School Board Approval

This plan is pending approval by the Duval County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

To provide educational excellence in every school, in every classroom, for every student, every day.

Provide the school's vision statement.

Every student is inspired and prepared for success in college or a career, and life.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

| Name | Position Title | Job Duties and Responsibilities |
|------------------------|------------------------|--|
| Fluent, Justin | Principal | School-Wide Instructional and Cultural Leader |
| Kimbrough, Reina | Assistant Principal | Instructional and Cultural Leader - ELA, Reading and Performing Fine Arts |
| Quimbley, Fundrail | Assistant Principal | Instructional and Cultural Leader - Science, ESE, NJROTC |
| Hackman, Jovana | Assistant Principal | Instructional and Cultural Leader - Guidance Department, Mathematics, World Languages |
| Emery, Roger | Assistant Principal | Instructional and Cultural Leader - PRIDE Academy, CTE, Physical Education |
| Strong, Latroy | Dean | PBIS Cultural Leader - Provides disciplinary consequences and restorative practice opportunities. Works with teachers on management plans. |
| Walton, Vernachele | Math Coach | Coach teachers on standards aligned classrooms |
| Whitehead, Aristian | School Counselor | Provide instructional and emotional support for students and staff. |
| Sullivan, Sharonda | Graduation Coach | Monitor at-risk students and ensure progress toward meeting graduation goals. |

Demographic Information

Principal start date

Wednesday 7/29/2020, Justin Fluent

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

3

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

17

Total number of teacher positions allocated to the school

101

Total number of students enrolled at the school

2,238

Identify the number of instructional staff who left the school during the 2020-21 school year.

18

Identify the number of instructional staff who joined the school during the 2021-22 school year.

Demographic Data

Early Warning Systems

2021-22

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

The decrease in proficiency and the underperformance across subgroups attributed to factors that include, a virtual setting and corresponding schedule changes, novice teachers in core accountability areas and

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

Algebra 1 and Geometry proficiency rate with an overall 39 point decrease. In addition, there was also a decrease in 9th grade Reading proficiency.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Factors that contributed to the need for improvement in these areas include, lack of knowledge of virtual instruction, a decrease in student engagement in virtual instruction and attendance and the need to improve standard aligned instruction. To address the issue there will be increased focus on PBIS surrounding the area of student attendance and a centralized focus on standards based instruction in core content areas.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

All though there was no notable increase, 10th grade ELA proficiency remained the same with no decrease.

What were the contributing factors to this improvement? What new actions did your school take in this area?

This was attributed to the continued work and strength in professional learning communities around standards based instruction within the 10th grade team.

What strategies will need to be implemented in order to accelerate learning?

We will established targeted tutoring for all accountability areas during and after school. In addition to adding an instructional coach position to work with teachers on standards based instruction. Weekly PLC and common planning with core content teachers to review and act on data trends to make informed instructional based decisions.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Professional development will include a continued focus on standards based instruction, strategies surrounding classroom management strategies and PD on the use of the district CGs, data analysis and corrective instruction.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Additional services that will be implemented are the funding of an Instructional Coach position, fully released to work with teachers, district specialist support in all accountability areas, strategic double blocked scheduling in Algebra 1 and Geometry.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Standards-aligned Instruction

Area of

Focus
Description
and

Standards Based Planning Focus: Ensuring that lesson delivery, materials, tasks, and assessments are fully aligned to grade level standards. A slight majority of core content teachers exhibit fully aligned lessons and tasks.

Rationale:

Measurable Outcome:

The vast majority of our current core content teachers will engage in successful standards-

based instruction planning procedures.

Monitoring:

This area of focus will be monitored through weekly Standards Walkthroughs with the administrative team and academic coaches to ensure standard alignment of lessons, materials, and learning tasks in the classroom.

Person responsible

monitoring

for

Justin Fluent (fluentj@duvalschools.org)

outcome: Evidence-

based

Facilitate and monitor PLC and Common Planning sessions that result in instructional delivery that ensures students are exposed to standards aligned instruction, tasks, and

Strategy: assessments.

In order to adequately prepare students to achieve mastery on the state assessments, schools need to ensure that students are receiving standard-aligned instruction.

Rationale for Evidencebased Strategy: The Reading Coach and Math Coach will assist in designing, monitoring, and assessing reading and math achievement progress and provide professional development and coaching for teachers focused on standard alignment. The Graduation Coach will assist in monitoring at-risk seniors to ensure they are progressing on standards necessary to exhibit mastery on the state assessments for graduation. Standard aligned assessments allow for accurate monitoring of student progress of assessed standards. Tier 2 and 3 instruction. Funding of additional teachers in ELA, Math, and Science will assure that class sizes are appropriate for core content areas. instructional supplies and technology purchased from Title I will ensure that students are exposed to double-blocked mathematics courses in Algebra and Geometry for additional instructional support, resulting in maximized instructional opportunities.

Action Steps to Implement

Train school leadership team and teachers on the relationship between the SIP and the standards based initiative requirement in addition to Florida Standards and item specifications.

