\* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

## School Board Approval

This plan is pending approval by the Seminole County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

**Provide the school's mission statement.**

The mission of Tuskawilla Middle School is to cultivate an environment, built on relationships, where students strive to explore career opportunities, create new possibilities, and innovate the world around them for a better tomorrow.

**Provide the school's vision statement.**

The vision of Tuskawilla Middle School is for all students to be engaged in their learning through individualized and innovative educational experiences to prepare them for success in the ever-changing world.

### School Leadership Team

**Membership**

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

| Name             | Position Title      | Job Duties and Responsibilities  |
|------------------|---------------------|--|
| Shuler, Randy    | Principal           | Financial, Operational, Decision Making, Vision, Data Monitoring   |
| Garrett, Ryan    | Assistant Principal | ELA, Reading, ESOL, POE, Performing Arts, Master Schedule, Communications  |
| Mims, Yaschika   | Assistant Principal | ESE, Social Studies, Guidance, Discipline, MTSS, Emergency Management, School Safety                             |
| Scott, Chris     | Other               | Facilities, Technology, Custodial  |
| Longley, Jazmyne | Other               | Discipline, Transportation, PBS, Bullying, Fundraisers, Field Trips  |
| Woods, Cynthia   | Assistant Principal | Math, Science, PD, Cluster, Textbooks, Pre-Plan, Awards Night, Student Recognition, SAC, School Improvement Plan |

### Demographic Information

**Principal start date**

Saturday 5/6/2017, Randy Shuler

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

5

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

17

**Total number of teacher positions allocated to the school**

59

**Total number of students enrolled at the school**

1,101

**Identify the number of instructional staff who left the school during the 2020-21 school year.**

4

**Identify the number of instructional staff who joined the school during the 2021-22 school year.**

5

**Demographic Data**

**Early Warning Systems**

**2021-22**

**The number of students by grade level that exhibit each early warning indicator listed:**

| Indicator  | Grade Level |   |   |   |   |   |     |     |     |   |    |    |    | Total |
|--|-------------|---|---|---|---|---|-----|-----|-----|---|----|----|----|-------|
|  | K           | 1 | 2 | 3 | 4 | 5 | 6   | 7   | 8   | 9 | 10 | 11 | 12 |       |

**Grade Level Data Review - Progress Monitoring Assessments**

Provide the progress monitoring tool(s) by grade level used to compile the below data.

Common District Created Benchmark Assessments were utilized to progress monitor:

- ELA – Grades 6-8
- Mathematics – Grades 6-8 including high school Algebra and Geometry
- Science – Grade 8
- Civics – Grade 7

| Grade 6               |                            |         |         |         |
|-----------------------|----------------------------|---------|---------|---------|
|                       | Number/% Proficiency       | Fall    | Winter  | Spring  |

## Analysis

### Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

#### What trends emerge across grade levels, subgroups and core content areas?

The performance of students with disabilities across all grade levels and content areas is a concerning trend.

#### What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

The achievement and learning gains of students with disabilities demonstrates the greatest need for improvement.

#### What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Factors contributing to the low performance of students with disabilities in ELA and Math proficiency and learning gains include disruption in instructional continuity due to the pandemic that further widened gaps in students' foundational skills. Actions to support improvement in these areas will include frequent formative progress monitoring with target support and acceleration in identified areas of need.

#### What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

Grades 6 and 7 ELA and Grade 8 mathematics reflect the most improvement.

#### What were the contributing factors to this improvement? What new actions did your school take in this area?

Deliberate monitoring of specific student groups contributed to this improvement. Actions included focus on the monitoring of the lowest 30% of students, acceleration of high level 1 and high level 2 and level 3 students along with standards-based tutoring.

#### What strategies will need to be implemented in order to accelerate learning?

Acceleration strategies will include strategic monitoring of lowest 30% of students, acceleration of high level 1 and high level 2 and level 3 students, more frequent common formative assessment to gather progress monitoring data and highly structured professional learning community discussions using this data to collaborate on strategies to accelerate student learning.

#### Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Professional development will be focused on the development of highly effective professional learning communities and how school-based leaders can foster the growth and development of teacher collaboration for student success.

**Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.**

Additional services dedicated to student acceleration include social emotional learning support for students and families, data driven tutoring and acceleration support, expanded use of SCPS early warning tracking and MTSS based support, and additional progress monitoring opportunities in ELA and mathematics for all students in grades 6-8

**Part III: Planning for Improvement**

**Areas of Focus:**

**#1. ESSA Subgroup specifically relating to Students with Disabilities**

|   |  |
|---|--|
| <b>Area of Focus Description and Rationale:</b>   | Increasing academic achievement of students with disabilities. ESSA Federal Percent of Points Index indicates this is a high priority need and focusing on the success of these students will reduce achievement gaps and prepare these students for future academic success.          |
| <b>Measurable Outcome:</b>                        | Increase achievement and learning gains for students with disabilities.  |
| <b>Monitoring:</b>                                | This area of focus will be monitored through classroom walk throughs, review of progress monitoring data and through data chats with professional learning communities.  |
| <b>Person responsible for monitoring outcome:</b> | Randy Shuler (randy_shuler@scps.k12.fl.us)   |
| <b>Evidence-based Strategy:</b>                   | Lessons aligned to Florida Standards at the appropriate level of complexity with ongoing feedback loops between leadership and teachers, students and teachers and student with students and PLCs focused on data, instructional planning and student evidence of learning.            |
| <b>Rationale for Evidence-based Strategy:</b>     | Standards based lessons differentiated to meet the needs of these specific student groups and data driven deliberate action planning will improve achievement and learning gains for our students. This strategy is aligned to having high expectations for all learners and teachers. |

**Action Steps to Implement**

- Student owned progress monitoring
- Low 30% Monitoring
- High Level 1 and High Level 2 Monitoring
- Low Level 3 Acceleration
- Collaborative Data Driven PLCs
- See SCPS School Improvement Plan for additional details

**Person Responsible** Randy Shuler (randy\_shuler@scps.k12.fl.us)

### Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

**The administrator who oversees discipline, Mrs. Longley has and will examine the discipline referral data from the previous year to identify common trends to address for the school year. Mrs. Longley will also monitor on a quarterly basis to ensure that behaviors are being addressed immediately. Mrs. Longley will address any areas of concern (Inappropriate and Unsafe Acts) on a bi-weekly video segment for students to outline and review the SCPS student code of conduct. Mrs. Longley will address any new areas of concern as they arise and offer solutions and examples on how to effectively address the behavior.**

### Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

### Describe how the school addresses building a positive school culture and environment.

The school-based PBS team has created structures in place to reward positive behavior. Students can earn our school-based incentives such as falcon bills and positive behaviors for exhibiting behaviors that align with our S.O.A.R. (Safety first, On Time, Actively Engaged and Respectful and responsible) expectations. All teachers and staff can reward students at any time. Students can redeem their falcon bills for various prizes at the PBS store during lunches in the campus restaurant. Students who receive a positive referral are recognized by administrators and are given additional prizes as an award. The administrator who oversees PBS identifies and highlights ideal behaviors on the school news so that students continue to strive for excellence in their behavior choices.

### Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Tuskawilla Middle School prides itself in having a strong collaborative parent and community partnership. SAC and PTSA members provide strong parent support to the school through volunteerism in the classroom, at special events and through the school store. The Tuskawilla Business Advisory Board engages the surrounding business and collegiate community with the school through program consultation, guest speaking, hosting field trips and monetary contributions. The Business Advisory Board participation in STEM Night, Career Expo, and Teach-In allow students to make real-world connections and prepare them

for success in this ever-changing world. It is through these partnerships that Tuskawilla continues to innovate and thrive.
