Demographics

Principal: Kelinda Lockett

Start Date for this Principal: 1/24/2022

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Middle School 6-8
Primary Service Type (per MSID File)	K-12 General Education
2020-21 Title I School	No
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	29%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities English Language Learners Asian Students Black/African American Students Hispanic Students Multiracial Students White Students Economically Disadvantaged Students
School Grades History	2018-19: A (75%) 2017-18: A (77%) 2016-17: A (80%)
2019-20 School Improvement (SI) Information*	
SI Region	Central
Regional Executive Director	Lucinda Thompson
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	

* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, [click here](#).

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

To provide an education and the supports which enable each student to excel as a successful and responsible citizen.

Provide the school's vision statement.

Preparing students for life.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Lockett, Kelinda	Principal	Principal
Alvarado, Allan	Teacher, K-12	SAC Chair
Accardi, Diane	Teacher, K-12	Subject Area Leader - Science
Hartman, Jonah	Teacher, K-12	Subject Area Leader - Math
Hartman, Holly	Teacher, K-12	Subject Area Leader - Social Studies
Hockley, Stephanie	Teacher, K-12	Media Specialist
Reitnauer, Amy	Teacher, K-12	Subject Area Leader - ELA

Demographic Information

Principal start date

Monday 1/24/2022, Kelinda Lockett

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

7

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

21

Total number of teacher positions allocated to the school

62

Total number of students enrolled at the school

1,180

Identify the number of instructional staff who left the school during the 2020-21 school year.

3

Identify the number of instructional staff who joined the school during the 2021-22 school year.

3

Demographic Data

Early Warning Systems

2021-22

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	0	0	0	0	0	0	370	388	407	0	0	0	0	1165
Attendance below 90 percent	0	0	0	0	0	0	47	51	59	0	0	0	0	157
One or more suspensions	0	0	0	0	0	0	13	8	27	0	0	0	0	48
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	0	0	0

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Students in the bottom quartile and SWD are performing the lowest in ELA and Math - which translate to their performance in other areas as well.

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

ELA and Math bottom quartile and SWD

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Strengthening core instruction to include differentiated learning groups and targeted instruction based on standards aligned assessments.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

All reporting categories decreased.

What were the contributing factors to this improvement? What new actions did your school take in this area?

n/a

What strategies will need to be implemented in order to accelerate learning?

Classroom teachers will plan during PLCs for differentiated student needs and implement small learning groups.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

PLC protocols and structures, small learning group structures, student data chats

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Regular PLCs schedule where teachers collaborate weekly during common planning time. Restructure ILT to review student data and student work.

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to ELA

Area of Focus	
Description and Rationale:	Focus on differentiated instruction for our students with disabilities.
Measurable Outcome:	For the 2021-2022 school year, 50% of our students with disabilities will make learning gains in order to be above the Federal Index level.
Monitoring:	This area of focus will be monitored by ELA Subject Area Leader, Reading teachers, ELA teachers and ESE case managers.
Person responsible for monitoring outcome:	Amy Reitnauer (amy.reitnauer@hcps.net)
Evidence-based Strategy:	Differentiated Instruction, small group, formal and informal assessments.
Rationale for Evidence-based Strategy:	Collaboration with our ESE team, data analysis through the ELA PLC's, ESSA Data Review of our SWD's (Federal Index below 38%)
Action Steps to Implement	
Differentiated Instruction	
Person Responsible	Amy Reitnauer (amy.reitnauer@hcps.net)

#2. Instructional Practice specifically relating to Math

Area of Focus

Description and Rationale: Focus on differentiated instruction for our students with disabilities.

Measurable Outcome: For the 2021-2022 school year, our students with disabilities subgroup will increase their Math Achievement score from 23% to 50%.

Monitoring: PMA data will be discussed and addressed through PLCs and Department meetings.

Person responsible for monitoring outcome: Jonah Hartman (jonah.hartman@hcps.net)

Evidence-based Strategy: Appropriate placement of students in math class, differentiated instruction, ELP.

Rationale for Evidence-based Strategy: During the 2020-2021 school year, the data showed that our students with disabilities fell below the Federal Index of 41% to 38%. In previous years, data analysis has proven these methods to be successful when appropriately placing students in math classes.

Action Steps to Implement

Appropriate placement of students in math classes.

Person Responsible Jonah Hartman (jonah.hartman@hcps.net)

Differentiated Instruction

Person Responsible Jonah Hartman (jonah.hartman@hcps.net)

ELP

#3. Instructional Practice specifically relating to Collaborative Planning

Area of Focus Description and Rationale: In order to address the needs of varied levels of learners, teachers will need to review real time data during collaborative planning sessions and plan differentiated lessons to include increased rigor and academic ownership.

Measurable Outcome: Increase in the number of proficient students; increase in the number of students making learning gains.

Monitoring: Collaborative planning sessions will include monthly data chats with teachers and students to review and plan around PMAs. Student performance on PMAs should improve based on this targeted planning.

Person responsible for monitoring outcome: Kelinda Lockett (kelinda.lockett@hcps.net)

Evidence-based Strategy: Differentiated instruction, small group instruction based on performance on assessments

Rationale for Evidence-based Strategy: Instruction for class a whole does not address the varied needs of students in classes with achievement level ranges from 1 to 5.

Action Steps to Implement

Solidify collaborative planning calendar.

Person Responsible Kelinda Lockett (kelinda.lockett@hcps.net)

Staff PD on Collaborative Planning protocols

Person Responsible Kelinda Lockett (kelinda.lockett@hcps.net)

Implement collaborative planning sessions to include regular data chats with teachers and students.

Person Responsible Kelinda Lockett (kelinda.lockett@hcps.net)

Additional Schoolwide Improvement Priorities

Using the [SafeSchoolsforAlex.org](https://www.safeschoolsforalex.org), compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

ISS and OSS rates have decreased, however, student drug incidences remain the leading discipline challenges. Student education, awareness, and advocacy will be the main focus to address these behavior concerns. Farnell has 2.0 incidents per 100 students. Violent Incidents were 1.42 (Middle) and Drug/Public Order Incidents were 0.55 (Low) per 100 students.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

Farnell Middle School will pursue building a positive school culture and environment through group such as PTSA and SAC. PTSA and SAC are some of the most important groups to Farnell. They meet monthly to offer support to students, teachers and other staff. Along with that, Farnell also holds curriculum nights to offer and explain programs and opportunities to the school. In addition, parents stay informed through Parent Link announcements and Canvas.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Administration - highlighting and recognizing teachers and students who exemplify the behaviors and habits we want to see in our school.

Teachers - incentivizing student Attendance, Behavior, and Course Performance in Tier 1 plans in the classroom and quarterly as a grade level.

Students - leadership clubs to lead by example

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

1	III.A.	Areas of Focus: Instructional Practice: ELA	\$0.00
2	III.A.	Areas of Focus: Instructional Practice: Math	\$0.00
3	III.A.	Areas of Focus: Instructional Practice: Collaborative Planning	\$0.00
Total:			\$0.00
