### Demographics

**Principal: Katherine Good**

Start Date for this Principal: 7/1/2019

<b>2019-20 Status</b> (per MSID File)	Active
<b>School Type and Grades Served</b> (per MSID File)	Elementary School PK-5
<b>Primary Service Type</b> (per MSID File)	K-12 General Education
<b>2020-21 Title I School</b>	Yes
<b>2020-21 Economically Disadvantaged (FRL) Rate</b> (as reported on Survey 3)	100%
<b>2020-21 ESSA Subgroups Represented</b> (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Black/African American Students* Hispanic Students Economically Disadvantaged Students*
<b>School Grades History</b>	2018-19: D (40%) 2017-18: B (57%) 2016-17: C (48%)
<b>2019-20 School Improvement (SI) Information*</b>	
<b>SI Region</b>	Southeast
<b>Regional Executive Director</b>	<a href="#">LaShawn Russ-Porterfield</a>
<b>Turnaround Option/Cycle</b>	N/A
<b>Year</b>	
<b>Support Tier</b>	
<b>ESSA Status</b>	
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, <a href="#">click here</a> .	

### School Board Approval

This plan is pending approval by the Broward County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

## School Board Approval

This plan is pending approval by the Broward County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

**Provide the school's mission statement.**

Fairway Elementary provides a safe and compassionate learning community that challenges all students to achieve their optimum potential.

**Provide the school's vision statement.**

Fairway Elementary prepares students for college and career readiness through compassion, productivity and empowerment.

### School Leadership Team

**Membership**

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Good, Katherine	Principal	Principal duties and responsibilities consist of overseeing the curriculum and instruction of the entire school. As the instructional leader, the principal will oversee that teachers are teaching the standards in all subject areas. The principal will also oversee the safety and security of the building. Mrs. Good will also evaluate curriculum and instruction of all instructional staff members. Mrs. Good will also use coaches to help teachers improve their teaching practices. Mrs. Good will work with Assistant Principal, team leaders, and support staff to plan for curriculum in all subject areas, help with progress monitoring.
Tukes, LaShawn	Assistant Principal	Dr. Tukes will assist the principal with overseeing all curriculum expectations and progress monitoring. Dr. Tukes will also assist with plans for safety and security of the building. Dr. Tukes will work with coaches to help plan PLC, curriculum focus calendars, and professional development. Dr. Tukes will also work with SAC committee with what needs to be done with specific grade level and subject area data and assistance
Burfield, Cynthia	Reading Coach	Literacy Coach responsibilities-To create and maintain a classroom atmosphere that generates high expectations and enthusiasm for learning by infusing critical thinking skills, application skills, interpersonal skills, and technology into an aligned curriculum and assessment process, resulting in measurable student achievement gains for all students in order to meet district and state standards.
Milfort, Walna	Instructional Coach	Math Coach responsibilities-To create and maintain a classroom atmosphere that generates high expectations and enthusiasm for learning by infusing critical thinking skills, application skills, interpersonal skills, and technology into an aligned curriculum and assessment process, resulting in measurable student achievement gains for all students in order to meet district and state standards.
WE, Lashawne	Teacher, ESE	ESE Specialist works with ASD and ESE support facilitator Coach to monitor all ASD classrooms and make sure that students that are on and off standards are teaching to the student's levels. To create and maintain a classroom atmosphere that generates high expectations and enthusiasm for learning by infusing critical thinking skills, application skills, interpersonal skills, and technology into an aligned curriculum and assessment process, resulting in measurable student achievement gains for all students in order to meet district and state standards.

Name	Position Title	Job Duties and Responsibilities
Swain, Shantai	School Counselor	Assist students with social emotional and behavior needs of the school, working with parent needs and working with Social worker. Oversees mindfulness curriculum with teachers and students.
Goyeneche, Maria	Teacher, ESE	Autism Coach will assist with our teacher and students in our ASD Special Programs.

