Demographics

Principal: Patricia Corr

Start Date for this Principal: 12/1/2016

| 2021-22 Status (per MSID File) | Active |
|---|-----------------------------|
| School Function (per accountability file) | |
| School Type and Grades Served (per MSID File) | Combination School KG-12 |
| Primary Service Type (per MSID File) | Alternative Education |
| 2020-21 Title I School | Yes |
| 2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3) | 72% |
| 2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk) | |
| School Improvement Rating History | |
| DJJ Accountability Rating | 2023-24: No Rating |

School Board Approval

This plan is pending approval by the Volusia County School Board.

SIP Authority

A Schoolwide Improvement Plan (SIP) is a requirement for Comprehensive Support and Improvement (CSI) ungraded schools pursuant to 1001.42 F.S. and the Every Student Succeeds Act (ESSA) and for DJJ schools receiving a rating of Unsatisfactory pursuant to Sections 1003.51 and 1003.52, F.S. and Rule 6A-1.099813, F.A.C.

CSI schools can be designated as such in 2 ways:

- 1. Have a graduation of 67% or lower; or
- 2. Have an overall Federal Index below 41%.

DJJ Unsatisfactory Ratings are based on percentages by program type:

Prevention and Intervention: 0%-50%

• Nonsecure Programs: 0%-59%

Secure Programs: 0%-53%

SIP Plans for Ungraded CSI schools and DJJ schools receiving an Unsatisfactory rating must be approved by the district and reviewed by the state.

Purpose and Outline of the SIP

The School Improvement Plan (SIP) provides schools and Local Educational Agencies (LEAs) the opportunity to identify the academic and priority goals along with strategies for each school. School leadership teams may refine their SIP annually to define their school's academic and priority goals to increase student achievement.

Schools and LEAs are strongly encouraged to collaborate in the development and implementation of this plan.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Alternative Education will assist in developing graduation assurance through a structured alternative program, during an unintentional break in the traditional school environment, by providing academic instruction through challenging and differentiated curriculum within a safe and positive learning environment.

Provide the school's vision statement.

Our greatest contribution is to be sure that there is a teacher in every classroom who cares that every student, every day, learns, grows, and feels like a human being; they don't care until they know we care.

Briefly discuss the population unique to your school and the specific supports provided to meet the mission and vision.

The Residential Adolescent Program (RAP) is a substance abuse treatment program serving substance dependent youth ages 13-17, utilizing individual, group and family interventions. The average length of stay is 4-6 months. The proven principles of AA/NA are the foundation for the clinical program. Dialectical Behavioral Therapy is an important ingredient in treatment, along with positive peer culture, reality therapy, outdoor therapeutic model, experiential learning theory, and behavior modification systems. Education services are provided by Volusia County Schools. The program is co-occurring capable, staffed by licensed and certified therapists, nurses, and youth specialists.

BEACH House is a shelter that provides short-term respite for youth ages 10-17 who are truant, ungovernable or runaway/homeless. Referrals come from CINS/FINS court, (Children in Need of Services/Families in Need of Services), SMA's CINS/FINS Service Manager, Safe Place sites, law enforcement, school personnel and parents. We provide youth in our care with shelter, meals, individual and group counseling, educational groups and family therapy. Our goal is family reunification and assisting the family in building communication skills and relationships. Program staff also promote awareness activities related to youth at risk in our community

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

| Name | Position Title | Job Duties and Responsibilities |
|--------------------|---------------------|---------------------------------|
| Johns, Dale | Principal | Oversight of 6 sites |
| Kirvan, Colleen | Assistant Principal | Alt Ed support |
| Plummer, Michael | Teacher, K-12 | DJRF contact |
| Pelletier, Rebecca | School Counselor | Detention Contact |
| Little, Rosalind | School Counselor | Contact for Residential sites |
| Cioffi, Joseph | Teacher, K-12 | DJRF contact |
| Williams, LaKeshia | Teacher, K-12 | DOC contact |
| Cruz, Sheila | Teacher, K-12 | Stewart contact |
| Vaughn, Alexis | Teacher, K-12 | Elementary Contact |
| Nass, Keri Lynn | Teacher, K-12 | Residential sites contact |
| Haigh, Tracy | Teacher, K-12 | Riverview and Highbanks contact |
| Nazario, Lisette | School Counselor | Highbanks contact |
| Garbutt, Ann | School Counselor | Riverview contact |
| Cotto, Maggie | Teacher, K-12 | Riverview contact |
| Jenkins, Steafon | Assistant Principal | Riverview contact |
| Schervish, Michael | Assistant Principal | Highbanks contacts |

Is education provided through contract for educational services?

Yes

If yes, name of the contracted education provider.

Volusia County Schools

Demographic Information

Principal start date

Thursday 12/1/2016, Patricia Corr

Number of teachers with professional teaching certificates?

4

Number of teachers with temporary teaching certificates?

0

Total number of teacher positions allocated to the school.

3

Total number of students enrolled at the school.

20

Identify the number of instructional staff who left the school during the 2020-21 school year.

0

Identify the number of instructional staff who joined the school during the 2021-22 school year.

U

Demographic Data

Early Warning Systems

2021-22

The number of students by grade level that exhibit each early warning indicator listed:

| Indicator | Grade Level | | | | | | | | | | | | | Total |

Subgroup Data

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

Reflect on the Areas of Focus from the previous school year. What progress monitoring was in place for low performing ESSA subgroups related to the Areas of Focus?

In reflection to the areas of focus, within ESSA subgroups, progress monitoring reports are in place for weekly conference and discussion. Our stakeholders team meets and reviews areas of concern and isolates individual needs for graduation assurance.

