Demographics

Principal: Maggie Reynolds

Start Date for this Principal: 7/1/2018

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Combination School PK-12
Primary Service Type (per MSID File)	Special Education
2020-21 Title I School	No
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	84%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* White Students* Economically Disadvantaged Students
School Grades History	2020-21: No Grade 2018-19: No Grade 2017-18: No Grade 2016-17: No Grade
2019-20 School Improvement (SI) Information*	
SI Region	Southwest
Regional Executive Director	
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Polk County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

We establish a safe secure environment to serve the unique needs of students with complex disabilities and their families. Those entrusted to us will be provided with a personalized life enriching curriculum that includes skills for functional living and an improved quality of life. Our graduates will confidently and actively participate as valued members of their community.

Provide the school's vision statement.

Our graduates will confidently and actively participate as valued members of their community.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Reynolds, Maggie	Principal	
Kauffman, Rubie	Assistant Principal	
Brannon, Ashley	Curriculum Resource Teacher	
Wilson, Ryan	Behavior Specialist	
Naab, Collenna	Other	Focuses on compliant transition IEPs and ensuring that graduation requirements are being met.

Demographic Information

Principal start date

Sunday 7/1/2018, Maggie Reynolds

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Total number of teacher positions allocated to the school

30

Total number of students enrolled at the school

176

Identify the number of instructional staff who left the school during the 2020-21 school year.

3

Identify the number of instructional staff who joined the school during the 2021-22 school year.

3

Demographic Data**Early Warning Systems****2021-22****The number of students by grade level that exhibit each early warning indicator listed:**

Indicator	Grade Level														Total

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

We do not test enough students in each grade level to necessarily see a trend. However, overall, we see students making progress in the areas of ELA.

Our Hispanic population, like the rest of our school population have severe cognitive disabilities. Their cognitive disabilities "overrule" their lack of English Language skills.

We have seen a decline in Math proficiency, but we believe it is closely tied the amount of oral language in the assessment, no necessarily the computations.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

We see a need to also increase our students' awareness of the conventions of writing which will in turn provide opportunities for growth in the area of ELA.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Due to the significant nature of the disabilities of the student population and the lack on instructional momentum a deficit in the area of written conventions. Continual deliberate instruction in the area of written conventions.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

Most improvement was shown in the area of basic reading recall.

What were the contributing factors to this improvement? What new actions did your school take in this area?

A school wide focus on Read Alouds as well as the use of common assessments.

What strategies will need to be implemented in order to accelerate learning?

Progress monitoring will be completed with fidelity and in a timely manner. In order to increase our ELA scores, we will also be adding a writing component to our progress monitoring tasks.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Our Curriculum Coach and content leaders will be working on curriculum maps, sharing best practices with teachers and will also be providing ongoing monthly professional developments.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Progress monitoring 3 times a year as well as monthly writing prompts that will be scored and analyzed by the instructional leaders.

Part III: Planning for Improvement

Areas of Focus:**#1. Instructional Practice specifically relating to ELA**

Area of Focus Description and Rationale:	Although we have seen an increase in proficiency regarding reading comprehension, we are still struggling in the area of writing conventions.
Measurable Outcome:	We will increase the ELA scores to a 3 or better for 50% of the students tested, by increasing their scores in the area of writing conventions.
Monitoring:	Progress Monitoring 3 times a year. Writing prompts monthly to be scored and reviewed by instructional leaders.
Person responsible for monitoring outcome:	Maggie Reynolds (maggie.reynolds@polk-fl.net)
Evidence-based Strategy:	The use of non-linguistic representations such as graphic organizers, rebus', assistive technology (as needed), and short step-by-step action plans will be used.
Rationale for Evidence-based Strategy:	Students have shown little to no growth in the area of writing as evidenced by the FSAA writing assessment. Students will be provided the evidence based strategies as suggested by Marzano.

Action Steps to Implement*No description entered***Person Responsible** [no one identified]

Teachers will be provided with professional development in the area of writing conventions to ensure common language amongst the teaching staff.

Person Responsible Ashley Brannon (ashley.brannon@polk-fl.net)

Writing prompts will be derived from state provided FSAA site. These will be shared and reviewed with teachers.

Person Responsible Ashley Brannon (ashley.brannon@polk-fl.net)

Monthly writing prompts will be provided to teachers to be administered to students.

Person Responsible Ashley Brannon (ashley.brannon@polk-fl.net)

Writing prompts will be scored and samples will be shared during collaborative planning sessions.

Person Responsible Ashley Brannon (ashley.brannon@polk-fl.net)**Additional Schoolwide Improvement Priorities**

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

There is no comparative data listed in the safeschoolsforalex.org site.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

Our stakeholders participate in several activities which build a positive school culture and environment. These activities include, but are not limited to Special Olympics, FFA, Prom, Graduation, community based projects, canned food drives, and our recent Take one, leave one Library. The SAC committee also meets quarterly.

The use of Facebook, Schoology, Class Dojo, etc. have increased our communication efforts with parents as well.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Administrators-the use of Facebook and promotion of Prom, Graduation, etc.

Teachers/Staff-the use of Schoology and ClassDojo.

Students/Parents-participate in Special Olympics, FFA, Prom, Graduation, community based projects, canned food drives, and our recent Take one, leave one Library, etc.

SAC members-Meet quarterly to learn about school activities, provide feedback, and vote on important items that benefit the school as a whole.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: ELA	\$0.00
Total:			\$0.00
