## School Board Approval

This plan is pending approval by the Highlands County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS\&I) and Comprehensive Support and Improvement (CS\&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS\&I, a school must have one or more ESSA subgroup(s) with a Federal Index below $41 \%$. This plan shall be approved by the district. There are three ways a school can be designated as CS\&l:

1. have a school grade of $D$ or $F$
2. have a graduation rate of $67 \%$ or lower
3. have an overall Federal Index below 41\%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.
The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all noncharter schools with a current grade of D or F, or a graduation rate $67 \%$ or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

## School Mission and Vision

Provide the school's mission statement.
"To Develop Lifelong Learners and Leaders"
Provide the school's vision statement.
"Leading Together To Achieve Excellence"

## School Leadership Team

## Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

| Name | Position Title |
| :--- | :--- |
| Kogelschatz, Rick | Principal |
| Brooker, Sarah | Assistant Principal |
| Eures, Katherine | Instructional Coach |
| Thomas, Heather | School Counselor |
| White, Andrea | Teacher, K-12 |
| Prendergast, Elizabeth | Teacher, K-12 |
| Schult, Krista | Teacher, K-12 |
| Thomas, Travis | Teacher, K-12 |
| Pugh-Clogston, Stacey | Teacher, K-12 |
| Belanger, lan | Instructional Technology |
| Hines, Denise | Teacher, K-12 |
| Piller, Nancy | Teacher, K-12 |

Demographic Information

## Principal start date

Sunday 7/1/2018, Richard Kogelschatz
Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

## Analysis

## Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

## What trends emerge across grade levels, subgroups and core content areas?

The ELA learning gains for each subgroup (SWD, ELL, BLK, HSP, MUL, WHT, FRL) were below the ESSA target of $41 \%$.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

ELA scores in 1st, 2nd, and 3rd grade using iReady and FSA data.
What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Kindergarten students are not assigned to CTE's campus - unable to accurately capture students' academic levels. Staff turnover in lower grades.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

Learning Gains in 4th \& 5th grade learning gains in ELA \& math.
What were the contributing factors to this improvement? What new actions did your school take in this area?

Consistency in staff. PLCs implemented in both areas. Deeper dives in progress monitoring meetings.
What strategies will need to be implemented in order to accelerate learning?

1. Standards aligned curriculum with fidelity
2. Models of Effective Instruction
3. Implement a collaborative planning framework - Professional Learning Communities

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

1. Monitoring of use of curriculum materials using district designed curriculum map.
2. Continued development and implementation of Models of Effective Instruction and IPGs.
3. PLC monitoring by administration and support by PLC/Solution Tree representatives.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Continued implementation of PLCs in ELA and Math. Planning and monitoring visits from district coaches.

Part III: Planning for Improvement
Areas of Focus:

## \#1. Instructional Practice specifically relating to ELA

3rd Grade ELA Proficiency for the school was $52 \%$ compared to the District $46 \%$ and State $54 \%$.
4th Grade ELA Proficiency for the school was 57\% compared to the District 46\% and State 52\%.
5th Grade ELA Proficiency for the school was 65\% compared to the District 48\% and State 54\%.
The proficiency percentage for 3rd, 4th, and 5th grade was higher than the district percentage and higher than the state level in 4th and 5th grade. The need identified based on this data would be learning gains with a focus in the subgroups listed below.
Area of Focus
Description Subgroup Rationale:
and Rationale: Achievement below 41\%
Black - 37.5\%
Learning Gains below 41\%
SWD - 37.5\%
ELL-30.0\%
Black - 12.5\%
Hispanic - 21.21\%
Multiracial - 31.25\%
White - 30.11\%
FRL - 24.32\%

## Measurable

 Outcome:In 2021-2022, CTE will increase learning gains by $2 \%$ from $54 \%$ to $56 \%$ in ELA.
PLC Meetings
Monitoring: Progress Monitoring
Stocktake Meetings