**Demographic Information**

**Principal start date**

Monday 7/1/2019, Katherine Good

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

2

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

4

**Total number of teacher positions allocated to the school**

44

**Total number of students enrolled at the school**

604

**Identify the number of instructional staff who left the school during the 2020-21 school year.**

1

**Identify the number of instructional staff who joined the school during the 2021-22 school year.**

2

**Demographic Data**

**Early Warning Systems**

**2021-22**

**The number of students by grade level that exhibit each early warning indicator listed:**

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12

Economically Disadvantaged Students Subgroup Below 41% in the Current Year?	YES
Number of Consecutive Years Economically Disadvantaged Students Subgroup Below 32%	

**Analysis**

**Data Analysis**

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

**What trends emerge across grade levels, subgroups and core content areas?**

The data component that showed the lowest performance was "Math Learning Gains". The contributing factors to last years low performance were limited knowledge of standards by teacher new to 4th grade and limited availability of coaching support due to coverage of classes in the tested grades when substitutes were not available.

**What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?**

The data component that showed the greatest decline from the prior year was "Math Lowest 25th Percentile". The contributing factors to last years low performance were limited knowledge of standards by teacher new to 4th grade and limited availability of coaching support due to coverage of classes in the tested grades when substitutes were not available.

**What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?**

The data component that had the greatest gap when compared to the state average is ELA Learning Gains. Factors that contributed to this gap were limited professional development for new teachers, as well as, non implementation of instruction with fidelity. An additional factor is targeted students received limited additional support in needed academic areas.

**What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?**

Fairway Elementary for Spring 2019 testing did not have a data component that showed the most improvement.

**What were the contributing factors to this improvement? What new actions did your school take in this area?**

When reflecting on the EWS data from Part I, two potential areas of concern are, the number of students in grades 3-5 with attendance below 90% and the number of student with two or more indicators.

**What strategies will need to be implemented in order to accelerate learning?**

Creating opportunities to work with students in small groups to ensure learning gains.

**Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.**

Implementation of BEST Standards  
PD on working with small groups

**Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.**

We will be using our ESSR teachers as a resource to work with small groups and targeted interventions.

## Part III: Planning for Improvement

### Areas of Focus:

#### #1. Instructional Practice specifically relating to Math

<b>Area of Focus Description and Rationale:</b>	Based on FSA data in 2019 , we need to show an increase in proficiency and learning gains for this population of students because when comparing the 2018 data to 2019, there was a 27% decrease. We are not enough students closing the achievement gaps in grades 3-5 in Math.
<b>Measurable Outcome:</b>	<p>Students in grades 3-5 who are in the lowest quartile will increase learning gains by at least 6% from 34% to 40%, as measured by the Florida Standards Assessment.</p> <p>Students in grades 3-5 will show an increase in learning gains by at least 6% from 46% to 52% for grades 3-5, as measured by the Florida Standards Assessment.</p> <p>Students in grades 3-5 will show an increase in proficiency by at least 6% from 53% to 59% as measured by the Florida Standards Assessment.</p>
<b>Monitoring:</b>	This area will be monitored through iReady Diagnostics and APM tests.
<b>Person responsible for monitoring outcome:</b>	Walna Milfort (walna.milfort@browardschools.com)
<b>Evidence-based Strategy:</b>	We will use progress monitoring of student data and the continuous improvement model with student data. Data will be monitored on a bi-weekly basis. We will be monitoring the implementation of standards based instruction. We will our observation tools to ensure teachers are using Webb's depth of knowledge when working with students. We will utilize our coaches to help and support students and teachers with teaching strategies that will close the achievement gap.
<b>Rationale for Evidence-based Strategy:</b>	The rationale for selecting this strategy is to provide appropriate feedback to coaches, teachers, and students consistently and in a timely manner to make adjustments to curriculum and/or instruction when necessary, Observation of Progress Monitoring Reports from i-Ready Standards Mastery and/or School City will be used for ongoing progress monitoring.

