## **Demographics**

**Principal: Scott Lemaster** 

Start Date for this Principal: 9/20/2021

<b>2019-20 Status</b> (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2020-21 Title I School	Yes
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities English Language Learners* Black/African American Students* Hispanic Students* Multiracial Students* White Students Economically Disadvantaged Students*
School Grades History	2018-19: B (58%) 2017-18: C (43%) 2016-17: D (39%)
2019-20 School Improvement (SI) Info	ormation*
SI Region	Southwest
Regional Executive Director	
Turnaround Option/Cycle	N/A
Year	N/A
Support Tier	N/A
ESSA Status	
* As defined under Rule 6A-1.099811, Florida Administrative Code. F	or more information, click here.

#### **School Board Approval**

This plan is pending approval by the Lee County School Board.

#### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridacims.org">www.floridacims.org</a>.

#### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

#### Part I: School Information

#### **School Mission and Vision**

#### Provide the school's mission statement.

Manatee Elementary will develop world class citizens ready for the future through mindfulness, engaged learning, academic excellence, and Teamwork.

#### Provide the school's vision statement.

Manatee Elementary.....Leading the Way, Every Student, Every Day.

#### School Leadership Team

#### Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Sherman, Diane	Principal	
Forkey, Tammy	Assistant Principal	
Restino, Caitlin	Assistant Principal	
McGarvey, Crystal	Reading Coach	

#### **Demographic Information**

#### Principal start date

Monday 9/20/2021, Scott Lemaster

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

6

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

10

Total number of teacher positions allocated to the school

Total number of students enrolled at the school

810

Identify the number of instructional staff who left the school during the 2020-21 school year.

Identify the number of instructional staff who joined the school during the 2021-22 school year.

**Demographic Data** 

#### **Early Warning Systems**

2021-22

#### The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
indicator	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
Number of students enrolled	100	124	142	159	129	156	0	0	0	0	0	0	0	810
Attendance below 90 percent	7	43	43	46	36	40	0	0	0	0	0	0	0	215
One or more suspensions	0	3	6	5	7	3	0	0	0	0	0	0	0	24

#### **Analysis**

#### **Data Analysis**

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Low proficiency in Reading and Science achievement.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

Proficiency in ELA and Science

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

LY student population will work in small groups with ESOL paraprofessionals. Imagine Learning will be implemented to support their learning.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

ELA learning gains for the lowest 25% was 71%

What were the contributing factors to this improvement? What new actions did your school take in this area?

A focus on daily intervention and iReady targeted instruction.

What strategies will need to be implemented in order to accelerate learning?

Targeted small group instruction and more frequent progress monitoring.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

SIOP training; High-Yield Strategies; Teach Like a Champion strategies; and Cooperative Learning Strategies.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

An ESOL specialist will provide training in ESOL strategies and our APPLES teachers will be supported by Mentors who coach and model effective teaching strategies.

# Part III: Planning for Improvement

#### Areas of Focus:

#### #1. ESSA Subgroup specifically relating to English Language Learners

Area of **Focus** Description and Rationale:

4th- The 2020-2021 FSA ELA Proficiency data showed that our LY students were significantly lower than all other subgroups. Overall, 49 out of 117 students were proficient (41.9%). Out of the 49 proficient students, 12.24% (6) were Black, 12.24% (6) were White, 69.39% (34) were Hispanic, and 6.12% (3) were Mixed. When comparing subgroups, LY students were substantially lower. 33 LY students were tested, and only 3 (9.1%) were proficient. It was also noted that 0 out of 4 ESE students were proficient. However, with LY being a larger group, and 3 out of the 4 ESE students are LY, the impact of focusing on the LY subgroup would be greater. As a result, our goal is learning gains towards proficiency with our 4th grade LY students.

Measurable

In 2021-2022 4th grade LY proficiency in ELA will increase from 9.1% to 14% as measured

by the Spring FSA ELA assessment. Outcome:

Student progress towards proficiency will be monitored through iReady Reading, Exemplar Monitoring: Standards Mastery, Quarterly Comprehensives, and Data Chats with classroom teachers.

Person responsible

Diane Sherman (dianems@leeschools.net) for

monitoring outcome:

Evidence-Teachers will be utilizing SIOP strategies to deliver instruction to our LY students. based Additionally ESOL para professionals will support the SIOP model during small group

instruction. Strategy:

Rationale The SIOP model supports high quality instruction for all students, such as cooperative learning, strategies for reading comprehension, writers workshop, and differentiated for

Evidenceinstruction. The model also adds the following key features: inclusion of language objective, based development of background knowledge, content related vocabulary, and academic literacy

Strategy: practice.

#### **Action Steps to Implement**

Training

Our ESOL Specialist will provide refresher training to teachers previously trained in SIOP, Teachers new to SDLC will receive the SIOP model inclusive training. Additionally training will be provided for our paraprofessionals.

The person responsible for this action step is Jessica Ambrose, our ESOL Specialist.

Person Responsible

[no one identified]

Coaching and Modeling

District ESOL Specialists, Resource Teachers, and Experienced SIOP Teachers will model SIOP strategies and provide coaching to teachers.

Person Responsible

Caitlin Restino (caitlingr@leeschools.net)

Classroom walk throughs

Administration will document use of SIOP strategies through lesson plans, classroom walk throughs, targeted observations, and formal observations.

Person

#### #2. ESSA Subgroup specifically relating to English Language Learners

Area of Focus Description and Rationale: 5th- The 2020-2021 FSA ELA Proficiency data showed that our LY students were significantly lower than all other subgroups. Overall, 44 out of 130 students were proficient (33.8%). Out of the 44 proficient students, 18.18% (8) were Black, 11.36% (5) were White, 63.64% (28) were Hispanic, 4.55% (2) were Mixed, and 2.27% (1) were Asian. When comparing subgroups, LY students were substantially lower. 34 LY students were tested, and only 1 (2.9%) was proficient. It was also noted that only 1 out of 11 ESE students was proficient. However, with LY being a larger group, and 6 of the 11 ESE students are LY, the impact of focusing on the LY subgroup would be greater. As a result, our goal is learning gains towards proficiency with our 5th grade LY students.

Measurable Outcome:

In 2021-2022 5th grade LY proficiency in ELA will increase from 2.9% to 6% as measured

by the Spring FSA ELA assessment.

#### **Additional Schoolwide Improvement Priorities**

Using the <u>SafeSchoolsforAlex.org</u>, compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

n/a

#### Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

#### Describe how the school addresses building a positive school culture and environment.

The PBiS program provides schoolwide expectations and rewards using the S.T.A.R. acronym.

- S- show respect
- T- treat others kindly
- A- always be safe
- R- reach for the stars.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

PBiS team consisting of the School Counselor, ESE representative, classroom teachers and administration.

## Part V: Budget

#### The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: ESSA Subgroup: English Language Learners	\$0.00
2	III.A.	Areas of Focus: ESSA Subgroup: English Language Learners	\$0.00
