Demographics

Principal: Christine Aurelio

Start Date for this Principal: 10/12/2021

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Combination School 2-8
Primary Service Type (per MSID File)	Alternative Education
2020-21 Title I School	No
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	95%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* Black/African American Students* White Students* Economically Disadvantaged Students*
School Grades History	2020-21: No Grade 2018-19: No Grade 2017-18: No Grade 2016-17: No Grade
2019-20 School Improvement (SI) Information*	
SI Region	Northeast
Regional Executive Director	Cassandra Brusca
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Alachua County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The Alachua County School District is committed to the success of every student. The Einstein School is dedicated to creating a rigorous, individualized learning environment for students whose primary disability is a language-based reading disorder

Provide the school's vision statement.

The Alachua County School District's vision for our students is that they will graduate with the knowledge, skills, and personal characteristics to be lifelong learners and independent thinkers. We want our graduates to excel in their chosen careers and be productive and contributing members of the global community. The Einstein School hopes to raise the reading level of all of their students so that they may return to the regular public schools and experience the same academic success as other students therefore allowing them to become productive members of society in their chosen fields.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Aurelio, Christine	Principal	Ms Aurelio duties and responsibilities are similar to that of principals in most charter schools. She oversees most discipline and behavioral issues with students and staff. She oversees curriculum decisions, hiring and firing, maintaining correct records and documentation of student progress and
Flint, Sara	Assistant Principal	Sara Flint, the Assistant Principal, holds a position much like that of an Assistant principal in other schools. Mrs. Flint and Ms Aurelio discuss all discipline issues, student/parent issues and staff related problems that occur daily within the school. They handle these matters jointly as well as many database and front desk matters that happen daily
Smith, Katie	Other	Katie Smith acts as lead teacher and the head of all ESE matters. She works closely with Mrs. Flint and Ms Aurelio to manage the high percentage of ESE, 504 and students in the RTI process.

Demographic Information

Principal start date

Tuesday 10/12/2021, Christine Aurelio

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

3

Total number of teacher positions allocated to the school

7

Total number of students enrolled at the school

100

Identify the number of instructional staff who left the school during the 2020-21 school year.

6

Identify the number of instructional staff who joined the school during the 2021-22 school year.

5

Demographic Data

Early Warning Systems

2021-22

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	0	0	10	16	11	19	13	22	9	0	0	0	0	100
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	0	0	0

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

What were the contributing factors to this improvement? What new actions did your school take in this area?

What strategies will need to be implemented in order to accelerate learning?

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Part III: Planning for Improvement

Areas of Focus:

#1. Other specifically relating to Increasing grade level reading for all students

Area of Focus Description and Rationale:

Measurable Outcome:

Monitoring:

Person responsible for monitoring outcome:

[no one identified]

Evidence-based Strategy:

Rationale for Evidence-based Strategy:

Action Steps to Implement

No action steps were entered for this area of focus

Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

Because of our high teacher/aide to student ratio, we have extremely less behavior and/or discipline issues. We also have a thorough camera system on campus which helps to control these issues as well as possible crimes committed on or against our campus from outside entities or individuals. We typically have no violence on campus and have only had one instance of alcohol on campus in 15 years. We do have to deal with students who make empty threats and who attempt to bully others as any other school. We did not have a report on the aforementioned site.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

We consistently hold open houses, IEP and EPT meetings, and invite parents to educational events. We offer parent involvement activities and will continue to do so in order to encourage parents to participate fully in their children's education. We also require volunteer hours and ask parents to do a variety of things at the school in order to fulfill these. Volunteer hours can be completed by attending different fun and education activities throughout the school day as well as after school such as Field Day, Festivals, Talent Show, and helping within the classrooms for a variety of reasons.

The school uses the progress reports, parent portal and report card system provided by the county as well as sends home weekly communication folders with newsletters and letters from teachers. Most parents are on a first name basis with staff and administration.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Other: Increasing grade level reading for all students	\$0.00
---	--------	--	--------

Total:	\$0.00