#### Action Steps to Implement

1. Teacher will implement instruction
2. Formative and Summative Assessments will be given
3. Coaches and Administration will review student data
4. Support will be provided to teachers by coaches based on needs according to data (teacher modeling and/or "push-in" student support)
5. Data Chats (with teachers)

**Person Responsible** Walna Milfort (walna.milfort@browardschools.com)

**#2. Instructional Practice specifically relating to ELA**

**Area of Focus Description and Rationale:** Fairway Elementary showed a decline in the following areas; students scoring a level of 3 or above, students making learning gains, students in the lowest quartile making learning gains on the 2019 FSA in comparison to the 2018 FSA.  
 Our data decline was as follows students scoring at a level 3 or above went from 52% proficiency to 48%.  
 Our data decline was as follows students showing learning gains in ELA went from 59% to 38%.  
 Our data decline was as follows students in the lowest quartile showing learning gains went from 49% to 38% .

Students in the lowest quartile will show and increase learning gains by at least 3% from 38% to 41% for grades 3-5, as measured by the Florida Standards Assessment.

**Measurable Outcome:** Students will increase learning gains by at least 6% from 38% to 44 % for grades 3-5, as measured by the Florida Standards Assessment.  
 Students will increase their proficiency scores by at least 6% from 48% to 52% for grades 3-5, as measured by the Florida Standards Assessment.

**Monitoring:** Students will be monitoring through iReady Diagnostics and APM tests.

**Person responsible for monitoring outcome:** Cynthia Burfield (cindy.burfield@browardschools.com)

**Evidence-based Strategy:** We will use progress monitoring of student data and the continuous improvement model with student data. Data will be monitored on a bi-weekly basis. We will be monitoring the implementation of standards based instruction. We will our observation tools to ensure teachers are using Webb's depth of knowledge when working with students. We will utilize our coaches to help and support students and teachers with teaching strategies that will close the achievement gap.

**Rationale for Evidence-based Strategy:** The rationale for selecting this strategy is to provide appropriate feedback to coaches, teachers, and students consistently and in a timely manner to make adjustments to curriculum and/or instruction when necessary.  
 Observation of Progress Monitoring Reports from i-Ready Standards Mastery and/or School City will be used for ongoing progress monitoring.

**Action Steps to Implement**

1. Teacher will implement instruction
2. Formative and Summative Assessments will be given
3. Coaches and Administration will review student data
4. Support will be provided to teachers by coaches based on needs according to data (teacher modeling and/or "push-in" student support)
5. Data Chats (with teachers)

**Person Responsible** Cynthia Burfield (cindy.burfield@browardschools.com)

**#3. Culture & Environment specifically relating to Student Attendance**

<b>Area of Focus Description and Rationale:</b>	To decrease student instructional gaps in grades 3-5, that exist due to absenteeism. We need to look at attendance both in person and the virtual platform.
<b>Measurable Outcome:</b>	The Pattern of Non-Attendance Report will be reviewed on a biweekly basis.
<b>Monitoring:</b>	Monthly check on attendance reports.
<b>Person responsible for monitoring outcome:</b>	LaShawn Tukes (dr.lashawn.tukes@browardschools.com)
<b>Evidence-based Strategy:</b>	The Pattern of Non-Attendance Report will be reviewed on a biweekly basis.
<b>Rationale for Evidence-based Strategy:</b>	The rationale for selecting this strategy is to determine which students are showing a pattern of non-attendance before the 5 and 10-day BTIP reports are generated, so that parents/guardians can be contacted and informed of the importance of students attending school daily.

**Action Steps to Implement**

1. Monitor Data
2. Engage Students and Families
3. Recognize Good and Improved Attendance
4. Provide Personalized Outreach
5. Remove Barriers

**Person Responsible** LaShawn Tukes (dr.lashawn.tukes@browardschools.com)

**#4. ESSA Subgroup specifically relating to Students with Disabilities**

**Area of Focus Description and Rationale:** The Students With Disabilities (SWD) subgroup showed that students scoring at or above a level 3 in both ELA and Math was below 41% in Spring 2019 FSA data. Students with disabilities scored at a proficient level of 34% in ELA and 23% in Math.

**Measurable Outcome:** By June 2022, students will increase learning gains by at least 11% from 30% to 41% for grades 3-5, as measured by the Florida Standards Assessment.

