Demographics

Principal: Michelle Cort

Start Date for this Principal: 7/1/2018

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	High School 9-12
Primary Service Type (per MSID File)	K-12 General Education
2020-21 Title I School	Yes
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Black/African American Students* Hispanic Students Multiracial Students* White Students Economically Disadvantaged Students
School Grades History	2018-19: C (42%) 2017-18: C (50%) 2016-17: C (43%)
2019-20 School Improvement (SI) Inf	ormation*
SI Region	Southwest
Regional Executive Director	
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	
* As defined under Rule 6A-1.099811, Florida Administrative Code. F	For more information, <u>click here</u> .

School Board Approval

This plan is pending approval by the Lee County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <u>www.floridacims.org.</u>

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at https://www.floridaCIMS.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The mission of Island Coast High School is to prepare all students for post secondary success through attendance, behavior and classroom instruction and drop out prevention.

Provide the school's vision statement.

To be a school where all students are held to high standards of excellence and graduate prepared to excel in the 21st century.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Cort-Mora, Michelle	Principal	
Anderson Thomas, Chevoneese	Assistant Principal	
Cain, Leigh Ann	Assistant Principal	
Auer, Michael	Assistant Principal	
Lemme, Michael	Dean	Responsible for School discipline

Demographic Information

Principal start date

Sunday 7/1/2018, Michelle Cort

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

2

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

9

Total number of teacher positions allocated to the school 109

Total number of students enrolled at the school

1,612

Identify the number of instructional staff who left the school during the 2020-21 school year. 25

Identify the number of instructional staff who joined the school during the 2021-22 school year. 22

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

A common trend across the school is having an increase in school grade based on star data. The first trend was a 1% increase in school grade components for ICHS, 40% for Q1, then 41% for Q2, and 42% for Q3. A second trend was seen across the school was only having around 70% of all students taking STAR assessments. The third trend was the decrease in proficiency and learning gains in math scores based on STAR.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

The greatest area of need for ICHS is the decrease in proficiency and learning gains in math. Proficiency decreased from 26% (Baseline) to 24% (March) STAR. Learning gains also decreased from 21% (Baseline) to 17% (March) STAR.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

What new actions would need to be taken to address this need for improvement? We will have a target of 95% of ICHS students to test each quarter for STAR. Admin will set up tables in the front lobby to meet students that are late to school to help decrease student tardiness. Full time social worker will follow up with students with excessive absences. We are pulling data in baseball card every day of the window for STAR testing and reporting back to teachers to help them monitor students who have not tested.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

The best improvement was in ELA proficiency that increased from 34% Q1 to 39% Q3, and U.S. History increased from 46% Q1 to 59% Q3.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Use of instructional guides and use of district support personnel to help bring in empirically based instructional best practices. The school used data based PLC's to drill down into the instructional guides.

What strategies will need to be implemented in order to accelerate learning?

? Cross curricular PLC's have increased the level of knowledge for all subject's area teachers while looking at student data and creating an action plan for teachers. The PLC was able to drill down into standards that students were struggling with and disseminate those standards across the grade level to have non-core teachers incorporate into their daily lesson plans. The Reading Coach will reach out to make sure ELA standards are being incorporated in lessons and/or modeling for teachers.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders. District level PLC PD for facilitators, PD for all teachers on High-Yield strategies, APPLES PD that follows up on the months previous PD.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

H. Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond. We have implemented back on track tutoring after school. All of the teachers are using PLC's to look at data from baseball card.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:

Measurable Outcome:

Monitoring:

Person responsible for monitoring outcome:

Evidence-based Strategy:

Rationale for Evidence-based Strategy:

Action Steps to Implement

No action steps were entered for this area of focus

[no one identified]

#2 Select below specifically relating to	
Area of Focus Description and Rationale:	ELA is a focus here at ICHS
Measurable Outcome:	Our goal is to increase ELA by 5 percentage points
Monitoring:	Weekly PLC
Person responsible for monitoring outcome:	[no one identified]
Evidence-based Strategy:	
Rationale for Evidence-based Strategy:	

Action Steps to Implement

No action steps were entered for this area of focus

Additional Schoolwide Improvement Priorities

Using the <u>SafeSchoolsforAlex.org</u>, compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

Vaping and Insubordination continues to be an issue across all grade levels.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

We have monthly staff appreciation celebrations

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

We utilize the PBIS team.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	1 III.A. Areas of Focus: Instructional Practice: ELA		
2	2 III.A. Areas of Focus: Select below:		\$0.00
		Total:	\$0.00
