## Demographics

**Principal: Bradley Scarborough**

Start Date for this Principal: 1/12/2019

<b>2019-20 Status</b> (per MSID File)	Active
<b>School Type and Grades Served</b> (per MSID File)	Middle School 6-8
<b>Primary Service Type</b> (per MSID File)	K-12 General Education
<b>2020-21 Title I School</b>	No
<b>2020-21 Economically Disadvantaged (FRL) Rate</b> (as reported on Survey 3)	48%
<b>2020-21 ESSA Subgroups Represented</b> (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Asian Students Black/African American Students Hispanic Students Multiracial Students White Students Economically Disadvantaged Students
<b>School Grades History</b>	2018-19: B (56%) 2017-18: B (60%) 2016-17: C (52%)
<b>2019-20 School Improvement (SI) Information*</b>	
<b>SI Region</b>	Central
<b>Regional Executive Director</b>	<a href="#">Lucinda Thompson</a>
<b>Turnaround Option/Cycle</b>	N/A
<b>Year</b>	
<b>Support Tier</b>	
<b>ESSA Status</b>	

\* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

## School Board Approval

This plan is pending approval by the Manatee County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

### School Demographics

School Type and Grades Served (per MSID File)	2020-21 Title I School	2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)
Middle School 6-8	No	40%
Primary Service Type (per MSID File)	Charter School	2018-19 Minority Rate (Reported as Non-white on Survey 2)
K-12 General Education	No	42%

### School Grades History

Year	2020-21	2019-20	2018-19	2017-18
Grade		B	B	B

### School Board Approval

This plan is pending approval by the Manatee County School Board.

### SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

#### Provide the school's mission statement.

The mission of Buffalo Creek Middle School is to inspire our students with a passion for learning, empowered to pursue their dreams confidently and creatively while contributing to our community, nation and world.

#### Provide the school's vision statement.

Buffalo Creek Middle School's vision is to establish and support standards of excellence that prepare students to become successful, well-rounded and involved citizens in the 21st Century.

### School Leadership Team

#### Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Scarborough, Brad	Principal	The school leadership team makes up our ILT (Instructional Leadership Team). The ILT guides the school for T1 academic, behavior, and attendance problem solving. The ILT meets monthly to review data, consider needs, and take preventive or responsive action. Leadership team members are also facilitators of department meetings, PTO/SAC meetings, MTSS meetings, and grade level TCT (teacher collaboration team) meetings. Stakeholders and staff are communicating at these meetings to problem solve and improve BCMS.
Cooper, Kimone	Assistant Principal	
Rainwater, Carrie	Assistant Principal	
Durst, Joanna	Teacher, K-12	
Baker, Joseph	Teacher, K-12	
Servoss, Fay	Teacher, K-12	

### Demographic Information

#### Principal start date

Saturday 1/12/2019, Bradley Scarborough

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

3

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

20

**Total number of teacher positions allocated to the school**

76

**Total number of students enrolled at the school**

1,260

**Identify the number of instructional staff who left the school during the 2020-21 school year.**

7

**Identify the number of instructional staff who joined the school during the 2021-22 school year.**

Economically Disadvantaged Students Subgroup Below 41% in the Current Year?	NO
Number of Consecutive Years Economically Disadvantaged Students Subgroup Below 32%	

## Analysis

### Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

#### What trends emerge across grade levels, subgroups and core content areas?

Last year we encountered many challenges due to multiple learning formats occurring, to include e-learning, hybrid and face to face. With frequent switches of learning formats; and instructional changes many of our students had lapses in delivery and direct instruction. Our most vulnerable students struggled to close learning gaps. We saw a decrease in learning gains across all areas.

#### What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

Learning gains in ELA ( 50% to 46%) and Math (58% to 43%) ; as well as our SWD and ELL populations require our focus this year. Ensuring access to face to face instruction is key to our student's success in the upcoming year.

#### What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Contributing factors for overall decline in learning gains were directly a result of continuous changes to learning modalities.

#### What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

Our Science scores showed marked improvement from the previous testing data. We achieved an overall gain of +8; we went from 36% to 44%.

#### What were the contributing factors to this improvement? What new actions did your school take in this area?

Based on discussions with the Science team; they focused heavily on academic vocabulary, as well as implementing i-Xcel. for standards based review.

#### What strategies will need to be implemented in order to accelerate learning?

Focus on standards-based instruction and alignment with curriculum road maps.  
Continuing our focus on after school tutoring on campus and virtually.  
A continued focus on academic vocabulary and continued use of i-Xcel for Science.  
Adaptive scheduling for level 1 and 2 students in ELA and Math.

#### Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Our professional development focus this year is on Social Emotional Learning; the incorporation of AVID strategies across all content areas and data analysis.

**Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.**

Adaptive scheduling, continued focus on academic vocabulary and additional tutoring offered to students with a focus on academic achievement.

## Part III: Planning for Improvement

### Areas of Focus:

#### #1. ESSA Subgroup specifically relating to English Language Learners

**Area of Focus**  
**Description and Rationale:** Increase Standards based Instruction Across all Content Areas. Based on previous data ; Our ELL and SWD subgroups demonstrate lower achievement and learning gains than their counterparts.

**Measurable Outcome:** We will see an increase across all sub-groups as follows:  
SWD-8th from 34% to 40%  
ELL- Math-LG-from 27% to 40%  
ELL-ELA LG- from 34% to 40%

**Monitoring:** Collaborative planning sessions and access to voluntary common planning time that allows for additional PD as it relates to engagement strategies that enhance student participation and comprehension.

