetings.
- 2. "Achieve 3000" PD will be provided for teachers to assist with differentiation.
- 3. Embedded PD will be shared at each site to model best practices.

Person Responsible

Earnest Wood (earnest.wood@hcps.net)

#### #2. Culture & Environment specifically relating to Positive Behavior Intervention and Supports

**Area of Focus Description and** Rationale:

Student Behavior- Positive Behavior Intervention and Supports will be

implemented within classrooms.

Measurable Outcome:

Classroom negative behaviors and removals will decrease by 50% increasing

instructional time.

Person responsible for monitoring outcome:

Earnest Wood (earnest.wood@hcps.net)

Evidence-based Strategy:

A comprehensive positive behavioral incentive based management program

will be implemented throughout the classrooms.

based Strategy:

Rationale for Evidence- PBIS is a proven classroom behavior modifier. It assists with decreasing classroom disruptions providing increased instructional time for all students.

#### **Action Steps to Implement**

No action steps were entered for this area of focus

#### **Additional Schoolwide Improvement Priorities**

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

N/A

#### Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

Building effective communication within the school

Catering for individual needs

Developing democratic processes

Enhancing self esteem

Fostering respect for diversity

Fostering inclusive and respectful language

Developing appropriate communication between home/school/facility

Developing a school approach to assessment

## Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

## Part V: Budget

## The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: Differentiation	\$0.00
2	III.A.	Areas of Focus: Culture & Environment: Positive Behavior Intervention and Supports	\$0.00
		Total:	\$0.00
