Demographics

Principal: Tricia Simonsen

Start Date for this Principal: 7/1/2013

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2019-20 Title I School	No
2019-20 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	84%
2019-20 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners Asian Students Black/African American Students Hispanic Students Multiracial Students White Students Economically Disadvantaged Students
School Grades History	2018-19: A (62%) 2017-18: A (63%) 2016-17: B (59%) 2015-16: B (58%)
2019-20 School Improvement (SI) Information*	
SI Region	Central
Regional Executive Director	Lucinda Thompson
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	TS&I

* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Engage Every Learner

Provide the school's vision statement.

Inspire lifelong learning and success.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Simonsen, Tricia	Principal	
Bisesto, Heather	Assistant Principal	

Demographic Information

Principal start date

Monday 7/1/2013, Tricia Simonsen

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

3

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

9

Total number of teacher positions allocated to the school

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Math learning gains for the bottom quartile - we will reflect on how we are providing services to our ESE students as well as intensify planning to dig deeper into the standards to ensure all students are making gains.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Math learning gains for the bottom quartile - we will reflect on how we are providing services to our ESE students as well as intensify planning to dig deeper into the standards to ensure all students are making gains.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Math learning gains for the bottom quartile - we will reflect on how we are providing services to our ESE students as well as intensify planning to dig deeper into the standards to ensure all students are making gains.

Which data component showed the most improvement? What new actions did your school take in this area?

Reading learning gains for the bottom quartile - increased vertical team meetings and professional development.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

Our biggest area of concern is the number of students that are below the 90% attendance rate.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. Learning gains of the bottom quartile in math
2. Learning gains of students with disabilities
3. Overall math learning gains
4. Learning gains of the bottom quartile in reading
5. Attendance for number of students with 20 or more absences

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Math

Area of Focus Description and Rationale:	Learning gains of students with disabilities; Students identified as the bottom quartile in math
Measurable Outcome:	Students with disabilities will increase learning gains to meet the 41% threshold. This is an increase from 37%. At least 62% of the students identified as being in the bottom quartile for math will demonstrate learning gains. This is an increase from the 38%.
Person responsible for monitoring outcome:	Tricia Simonsen (tricia.simonsen@hcps.net)
Evidence-based Strategy:	Teachers will engage in Instructional Design Sessions (IDS) to plan , monitor, and assess student learning experiences that result in mastery of grade level standards and individual learning gain goals
Rationale for Evidence-based Strategy:	Purposeful Differentiated Instruction More Rigorous Lessons Meaningful Assessment of Standards

Action Steps to Implement

1. IDS implemented bi-weekly
2. Teachers track student growth and identifying trends upon release of site and district assessments
3. Vertical teams discuss specific strategies and whole school implications
4. eLearning planning and instruction as needed
5. Specific teacher created look-fors directly related to planning in reading, math, and science

Person Responsible Tricia Simonsen (tricia.simonsen@hcps.net)

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

N/A

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

1. Tier 1 Supports

Character Education

- Character Education: Core Essentials by Chick-fil-a
- Monthly guidance lessons K-5 delivered by School Counselors
- Sanford Harmony

Positive Behavior Plan

- Character Counts Ribbons
 - o Students nominated by any staff member for demonstrating outstanding character. Nominations are drawn at random every Friday morning during the Morning Show. Students receive a special spirit stick.

Citizenship

- Award recognition in classrooms and during award ceremonies for excellent work and study habits

Terrific Kids

- Terrific Kids is supported by the Kiwanis Club of Brandon.
- One student demonstrating outstanding character is chosen by each homeroom teacher as the Terrific Kid of the month.
- Students are celebrated during an awards ceremony.

Safety Patrol Training

- Monthly meetings to support leadership and character education.

Student Leadership

- 5th grade students apply for and assume roles of Teacher Helpers, Media Helpers, and Recycle Team members.
- Peer Mediators actively participate in service project, SEEDS of Hope.

Extra-Curricular Activities

- Chorus
- Math Leagues
- TiViTz

Mentoring

- Student/teacher mentoring sessions designed to aid in social/emotional and academic needs.

Bully Prevention

- District staff training on bullying.
- All classrooms participate in a bully prevention guidance lesson.
- Red Ribbon Week promotes healthy behaviors and commitment to bully-free behaviors.
- Kids on the Block presentation regarding bullying.

Classroom Behavior Support

- Through collaboration with the Valrico Elementary Guidance and Hawks Traits committees, the following options are available for teachers dealing with a problematic behavior in the classroom:
 - o Classroom behavior systems.
 - o Refocus area (student sits for a few minutes and either reads a book or writes in a journal to calm down and prepare to rejoin the class).
 - o Classroom to classroom support.
 - o Pairing non-preferred activities with preferred activities.

- o Utilizing momentum compliance.
- o Student Services may assist with individualized behavior plans.
- o Teacher may call student services for support if none of the above options are working.

Instructional Design Sessions (IDS)

- Administration and Student Services support grade level planning and problem solving sessions (academic and behavior needs).

2. Tier 2 Supports

Peer Mediation

- Many “disciplinary” issues involve disagreements/misunderstandings between peers.
- Five 5th grade students are trained peer mediators.
- o Students will serve as mediators to help students solve conflict and develop problem solving strategies.

Group & Individual Counseling

- Targeted groups focusing on behavior, social skills, friendship, etc. meet for 6 week cycles.
- Solution-focused individual counseling available for students, as needed.

Problem Solving Leadership Team (PSLT)

- The Problem Solving Leadership Team examines data and has on-going collaboration
- Teachers are invited to collaborate with the Problem Solving Leadership Team on any students with significant academic or behavior concerns.

3. Tier 3 Supports

Hawks Traits Committee

- Tier 3 problem solving for behaviors.
- Assistance with development of interventions to aide with student success.

Functional Behavioral Analysis Team

- Formal behavioral team comprised of administration, student services, ESE representatives and classroom teachers.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: Math	\$0.00
Total:			\$0.00
