Demographics

Principal: Aimee Padilla

Start Date for this Principal: 3/1/2021

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2020-21 Title I School	No
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	46%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* Hispanic Students White Students Economically Disadvantaged Students
School Grades History	2018-19: B (58%) 2017-18: B (59%) 2016-17: A (65%)
2019-20 School Improvement (SI) Information*	
SI Region	Southeast
Regional Executive Director	LaShawn Russ-Porterfield
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Seminole County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The mission of Seminole County Public Schools is to ensure that all students acquire the knowledge, skills, and attitudes to be productive citizens. Also, we aim to achieve all of five of the Elementary level commitments: 1. Build Positive Relationships and Culture 2. Ensure rigorous instruction 3. Demonstrating a Growth Mindset 4. Cultivate purposeful PLCs 5. Monitor with Feedback.

Provide the school's vision statement.

Geneva Elementary will provide an enriched environment to all students so they could acquire the necessary skills and knowledge to achieve their personal best and become life-long learners in this global economy. Our goal is to meet the district-wide initiative/goal and strive for achieving: One year's growth in one year's time for all Geneva students.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Padilla, Aimee	Principal	Oversee all aspects of the school's operation and instruction.
Follrod, Angela	Instructional Coach	To generate improved student achievement in relevant content areas by providing teachers and administrators with on-site, on-going professional development related to disciplinary literacy; modeling best practices; assisting teachers in analyzing student performance data for differentiated instruction; supporting school-wide progress; monitoring programs, content knowledge and resources, specifically aligned to content, and resulting in an increase in teaching and learning proficiency.
Bough-VonHagel, Olivia	Instructional Technology	To coach and support teachers while coordinating, organizing, and facilitating administrative and instructional technology and applications
Burke, Alison	School Counselor	To assist school personnel, parents, and students with relevant educational and personal/social goals and develop and implement effective programs for all students while functioning as a member of a school's Leadership Team.
Phillips, Lisa	Assistant Principal	Assist the principal in meeting all school goals.

Demographic Information

Principal start date

Monday 3/1/2021, Aimee Padilla

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

2

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

8

Total number of teacher positions allocated to the school

36

Total number of students enrolled at the school

494

Identify the number of instructional staff who left the school during the 2020-21 school year.

10

Identify the number of instructional staff who joined the school during the 2021-22 school year.

3

Demographic Data

Early Warning Systems

2021-22

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	64	91	82	85	90	86	0	0	0	0	0	0	0	498
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	3	4	2	1	0	0	0	0	0	0	0	0	10
Course failure in Math	1	1	0	0	1	1	0	0	0	0	0	0	0	4
Level 1 on 2019 statewide FSA ELA assessment	0	0	0	1	11	13	0	0	0	0	0	0	0	25

Grade Level Data Review - Progress Monitoring Assessments

Provide the progress monitoring tool(s) by grade level used to compile the below data.

iReady Diagnostic Assessments were utilized to progress monitor*:

- ELA – Grades 1-5
- Mathematics – Grades 1-5

In Grade 5 Science, teacher based formative assessments were used for progress monitoring. Data is unavailable for these assessments.

*Reported data is based upon having 10 or more students in the subgroup. Less than 10 students will be reported as 0.

Grade 1				
	Number/% Proficiency	Fall	Winter	Spring
English Language Arts	All Students	31/30%	30/38%	54/68%
	Economically Disadvantaged	7/16%	13/28%	28/54%

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

The performance of students with disabilities across all grade levels and content areas is a concerning trend.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

The achievement and learning gains of students with disabilities demonstrates the greatest need for improvement.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Factors contributing to the low performance of students with disabilities in ELA and Math proficiency and learning gains include disruption in instructional continuity due to the pandemic that further widened gaps in students' foundational skills. Actions to support improvement in these areas will include frequent formative progress monitoring with target support and acceleration in identified areas of need.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

Progress monitoring data reflects improvement for ELA and mathematics at all grade levels.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Deliberate monitoring of specific student groups contributed to this improvement. Actions included focus on the monitoring of the lowest 30% of students, acceleration of high level 1 and high level 2 and level 3 students along with standards-based tutoring.

What strategies will need to be implemented in order to accelerate learning?

Acceleration strategies will include strategic monitoring of lowest 30% of students, acceleration of high level 1 and high level 2 and level 3 students, more frequent common formative assessment to gather progress monitoring data and highly structured professional learning community discussions using this data to collaborate on strategies to accelerate student learning.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Professional development will be focused on the development of highly effective professional learning communities and how school-based leaders can foster the growth and development of teacher collaboration for student success.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Additional services dedicated to student acceleration include social emotional learning support for students and families, data driven tutoring and acceleration support; and expanded use of SCPS early warning tracking and MTSS based support.

Part III: Planning for Improvement

Areas of Focus:**#1. ESSA Subgroup specifically relating to Students with Disabilities**

Area of Focus Description and Rationale:	Increasing academic achievement of students with disabilities. ESSA Federal Percent of Points Index indicates this is a high priority need and focusing on the success of these students will reduce achievement gaps and prepare these students for future academic success.
Measurable Outcome:	Increase achievement and learning gains for students with disabilities.
Monitoring:	This area of focus will be monitored through classroom walk throughs, review of progress monitoring data and through data chats with professional learning communities.
Person responsible for monitoring outcome:	Aimee Padilla (aimee_padilla@scps.k12.fl.us)
Evidence-based Strategy:	Lessons aligned to Florida Standards at the appropriate level of complexity with ongoing feedback loops between leadership and teachers, students and teachers and student with students and PLCs focused on data, instructional planning and student evidence of learning.
Rationale for Evidence-based Strategy:	Standards based lessons differentiated to meet the needs of these specific student groups and data driven deliberate action planning will improve achievement and learning gains for our students. This strategy is aligned to having high expectations for all learners and teachers.
Action Steps to Implement	
Student owned progress monitoring	
Low 30% Monitoring	
High Level 1 and High Level 2 Monitoring	
Low Level 3 Acceleration	
Collaborative Data Driven PLCs	
Tutoring	
See SCPS School Improvement Plan for additional details	
Person Responsible	Aimee Padilla (aimee_padilla@scps.k12.fl.us)

Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

Geneva Elementary will monitor the school culture and environment using our weekly leadership meetings and monthly PBS team meetings. Our team will use the behavior and discipline data with our PBS team to note the effectiveness of the following school-wide incentives: Positive Lunchroom Reward System, School-Wide, Spirit Bucks, and Student Support Groups (Guidance, Social Worker, and Mental Health Counselor.) The data collected will help inform the school about the overall campus climate and environment to make impactful changes as a team.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

Geneva builds a strong positive campus using the following three school-wide expectations: Mustangs are safe, kind, and responsible. The school communicates the expectations from the first day of school and reinforces on a daily basis to build a safe learning environment. When staff members recognize a student exhibiting exemplary respectfulness, students receive a Spirit Buck! Spirit bucks turn into school brag tags to showcase the three expectations. Our school Positive Behavior System is led by a group of dedicated teachers who are committed to clear behavioral expectations that set a positive impact on our school campus and culture.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Our Positive Behavior Support Team consists of our school guidance counselor, Mrs. Burke, the administration, PTA representative, and a team of dedicated teachers that led the group monthly.
