School Board Approval

This plan is pending approval by the Dade County School Board.

# **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <u>www.floridacims.org.</u>

# Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

# **Part I: School Information**

### School Mission and Vision

### Provide the school's mission statement.

At Pine Lake Elementary School, we strive to provide the highest quality, relevant learning experiences that foster lifelong curiosity. So that all our students are empowered to achieve their full academic, personal, and civic potential, while becoming responsible citizens, and protectors of our global environment.

### Provide the school's vision statement.

At Pine Lake Elementary School, we are committed to inspiring, valuing, educating and empowering students through academic excellence and environmental awareness, in and beyond the classroom.

### School Leadership Team

### Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Coffey, Crystal	Principal	Mrs. Coffey is the school's administrative leader. She guides the team and ensures the teachers and students have all support and resources necessary to be successful.
Rodriguez, Jacqueline		Assistant Principal responsibilities- The position is responsible for assisting the school principal in the leadership, coordination, supervision and management of the school program and operation.
Cue, Sandra	Assistant Principal	Assistant Principal responsibilities- The position is responsible for assisting the school principal in the leadership, coordination, supervision and management of the school program and operation.
Collins, Pat	Reading Coach	The Reading coach provides coaching and other professional development support that enables teachers to think reflectively about improving student learning and implementing various instructional programs and practices.
Munoz, Yolanda	Math Coach	The Math Coach works with classroom teachers in researching, preparing, guiding, and identifying resources while assisting with the full implementation and monitoring of the district's adopted math program in response to student achievement.
Arias, Michelle	Magnet Coordinator	The Science Coach assist teachers in reflecting on and analyzing their practice and reviewing student work to inform instruction and enhance student achievement.
Coello, Leticia	Instructional Coach	The Instructional Coach supports administration and the Reading and Math Coach. She works with classroom teachers by assisting with all aspects of curriculum. She provides coaching and other professional development support that enables teachers to think reflectively about improving student learning and implementing various instructional programs and practices.

## **Demographic Information**

**Principal start date** 

Saturday 7/19/2014, Crystal Coffey

**Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.* 

3

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

24

Total number of teacher positions allocated to the school 14

**Total number of students enrolled at the school** 290

Identify the number of instructional staff who left the school during the 2020-21 school year.

Identify the number of instructional staff who joined the school during the 2021-22 school year. 3

# Analysis

# Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

## What trends emerge across grade levels, subgroups and core content areas?

2019 data findings:

According to the data, the emerging trend from the 2019 Spring FSA data shows an increase across all subjects. The data 3rd to 5th grade in ELA and in Science. The school FSA data comparison from 2018 to 2019, remained the same in the Achievement gap from 3rd to 5th grade in Math and shows a decrease in the Math Learning Gains and Math Learning Gains L25

# 2021 data findings:

According to the data, the emerging trend from the FSA Spring Reading and Math data is regression. Results indicate that the most significant decrease occurred in Mathematics across all grade levels and subgroups. Grade 3 proficiency decreased by 39 percentage points; Grade 4 proficiency decreased by 6 percentage points; Grade 5 proficiency decreased by 36 percentage points. Additionally, the school FSA data comparison from 2019-2021, shows an overall decrease in Math Learning Gains. Grade 4 Learning Gains increased by 25 percentage points; Grade 5 Learning Gains decreased by 49 percentage points; Finally, all Math Subgroups Achievement in Learning Gains for L25 decreased from 2019-2021. Grade 4 L25 increased by 17 percentage points; Grade 5 Learning Gains decreased by 21 percentage points.

# What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

2019 data findings:

\*The area with the greatest need for improvement is a decrease from 2018-2019 in Math Learning Gains by 6

percentage points and Math Learning Gains L25 by 3 percentage points

\*When compared to the District, the area with the greatest need for improvement is Reading Achievement in all

grades levels, a difference of 17 percentage points

# 2021 data findings:

Based on the 2021 FSA, the area with the greatest need for improvement is in the area of Math proficiency and Math Learning Gains in grades 3-5. When comparing the 2020-2021 to the

2019-2021 FSA, there was a decrease in Math Proficiency of 27 percentage points and in Math Learning Gains a decrease of 23 percentage points. When compared to the District, the area with the greatest need for improvement is Math Proficiency in all grade levels, a difference of 15 percentage points.

# What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

2019 data findings:

\*The contributing factors to the area of decrease is inconsistency in remediation of standards and prerequisite

skills.

