Demographics

Principal: Jesse Salters

Start Date for this Principal: 7/27/2020

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Other School Adult
Primary Service Type (per MSID File)	Career and Technical Education
2020-21 Title I School	No
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	0%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	
School Grades History	2020-21: No Grade 2018-19: No Grade 2017-18: No Grade 2016-17: No Grade
2019-20 School Improvement (SI) Information*	
SI Region	Central
Regional Executive Director	Lucinda Thompson
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

To provide an education and the supports which enable each adult student to obtain employment in the workforce.

Provide the school's vision statement.

Preparing adult students for the workforce.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Herald, Kysha	Principal	Responsible for all activities and personnel at Aparicio-Levy Technical College.
Brooks, Donna	Assistant Principal	In charge when Principal is absent. Primarily responsible for overseeing academic programs and curriculum; serving as liaison with accrediting agencies; and submitting local, school district, state, and federal reports.
Magana, Adriana	School Counselor	Responsible for counseling and registering students. Serves as SAC Chair.

Demographic Information

Principal start date

Monday 7/27/2020, Jesse Salters

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Total number of teacher positions allocated to the school

4

Total number of students enrolled at the school

199

Identify the number of instructional staff who left the school during the 2020-21 school year.

0

Identify the number of instructional staff who joined the school during the 2021-22 school year.

Analysis**Data Analysis**

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

N/A

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

N/A

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

N/A

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

N/A

What were the contributing factors to this improvement? What new actions did your school take in this area?

N/A

What strategies will need to be implemented in order to accelerate learning?

N/A

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

N/A

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

N/A

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Career & Technical Education

Area of Focus Description and Rationale:	Our adult students come to the Technical College to prepare for employment in their field of study. Everything we do is centered on helping them obtain their goals. Completing programs, passing licensure exams, obtaining employment in field of study, and job placement are vital for each program participant.
Measurable Outcome:	Student program completion (minimum 60%), industry certification exam pass rates (minimum 70%), and job placement (minimum 70%) will remain at high levels, allowing for continued accreditation by our institutional accrediting agency: Council on Occupational Education (COE).
Monitoring:	Statistics are gathered as each cohort graduates. Statistics for each school year (7/1 - 6/30) are compiled and submitted to COE via the Annual Report in December each year.
Person responsible for monitoring outcome:	Donna Brooks (donna.brooks@hcps.net)
Evidence-based Strategy:	Enrollment, withdrawal and graduation rates will be monitored throughout each cohort's enrollment and training period.
Rationale for Evidence-based Strategy:	These rates must be continually monitored so that intervention can take place, if necessary.

Action Steps to Implement

1. Students with academic or attendance issues will be counseled.

Person Responsible Adriana Magana (adriana.magana@hcps.net)

2. Students who self-identify as needing accommodations will meet with school staff to develop appropriate plans.

Person Responsible Adriana Magana (adriana.magana@hcps.net)

3. Information and materials to assist students in preparing for industry certification exams will be included throughout the program.

Person Responsible Donna Brooks (donna.brooks@hcps.net)

4. Students will be provided with information about job seeking skills and will be given employment leads as they become available.

Person Responsible Donna Brooks (donna.brooks@hcps.net)

Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

N/A

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

Aparicio-Levy Technical College is a postsecondary institution, educating students age 18 and older. ALTC is a school site of Hillsborough County Public Schools which correlates to a direct connection to K-12 students in the district. Marketing materials are provided to K-12 school sites to inform families about the educational opportunities that are available at the Technical College.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

The community (volunteers, business partners, etc.) are involved in activities at ALTC through Institutional and Program Advisory committee meetings, Chamber of Commerce meetings, and the Great American Teach-In events. This involvement supports a positive school culture and involve community stakeholders.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: Career & Technical Education	\$0.00
Total:			\$0.00
