<b>ESSA Status</b>	

\* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

## School Board Approval

This plan is pending approval by the Seminole County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## School Board Approval

This plan is pending approval by the Seminole County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

#### Provide the school's mission statement.

The mission of Longwood Elementary School is to foster an inspirational learning environment that encourages perseverance while providing opportunities to create, collaborate, and communicate.

#### Provide the school's vision statement.

While Creating, Collaborating and Communicating, Longwood Elementary School will be a premier elementary school in the Lyman Cluster. Longwood will be recognized in the district and the state level for high standards, academic performance, and offering students future ready educational opportunities (Blended Learning, Reading Counts, and Cub Clubs focusing on STEAM activities). \*Longwood will support the SCPS vision that every student will graduate from high school prepared for the future as a lifelong learner and a responsible citizen in a democratic society. \*All students and will perform at the highest levels. \*There will be equitable facilities and opportunities for all students. \*The school's personnel will be highly qualified, diverse, innovative, enthusiastic, energetic, and dedicated to the mission.

### School Leadership Team

#### Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Emmans, Brian	Principal	Oversees total school program
Jones, Leigh	Assistant Principal	Assists Principal with overseeing total school program
Hicks, Lindsay	Instructional Coach	Coaching, PLCs, Curriculum, MTSS
Drinkwater, Julie	Teacher, K-12	PLCs, Curriculum, Loving Lions (Food Pantry)
Mcmahan, Ruth	Teacher, ESE	PBIS, Cub Clubs, Parent Nights
Mason, Erin	Other	PLCs, student services, PTA Liaison
Bacon, Alex	Teacher, K-12	PBIS, 3rd Grad PLCs, Curriculum
Berdine, Katie	Teacher, K-12	PLCs, Curriculum
Failla, Jenise	Teacher, K-12	PLCs, Curriculum

### Demographic Information

**Principal start date**

Tuesday 1/17/2017, Leigh Jones

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

2

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

5

**Total number of teacher positions allocated to the school**

39

**Total number of students enrolled at the school**

593

**Identify the number of instructional staff who left the school during the 2020-21 school year.**

10

**Identify the number of instructional staff who joined the school during the 2021-22 school year.**

4

**Demographic Data**

**Early Warning Systems**

**2021-22**

**The number of students by grade level that exhibit each early warning indicator listed:**

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	105	106	104	109	83	86	0	0	0	0	0	0	0	593
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	0	0	0

**Grade Level Data Review - Progress Monitoring Assessments**

**Provide the progress monitoring tool(s) by grade level used to compile the below data.**

iReady Diagnostic Assessments were utilized to progress monitor\*:

- ELA – Grades 1-5
- Mathematics – Grades 1-5

In Grade 5 Science, teacher based formative assessments were used for progress monitoring. Data is unavailable for these assessments.

\*Reported data is based upon having 10 or more students in the subgroup. Less than 10 students will be reported as 0.

## Analysis

### Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

#### **What trends emerge across grade levels, subgroups and core content areas?**

The performance of English language learners across all grade levels and content areas is a concerning trend.

#### **What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?**

The achievement and learning gains of English language learners disabilities demonstrates the greatest need for improvement.

#### **What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?**

Factors contributing to the low performance of English language learners in ELA and Math proficiency and learning gains include disruption in instructional continuity due to the pandemic that further widened gaps in students' foundational skills. Actions to support improvement in these areas will include frequent formative progress monitoring with target support and acceleration in identified areas of need.

#### **What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?**

Progress monitoring data reflects improvement for ELA and mathematics at all grade levels.

#### **What were the contributing factors to this improvement? What new actions did your school take in this area?**

Deliberate monitoring of specific student groups contributed to this improvement. Actions included focus on the monitoring of the lowest 30% of students, acceleration of high level 1 and high level 2 and level 3 students along with standards-based tutoring.

#### **What strategies will need to be implemented in order to accelerate learning?**

Acceleration strategies will include strategic monitoring of lowest 30% of students, acceleration of high level 1 and high level 2 and level 3 students, more frequent common formative assessment to gather progress monitoring data and highly structured professional learning community discussions using this data to collaborate on strategies to accelerate student learning.

#### **Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.**

Professional development will be focused on the development of highly effective professional learning communities and how school-based leaders can foster the growth and development of teacher collaboration for student success.

#### **Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.**

Additional services dedicated to student acceleration include social emotional learning support for students and families, data driven tutoring and acceleration support; and expanded use of SCPS early warning tracking and MTSS based support.

## Part III: Planning for Improvement

### Areas of Focus:

#### #1. ESSA Subgroup specifically relating to English Language Learners

**Area of Focus Description and Rationale:** Increasing academic achievement of English language learners. ESSA Federal Percent of Points Index indicates this is a high priority need and focusing on the success of these students will reduce achievement gaps and prepare these students for future academic success.

**Measurable Outcome:** Increase achievement and learning gains for English language learners.

**Monitoring:** This area of focus will be monitored through classroom walk throughs, review of progress monitoring data and through data chats with professional learning communities.

**Person responsible for monitoring outcome:** Brian Emmans (brian\_emmans@scps.k12.fl.us)

**Evidence-based Strategy:** Lessons aligned to Florida Standards at the appropriate level of complexity with ongoing feedback loops between leadership and teachers, students and teachers and student with students and PLCs focused on data, instructional planning and student evidence of learning.

**Rationale for Evidence-based Strategy:** Standards based lessons differentiated to meet the needs of these specific student groups and data driven deliberate action planning will improve achievement and learning gains for our students. This strategy is aligned to having high expectations for all learners and teachers.

#### Action Steps to Implement

- Student owned progress monitoring
- Low 30% Monitoring
- High Level 1 and High Level 2 Monitoring
- Low Level 3 Acceleration
- Collaborative Data Driven PLCs
- Tutoring
- See SCPS School Improvement Plan for additional details

**Person Responsible:** Brian Emmans (brian\_emmans@scps.k12.fl.us)

### Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

**We will monitor by assigning mentors to students with the highest number of incidents. The guidance counselor will go in monthly and provide classroom lessons on bullying. Administration will work with teachers to identify and predict where and when we are vulnerable for behavior situations to arise. A school-wide PBIS system is in place to provide expectations for all students.**

#### **Part IV: Positive Culture & Environment**

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

#### **Describe how the school addresses building a positive school culture and environment.**

Longwood's PBIS team works together to build relationships, create incentives, teach lessons, and support students and their experience at school. The Schoolwide PBIS system is designed with a "house" theme. Each student is part of a "house" that has multiple grade levels represented and work to build a community within a community and build relationships with not only other students but also, teachers that may not be their homeroom teacher.

#### **Identify the stakeholders and their role in promoting a positive culture and environment at the school.**

Stakeholders include but are not limited to teachers, students, families, paraprofessionals, clerical staff, restaurant staff, and administration.