2021 data findings:

The contributing factors to the area of decrease is due to the lack of manipulative, virtual learning, remediation of standards and small group instruction.

# What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

2019 data findings:

\*The area with the most improvement from 2018-2019 was in Science, showing an increase of 38 percentage

points

\*Additionally, ELA L25 increased 20 percentage points when comparing 2018-2019 FSA data

2021 data findings:

The area with the most improvement and consistency from 2019-2021 was in ELA Proficiency, showing an increase of 2 percentage points. Additionally, ELA Learning Gains increased 2 percentage points when comparing 2019-2021 FSA data.

# What were the contributing factors to this improvement? What new actions did your school take in this area?

2019 data findings:

\*A teacher was designated to only focus on Science instruction

\*The teacher focused on essential labs and Science vocabulary

\*Students were more prepared in fifth grade due to Magnet Science curriculum

\*ELA L25 increased due to the fidelity of our Tier 3 Intervention and DI during the 90 - minute block

2021 data findings:

\*Backwards planning focusing on assessed standards

\*Daily end products correlated to standards

\*Tier 2 Intervention provided to all students

### What strategies will need to be implemented in order to accelerate learning?

\*Small group/differentiated instruction

\*Explicit instruction and teacher modeling

\*Standards based collaborative planning for whole group and small group

\*Tier 2 and Tier 3 Reading Intervention for students in need of improvement

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Professional Development will be provided on the following topics:

\*New B.E.S.T standards in ELA and Math

\*New HM Reading series directly aligned to B.E.S.T standards

\*Reading Intervention program for Tier 2 and Tier 3 students

\*Explicit Instruction will be a point of focus during collaborative planning

\*Engagement strategies will be a point of focus during collaborative planning

# Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

\*Extended learning opportunities will be provided during before school and/or after school tutoring \*Tier 2 and Tier 3 Reading Intervention for students in need of improvement

# Part III: Planning for Improvement

Areas of Focus:

## **#1. Instructional Practice specifically relating to Small Group Instruction**

Area of Focus Description and Rationale:	According to the FSA data in both Reading and Mathematics, there was a decrease in student Learning Gains and Learning Gains for L25 students. In ELA, Learning Gains for L25 decreased by 8 percentage points. Additionally, in Mathematics, Learning Gains decreased by 23 percentage points and in Learning Gains for L25 students, there was a decrease of 18 percentage points. Based on the data review, our school will implement the targeted element of small group instruction. We selected the overarching area of small group instruction based on our findings that demonstrated learning gains had decreased. We will provide the scaffolding necessary for Tier 2 and Tier 3 students to access grade level content to make learning gains and move toward proficiency.
Measurable Outcome:	If we successfully implement small group instruction in ELA and Math, then Learning Gains will increase by a minimum of 7 percentage points as evidenced by the 2022 state assessments.
Monitoring:	The Leadership Team will conduct data chats after each iReady diagnostic assessment. Groups will be adjusted based on current data. Follow up with walkthroughs to ensure small groups are taking place with fidelity. Administrators will review small group lesson plans. Data analysis of biweekly OPM's will be reviewed monthly to track progress. An online data tracker will be created to monitor OPM data on a biweekly basis. This data will be analyzed during the leadership team meetings to ensure students are demonstrating growth on remediated standards.
Person responsible for monitoring outcome:	Jacqueline Rodriguez (jackie@dadeschools.net)
Evidence- based Strategy:	Within the targeted elements of small group instruction, our school will focus on the evidenced based strategy of: Differentiated Instruction (DI). Differentiated Instruction will assist in accelerating Learning Gains as it is a systematic approach of instruction to meet the students' needs. DI will be monitored through lesson plans, walk throughs, student products and OPM data trackers.
Rationale for Evidence- based Strategy:	Differentiated Instruction will ensure that teachers are providing different students with different avenues to learning. Teachers will develop lesson plans and assessments to target student needs and measure student progress.

**Action Steps to Implement** 

ELA teachers will meet biweekly to plan and gather resources for small group instruction. 8/30/21-5/31/22

## Person

Pat Collins (148693@dadeschools.net) Responsible

Math teachers will meet biweekly to plan and gather resources for small group instruction. 8/30/21-5/31/22

Person

Yolanda Munoz (ymunoz@dadeschools.net) Responsible

ELA and Math teachers will analyze iReady/Topic Assessments data to create small groups based on student's deficiencies. 8/30/21-5/31/22

#### Person Pat Collins (148693@dadeschools.net) Responsible

Leadership Team will monitor collaborative planning, instructional delivery, small group lesson plans, DI student products and OPM's.