Based on ESSA subgroup progress monitoring, which data component showed the most improvement? What new actions did your school take in this area?

Science Proficiency.

New educational program, Edgenuity, course completions.

Professional development for instructors and staff, reading interventions, social - emotional training, PLC and progress monitoring tools.

What area is in the greatest need of improvement? What specific component of this area is most problematic? What is your basis (data, progress monitoring) for this conclusion?

MATH Proficiency / ELA Proficiency.

Students lack foundation in math and reading skills, along with attendance issues. Students need to develop positive relationships with staff and adults in general. Students also, students lack positive relationships with staff and adults in general. Students also need to improve their goal setting skills.

What trends emerge across grade levels, subgroups and core content areas?

Math Proficiency / ELA Proficiency

Students need to develop math and reading proficiency. Many students who enter alternative education have attendance issues. Additionally, these students tend to fall behind other students in GPA, EOCs, FSA, and show a much lower graduation rate. I

What strategies need to be implemented in order to accelerate learning?

MATH / ELA Proficiency

Best practices in the classroom remediation of Math and Reading skills. We will continue our productive PLC's and monitoring meetings, develop positive teacher/student relationships, increase in course completions / graduation assurance through credit retrieval, successful transition back to zoned school, increase in graduation assurance rate.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

There will be eight faculty meetings, both school and district lead, that will provide everyone an opportunity to develop professional skills in teacher clarity, success criteria, profile of environments, curriculum, and teaching supports.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Math

Area of Focus Description and Rationale:

it was identified as a critical need from the data reviewed.

Students lack foundation in math skills. Students are not on track Include a rationale that explains how when they come to our programs; if they are, we must maintain progress.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Students in attendance for more than 20 days will be on track to complete their scheduled course and demonstrate mastery and proficiency at 70% or better.

Monitoring:

be monitored for the desired outcome.

Describe how this Area of Focus will Weekly progress monitoring, course completions, quarterly grades, and being on target with target dates in Edgenuity.

Person responsible for monitoring outcome:

Sheila Cruz (skcruz@volusia.k12.fl.us)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Differentiation through scaffolding

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Scaffolding has a .82 effect size (Hattie). The ELA proficiency not only showed low performance, but also nearly the greatest decline from the prior year, and the ELA component had nearly the greatest gap when compared to the state average. This Data component showed the lowest performance according to last year's EWS indicators. Students in Alternative Ed. tend to fall behind all other subgroups in GPA, EOC's, FSA, attendance and graduation rate.

Action Steps to Implement:

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

- 1. Assess individual student needs
- 2. Provide supplementary resources
- 3. Progress monitoring/Edgenuity
- 4. Teacher/Student ratio (small group; 1:1)
- 5. Provide emotional /behavioral supports
- 6. Guided notes
- 7. Gradual release
- 8. Break tasks down into small steps
- Professional Development for Instructional staff in Social-Emotional Training, Blended Learning, and effective PLC's. In order to foster better student - teacher relationships
- 10. Emphasis on graduation assurance through credit retrieval
- 11. Remediation of Foundational skills in Math and Reading

Person Responsible Sheila Cruz (skcruz@volusia.k12.fl.us)

Monitoring ESSA Impact:

If this Area of Focus is not related to one or more ESSA subgroups, please describe the process for progress monitoring the impact of

Weekly progress monitoring, course completions, quarterly grades, and being on target with target dates in Edgenuity.

Last Modified: 5/2/2024 Page 13 of 17 https://www.floridacims.org

the Area of Focus as it relates to all ESSA subgroups not meeting the 41% threshold according to the Federal Index.

#2. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Students lack foundation in reading skills. Students are not on track when they come to our programs. If they are, we must maintain their progress.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Students in our program for more than 20 days will be on track to complete course with a 70% proficiency.

Monitoring:

be monitored for the desired outcome.

Describe how this Area of Focus will Weekly progress monitoring, course completions / quarterly grades, being on target with target date in Edgenuity.

Person responsible for monitoring outcome:

Sheila Cruz (skcruz@volusia.k12.fl.us)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

the Area of Focus as it relates to all ESSA subgroups not meeting the 41% threshold according to the Federal Index.

#3. Instructional Practice specifically relating to Graduation

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Person responsible for monitoring outcome:

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Students lack study skills, confidence and motivation. Students lack positive relationships with staff.

Increase graduation rate through increased program completion. Students in our program for more than 20 days will be on track to complete course with 70% proficiency.

Weekly progress monitoring, course completions / quarterly grades, being on target with target date in Edgenuity.

Rosalind Little (ralittle@volusia.k12.fl.us)

Professional development for teachers in Social Emotional Training, blended learning, poverty awareness and cultural sensitivity.

Social emotional learning.

Action Steps to Implement:

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Professional Development for Instructional staff in Social- Emotional Training, Blended Learning, and Effective PLC's. In order to foster better student - teacher relationship, Emphasis on graduation assurance through credit retrieval; Remediation of Foundational skills in Math and Reading; Weekly Goal setting strategies one on one with teacher/student.

Person Responsible

Monitoring ESSA Impact:

If this Area of Focus is not related to one or more ESSA subgroups, please describe the process for progress monitoring the impact of the Area of Focus as it relates to all ESSA subgroups not meeting the 41% threshold according to the Federal Index.

Weekly progress monitoring, course completions / quarterly grades, being on target with target date in Edgenuity.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

At our site, we involve all stakeholders. However, there are very few instances where we work with parents. Most of our interactions are with the program personnel. We are a team that works closely together with our buildings staff to enable student success. Educators and staff personal attend meetings and treatment team meetings with program and the betterment of students. Additionally, program personnel are all involved in school activities and meetings.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Parent Family and Engagement Plan (PFEP) Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.