**Monitoring:** Students in this subgroup will be monitored in their general education classrooms as well as by the ESE support facilitator. Students' IEP's will be monitored for proficiency of goals outlines. Classroom teachers and ESE support facilitator will participate in professional development that is centered around instructional practices that will help close the achievement gap. This will be monitored through IReady and APM testing..

**Person responsible for monitoring outcome:** Lashawne WE (lashawne.we@browardschools.com)

**Evidence-based Strategy:** We will use progress monitoring of student data and the continuous improvement model with student data. Data will be monitored on a bi-weekly basis. We will be monitoring the implementation of standards based instruction. We will use our observation tools to ensure teachers are using Webb's depth of knowledge when working with students. We will utilize our coaches to help and support students and teachers with teaching strategies that will close the achievement gap.

**Rationale for Evidence-based Strategy:** The rationale for selecting this strategy is to provide appropriate feedback to coaches, teachers, and students consistently and in a timely manner to make adjustments to curriculum and/or instruction when necessary. Observation of Progress Monitoring Reports from i-Ready Standards Mastery and/or School City will be used for ongoing progress monitoring.

**Action Steps to Implement**

1. Teacher will implement instruction
2. Formative and Summative Assessments will be given
3. Coaches and Administration will review student data
4. Support will be provided to teachers by coaches based on needs according to data (teacher modeling and/or "push-in" student support)
5. Data Chats (with teachers)
6. Data Chats (with students)
7. Ongoing review of data for these targeted students (SWD's) available on school created spreadsheet/database

**Person Responsible:** Lashawne WE (lashawne.we@browardschools.com)

**#5. ESSA Subgroup specifically relating to Black/African-American**

**Area of Focus Description and Rationale:** The Black/African American subgroup achievement level was below 41% in the current year according to the Spring 2019 FSA data. The Black/African American subgroup achievement level scored at a level of 36% proficient in ELA and 26% in Math.

**Measurable Outcome:** By June 2022, students will increase learning gains by at least 2% from 39% to 41% for grades 3-5, as measured by the Florida Standards Assessment.

**Monitoring:** Students in this subgroup will be closely identified to make sure they are a part of support areas. They will be a part of our extended learning opportunities afterschool, PCG tutoring, specific intervention groups in ELA and Math during the day. Their progress monitoring data will be monitored on a bi-weekly basis.

**Person responsible for monitoring outcome:** Walna Milfort (walna.milfort@browardschools.com)

**Evidence-based Strategy:** We will use progress monitoring of student data and the continuous improvement model with student data. Data will be monitored on a bi-weekly basis. We will be monitoring the implementation of standards based instruction. We will use our observation tools to ensure teachers are using Webb's depth of knowledge when working with students. We will utilize our coaches to help and support students and teachers with teaching strategies that will close the achievement gap.

**Rationale for Evidence-based Strategy:** The rationale for selecting this strategy is to provide appropriate feedback to coaches, teachers, and students consistently and in a timely manner to make adjustments to curriculum and/or instruction when necessary. Observation of Progress Monitoring Reports from i-Ready Standards Mastery and/or School City will be used for ongoing progress monitoring.

**Action Steps to Implement**

1. Teacher will implement instruction
2. Formative and Summative Assessments will be given
3. Coaches and Administration will review student data
4. Support will be provided to teachers by coaches based on needs according to data (teacher modeling and/or "push-in" student support)
5. Data Chats (with teachers)
6. Data Chats (with students)
7. Ongoing review of data for these targeted students (Black/African American) available on school created spreadsheet/database