8/30/21-5/31/22

# Person

Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

ELA and Math teachers in grades 3-5 will administer OPM's to monitor student mastery of DI instruction. 11/1/21-12/21/21

Person Pat Collins (148693@dadeschools.net) Responsible

Teachers and students in grades 3-5 will track OPM data through the use of trackers in DI folders. 11/1/21-12/21/21

# Person

Yolanda Munoz (ymunoz@dadeschools.net) Responsible

Select Tier 2 & Tier 3 students will be identified by the Leadership Team to participate in an Extended Learning Opportunity through Saturday School. During Saturday School, specific standards will be addressed and students will be provided with additional support in order to accelerate instruction. 1/31/22-4/2/22

# Person

Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

After IReady AP2, student data will be analyzed by the teacher and leadership team during data chats. Shifts in student groups will be made and next steps for subgroups will be determined. Additionally, there will be a shift in collaborative planning from the coach leading the planning session to the teacher leading the planning session. The coach will facilitate planning and provide guidance and support as needed. This will be done to build teacher capacity. 1/31/22-4/29/22

Person Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

## **#2. Instructional Practice specifically relating to Standards-aligned Instruction**

Area of Focus Description and Rationale:	According to the FSA data in both Reading and Mathematics, there was a decrease in student proficiency. In ELA, there was a decrease of 2 percentage points and in Mathematics there was a decrease of 27 percentage points. Based on the data review, our school will implement the targeted element of standards-aligned instruction. We selected the overarching standards-aligned instruction based on our findings that our proficiency percentages were lower when compared to the District. We must ensure that student products and teaching techniques are aligned to the intended standards/learning targets being addressed to improve bi-weekly assessment data and topic assessment data.
Measurable Outcome:	If we successfully implement Standards-Aligned Instruction, then our proficiency will increase by a minimum of 5 percentage points in both Reading and Mathematics as evidenced by the 2022 State Assessments.
Monitoring:	The Leadership Team will participate in collaborative planning meetings to monitor for active participation and the alignment of standards to student's end products. Administrators will review biweekly/topic assessment results to monitor student progress. This data will be analyzed during leadership team meetings to ensure students are demonstrating progress on tested standards.
Person responsible for monitoring outcome:	Jacqueline Rodriguez (jackie@dadeschools.net)
Evidence- based Strategy:	Our school will focus on the evidenced based strategy of: Standards-Aligned Instruction. Standards-Aligned Instruction will assist in increasing proficiency in ELA and Math. Standards-Aligned Instruction will be monitored through walkthroughs, lesson plans, student end products.
Rationale for Evidence- based Strategy:	Standard-Aligned Instruction will ensure that teachers deliver planned lessons to guide students through the demands of the standards/learning targets. Students will show evidence of mastering the lesson objective through their work samples/tasks.
· · · · ·	to Implement
	a teachara will participate in collaborative planning to develop leason plane cligand to

ELA and Math teachers will participate in collaborative planning to develop lesson plans aligned to standards based learning. 8/30/21-5/31/22

Person Responsible Pat Collins (148693@dadeschools.net)

Teachers will analyze iReady/Topic Assessments data to create small groups based on student's deficiencies.

8/30/21-5/31/22

Person Responsible Yolanda Munoz (ymunoz@dadeschools.net)

Students end products will be directly aligned to the intended standards. 8/30/21-5/31/22

Person Responsible Jacqueline Rodriguez (jackie@dadeschools.net) Instructional delivery and student engagement will be monitored through teacher observations and daily walkthroughs.

8/30/21-5/31/22

# Person

Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

Professional Development and best practices will be provided to teachers on the effectiveness of corrective and descriptive feedback.

# 11/1/21

Person

Leticia Coello (Icoello@dadeschools.net) Responsible

Teachers will provide students with corrective feedback on student end products directly aligned to the standard.

