Demographics

Principal: Tarrelle Brooks

Start Date for this Principal: 1/29/2019

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Middle School 6-8
Primary Service Type (per MSID File)	K-12 General Education
2020-21 Title I School	Yes
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Asian Students Black/African American Students* Hispanic Students* Multiracial Students White Students Economically Disadvantaged Students*
School Grades History	2018-19: C (41%) 2017-18: C (45%) 2016-17: C (45%)
2019-20 School Improvement (SI) Information*	
SI Region	Central
Regional Executive Director	Lucinda Thompson
Turnaround Option/Cycle	N/A
Year	N/A
Support Tier	N/A
ESSA Status	

* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Burnett Middle School will utilize data-driven decision making in order to implement research based instructional strategies that foster a safe climate & culture and provide the opportunity for students to achieve curriculum mastery.

Provide the school's vision statement.

Burnett Middle School will create an atmosphere that produces citizens who are present, accountable, work together and show respect, while preparing for college and/or career success.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Newton, Valerie	Principal	<p>Ms. Newton directs and coordinates educational, administrative, and counseling activities of a middle or a career center public school site. She demonstrates the Florida Principal Standards, serves as the instructional leader, and develops and evaluates educational programs to ensure conformance to state, national, and school board standards.</p> <p>Ms. Newton is the lead administrator for the following departments - Social Studies & Electives</p>
Brooks, Tarrelle	Assistant Principal	<p>Dr. Brooks, will assist with the instructional, administrative, and operational leadership of a middle school</p> <p>Dr. Brooks is the lead administrator for the following departments - Literacy</p>
Schlarbaum, Stacey	Assistant Principal	<p>Mrs. Schlarbaum will assist with the instructional, administrative, and operational leadership of a middle school</p> <p>Mrs. Schlarbaum is the lead administrator for the following departments - Mathematics & Science</p>
Holland, Yvonne	SAC Member	<p>SAC Chair</p> <p>The chairperson shall work closely with the principal and executive committee to plan each meeting and establish an agenda and preside at all meetings of the School Advisory Council and may sign all letters, reports, and other School Advisory Council communication.</p>

Demographic Information

Principal start date

Tuesday 1/29/2019, Tarrelle Brooks

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

11

Total number of teacher positions allocated to the school

7

Total number of students enrolled at the school

2

Identify the number of instructional staff who left the school during the 2020-21 school year.

5

Identify the number of instructional staff who joined the school during the 2021-22 school year.

6

Demographic Data**Early Warning Systems****2021-22****The number of students by grade level that exhibit each early warning indicator listed:**

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Across all grade levels, a decrease in proficiency is evident in all data points, all subgroups.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

All data points demonstrate a great need for improvement overall.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Inconsistencies in progress monitoring processes, change of leadership team, numerous instructional vacancies.

A cohesive leadership team, stronger systems of progress monitoring and classroom walkthroughs, utilize district support (DRTs)

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

None, all data points were stagnant or decreased. However, we did experience a decrease in discipline referrals.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Positive Behavior Management Plan (PBIS), improved MTSS/RTI procedures, and a variety of strategies and interventions used to support students.

What strategies will need to be implemented in order to accelerate learning?

New leadership team: Literacy Coach, Teacher Leader, SALs for Math and Science.
Walkthrough Schedule that allows for stronger classroom presence and feedback to teachers.
Data from walkthroughs used to drive what happens in PLCs to assist teachers in planning for engaging lessons.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Monthly school wide professional development based on walkthrough data (required)
Weekly lunch and learn professional development based on walkthrough data and teacher requests (voluntary)

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Weekly admin and monthly leadership team meetings to assess impact, progress, and efficiency of our systems and to modify as needed.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Student Engagement

