School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

To provide the highest quality education for all students in cooperation with parents, business partners, and our community while preparing them for a successful future.

Provide the school's vision statement.

Bryant Broncos will be respectful, responsible, and caring while galloping to greatness.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Oberschall, Ellen	Principal	<p>The leadership team includes, for example:</p> <ul style="list-style-type: none"> • Principal • Assistant Principal • Guidance Counselor • School Psychologist • School Social Worker • Academic Coaches (Reading, Math, etc. and other specialists on an ad hoc basis) • ESE teacher • PLC Liaisons for each grade level, K-5 • SAC Chair • ELP Coordinator • ELL Representative • Attendance Committee Representative • Behavior team Representative/Behavior Specialist/Coach <p>(Note that not all members attend every meeting, but are invited based on the goals and purpose of the meeting)</p> <p>PSLT Coordinator—Principal/Assistant Principal: Coordinate and oversee the decision making process to ensure integrity and consistency of the PS/Rtl implementation at the building level. The principal should attend PSLT meetings at the Tier 1 level, provide specific procedures for resource allocation, and monitor the fidelity of instruction/intervention at the school-wide and classroom levels (Tier 1)</p> <p>PSLT Meeting Facilitator— e.g., School Psychologist, Reading Coach, School Social Worker, Guidance Counselor, ESE Specialist, and/or Intervention Specialist: The facilitator opens the meeting with a brief description of what the team expects to accomplish during the meeting. The facilitator is to establish and maintain a supportive atmosphere throughout the meeting by encouraging participation from team members, clarifying and summarizing information communicated during the meeting, design specific procedures for ongoing communication between school staff and PSLT, and assist with monitoring the fidelity of intervention implementation across each tier.</p> <p>PSLT Content Specialist— e.g., Administrator, Reading Coach, Math Coach, Writing Coach, ESE Specialist, and/or Behavior Specialist: Ensures that when new content curricular materials are obtained, implementers are adequately trained to use the materials, check fidelity of use of curricular materials and strategies, determine what elements need to be included in an effective core instructional program and assist the team in identifying which instructional strategies are most effective to address areas of concerns. The Content Specialist may also assist with monitoring the fidelity of instruction and intervention implementation across each tier.</p> <p>PSLT Data Consultant— e.g., Assistant Principal, Reading Coach, Math Coach, Science Coach, Academic Intervention Specialist, Behavior Specialist, Technology Support Personnel, School Psychologist, School Social Worker, ESE Specialist, and/ or Guidance Counselor: Prior to the meeting, the Data Consultant assists team members with collecting, organizing, analyzing, graphing and interpreting data. The data should be presented in easily understandable visual displays to guide the decision making process.</p> <p>PSLT Timekeeper—Ensures that meeting times are respected and helps the team stay focused on the respective agenda. Because many decisions need to</p>

Name	Title	Job Duties and Responsibilities
------	-------	---------------------------------

be made during the meeting, the timekeeper should redirect the team’s discussion when necessary. The timekeeper should know who are working on specific projects and set timelines for completion/implementation as well as monitor the fidelity across each tier.

PSLT Recorder—Records the plans of the team, including meeting minutes/ notes. This person will capture all important information, especially related to instruction/ intervention specifics, progress monitoring, data analysis, and future meeting dates. The recorder may need to ask for clarification several times during the meeting to ensure that enough detail is recorded so that a person who did not attend the meeting would be able to clearly understand the nature and implementation of the instructional/intervention plan

The Leadership Team/PSLT communicates with and supports the PLCs in implementing strategies by distributing Leadership Team members across the PLCs to facilitate planning and implementation. Once strategies are put in place, the Leadership Team members who are part of the PLCs regularly report on their efforts and student outcomes to the larger Leadership Team/PSLT.

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

ELA Learning Gains of the Low 25% was -13 from the previous year

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

ELA Learning Gains overall (including ELA Learning Gains of the Lowest 25%)

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Our ELA Lowest 25th Percentile was -2% from the state average. Our Science Achievement was +28% above the state average.

Which data component showed the most improvement? What new actions did your school take in this area?

Mathematics Learning Gains was +11 from the previous year. Our teachers are differentiating lessons based on our student's needs.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

6 students with attendance below 90%
25 students at Level 1 on Statewide assessment

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. ELA Learning Gains of the Low 25%
2. ELA Learning Gains of SWD (ESE) students
3. ELA Learning Gains

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Differentiation

Area of Focus Description and Rationale: Ongoing assessment for learning will provide data to teachers to inform instruction and make adjustments to meet the needs of students

Measurable Outcome:

1. Formative assessments to track student learning gains will be monitored using grade level PLC minutes.
2. Classroom walkthroughs and observations by Administration will provide data and feedback to progress monitor effectiveness of assessments and differentiated instruction.
3. Feedback will be provided to grade level teams and teachers.
4. Ongoing data collection will be analyzed weekly to determine if adjustments are needed to be made

Person responsible for monitoring outcome: Ellen Oberschall (ellen.oberschall@hcps.net)

Evidence-based Strategy: By tracking and using ongoing assessment during learning, teachers can differentiate instruction to students and maximize learning.

Rationale for Evidence-based Strategy: Teacher plans note tools for assessment and student self-reflection. Systems used to monitor student performance are visible to provide clarity of instructional goals.

Action Steps to Implement

Consistent collaboration among the general education teacher and the SWD teacher while utilizing the collaborative teaching model.

Person Responsible Ellen Oberschall (ellen.oberschall@hcps.net)

Utilize the MTSS form as a tool to communicate about SWD and progress monitor the effectiveness of the interventions.

Person Responsible Ellen Oberschall (ellen.oberschall@hcps.net)

Monitor IEP goals through quarterly meetings with SWD teachers and general education teachers. Documentation of progress towards individual goals will be discussed, and data will be used to drive discussions.

Person Responsible Ellen Oberschall (ellen.oberschall@hcps.net)

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

1. Formative assessments to track student learning gains will be monitored using grade level PLC minutes.
2. Classroom walkthroughs and observations by Administration will provide data and feedback to progress monitor effectiveness of assessments and differentiated instruction.
3. Feedback will be provided to grade level teams and teachers.
4. Ongoing data collection will be analyzed weekly to determine if adjustments are needed to be made

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

Character building lessons, Morning Meetings, and the development of relationships among younger and older students through the Buddy Reader classes will enhance learning.

1. Teachers will participate in a book study: Leader in Me
2. Ongoing Grade level PLC Collaborative Planning to create Morning Meeting lessons/ Social Studies lessons
3. Teachers will display leadership boards or other visuals to promote this goal.
4. Students will build an understanding and demonstrating leadership habits/
