Demographics

Principal: Corrie Heidt

Start Date for this Principal: 3/1/2009

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2019-20 Title I School	No
2019-20 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	49%
2019-20 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners Asian Students Black/African American Students Hispanic Students Multiracial Students White Students Economically Disadvantaged Students
School Grades History	2018-19: B (59%) 2017-18: A (63%) 2016-17: A (66%) 2015-16: B (60%)
2019-20 School Improvement (SI) Information*	
SI Region	Central
Regional Executive Director	Lucinda Thompson
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	N/A

* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

To provide a learning environment where students feel motivated to achieve to the best of their abilities in order to become successful and responsible citizens.

Provide the school's vision statement.

Learners today. Leaders tomorrow.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Brooks, Tamara	Principal	Collaborate, support, review, and communicate to ensure the implementation of high quality instructional practices at the core (Tier 1) and intervention/enrichment (Tier 2/3) levels.
Martin, Kyle	Teacher, K-12	AGP Teacher/ SAC Chair ~Collaborate, support, review, and communicate to ensure the implementation of high quality instructional practices at the core (Tier 1) and intervention/enrichment (Tier 2/3) levels.
Horn, Tara	Assistant Principal	Collaborate, support, review, and communicate to ensure the implementation of high quality instructional practices at the core (Tier 1) and intervention/enrichment (Tier 2/3) levels.
Kieffer, Sara	Instructional Coach	Collaborate, support, review, and communicate to ensure the implementation of high quality instructional practices at the core (Tier 1) and intervention/enrichment (Tier 2/3) levels.
Anderson, Melissa	School Counselor	Collaborate, support, review, and communicate to ensure the implementation of high quality instructional practices at the core (Tier 1) and intervention/enrichment (Tier 2/3) levels.
Allen, Amanda	Teacher, ESE	ESE Specialist ~Collaborate, support, review, and communicate to ensure the implementation of high quality instructional practices at the core (Tier 1) and intervention/enrichment (Tier 2/3) levels.

Demographic Information

Principal start date

Sunday 3/1/2009, Corrie Heidt

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

6

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

9

Total number of teacher positions allocated to the school

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The bottom quartile performance in Math has been the lowest. This is a trend due to the performance the prior year.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Math learning gains dropped 14 percentage points. Training of teachers during the gap year contributed to this decline.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The bottom quartile for Math, where we were six percentage points below the state average. A unique cohort of students contributed to this trend.

Which data component showed the most improvement? What new actions did your school take in this area?

The bottom quartile for ELA grew 6 percentage points to 55 percent in 2019. This trend was continued during the 19-20 school year on iReady.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

We had 27 primary age students with attendance that fell below 90 percent.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Increase bottom quartile gains in Mathematics.
2. Increase overall learning gains in Mathematics.
3. Continue growth of bottom quartile learning gains in ELA.
- 4.
- 5.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Differentiation

Area of Focus Description and Rationale: The goal for Buckhorn is that 100% of our students will make learning gains over the 2020-2021 school year. Our specific target area is our learners in Mathematics. Our bottom quartile gains in ELA and Math were 55% and 45% respectively. Therefore we will focus on planning for rigorous differentiation in order for all students, especially in Math, to make learning gains.

Measurable Outcome: All students will make at least a one point gain in one or more areas of instruction as measured by the FSA or iReady administered in the spring of 2021.

Person responsible for monitoring outcome: Tamara Brooks (tamara.brooks@hcps.net)

Evidence-based Strategy:
 1. Implement high-yield strategies to increase achievement through "Visible Learning" (Fisher, Frye, Hattie)
 2. Explore rigorous small group options with supported lesson planning.
 3. Monitor RtI/MTSS Tier 2 and 3 implementation for fidelity.

Rationale for Evidence-based Strategy: Rigorous small group structures encourage student talk and active engagement in learning. Supporting lesson planning through our PLC's will ensure alignment to the rigor of the standards and incorporation of appropriate collaborative strategies.

Action Steps to Implement

1. Provide PD for teachers with the book: "Visible Learning".
2. Ensure a schedule is created to allow teacher teams to have PLC time for planning.
3. Use multiple data points to monitor learning and drive differentiation within instruction.
4. Use bi-weekly walkthroughs by leadership team to monitor use of small groups and collaborative structures while they implement lessons aligned to the standards.

Person Responsible Tamara Brooks (tamara.brooks@hcps.net)

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

N/A

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

We have a variety of activities established through our SAC and PTA to engage our stakeholders, including several academically-themed evenings. We communicate with parents through our monthly newsletter, through our established conference nights, our social media pages and through our school website. Teachers establish regular communication with parents regarding student academic progress.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: Differentiation	\$0.00
Total:			\$0.00