11/10/21-12/21/21

# Person

Pat Collins (148693@dadeschools.net) Responsible

Teachers will continue to provide students with corrective feedback on end products directly aligned to the standards being addressed. End products will be be developed using Item Specification Stems and Depth of Knowledge guestioning techniques to target the various guestioning mechanisms and promote higher order thinking to prepare for the upcoming FSA. 1/31/22-4/29/22

# Person

Pat Collins (148693@dadeschools.net) Responsible

In order to improve results for Tier 2 students, a second Teacher Led Center will be incorporated during Differentiated Instruction to focus on students who are on the verge of proficiency. The additional Teacher Led Center will be led by instructional coaches and/or support staff. During the Teacher Led Center, there will be a focus on question/answer mechanisms, test taking strategies and explicit verbal feedback in order to accelerate student outcomes.

1/31/22-4/29/22

# Person

Yolanda Munoz (ymunoz@dadeschools.net) Responsible

#3. Culture &	Environment specifically relating to Social Emotional Learning
Area of Focus Description and Rationale:	Based on the data review, our school will implement the Targeted Element of Social Emotional Learning. Through our data review, we noticed that some students do not feel supported by their teacher or school staff. We recognize the importance of staff-student relationships in order for students to feel a sense of belonging in the school.
Measurable Outcome:	If we successfully implement the Targeted Element of Social Emotional Learning through the building of Staff-Student Connections, our students will feel valued and a sense of belonging. With consistent student-staff relationship opportunities, we expect our Student Climate survey results relating to their teacher to increase by 10 percentage points.
Monitoring:	The Leadership Team will conduct daily walkthroughs to monitor for the implementation of the SEL McGraw Hill Component.
Person responsible for monitoring outcome:	Jacqueline Rodriguez (jackie@dadeschools.net)
Evidence- based Strategy:	Within the Targeted Element of Social Emotional Learning, our school will focus on the evidence-based strategy of: Staff-Student Connections. Staff-Student Connections will ensure that students feel a sense of belonging and value. Staff-Student Connections will be monitored on a weekly basis to promote a positive school culture.
Rationale for Evidence- based Strategy:	Staff-Student Connections will assist in increasing student morale and establishing positive student-teacher relationships, thus resulting in an increase motivation and student achievement.

## Action Steps to Implement

Teachers will receive professional development on Equity, Diversity & Inclusivity. 8/10/21

Person

Responsible Michelle Arias (marias2@dadeschools.net)

Teachers will plan for daily Social Emotional Learning Activities to promote equity, diversity and inclusivity during collaborative planning. 8/30/21-5/31/22

Person Responsible Jacqueline Rodriguez (jackie@dadeschools.net)

School counselor will work with targeted student groups who are in need of additional strategies and support focusing on communication, relationships and motivation to excel both in and out of school. 8/30/21-5/31/22

Person Responsible Jacqueline Rodriguez (jackie@dadeschools.net)

Opportunities for staff to share effective student-connection strategies that can be done throughout the school day to improve student morale. 8/30/21-5/31/22

Person Responsible Jacqueline Rodriguez (jackie@dadeschools.net) Professional Development will be provided to teachers on how to effectively implement the SEL components into ELA and Math instruction.

11/1/21

# Person

Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

The Leadership Team will highlight and recognize staff members and provide incentives to increase teacher morale.

11/1/21-12/21/21

# Person

Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

The Leadership Team will continue to highlight and recognize staff members and provide incentives to increase teacher attendance and morale. Students who demonstrate monthly Values Matters and Cambridge attributes will be recognized and rewarded by school counselor. 1/31/22-4/29/22

# Person

Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

In order to improve results with the SEL group, Ms. Olivera, school counselor, will provide identified students with additional strategies and support focusing on social awareness, relationships and self management to excel both in and out of school during weekly sessions. The counselor will work with teachers/staff to identify students who are in need of additional SEL support. 1/31/22-4/29/22

# Person

Responsible Jacqueline Rodriguez (jackie@dadeschools.net)