**Person Responsible:** LaShawn Tukes (dr.lashawn.tukes@browardschools.com)

**#6. Instructional Practice specifically relating to B.E.S.T. Standards**

<b>Area of Focus Description and Rationale:</b>	Teachers need to be able use the BEST standards for teaching and closing the achievement gap.
<b>Measurable Outcome:</b>	Teachers need to show growth in data during progress monitoring windows. Closing the achievement gaps with benchmark assessments.
<b>Monitoring:</b>	Data will be reviewed biweekly.
<b>Person responsible for monitoring outcome:</b>	LaShawn Tukes (dr.lashawn.tukes@browardschools.com)
<b>Evidence-based Strategy:</b>	The rationale for selecting this strategy is to provide appropriate feedback to coaches, teachers, and students consistently and in a timely manner to make adjustments to curriculum and/or instruction when necessary. Observation of Progress Monitoring Reports from i-Ready Standards Mastery and/or School City will be used for ongoing progress monitoring.
<b>Rationale for Evidence-based Strategy:</b>	<ol style="list-style-type: none"> <li>1. Teacher will implement instruction</li> <li>2. Formative and Summative Assessments will be given</li> <li>3. Coaches and Administration will review student data</li> <li>4. Support will be provided to teachers by coaches based on needs according to data (teacher modeling and/or "push-in" student support)</li> <li>5. Data Chats (with teachers)</li> </ol>

**Action Steps to Implement**

*No action steps were entered for this area of focus*

**Additional Schoolwide Improvement Priorities**

Using the [SafeSchoolsforAlex.org](https://www.safe-schools-for-alex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

**School Leadership Team will be monitoring students attendance when they are in school and on the virtual platform to make sure they are keeping up with standard based instruction. We will also involve the school counselor and school social worker where needed to address attendance concerns. We will also closely monitor data of students that HIGH risk for giving us proficiency learning gains and learning gains in lowest quartile.**

### Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

#### Describe how the school addresses building a positive school culture and environment.

The school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students by implementing more instructional Parent Nights that address the content areas of ELA/writing, math, and science, as well as, ways parents and the community (Fairway Park) can assist and support the academic efforts of the school. Parents will be notified of events through communication tools such as school website, parent canvas course, parentlink, newsletters, SAC, and SAF meetings. We will make sure that all district initiatives to enhance parental involvement are done on a more personal level with school based activities.

#### Identify the stakeholders and their role in promoting a positive culture and environment at the school.

The stakeholders we have are the parents that play an active role in School Advisory. They contribute to input to all parental involvement plans. The school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students by implementing Parent Title 1 Nights that address the content areas of ELA/writing, math, and science, as well as, ways parents and the community (Fairway Park) can assist and support the academic efforts of the school. Parents will also be a part of our Read at home plan. We will also be encouraging students and parents to use the ASK BRIA tutoring system to assist with classwork and homework to bridge that learning gap.

### Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: Math				\$50,188.00
	Function	Object	Budget Focus	Funding Source	FTE	2021-22
	6400	369-Technology-Related Rentals	1641 - Fairway Elementary School	UniSIG		\$3,230.00
			<i>Notes: Curriculum Associates Purchase of iReady Teacher Math Toolbox for teachers to enhance their virtual teaching strategies and for continuous improvement of student</i>			

