Demographics

Principal: Jenny Agu IR Re

Start Date for this Principal: 8/17/2021

2019-20 Status (per MSID File)	Closed: 2022-08-17
School Type and Grades Served (per MSID File)	Middle School 6-8
Primary Service Type (per MSID File)	K-12 General Education
2020-21 Title I School	No
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	0%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	
	2018-19: A (67%)
School Grades History	2017-18: B (60%)
	2016-17: C (52%)
2019-20 School Improvement (SI) Information	*
SI Region	Southeast
Regional Executive Director	LaShawn Russ-Porterfield
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more in	nformation, click here.

School Board Approval

This plan is pending approval by the Dade County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The Mission of the District is:

- · Meaningful achievement of
- · Academics facilitated by
- Teachers, administrators, parents & the community
- Enabling students to become confident, self-directed &
- · Responsible lifelong learners.

The mission of Mater Academy East Charter Middle School is to provide an innovative, challenging curriculum in an environment that furthers a philosophy of respect and high expectations for all students, parents, faculty and staff. We will strive to create a thirst for knowledge in all disciplines of the curriculum and enrich every student in their future educational endeavors.

Provide the school's vision statement.

The Vision of Mater Academy, Inc. is to provide students a viable educational choice that offers an innovative, rigorous, and seamless college preparatory curriculum, providing Mater students, at every level from PK-12th grade, with a competitive advantage against their contemporaries. To that end, Mater Schools strive to:

- create a thirst for knowledge in all disciplines;
- kindle the art of thinking and serve as a springboard for lifelong learning; and
- deliver and enrich every student with a sense of purpose, a belief in their own efficacy, and a commitment to the common good.

The vision of Mater East Academy Middle/High School is to deliver a first-class academic program with a seamless curriculum that enables students to become productive citizens who are prepared to address the challenges of the twenty-first century.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Breto, Rey	Principal	
Abascal, Mercedes	Assistant Principal	
Tellechea, Patricia	Assistant Principal	

Demographic Information

Principal start date

Tuesday 8/17/2021, Jenny Agu IR Re

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

Total number of teacher positions allocated to the school

Total number of students enrolled at the school

14

Identify the number of instructional staff who left the school during the 2020-21 school year.

Identify the number of instructional staff who joined the school during the 2021-22 school year.

Demographic Data

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Our current 6th grade students dropped 34 percentage points overall in ELA and 33 percentage points overall in math. Our current 7th grade students dropped 50% overall in ELA and remained the same in proficiency overall in math. Our current 8th grade students dropped 20 percentage points overall in both ELA and math.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

The component that showed the greatest need for improvement in was 8th grade Science.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

A contributing factor to our need for improvement is the curriculum alignment to state standards. New actions the school will take to address the need for improvement are providing high quality instruction and curriculum alignment to state-mandated standards.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

The data component with the most improvement was our 8th grade ELA achievement level.

What were the contributing factors to this improvement? What new actions did your school take in this area?

The contributing factors to this improvement were providing high quality instruction and curriculum alignment to state-mandated standards.

What strategies will need to be implemented in order to accelerate learning?

In order to accelerate learning, the school will provide high quality instruction, curriculum alignment to state-mandated standards, and differentiated instruction.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

In addition, we will continue to hold Professional Learning Communities (PLC) as a reflective piece on how to use data to drive and improve instruction. Through this initiative, we will create more data savvy teachers who can plan more effectively and can reach all learners.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Additional professional development opportunities will be provided in an effort to plan for differentiated instruction and analyze student work for progress towards mastery.

Teachers will continue to participate in Mentoring Programs, Instructional Coaching Cycles, and various opportunities will be provided to witness exemplary GRRM Lessons.

Department and Faculty Meetings will continue to shift into mini-professional learning opportunities and data-chat conferences.

Professional Learning Goals and PLCs will be driven by student learning outcomes.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:

One area of focus is to increase student achievement by improving core instruction in ELA learning gains.

Measurable Outcome:

Learning gains in ELA will increase by 5 percentage points.

Data will be monitored through iReady Progress Monitoring. Monitoring:

Person

responsible for monitoring outcome:

Mercedes Abascal (939333@dadeschools.net)

Review of strategy instruction; lesson plans; classroom walk-throughs; gradebook

Evidence-based Strategy:

reviews:

and assessment data. Cross-curricular differentiated instruction will be implemented

to target student's area for growth.

Rationale for Evidence-based Strategy:

Data has shown that quality planning and instruction leads to higher student achievement. Therefore, we will focus on the areas of instruction; lesson plans,

classroom walk-throughs, gradebook reviews,

and assessment data to increase student achievement.

Action Steps to Implement

No action steps were entered for this area of focus

Additional Schoolwide Improvement Priorities

Using the SafeSchoolsforAlex.org, compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

The school reported 2.7 incidents per 100 students which is less than the state middle school rate of 4.7 incidents per 100 students.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

Mater East Middle School strives to provide all students with the opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps. Mater East's Student Services Department develops a yearly Curriculum Bulletin that provides students as well as parents with the courses offered along with a brief description of each course. The Curriculum Bulletin indicates several options for academies and tracks for students to choose from. School counselors conduct presentations to all students by class and grade levels and assist students in the selection of courses by completing the Subject Selection Form. In addition, counselors review school individual course plans to assure that students are enrolled in courses that align with the students' future career goals. The CAP Advisor further enhances student awareness of careers and college options through the use of the school website, regular meetings and classroom visits. Parent academies, student orientations, community involvement sessions and student peers help with the process of team building within the school.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Constant communication between the stakeholders is essential to the success of the student. Collaborated events between the school and home are established to support parental engagement with the school. These events include but are not limited to: EESAC meetings, Student and Parent Orientation Meetings, Zoom Town Hall Virtual Meetings, Back to School Night, Parent/Teacher Conferences, and Student Parent Association

(SPA) meetings. Additionally, Mater East Middle School implements a school-wide life skills program designed as an "Advisory Period" to enhance the overall human performance in and out of school grounds. Topics discussed correlate with relevant concepts pertaining to each of the student's grade level and academic expectations. Such topics include but are not limited to study skills, interpersonal conflict, goal-setting, social emotional learning, overcoming setbacks, building confidence, problem solving tactics, life skills for school and beyond, game plans for college, and post-secondary success awareness.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructiona	\$82,460.00
