* As defined under Rule 6A-1.099811, Florida Administrative Code. F	or more information, <u>click here</u> .

School Board Approval

This plan is pending approval by the Dade County School Board.

## **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <u>www.floridacims.org.</u>

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

# **Part I: School Information**

#### School Mission and Vision

#### Provide the school's mission statement.

The mission of Mater Academy is to develop the intellectual and social skills of its students by facilitating a rigorous college preparatory curriculum and a wide range of educational resources within a safe learning environment. Students are expected to perform at or above grade level availing success in high school and within a global society. Our Mission is the Meaningful achievement of Academics facilitated by Teachers, administrators, parents and the community Enabling students to become confident, self-directed and Responsible lifelong learners.

#### Provide the school's vision statement.

In collaboration with its teachers, parents, community, and administration it is the vision of Mater Academy to provide a meaningful and nurturing educational environment that promotes academic achievement for its students.

#### School Leadership Team

#### Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Tamargo, Alex	Assistant Principal	Direct and manage instructional program and supervise operations and personnel at campus level. Provide leadership to ensure high standards of instructional service. Oversee compliance with district policies, success of instructional programs, and operation of all campus activities.
Montero, Maria	Assistant Principal	Assist the Principal to direct and manage instructional program and supervise operations and personnel at campus level. Provide leadership to ensure high standards of instructional service. Oversee compliance with district policies, success of instructional programs, and operation of all campus activities.
Morris, Beatriz	Assistant Principal	Assist the Principal to direct and manage instructional program and supervise operations and personnel at campus level. Provide leadership to ensure high standards of instructional service. Oversee compliance with district policies, success of instructional programs, and operation of all campus activities.
Alonso, Yolanda	Dean	The Discipline Dean assists with the development, implementation and evaluation of intervention programs for at- risk scholars. Deans administer disciplinary procedures in accordance with the school and state law. Deans also fulfills supervisory duties such as arrival, dismissal and hallway transitions.
Chaoui, Vanessa	Instructional Coach	Reading and Math Coaches work with students, teachers, and school administrators, to develop curriculum, programs, tutoring and remediation tools, review and interpret data, create teaching material for educators, lead professional development and help teachers and student meet grade level goals and requirements.

#### **Demographic Information**

#### Principal start date

Thursday 7/1/2021, Alex Tamargo

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.* 

0

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

0

**Total number of teacher positions allocated to the school** 54

Total number of students enrolled at the school

1,167

Identify the number of instructional staff who left the school during the 2020-21 school year. 9

Identify the number of instructional staff who joined the school during the 2021-22 school year. 9

#### Analysis

#### **Data Analysis**

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

#### What trends emerge across grade levels, subgroups and core content areas?

Lower quartile in ELA and Math performance lowest performing group Students with disabilities lowest performing subgroup overall

# What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

ELA and Math/EOC scores need greatest improvement

# What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Progress monitoring was not being implemented effectively. In order to improve, progress monitoring and benchmark testing will be taking place three times a year.

# What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

Middle School Algebra I and Geometry showed the most improvement Middle School Acceleration

# What were the contributing factors to this improvement? What new actions did your school take in this area?

Increased progress monitoring in accelerated courses

#### What strategies will need to be implemented in order to accelerate learning?

Data Chats; Progress Monitoring tool implementation across all CORE subjects; HomeRoom periods with students grouped by FSA levels and ESE subgroup

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

- Study Island Technology training (progress monitoring and remediation lessons)
- Verizon training (General training)
- Edgenuity Training (Supplemental curriculum resources)

# Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

- Increase classroom visits
- Tardy Center implementation (student tardies decreased significantly)
- Mentor Program
- PLC groups by subject area and grade level
- Common planning

# Part III: Planning for Improvement

## Areas of Focus:

#1. Instructional Practice specifically relating to ELA						
Area of Focus Description and Rationale:	ELA SCORES via final FSA results decreased from 2019-2021					
Measurable Outcome:	Lower quartile will improve an average of 10 points per students.					
Monitoring:	<ul> <li>Baseline, Benchmark, and Post Tests administered through standardized Study Island program.</li> </ul>					
Person responsible for monitoring outcome:	Kismet Ulloa (kismetulloa@materacademy.com)					
Evidence-based Strategy:	Direct and differentiated instruction based upon FSA levels and specific standards of need.					
Rationale for Evidence-based Strategy:	In the classroom setting, direct and differentiation instruction if implemented properly have shown to yield proficient results when working with groups of students over 20.					
Action Steps to Implement						
- Targeted Tutoring - Homeroom grouping for remediation - Teacher training on Study Island/Technology -Progress Monitoring/Testing and Data Chats						

