School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Analysis

Data Reflection
Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Information regarding data is unavailable due to COVID-19.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Information regarding data is unavailable due to COVID-19.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Information regarding data is unavailable due to COVID-19.

Which data component showed the most improvement? What new actions did your school take in this area?

Information regarding data is unavailable due to COVID-19.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

Information regarding data is unavailable due to COVID-19.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Transition to another educational facility when leaving facility.
2. Increase student achievement scores in reading.
3. Increase student achievement scores in math.
4. Certification to use in the work force.
5. Prepare students to re-enter society.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Differentiation

Area of Focus Description and Rationale:	Teachers will use differentiated instruction to increase student achievement on the common assessment.
Measurable Outcome:	80% of students who take the Common Assessment will increase their scores in Math by May 2021. 80% of students who take the Common Assessment will increase their scores in Reading by May 2021.
Person responsible for monitoring outcome:	Earnest Wood (earnest.wood@hcps.net)
Evidence-based Strategy:	Using differentiated Instruction Using the co-teach (FUSE) model for instruction.
Rationale for Evidence-based Strategy:	HCPS offers this research based strategy as in-service for teachers throughout the school year. Youth Services can also provide in-service during faculty meetings.

Action Steps to Implement

In-service at Youth Services Faculty Meetings

Person Responsible   Earnest Wood (earnest.wood@hcps.net)

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

Building effective communication within the school
Catering for individual needs
Developing democratic processes
Enhancing self esteem
Fostering respect for diversity
Fostering inclusive and respectful language
Developing appropriate communication between home/school/facility
Developing a school approach to assessment

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.
