Demographics

Principal: Beverly Cornelius

Start Date for this Principal: 9/28/2021

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2020-21 Title I School	Yes
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Hispanic Students White Students* Economically Disadvantaged Students
School Grades History	2018-19: A (62%) 2017-18: B (58%) 2016-17: A (65%)
2019-20 School Improvement (SI) Information*	
SI Region	Southwest
Regional Executive Director	
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan was approved by the Hardee County School Board on 10/12/2021.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan was approved by the Hardee County School Board on 10/12/2021.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Building learning partnerships with home, school, and community to ensure personal and academic excellence.

Provide the school's vision statement.

The vision of Hilltop Elementary School is to create Pride among students and staff by being Positive, Respectful, Independent and Dedicated learners through high Expectations.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Cornelius, Beverly	Principal	
Buzzard, LeAnne	Teacher, K-12	
Daane, Kelly	School Counselor	
Dickey, Jessica	Teacher, K-12	
Edwards, Samantha	Teacher, K-12	
Pelham, Bryan	Dean	
Justice, Pam	Instructional Coach	
Douglas, Chad	Teacher, K-12	
Gunnoe, Logan	Teacher, K-12	
Shackelford, Jennifer	Instructional Coach	
Spires, Lisa	Teacher, K-12	
Mason, Gretchen	Teacher, K-12	

School Leaders meet in the summer to plan for the school year and then monthly to review school data and discuss upcoming school activities.

Demographic Information

Principal start date

Tuesday 9/28/2021, Beverly Cornelius

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

1

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

2

Total number of teacher positions allocated to the school

24

Total number of students enrolled at the school

305

Identify the number of instructional staff who left the school during the 2020-21 school year.

1

Identify the number of instructional staff who joined the school during the 2021-22 school year.

1

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Reading achievement across grade levels falls behind math in all subgroups.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

Based off progress monitoring and FSA ELA reading is the greatest need for improvement. The bottom quartile students performed the lowest during standardized assessment comparatively to the rest of the intermediate students.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

A strong phonics program implemented in Kindergarten and continued through each grade level should provide a strong foundation for reading development. An evidence based Language acquisition for ELL students will support reading development.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

FSA Math showed the most improvement compared to the ELA.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Math learning gains showed the most improvement. Focus Rti and remediation in math contributed to the improvement.

What strategies will need to be implemented in order to accelerate learning?

Continuing to focus on grade level content as well as evidence based strategies to bridge the gap between where the student is functioning through Rti to meet the needs of each student. PLC meetings will focus on data and teacher observation to move students through the Rti process.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Saxon Phonics PD will be provided for each grade level so phonics instruction will be implemented with fidelity. PD will be offered for the newly adopted Reading Series so that reading instruction is implemented with fidelity.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Though data chats, teachers, the literacy coach and administration will review data to determine progress of students. IReady is a tool that is used to monitor students progress and PD is offered continually.

Part III: Planning for Improvement

Areas of Focus:

No activities were entered for this section.

Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

Hilltop Elementary did not have any SESIR incidents to report. We do have a Threat Assessment Team and meet regularly.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

Hilltop Elementary is a neighborhood school. Within the neighborhood is a grocery store, church and 2 apartment complexes. Although they are not business partners, they assist HES, when the need arises. During Open House and any other school sponsored activity, HES provides interpreters for our parents that are not bilingual. Everything that goes home for parents is in English and Spanish.

The motto for HES is "PRIDE" and illustrations of what PRIDE means to the students is painted on the hallway walls. HES is one of only 2 "A" graded schools in the district and the parents are very proud of their children and support activities at school.

Students enjoy coming to school and take "PRIDE" in their work at HES.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

The SAC at HES consist of vital stakeholders in making decisions for the students at HES. The council includes teachers, parents and a business partner as a member. Many of the parents live in the neighborhood and communicate with them about HES. The grocery store, church and apartment complex as stakeholders and keep the lines of communication for HES with parents.