## #4. Leadership specifically relating to Specific Teacher Feedback

Area of Focus Description and Rationale:	Based on qualitative data from the SIP survey and review of the Core Leadership Competencies, we want to use the Targeted Element of Specific Teacher Feedback. Teachers in the building feel that administrators do not provide consistent and timely feedback to improve student outcomes, therefore members of the Leadership Team will provide teachers with specific feedback on a bi-weekly basis. By providing teachers with specific feedback, student success will be positively impacted.
Measurable Outcome:	If we successfully implement the Targeted Element of Specific Teacher Feedback, our teachers will be provided the opportunity to improve their planning and instruction, thus improving student achievement. The percentage of the frequency of how often feedback is received should increase to daily or weekly by 10 percentage points.
Monitoring:	The Leadership Team will create and implement a specific feedback monitoring One Drive document. The Leadership Team will document specific feedback on instructional practices provided to teachers. During leadership team meetings feedback and next steps will be discussed to monitor teacher progress.
Person responsible for monitoring outcome:	Jacqueline Rodriguez (jackie@dadeschools.net)
Evidence- based Strategy:	Within the Targeted Element of Specific Teacher Feedback, we will focus on the evidence- based strategy of: Consistent, Developmental Feedback. "By creating a feedback One Drive document", we hope to improve teacher instruction to ensure student achievement.
Rationale for Evidence- based Strategy:	Creating "Feedback One Drive document", the leadership team will be held accountable to providing teachers with specific instructional feedback to increase student achievement.

### Action Steps to Implement

A "Feedback One Drive Document" will be created for the Leadership Team, documenting teacher strengths and areas for growth, feedback provided and next steps. 9/10/21

### Person

Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

Leadership Team will conduct daily walk-throughs and provide teachers with specific feedback and allow for opportunities to improve planning or instruction through coaching support. 8/30/21-5/31/22

#### Person Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

Leadership Team will meet weekly to discuss teacher progress, coaching support and next steps to ensure teacher success.

8/30/21-5/31/22

## Person

Jacqueline Rodriguez (jackie@dadeschools.net) Responsible

Leadership Team will conduct Data Chats with teachers to analyze student progress, teacher effectiveness and provide feedback on next steps to ensure student achievement. 10/4/21-10/22/21

### Person Responsible Jacqueline Rodriguez (jackie@dadeschools.net)

The Leadership Team will conduct daily walk throughs and provide teachers with "praise notes" indicating areas of strength and an area in need of growth. 11/1/21-12/21/21

# Person

**Responsible** Jacqueline Rodriguez (jackie@dadeschools.net)

The "Feedback One Drive Document" will be used as a tool to monitor/follow-up with the implementation of recommendations/feedback provided to the teacher. 11/1/21-12/21/21

# Person

**Responsible** Jacqueline Rodriguez (jackie@dadeschools.net)

The Leadership Team will continue to conduct daily walk throughs and provide teachers with "praise notes" indicating areas of strength and an area in need of growth. 1/31/22-4/29/22

# Person

**Responsible** Jacqueline Rodriguez (jackie@dadeschools.net)

The Leadership Team will conduct data chats with teachers to; analyze IReady AP 2 data, determine next steps, make changes in instruction, provided selected students with additional small group and identify teachers who are in need of coaching support. 1/31/22-4/29/22

Person

**Responsible** Jacqueline Rodriguez (jackie@dadeschools.net)

## **#5. Instructional Practice specifically relating to ELA**

Area of Focus Description and Rationale:	The data indicates that 56 percent of students in grade 3 to 5 scored below a Level 3 on the 2021 ELA FSA. Additionally, according to Spring IReady Diagnostic, 43 percent of students in kindergarten through grade 2 are not track to score a Level 3 or above on the grade 3 ELA statewide assessment. Additionally, the data indicates that there was a decrease in ELA Learning Gains for L25 students. There was an overall decrease of 8 percentage points in ELA L25 students. Based on the data review, our school will implement a daily intervention programmed designed to minimize the achievement gap. Due to impact of the pandemic, students faced many challenges that led to academic regression and learning loss. Using a research based Intervention approach to Reading, students are expected to achieve learning gains.
Measurable Outcome:	On the 2022 administration of the Florida Standards Assessment, we expect to increase the percent of third through fifth grade L25 students making Learning Gains by 5 percentage points on the 2022 English Language Arts Assessment. Additionally, we expect to increase the percentage of K-5 students on track to score a level 3 or above as correlated to the Spring IReady Diagnostic by 5 percentage points.
Monitoring:	The area of focus will be monitored by: -Teacher attendance of Intervention training provided by the district -Intervention rosters for students receiving Tier 2 and/or Tier 3 Intervention -Interventionist and Teacher schedules -Data trackers monitoring ongoing student progress -Walk-throughs conducted by leadership team during allocated Intervention time
Person responsible for monitoring outcome:	Leticia Coello (Icoello@dadeschools.net)
Evidence- based Strategy:	Response to Intervention (Rti) is a multi-tier approach to the early identification and support of students with learning and behavior needs. The Rti process begins with high quality instruction and universal screening of all children in the general education classroom and includes providing aligned interventions and on-going progress monitoring.
Rationale for Evidence- based Strategy:	to Implement

Action Steps to Implement

Analyze student data to determine student's need for Tier 2 or Tier 3 Intervention. Develop rosters to group students accordingly.