Area of Focus Description and Rationale:	School Wide Literacy focus based on that only 30% (a decline of 6%) of our students are proficient in ELA. In addition, Science and Civics also decreased in proficiency 6 and 14 percentage points respectively. It is our belief that literacy is the reason for the decrease across all subject areas and a focus on school wide literacy will result in growth cross curricular. Targeted small groups for in class support and ELP tutoring (before school, during lunch, and during Saturday Academy) include Students with Disabilities, English Language Learners, Asian, and Black/African American students.
Measurable Outcome:	<p>Literacy</p> <p>At least 75% of students will increase their reading and written communication by a minimum of 5 points as demonstrated on the Spring 2022 ELA FSA.</p> <p>Curriculum Formative Assessments:</p> <p>Springboard Unit Embedded Assessments</p> <p>Paths Mid-Unit Assessments</p> <p>Paths End-of-Unit Assessments</p> <p>Other formatives:</p> <p>Homework, text-dependent questions, teacher-made quizzes, student observations, reflections and/or conversations with students, exit slips.</p>
Monitoring:	<p>District Formatives:</p> <p>District's Baseline Reading Assessment</p> <p>District's Mid-Year Reading Assessment</p> <p>EOY Reading Assessment</p> <p>Writing Baseline Assessment</p> <p>Writing Mid-Year Assessment</p> <p>Writing EOY Assessment</p> <p>Semester Exams</p> <p>BrightFish</p> <p>Achieve 3000</p>
Person responsible for monitoring outcome:	Tarrelle Brooks (tarrelle.brooks@hcps.net)
Evidence-based Strategy:	<p>Building strong readers and writers through the use of accelerated literacy instruction with core curriculum, effective literacy strategies, differentiated instruction, scaffolding, small grouping, and data.</p> <p>Students will improve reading, writing, language, listening/speaking skills through implementation of core curriculum with fidelity.</p>
Rationale for Evidence-based Strategy:	Working in conjunction with HCPS Academic Services, these are the strategies the district has selected to improve student performance.

Action Steps to Implement

Teachers will improve classroom instruction of core curriculum using the Plan-Do-Check-Act cycle.

Teachers will design and implement instruction that uses formal and informal assessment instruments to meet the needs of every learner.

Literacy Committee to promote literacy-rich environment. Use of data/ literacy anchor charts displayed in common areas,

Literacy teachers will develop goals quarterly to improve

Literacy Coach to facilitate cross-curricular professional learning opportunities with focus on key Reading and Writing strategies.

Literacy teachers can choose to participate in quarterly learning walks to observe peer instruction.

Support RTI team with their use of Tier 3 interventions for bottom quartile students.

Implement coaching cycles as needed.

Person Responsible Tarrelle Brooks (tarrelle.brooks@hcps.net)

#2. Instructional Practice specifically relating to Student Engagement

Area of Focus Description and Rationale:	Math proficiency has experienced a steady decline over the past few years prior to the pandemic, however, a more significant decline has occurred in MS Acceleration which is our Algebra classes. Because of this our 2nd area of focus is Math with an emphasis on Algebra. Targeted small groups for in class support and ELP tutoring (before school, during lunch, and during Saturday Academy) include Students with Disabilities, English Language Learners, Asian, and Black/African American students.
Measurable Outcome:	Teachers will implement common Instructional Frameworks (with a focus on small group instruction) throughout all grade levels. The math department will utilize progress monitoring assessments to identify and remedy individual students' unfinished learning to improve our Achievement Points by 5% from 2021.
Monitoring:	District provided progress monitoring assessments for each unit of study.
Person responsible for monitoring outcome:	Stacey Schlarbaum (stacey.schlarbaum@hcps.net)
Evidence-based Strategy:	Instructional Frameworks (provided by the district)
Rationale for Evidence-based Strategy:	Research has shown the effectiveness of utilizing small groups to address the specific day-to-day data based needs of each student.

Action Steps to Implement

PLCs 2x a month to discuss data and plan lessons.

Math DRT will be on campus once a week to participate in PLC discussions and to provide coaching to teachers as needed based on walk-through data.

2nd Math DRT will be on campus biweekly to provide coaching to teachers as well as co-teach and/or model as needed.

Small group tutoring will be available before school, during lunches and one Saturday a month to target specific standards.

Person Responsible Stacey Schlarbaum (stacey.schlarbaum@hcps.net)

Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.SafeSchoolsforAlex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

Burnett Middle School will implement schoolwide social and emotional learning strategies, restorative practices, PBIS positive behavior intervention systems, consistent communication, solution-based strategies, and positive relationships to strengthen the peer culture.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

Burnett Middle School will implement schoolwide social and emotional learning strategies, restorative practices, PBIS positive behavior intervention systems, consistent communication, solution-based strategies, and positive relationships to strengthen the peer culture.

In addition, each staff will sponsor a student club based on their personal interest to allow them to connect with students more than just academically. Once a month, a club day schedule will be utilized for students to meet with the club of their choice. The goal is building positive relationships between faculty and students outside of the classroom.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Every one on campus contributes to the positive culture and environment, however, the PBIS team under the leadership of the APA and Success Coach working with the Culture and Climate Committee, oversee and monitor the progress by regularly analyzing behavior data and surveying faculty and students.

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: Student Engagement	\$0.00
2	III.A.	Areas of Focus: Instructional Practice: Student Engagement	\$0.00
Total:			\$0.00