**Person Responsible** Kismet Ulloa (kismetulloa@materacademy.com)

#2. Instructional Practice specifically relating to Math						
Area of Focus Description and Rationale:	Math FSA SCORES via final FSA results decreased from 2019-2021					
Measurable Outcome:	Lower quartile and SWD will improve an average of 10 points per students.					
Monitoring:	- Baseline, Benchmark, and Post Tests administered through standardized Study Island program.					
Person responsible for monitoring outcome:	Vanessa Chaoui (vchaoui@materacademy.com)					
Evidence-based Strategy:	Direct and differentiated instruction based upon FSA levels and specific standards of need.					
Rationale for Evidence-based Strategy:	In the classroom setting, direct and differentiated instruction if implemented properly have shown to yield proficient results when working with groups of students over 20.					
Action Stone to Implement						

# **Action Steps to Implement**

- Targeted Tutoring

- Homeroom grouping for remediation
- Teacher training on Study Island/Technology

-Progress Monitoring/Testing and Data Chats

Person Responsible [no one identified]

#3. Instructional Practice specifically relating to Social Studies						
Area of Focus Description and Rationale:	CIVICS EOC SCORES via final results decreased from 2019-2021					
Measurable Outcome:	Lower quartile and SWD will improve an average of 10 points per students.					
Monitoring:	<ul> <li>Baseline, Benchmark, and Post Tests administered through standardized Study Island program.</li> </ul>

#### Additional Schoolwide Improvement Priorities

Using the <u>SafeSchoolsforAlex.org</u>, compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

Compared to Discipline Data across the state, Mater High's discipline data shows "LOW" level of incidence. To continue this tradition of low incidence rates the following initiatives will be taken:

1) Promoting school-wide culture of excellence by reviewing school rules and expectations at the start of the school year and working with students and families to meet the expectations

2) School Rules and expectations will be communicated to all stake holders at the start of the school year through school wide videos, flyers, handouts, presentations and examples.

3) Two deans of discipline will be employed to ensure enforcement of school rules and expectations.

4) New Tardy Center Procedures will be implemented to ensure students are arriving to school on time.

5) Increased supervision in the hallways and during lunch will occur through strategic placement of Paraprofessionals, Administrators, Deans, Support Staff, and other Personnel to ensure visibility in the morning drop off, through hallway change, during lunch, and at dismissal.

# Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

## Describe how the school addresses building a positive school culture and environment.

The school addresses building positive school culture and environment through the following:

1) Open door policy from administration

2) Regular communication with all stake-holders through

- -Faculty meetings
- -Department meetings
- -PLC meetings
- -School emails and messenger
- -Curriculum Council meetings
- -Faculty Question Box,
- -EESAC: Educational Excellence School Advisory Council
- -STEAM Team Meetings
- -PAL: Parents as Liaison Meetings
- -Mater Inc Board Meetings
- -Mater coalition Meetings and
- -Parent Academy Meetings
- 3) Mentoring program for new Faculty and Staff
- 4) School-Wide Social Emotional Learning and Character Education for all students
- 5) Student Services initiatives including Red Ribbon Week, Character Counts, Lion Strides
- 6) Designated School-Wide Help Desk : materhelps@materacademy.com
- 7) Over 60 Student led organizations, clubs, and groups

# Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Administration - oversee the day-to-day running of school, provide opportunities to connect with all stake holders and listen to concerns from all groups, implement and enforce school wide policies that create positive school culture, support student and faculty led initiatives for creating an effective learning environment, and model appropriate behavior for faculty and students.

Student Services - collaborate with administration on school wide initiatives, facilitate communication with teachers, parents and students to create a positive learning environment, and model appropriate behavior for faculty and students.

Faculty / Staff - create a safe and positive classroom environment for students, enforce school-wide policies

and expectations, collaborate in PLC and Departmental Teams to support all faculty, communicate with parents, and model appropriate behavior for faculty and students.

Students - create a safe and positive environment for themselves and their peers by adhering to school policies, supporting peers, maintaining high standards of behavior and scholarship, communicating with faculty, staff, and parents, creating exciting and enthusiasm through involvement in positive school activities, clubs, and organizations and modeling excellent behavior.

Parents - communicate and collaborate with faculty, staff, administration, and students to support student learning and address concerns to build a better, safer and more effective learning environment. Support school wide initiatives through participation, involvement, fundraising, and supervision.

Mater Inc. Board - coordinates with school leaders and all stakeholders to ensure compliance with local and state regulations, passes initiatives that forward the mission and vision of the school, communicates areas of concerns raised by stakeholders to administration and policy-makers, supports school initiatives through board-approved initiatives, participation and involvement.

Community Partners - coordinate with school personnel to enhance the learning environment of the school and forward school mission and vision by providing students access to innovative and unique learning experiences and partnerships.

# Part V: Budget

# The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructiona	\$26,880.00			
	Function	Object	Budget Focus	Funding Source	FTE	2021-22