Person Leticia Coello (Icoello@dadeschools.net) Responsible

Provide teachers with Intervention resources, training and additional support needed in order to implement Interventions with fidelity.

Person

Leticia Coello (Icoello@dadeschools.net) Responsible

Leadership Team members will conduct walk-throughs to monitor for the implementation and fidelity of intervention instruction.

# Person

Leticia Coello (Icoello@dadeschools.net) Responsible

Monitor student's progress through Ongoing Progress Monitoring assessments correlated to Tier 2 and Tier3 instruction.

# Person

Leticia Coello (Icoello@dadeschools.net) Responsible

Provide identified teachers with additional coaching of Intervention Program. 11/1/21-12/21/21

# Person

Leticia Coello (Icoello@dadeschools.net) Responsible

Monitor and track student's progress through Ongoing Progress Monitoring for growth, monitoring or next steps of MTSS process.

11/1/21-12/21/21

# Person

Leticia Coello (Icoello@dadeschools.net) Responsible

Tier 2 and Tier 3 teachers will conduct pre and post assessment data chats with students to set goals and expectations for the remainder of the year. 1/31/22-4/29/22

# Person

Leticia Coello (Icoello@dadeschools.net) Responsible

Extended Learning Opportunities will be offered to select Tier 2 and Tier 3 subgroups through Saturday School and/or Spring Break Academy. Students will identified based on 2021 FSA data, AP2 data/growth and Topic Assessment/Bi-Weekly data trends. 1/31/22-4/2/22

Person Leticia Coello (Icoello@dadeschools.net) Responsible

# Additional Schoolwide Improvement Priorities

Using the SafeSchoolsforAlex.org, compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

The data indicates that there was 1 student confrontation during the 2019-2020 school year. When compared to elementary schools in the state, Pine Lake Elementary falls into the low category in incident ranking. The Leadership Team will monitor disruptive behaviors during the 2021-2022 school year. This will be monitored through SCM reporting, teacher-student relationships and the implementation of school-wide and teacher incentives to reward positive behaviors.

# Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

# Describe how the school addresses building a positive school culture and environment.

Pine Lake Elementary focuses on stakeholder motivation, success, and a sense of feeling valued. There are a variety of ways in which positive school culture is addressed in order to establish a supportive and fulfilling environment. PLE recognizes staff and students on a monthly basis for showing core values. Additionally, throughout the year, parents are provided with opportunities to participate in school events, communicate with teachers and staff and contribute to their child's educational journey. Teachers are provided with opportunities and strategies to implement within their classroom setting to build relationships with their students. Both teachers and students are encouraged to share ideas and/or feedback with the school's Leadership Team through grade level meetings and Student Council. Stakeholders have the opportunity to stay informed and provide suggestions during EESAC meetings. Finally, successes and achievements are constantly celebrated acknowledge through announcements and incentives for both students and teachers.

# Identify the stakeholders and their role in promoting a positive culture and environment at the school.

The stakeholders involved in promoting a positive culture and environment at Pine Lake Elementary are the Principal, Assistant Principal, Instructional Coaches, Teacher Leaders, Counselor and finally Teachers. The Administrators monitor and oversee Staff Recognition and Incentives, along with establishing opportunities for parents to participate in school activities. Instructional Coaches will meet weekly with teachers to provide them with the necessary support needed to meet the needs of all learners. Teacher leaders will continuously communicate with the leadership team to provide them with feedback from the staff. Finally, teachers will play an integral role in promoting a positive school culture through the social and emotional strategies used during the day, to making time to build relationships and minting open communication with students, families and the community.

# Part V: Budget

# The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: Small Group Instruction	\$0.00
2	III.A.	Areas of Focus: Instructional Practice: Standards-aligned Instruction	\$0.00

3	III.A.	Areas of Focus: Culture & Environment: Social Emotional Learning	\$0.00
4	III.A.	Areas of Focus: Leadership: Specific Teacher Feedback	\$0.00
5	III.A.	Areas of Focus: Instructional Practice: ELA	\$0.00
		Total:	\$0.00
