School Board Approval

This plan is pending approval by the Nassau County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

At Yulee Primary School, we adopt the Nassau County Mission Statement which is the following:
Our mission is to develop each student as an inspired life-long learner and problem-solver with the strength of character to serve as a productive member of society.

Provide the school's vision statement.

Yulee Primary School will collaborate with all stakeholders by actively engaging all learners through a rigorous differentiated curriculum, aligned with state and district standards, in a respectful, age appropriate and safe environment.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Boatright, Kerri	Principal	
Green, Lilley	Teacher, K-12	
Lippelman, Christine	Teacher, ESE	ESE Grade Chair
Moore, Emily	Teacher, K-12	
Foose, Sarah	Teacher, K-12	
Miller, Tracy	Assistant Principal	
McNally, Shannon	Teacher, K-12	

Demographic Information

Principal start date

Wednesday 7/1/2020, Vicki Grubbs

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Total number of teacher positions allocated to the school

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Based on the most recent set of data, (2018-2019) we showed a decline in ELA with second grade Stanford 10 dropping from 84 to 78 and first grade dropping from 72 to 64. Kindergarten increased from 73 to 72, but is still below the district benchmark of 80.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

First grade ELA showed the greatest decline dropping from 72-64. The kindergarten SAT 10 scores for this group of students was 63. More than a years worth of growth was needed.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

n/a

Which data component showed the most improvement? What new actions did your school take in this area?

Kindergarten ELA showed the most improvement moving from 63 to 72. Students in the bottom quartile were offered either after school or in school tutoring services. Grade level collaboration focused on raising scores for the bottom quartile

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

Attendance continues to be an area of concern for YPS.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. K-2 ELA Scores
2. Attendance

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:	During the 2018-2019 school year, the average of YPS ELA Stanford 10 scores were 71%. We want to increase the school wide average percentile rank in ELA on Stanford 10.
Measurable Outcome:	Average percentile rank will increase by 3-5 percent on ELA Stanford 10.
Person responsible for monitoring outcome:	Kerri Boatright (kerri.boatright@nassau.k12.fl.us)
Evidence-based Strategy:	To implement intentional differentiated ELA instruction based on diagnostic data (phonics screeners, Lexia and STAR Literacy).
Rationale for Evidence-based Strategy:	The current data (phonic screeners, Lexia, and STAR Literacy) shows students at varying levels of need in ELA.

Action Steps to Implement

1. Differentiated small group instruction
2. After school tutoring program
3. Tiered support through MTSS process
4. Collaborative Planning
5. Targeted ELA Professional Development

Person Responsible [no one identified]

#2. Culture & Environment specifically relating to Student Attendance

Area of Focus Description and Rationale: Based on the 2019 attendance data, 11 percent of YPS students did not maintain a 90 percent attendance rate. According to the first quarter attendance data for 2020-2021, YPS is demonstrating that 11 % of the students are not maintaining a 90% attendance rate. It appears that our attendance is maintaining, however the 2020 enrollment has decreased by 90 students.

Measurable Outcome: At the end of the 20-21 school year, the goal of YPS is to decrease the percentage of students absent for more than 10% of the school year by 2%.

Person responsible for monitoring outcome: Tracy Miller (millertr@nassau.k12.fl.us)

Evidence-based Strategy: We will increase parent and student communication of attendance policy and progress towards goal.

Rationale for Evidence-based Strategy: It is evident that parent/student communication and reinforcement is needed to stress the importance of attendance and the correlation to student achievement data.

Action Steps to Implement

1. 2 day absent follow up calls
2. Positive celebrations for students who maintain perfect attendance
3. Increase parent awareness of attendance policy
4. Parent teacher conference regarding poor attendance.
5. Tiered system of support including letters, phone calls and relationships.

Person Responsible Kerri Boatright (kerri.boatright@nassau.k12.fl.us)

No description entered

Person Responsible [no one identified]

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

YPS identified ELA as the focus this year, but will continue to monitor math achievement data, based on diagnostic assessments based on iReady.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

YPS will target increased participation in volunteer activities and attendance at school wide events. The School Advisory Council invites parents to attend meetings and be a part of the school's decision making process. The Parent Teacher Organization encourages parental involvement in school events, fundraising, volunteering, and providing additional support to students and teachers. The school uses additional events such as family nights, Chick-Fil-A Spirit nights, grade level programs, PTO meetings, and a Volunteer Orientation/ Training to help build positive relationships with families. Teachers conference with parents in addition to sending home progress reports and report cards to help keep families apprised of students' progress. Weekly grades are uploaded by teachers to Focus to keep parents informed on a regular basis.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: ELA	\$0.00
2	III.A.	Areas of Focus: Culture & Environment: Student Attendance	\$0.00
Total:			\$0.00
