## School Board Approval

This plan is pending approval by the Hernando County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Analysis

### Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

**What trends emerge across grade levels, subgroups and core content areas?**

**What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?**

**What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?**

**What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?**

**What were the contributing factors to this improvement? What new actions did your school take in this area?**

**What strategies will need to be implemented in order to accelerate learning?**

**Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.**

**Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.**

## Part III: Planning for Improvement

### Areas of Focus:

**#1. Leadership specifically relating to Managing Accountability Systems**

**Area of Focus Description and Rationale:** Administrative walkthrough data: BES had 128 walkthroughs for the 2020-21 school year, which is approximately 122 less than the required number of walkthroughs. Putting systems in place to increase administrative walkthroughs will allow administration to provide timely feedback to teachers on their instruction. Walkthrough look fors will also be tied to 2 other focus areas (Collaborative planning, and PBIS).

**Measurable Outcome:** Increase administrative walkthroughs by 200% (300 total) for the 2021-22 school year.

**Monitoring:** Administrative walkthrough data will be reviewed weekly, walkthrough heat map will be pulled and discussed bi weekly.

**Person responsible for monitoring outcome:** [no one identified]

**Evidence-based Strategy:** Specific teacher feedback on the Danielson Framework.

**Rationale for Evidence-based Strategy:** Effective feedback is concrete, specific, and useful; it provides actionable information for teachers.

**Action Steps to Implement**

Administration will identify Danielson components aligned to areas of focus (Collaborative planning, PBIS). Pre school training will be provided to staff on these components.

1E- Designing Coherent Instruction

4A- Reflecting on Teaching

**Person Responsible** Mike Lastra (lastra\_m@hcsb.k12.fl.us)

Walkthrough data collection poster will be created by administration. Poster will be a visual for two data points, number of walkthroughs and focus area components/domains. Administrative secretary will track what teachers have received walkthroughs each week. She will add to poster.

**Person Responsible** Richard Inmon (inmon\_r@hcsb.k12.fl.us)

Pre school Training on Danielson components (1E, 4A,.....) to teachers so that they are aware of administrative focus areas during walkthroughs. Administration will also train teachers on the various non evaluative look for tools that will be utilized this school year.

**Person Responsible** Mike Lastra (lastra\_m@hcsb.k12.fl.us)

Administration will complete Interated Reliability Training. Calibrating walkthroughs for the fist month of school to ensure alignment and cohesiveness and provide the appropriate feedback.

**Person Responsible** Richard Inmon (inmon\_r@hcsb.k12.fl.us)

Administration will complete 6 walkthroughs per day. (3 Each) For a total of 30 for each week. Administrative confidential secretary will monitor administrative walkthroughs each day.

**Person Responsible** Lisa Peeler (peeler\_l@hcsb.k12.fl.us)

Administration and Core Team will have a walkthrough meeting every Friday. Core instructional team will discuss walkthroughs from the week and action plan based off of feedback. Administrative Confidential Secretary will schedule weekly meetings. Principal will be responsible for meeting agenda. Coaches will be responsible for action planning.

**Person Responsible** Richard Inmon (inmon\_r@hcsb.k12.fl.us)

Data sharing: Heat map data will be shared with leadership team bi weekly to identify data trends and allow for action planning. Administrative secretary will schedule individual meetings for teachers receiving needs improvement during walkthroughs. Focus area progress and trends will be shared at monthly faculty meetings.

**Person Responsible** Mike Lastra (lastra\_m@hcsb.k12.fl.us)

Administration will identify and highlight teachers receiving highly effective in focus area components/ domains and schedule learning walks to visit their classroom and observe.

**Person Responsible** Patricia Gibson (gibson\_p@hcsb.k12.fl.us)

Kudos Board will be created for highlighted teachers. In a common area.

**Person Responsible** Patricia Gibson (gibson\_p@hcsb.k12.fl.us)

**#2. Instructional Practice specifically relating to Standards-aligned Instruction**

<b>Area of Focus Description and Rationale:</b>	Data from the 2020-2021 FSA assessments for grades 3-5 showed a decrease of student achievement levels. 2018-2019 ELA proficiency changed from 53-42% (-11), ELA Lower Quartile 56-45% (-11), Math Proficiency 58-43% (-15) Our rationale is to focus on collaborative planning for standard based instruction that will increase student proficiency and mastery of benchmark expectations.
<b>Measurable Outcome:</b>	The goal is to increase student proficiency in ELA standards on the state assessment for grades 3-5 by 11% The goal is to increase student proficiency in Math standards on the state assessment for grades 3-5 by 11% The goal for grades K-2 is to show 60% typical growth on the iReady diagnostic by the end of the 2021-2022 school year.
<b>Monitoring:</b>	This will be monitored by having administration present at each planning session for grades K-5. Administration walkthroughs will monitor the effectiveness of the collaborative planning. Administrative data chats will progress monitor student achievement on standards based common assessments and iReady benchmarks.
<b>Person responsible for monitoring outcome:</b>	[no one identified]
<b>Evidence-based Strategy:</b>	Instructional coaches and administration will facilitate collaborative planning with grade level teams for the 2021-2022 school year.
<b>Rationale for Evidence-based Strategy:</b>	Consistent standards based planning facilitated by administration and instructional coaches will strengthen standards based teaching that will bring forth an increase in student achievement for both ELA and Math. Resources include district instructional support and planning tools.

**Action Steps to Implement**

2021 Post school planning with coaches on building formatives and collaborative planning.  
2021-2022 Preschool planning with coaches and administration on collaborative planning focus areas.

**#3. Culture & Environment specifically relating to Social Emotional Learning**

<b>Area of Focus</b>	Over the last two school years BES students have received 110 disciplines for disrespect and 75 for class disruptions. Sanford Harmony is a research based SEL curriculum that has been proven to reduce disciplines in the classroom.
<b>Description and Rationale:</b>	Based on the 2021 Student Engagement Survey only 71% of students feel supported by their peers (Question 32). Student survey data also only 66% of students work in class with students other than their friends. One of the goals of Sanford Harmony is to increase the feeling of community among students.
<b>Measurable Outcome:</b>	Reduce the amount of of disciplines for disrespect by 20%. Increase the percentage of students that work in class with peers other than their friends and the percent of students that feel supported by their peers by %10.
<b>Monitoring:</b>	Admin walkthroughs, meet up planning sheet look fors. Administrative walkthrough meetings will have an SEL section. Leadership team participating in morning meet ups will allow to monitor what teachers are doing meet ups with fidelity.
<b>Person responsible for monitoring outcome:</b>	[no one identified]
<b>Evidence-based Strategy:</b>	Social Emotional Learning: Sanford Harmony
<b>Rationale for Evidence-based Strategy:</b>	Harmony fosters knowledge, skills, and attitudes boys and girls need to develop healthy identities, create meaningful relationships, and engage productively by providing SEL learning resources, tools, and strategies.

### Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.SafeSchoolsforAlex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

### Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.