			<i>proficiency with standards based instruction. **License term date cannot extend pass August 31, 2022. iReady Toolkit for Grades K-5 teachers &amp; ASD special program (33) to have full access for interventions and to create specific lessons and pathways on a more individualized basis. Teachers will have the access to a more direct pathway for each child. The data gathered from this can and will be used for RtI/MTSS documentation.</i>			
5100	510-Supplies	1641 - Fairway Elementary School	UniSIG		\$15,450.00	
			<i>Notes: Educational Development Associates ACALETICS materials will help to enhance the fluency skills and assist with increasing the proficiency and understanding of math standards in Grades 3-5. - (100) Grade 3 - CRS Pre/Post Assessment, Quik-Pik (Bks 1-4) - (100) Grade 4 - CRS Pre/Post Assessment, Quik-Pik (Bks 1-4) - (100) Grade 5 - CRS Pre/Post Assessment, Quik-Pik (Bks 1-4)</i>			
5100	120-Classroom Teachers	1641 - Fairway Elementary School	UniSIG		\$16,848.00	
			<i>Notes: ELO Stipends: Provide stipends for six teachers to teach Math/Science Extended Learning Opportunity Camps for 2nd-5th grade students with specific targets on students in ESSA groups and lowest quartile groups for remediation and enrichment. Instruction and materials will be selected based on data. Teachers will identify student groupings based on progress monitoring data, disaggregate data to ensure assignments are standards based and communicate with parents concerning student progress and/or additional supports needed. Stipends will be paid at hourly rate; \$36/hour will be used for budgeting purposes. There will be approximately 60 total students anticipated to attend the Math camp. The student to teacher ratio for camp will be a minimum of 10:1. If the student to teacher ratio is not met, the number of teachers providing instruction must be reduced to meet that ratio. If there are unspent ELO funds at the end of the school year, the school will extend Math opportunities into Summer 2022 for current students. Stipends for six teachers to work Math camps from October 18, 2021 to April 22, 2022. Teachers will work to increase standards proficiency in Math. ELO Student Camp Time: 3 hours/week x 26 weeks = 78 hours ELO Student Camp Stipends: 6 teachers x 78 hours x \$36/hour stipend = \$16,848</i>			
5100	220-Social Security	1641 - Fairway Elementary School	UniSIG		\$1,300.00	
			<i>Notes: ELO Stipends (Math): Social Security</i>			
5100	240-Workers Compensation	1641 - Fairway Elementary School	UniSIG		\$370.00	
			<i>Notes: ELO Stipends (Math): Workers Compensation</i>			
5100	250-Unemployment Compensation	1641 - Fairway Elementary School	UniSIG		\$45.00	
			<i>Notes: ELO Stipends (Math): Unemployment Compensation</i>			
5100	369-Technology-Related Rentals	1641 - Fairway Elementary School	UniSIG		\$3,295.00	
			<i>Notes: Explore Learning - Purchase of Reflex Site license to increase proficiency with Math Fluency skills for students K-5. **License term date cannot extend pass August 31, 2022.</i>

	5100	120-Classroom Teachers	1641 - Fairway Elementary School	UniSIG	1.0	\$58,540.00
			<i>Notes: ***One (1) Teacher Salary: Hire Teacher/Interventionist to assist with lowest 25th percentile on increasing the reading proficiency of students in small groups to ensure students are receiving differentiated instruction according to data. (Preapproved position)</i>			
	5100	210-Retirement	1641 - Fairway Elementary School	UniSIG		\$5,860.00

			<i>Notes: Fringe Retirement: 1 Resource teacher</i>			
6400	310-Professional and Technical Services	1641 - Fairway Elementary School	UniSIG		\$2,200.00	
			<i>Notes: Purchase Thinking Maps BEST standards training for all K-5 teachers. Thinking Maps is a research-based program that centers on utilizing maps as tools to construct meaning and link to previous schema. This initiative will: - Establish a common focus and shared accountability for school-wide writing performance - Help teachers differentiate instruction according to the individual needs of their students - Allow the school to assess areas of strength and areas that need improvement using analytic rubrics. This training will prepare educators for effectively teaching and modeling developmentally appropriate writing instruction in alignment to the FSA and New BEST standards. The professional development will serve as a refresher for teachers familiar with the Thinking Maps program and create a school baseline for new teachers who need to be trained on the program's concepts. - Thinking Maps Training (1 day @ \$2,200/day)</i>

6400	120-Classroom Teachers	1641 - Fairway Elementary School	UniSIG		\$10,800.00	
			<i>Notes: Professional Development Stipends: Provide stipends to 20 teachers to engage in fifteen hours of professional development. The intense literacy, mathematics, science, data usage and pedagogy focus of the professional development will support teachers to increase their knowledge as they work with students to close the achievement gap in reading, writing, math and science. Staff development will take place during the 2021-2022 school year or in the pre-planning week during summer 2022. District Trainers and School Based Coaches will facilitate the PD sessions. If stipends are necessary, they will be paid from other funding sources. Stipends will be paid at hourly rate; \$36/hour will be used for budgeting purposes. - PD stipends: 20 teachers x 15 hours x \$36 stipend = \$10,800</i>			
6400	220-Social Security	1641 - Fairway Elementary School	UniSIG		\$850.00