## Person

 responsible for monitoring outcome:\(\left.\begin{array}{ll}Evidence- \& 1. Standards aligned curriculum with fidelity <br>

based \& 2. Models of Effective Instruction\end{array}\right]\)| Strategy: | 3. Implement a collaborative planning framework - Professional Learning Communities |
| :--- | :--- |
| Rationale for | 1. CKLA curriculum materials available; use district designed curriculum map; |
| Evidence- | 2. Models of Instruction promote student engagement in cognitive \& social tasks <br> based |
| increasing the student's capabilities to learn more easily and effectively. |  |
| Strategy: | 3. PLCs provide educators opportunities to directly improve teaching \& learning. |

## Action Steps to Implement

Point People for Focus Area: Katherine Eures and Andrea White

1. ELA Professional Learning Communities
2. ELA Curriculum - Core and Supplemental
3. ELA Professional Development
4. MTSS Interventions and Monitoring
5. Progress Monitoring
6. Effective Instruction Tools - IPG Planning Tool
7. Instructional Coach Support
8. Literacy Committee

All students will make at least one year's worth of growth on i-Ready ELA.

[^0]
## \#2. Instructional Practice specifically relating to Math

3rd Grade ELA Proficiency for the school was 50\% compared to the District 50\% and State $51 \%$.
4th Grade ELA Proficiency for the school was 63\% compared to the District 52\% and State $53 \%$.
5th Grade ELA Proficiency for the school was 67\% compared to the District 47\% and State $51 \%$.
Area of Focus The proficiency percentage for 3rd, 4th, and 5th grade was equal to or higher than the Description district percentage and higher than the state level in 4th and 5th grade. The need and identified based on this data would be learning gains with a focus in the subgroups listed Rationale: below.

Subgroup Rationale:
Achievement below 41\%
Black - 37.5\%
Learning Gains below 41\%
ELL-33.33\%
Measurable In 2021-2022, Cracker Trail Elementary will increase learning gains by 1\% from 70\% to Outcome: 71\% in Math.

PLC Meetings
Monitoring: Progress Monitoring
Stocktake Meetings

## Person

responsible
for
monitoring
outcome:
Evidence- Use standards aligned curriculum
based
Strategy:
Models of Effective Instruction
Implement a collaborative planning framework - Professional Learning Communities
Rationale for
Evidencebased

1. Go Math! curriculum materials available; use district designed curriculum map;
2. Models of Instruction promote student engagement in cognitive \& social tasks increasing the student's capabilities to learn more easily and effectively.
Strategy: 3. PLCs provide educators opportunities to directly improve teaching \& learning.

Additional Schoolwide Improvement Priorities

Using the SafeSchoolsforAlex.org, compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

CTE reported $\mathbf{2}$ incidents per 100 students during the 2019-2020 school year (school incident ranking of \#259 - very low). Reported suspensions were 2.2 per 100 students. Using PBIS strategies, the school will continue to monitor behavior during progress monitoring, MTSS Team meetings, and PBIS Meetings.

## Part IV: Positive Culture \& Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles
and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

## Describe how the school addresses building a positive school culture and environment.

To increase parent involvement and build positive relationships with families, as well as increase communication to inform parents of their child's progress, we host:

- Open House/Orientation night
- Report Card Conferences with Parents
- PTO Family Nights - Hoe Down
- Science Fair/ Art Showcase
- Fall Character Parade
*Events may be changed or canceled based on guidelines set in response to safety guidelines.
In addition we communicate with families and the community through:
- School \& Classroom Websites
- School Facebook Page
- Monthly School Newsletters
- Weekly Classroom Newsletters
- Call-Outs to Families (to communicate important information/reminders)
- iOS \& Android APP
- Student planners/Communication folders
- DoJo App
- Remind App
- PTO Meetings
- SAC Meetings
- Title I Annual Meeting
- Business Partnerships

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Stakeholders:
Administration
Teachers
Staff
Parents
Students
Volunteers
All Stakeholders work together using the Parent Family Engagement Plan, Positive Behavior Intervention Support Plan, and the Cracker Trail's mission and vision to promote a positive culture and environment.

## Part V: Budget

The approved budget does not reflect any amendments submitted for this project.
