ESSA Status	N/A
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Nassau County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Our mission is to develop each student as an inspired life-long learner and problem-solver with the strength of character to serve as a productive member of society.

Provide the school's vision statement.

Hilliard Elementary is committed to an educational process, involving the total community, which encourages each child to become a lifelong learner and provides the necessary resources to enable each student to develop into a responsible, productive citizen prepared to enter secondary education with both academic and social success.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Title	Job Duties and Responsibilities
Loudermilk, Celena	Principal	
Tilley, Rhonda	School Counselor	
Graves, Donna	Teacher, K-12	
Sims, Jacquelin	Assistant Principal	
Tomberlin, Lauren	Teacher, K-12	
Nicks, Autumn	Teacher, K-12	
Starling, Karen	Teacher, K-12	
Graves, Patricia	Teacher, K-12	
Vanzant, Christie	Teacher, K-12	
Carter, Latasha	Teacher, ESE	

Demographic Information

Principal start date

Wednesday 7/1/2020, Celena Loudermilk

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Total number of teacher positions allocated to the school

43

Analysis

Data Reflection

Answer the following reflection prompts after examining any/all relevant school data sources (see guide for examples for relevant data sources).

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Our ELA Lowest 25th percentile was the lowest scoring component at 60%. This was up from 52% last year

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Our Science Achievement was the only component that dropped any at all. Science went from 81% to 76%.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

All of our data components were well above the state averages. It is a pretty common trend that our components are always above the state averages.

Which data component showed the most improvement? What new actions did your school take in this area?

The components that demonstrated the most improvement were the lowest 25th percentiles in ELA and Math. We continued small group instruction and differentiation.

Reflecting on the EWS data from Part I (D), identify one or two potential areas of concern?

Attendance continues to be an area of concern. We feel that students academic will improve if attendance improves.

Rank your highest priorities (maximum of 5) for schoolwide improvement in the upcoming school year.

1. ELA Proficiency and Learning Gains with special attention on the Lowest quartile
- 2.
- 3.
- 4.
- 5.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:	2018-19 ELA Achievement was 78% and our ELA Gains were 65% (60% for the lowest quartile) We want to continue to increase the ELA achievement and gains.
Measurable Outcome:	By the end of the 2020-2021 school year, Hilliard Elementary School will increase our overall ELA achievement and ELA gains by 3-5%.
Person responsible for monitoring outcome:	Celena Loudermilk (loudermilk.ce@nassau.k12.fl.us)
Evidence-based Strategy:	To implement intentional differentiated ELA instruction based on data from diagnostic assessment to progress monitor achievement and growth.
Rationale for Evidence-based Strategy:	Based on a plethora of assessments (I-Ready, STAR Literacy, FSA data, LEXIA Core, Progress Monitoring, etc.), the data shows a need for continued adjustments for growth in ELA.

Action Steps to Implement

1. Differentiated small group instruction
2. Targeted in school intervention
3. Tiered support as indicated in MTSS
4. After school tutoring
5. Collaborative Planning and professional development

Person Responsible [no one identified]

#2. Culture & Environment specifically relating to Student Attendance

Area of Focus Description and Rationale: Based on the 2019 attendance data, 15 % of HES students did not maintain a 90% attendance rate. According to the first quarter attendance data for 2020, HES is demonstrating that 9 % of students are not maintaining a 90% attendance rate. It appears that our attendance is improving, however it appears that the 2020 enrollment for Hilliard Elementary School has decreased by 59 students.

Measurable Outcome: At the end of the 2020-2021 school year, the goal of HES is to decrease the percentage of students absent for more than 10% of the school year by 2%.

Person responsible for monitoring outcome: Celena Loudermilk (loudermilk.ce@nassau.k12.fl.us)

Evidence-based Strategy: We will increase parent communication of the attendance policy and progress towards desired goals using positive classroom and school wide reinforcers regarding attendance.

Rationale for Evidence-based Strategy: It is evident that parent/student communication and reinforcement is needed to stress the importance of attendance and the correlation to student achievement data.

Action Steps to Implement

1. 2-day absenteeism follow-up calls
2. Positive celebrations for students who maintain perfect attendance
3. Increase parent awareness of attendance policy
4. Home visits and parent-teacher conferences regarding poor attendance.
5. Tiered system of support including: letters, phone calls, and building positive relationships.

Person Responsible: Jacquelin Sims (simsja@nassau.k12.fl.us)

Additional Schoolwide Improvement Priorities

After choosing your Area(s) of Focus, explain how you will address the remaining schoolwide improvement priorities.

Hilliard Elementary School identifies ELA as the focus this year, but will continue to monitor math achievement data based on diagnostic assessments from iReady.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

School staff, faculty, and administrators strive to strengthen parent involvement in the school. The school will coordinate and integrate parental involvement strategies including community involvement opportunities and business partnerships.

The school will provide the coordination, technical assistance, and other support necessary to assist in planning and implementing effective and comprehensive parent involvement programs, based on the National Standards for Parent/Family Involvement Programs, which include:

The school will provide the coordination, technical assistance, and other support necessary to assist in planning and implementing effective and comprehensive parent involvement programs, based on the National Standards for Parent/Family Involvement Programs, which include:

- A. Communication between home and school is regular, two-way and meaningful.
- B. Responsible parenting is promoted and supported.
- C. Parents play an integral role in assisting student learning. The School will help parents understand the state's academic standards, student progression requirements, and how to monitor their children's progress.
- D. Parents are welcome in school, treated with courtesy and respect, and their support and assistance are sought.
- E. Parents are full partners in the decisions that affect children and families.
- F. Community resources are utilized to strengthen school programs, family practices, and student learning.

The school will communicate parental choices and responsibilities to parents. Emphasis will be placed on active parent involvement at each school. The following are examples of family and community involvement communication:

- Open House and Parent Nights (STEAM, Literacy)
- School Web Page
- Focus
- Newsletters communicating classroom and school news to parents
- Parent phone calls, Blackboard, conferences, Remind, school marquee

All stakeholders are invited to attend PTO meetings and SAC meetings to provide feedback and participate in conversations regarding involvement opportunities and academic achievement.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: ELA	\$0.00
2	III.A.	Areas of Focus: Culture & Environment: Student Attendance	\$0.00
Total:			\$0.00