**Person responsible for monitoring outcome:** [no one identified]

**Evidence-based Strategy:** Provide additional supports through virtual tutoring; and algebra and civics boot-camp that will be offered virtually as well.

**Rationale for Evidence-based Strategy:** Our data indicates students are falling below proficiency in all areas.

#### Action Steps to Implement

*No action steps were entered for this area of focus*

**#2. Instructional Practice specifically relating to B.E.S.T. Standards**

<b>Area of Focus Description and Rationale:</b>	Increase Standards based Instruction Across all Content Areas. Based on previous data ; Our learning Gains dropped school wide in ELA and in Math. Increase Standards based Instruction Across all Content Areas. Based on previous data ; Our L-25 subgroups demonstrate lower achievement and learning gains than their counterparts.
<b>Measurable Outcome:</b>	We will see an increase across all sub-groups as follows: Math-LG- from 41% to 47% ELA LG- from 33% to 39%
<b>Monitoring:</b>	Monitoring Quarterly through BM data as provided by the District.
<b>Person responsible for monitoring outcome:</b>	Carrie Rainwater (rainwaterc@manateeschools.net)
<b>Evidence-based Strategy:</b>	Data focused instructional practices that are guided through teacher feedback as it relates to on-going data analysis.
<b>Rationale for Evidence-based Strategy:</b>	Encouraging teachers to know their students and maintain data chats quarterly keeps instructional staff focused on learning gaps that will enhance instruction.

**Action Steps to Implement**

**#3. Culture & Environment specifically relating to Positive Behavior Intervention and Supports**

<b>Area of Focus Description and Rationale:</b>	This year we have created a student advisory committee that will give continual feedback to help create student led PBIS events and offerings, in order to increase student participation.
<b>Measurable Outcome:</b>	Pre and Post climate surveys have been created and will be administered quarterly to both staff and students. We hope to see an increase in feedback quarterly by at least 25%.
<b>Monitoring:</b>	Through data as it relates to participation.
<b>Person responsible for monitoring outcome:</b>	Carrie Rainwater (rainwatc@manateeschools.net)
<b>Evidence-based Strategy:</b>	Feedback has been proven essential in improving school climate and participation through shared ownership thinking.
<b>Rationale for Evidence-based Strategy:</b>

**Additional Schoolwide Improvement Priorities**

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

**According to [Safeschoolsforalex.org](https://www.safeschoolsforalex.org); our school is slightly higher than average in comparison to other schools for fighting. Discipline data is monitored throughout the year and adjustments to supervision occur to curb opportunity and inclination. We also work closely to monitor our frequent flyers through check-in/check-out and mentorship.**

#### **Part IV: Positive Culture & Environment**

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

#### **Describe how the school addresses building a positive school culture and environment.**

BCMS has a SAC and Parent Volunteer Group where school, family, and community members converge to support the school's mission and vision. BCMS holds up to six SAC meetings per year. The School Improvement Plan (SIP) is reviewed and monitored annually and SAC members participate in the approval of the SIP. A website is maintained to inform all stakeholders of upcoming events and important information. A site Facebook page is updated and maintained by a staff member. BCMS produces a quarterly school newsletter and both posts the newsletter online and provides it in print. School-wide lesson plans are submitted through Schoology to provide parents with daily homework, classroom assignments, and expectations. A FOCUS system is offered by the district, and every parent and students to access assessment scores, student grades and classwork progress. Teachers, guidance counselors, deans, the ELL Liaison, the ESE Specialist, and Administrators call parents, providing information of student successes and challenges. We communicate on students' progress, provide support opportunities and give information on events and specific needs. Multiple events are offered to provide parents and community members the opportunity to visit our school and we consistently work to build and maintain relationships with both family and community members.

#### **Identify the stakeholders and their role in promoting a positive culture and environment at the school.**

Our Goal is to increase our sense of community and shared problem solving through focusing on student/adult relationships; leading to a decrease in overall discipline referrals and an increase in building security and trust as measured through climate surveys, Pre- and Post-.

Specific Strategies:

1. Lunch and Learns focused on SEL, Data Collection and Interpretation, AVID Strategies and student engagement. (Dudzcak; School Coordinator); Follow -Up: monthly
2. Creating a Student Advisory Committee that will work with Admin to participate in problem solving components as they relate to school wide initiatives and discipline concerns. (Rainwater; Admin) Follow-Up: bi-monthly
3. Creation of a Staff Climate committee that will promote monthly opportunities for staff collaboration. (Rodd; teacher); Follow-Up: monthly.
4. School Climate Surveys each semester (Olah; SEL Advisor); Follow-Up: Semester
5. An increase in Staff Appreciation; as determined by the Student Advisory Board. (Rainwater; Admin); Follow-Up Quarterly.

## Part V: Budget

**The approved budget does not reflect any amendments submitted for this project.**

1	III.A.	Areas of Focus: ESSA Subgroup: English Language Learners	\$0.00
2	III.A.	Areas of Focus: Instructional Practice: B.E.S.T. Standards	\$0.00
3	III.A.	Areas of Focus: Culture & Environment: Positive Behavior Intervention and Supports	\$0.00
<b>Total:</b>			<b>\$0.00</b>