Person Responsible

Justin Fluent (fluentj@duvalschools.org)

Facilitate meaningful professional development with leadership team on the Standards Based Instructional Review process and the Learning Arc Document.

Person Responsible

Justin Fluent (fluentj@duvalschools.org)

Administrators and Coaches will engage in PLC and Common Planning to support and provide Professional Development to teachers with a focus on Alignment to Standards utilizing the learning arc document. Teachers will implement PD to create standard aligned lessons, activities, and assessments through common planning.

Person Responsible

Reina Kimbrough (kimbroughr@duvalschools.org)

Utilize Title I funds to hire a Reading Coach, Math Coach, and additional teachers in ELA, Math, and Science, additional classroom supplies and computer technology to support the execution of our focus area.

Person

Justin Fluent (fluentj@duvalschools.org)

Responsible

Through the use of the standards Walkthrough Tool, our leadership team will measure classrooms that have aligned standards and experiences in all core classes.

Person

Justin Fluent (fluentj@duvalschools.org) Responsible

First Coast High School will continue to include parents in academic decisions for their children by holding quarterly meetings to share the results of academic testing, grading, acceleration opportunities, and postsecondary readiness for college and career opportunities.

#2. Culture & Environment specifically relating to Positive Behavior Intervention and Supports

Area of Focus

Description and

The area of focus is to implement and coordinate PBIS (noncognitive) expectations schoolwide in order to create a positive climate and culture at First Coast High School.

Rationale:

Measurable Outcome:

By successfully implementing PBIS systems at First Coast High School, we will see a 10% decrease in incidence of student tardiness to class as well as a 10% decrease in Out of School Suspensions. Additionally, the implementation of PBIS will result in a 10% decrease

in inappropriate language used toward school board employees.

Monitoring:

PBIS will be pushed daily in classrooms and through the Restorative Practices Program monitored by the Dean of Students to ensure that the program is run with fidelity.

Person responsible

for monitoring

outcome:

Fundrail Quimbley (quimbleyf@duvalschools.org)

Evidencebased By incorporating PBIS expectations into our daily instructional practices, we will both directly and indirectly expose students and faculty to the 5 Social Emotional Competencies, i.e. Teaching self-awareness, Responsible Decision Making Skills, Relationship Skills, and

Social Awareness Skills.

Rationale

for

Strategy:

According to the Collaborative for Academic, Social and Emotional Learning (CASEL), "Social and emotional learning (SEL) enhances students' capacity to integrate skills, attitudes, and behavior to deal effectively and ethically with daily tasks and challenges. CASEL's integrated framework promotes intrapersonal, interpersonal and cognitive

Evidencebased Strategy:

competence."

Action Steps to Implement

PBIS Taskforce established which includes teachers, administrators, Dean of Students, and school secretary to assist in the development of PBIS school-wide activities.

Person Responsible

Latroy Strong (strongl2@duvalschools.org)

Each academic department will discuss and align at least one school wide PBIS expectation into their PLC meetings monthly.

Person Responsible

Fundrail Quimbley (quimbleyf@duvalschools.org)

PBIS Lesson plans, classroom management resources, positive teacher recognition, positive student recognition, and providing tips and strategies teachers can use when communicating with parents. First Coast High School will continue to include parents in academic decisions for their children by holding quarterly meetings to share the results of academic testing, grading, acceleration opportunities, and college and career opportunities. The school will utilize parent call-outs, emails, social media, and the school marquee to inform parents are engagement opportunities. In addition, the leadership team will continue to have an open door policy for parents and are available to address constituent concerns.

Person Responsible

Latroy Strong (strongl2@duvalschools.org)

Additional Schoolwide Improvement Priorities

Using the <u>SafeSchoolsforAlex.org</u>, compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

Primary Area of Concern - Use of profane language - Through our PBIS system, we will work with students on character education and restorative practices to reduce the number of disciplinary incidents.

Secondary Area of Concern - Student Tardiness - Through our PBIS system we will address student tardy issues with a focus on the importance of maximizing instructional time. This will also be evident in our restorative practices program if a student is referred for tardies.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

First Coast High School will continue to include parents in academic decisions for their children by holding quarterly meetings to share the results of academic testing, grading, acceleration opportunities, and college and career opportunities. The school will utilize parent call-outs, emails, social media, and the school marquee to inform parents are engagement opportunities. In addition, the leadership team will continue to have an open door policy for parents and are available to address constituent concerns.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Principal - Conduct weekly parent and student call-outs and emails to keep all stakeholders informed of school progress and programs. Daily "Words of Wisdom" for students and teachers to reflect on with a focus on building strong character.

PTSA President - continuously update stakeholders during monthly PTSA meetings as well as updating the PTSA Social Media Pages with information on how to become involved at the school!

Administrative Team - Open Door Policy to address constituent concerns.

Leadership Team - Conduct quarterly academic nights to keep parents and students updated on data and increase knowledge of future college and career options.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.
