Demographics

Principal: Ronald Boils

Start Date for this Principal: 9/28/2021

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	High School 7-12
Primary Service Type (per MSID File)	K-12 General Education
2020-21 Title I School	No
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	80%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	
School Grades History	2018-19: No Grade 2017-18: No Grade 2016-17: No Grade
2019-20 School Improvement (SI) Information*	
SI Region	Southwest
Regional Executive Director	
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Glades County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

By providing educational opportunities through MyGlades Virtual school, student's will be engaged with the use of technology and receive the academic and social skills needed to be successful in today's society.

Provide the school's vision statement.

MyGlades Virtual, in partnership with families, will provide a rigorous technology-based education that can be completed in the comfort and safety of each individuals home. This program provides academic skills and social responsibility to prepare today's students for the jobs of tomorrow.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
	Principal	
Martinez, Joanna	Registrar	

Demographic Information

Principal start date

Tuesday 9/28/2021, Ronald Boils

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Total number of teacher positions allocated to the school

Total number of students enrolled at the school

Identify the number of instructional staff who left the school during the 2020-21 school year.

Identify the number of instructional staff who joined the school during the 2021-22 school year.

Demographic Data

Early Warning Systems

2021-22

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level														Total
	K	1	2	3	4	5	6	7	8	9	10	11	12		
Number of students enrolled	0	0	0	0	0	0	0	0	0	0	0	0	0	0	
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	0

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Attendance is an issue and completion rates of classes at an even rate are an issue.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

Attendance and Completion Rates

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Communication with the student and the parent/guardians need to happen more regularly. Weekly progress reports are emailed to parents but they need an additional contact to follow up.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

none

What were the contributing factors to this improvement? What new actions did your school take in this area?

None

What strategies will need to be implemented in order to accelerate learning?

N/A it is a student paced curriculum accelerating as fast as a student can handle.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

N/A

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Systems to make contacts with the parents and/or students of those not performing based on a weekly printout of progress of our students.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Student Engagement

Area of Focus Description and Rationale:	Our area of focus is to have students successfully complete all courses they have enrolled in. Students not successfully completing courses could be retained or not meet graduation requirements.
Measurable Outcome:	75% of students will successfully complete all courses in which they are enrolled.
Monitoring:	Through student courses progress reports.
Person responsible for monitoring outcome:	[no one identified]
Evidence-based Strategy:	Weekly enrollment reports will provide data on student progress towards their 100% completion of each course.
Rationale for Evidence-based Strategy:	Choosing this strategy will allow leadership to determine which students to contact and discuss their progress with the student and the parent getting the roadblocks removed so the student can complete their coursework.

Action Steps to Implement

Reports will be monitored and parents/students will be called to facilitate their success.

Person Responsible [no one identified]

Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

Virtual school. N/A

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

Through positive interactions, customer services, and a monitored approach to completion for success we will build a positive school culture.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Glades County School District Virtual School Office staff, Families, Teachers, and NEFEC who manages out virtual environment.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: Student Engagement	\$0.00
Total:			\$0.00
