School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Engage Every Learner

Provide the school's vision statement.

Inspire lifelong learning and success.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities for each member of the school leadership team.:

| | Name | Position Title | Job Duties and Responsibilities |
|---|-----------------------|------------------------|---|
| | Simonsen, Tricia | Principal | Cultivate school wide achievement focus and results orientation; Maintain instructional expertise; Management and development of employees; Sustain a positive school culture and support relationship building; Problem-solve and manage strategic change |
| | Bisesto, Heather | Assistant Principal | Assist Principal in cultivating school wide achievement focus and results orientation; Maintaining instructional expertise; Management and development of employees; Sustaining a positive school culture and supporting relationship building; Problem-solving and managing strategic change |
| , | Swartzlander, Tina | SAC Member | Teacher and SAC chair |

Demographic Information

Principal start date

Wednesday 6/30/2021, Tricia Simonsen

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

3

Number of teachers with a 2019 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

Ć

Total number of teacher positions allocated to the school

42

Total number of students enrolled at the school

728

Identify the number of instructional staff who left the school during the 2020-21 school year.

4

Identify the number of instructional staff who joined the school during the 2021-22 school year.

Demographic Data

Early Warning Systems

2021-22

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

ELA, Math, and Science proficiency levels were 60 and above ELA showed greater gains (60) than Math (52) Bottom quartile math scores decreased significantly (27)

What data components, based off progress monitoring and 2019 state assessments, demonstrate the greatest need for improvement?

Overall, progress monitoring data from iReady exceeded proficiency and growth scores of Region 4 schools for all grade levels

Based on 2019 data, bottom quartile math and reading FSA average scores decreased.

77% of students in the ELA and Math bottom quartile scored 1 or more years below grade level in the subcategory of vocabulary on the iReady Diagnostic assessment.

Students with disabilities demonstrated 74% grade level proficiency in ELA and 64% grade level proficiency based on iReady Diagnostic 3, with 44% below level in the area of vocabulary.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Disruptions in learning platforms and attendance in addition to implementation of new materials contributed to areas of need. Strategies for SEL, consistent attendance, and focus on the planning process with the use of data to reflect on instructional effectiveness are needed for improvement.

What data components, based off progress monitoring and 2019 state assessments, showed the most improvement?

Grade 1 and 2 ELA data showed the most improvement based off progress monitoring, along with grade 3 math gains. Economically disadvantaged students and students with disabilities showed more substantial growth in the primary grade levels. ELL students overall showed the greatest gains as a whole.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Increased professional development and support for effective Instructional Design Sessions (IDS)

What strategies will need to be implemented in order to accelerate learning?

IDS will target Tier 1 trends and intervention strategies to differentiate instruction while maintaining rigor in alignment with standards

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

- -A book study for math practices will take place among vertical team representatives and lead to implementation through IDS and peer coaching.
- -District/Area academic coaches will be invited to provided targeted support through vertical and/or grade level subject area meetings

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

- -Ongoing ELL support and PD for the Imagination Learning Program
- -Consistent inclusion of ESE Teachers in IDS and Vertical Committees

Part III: Planning for Improvement

Areas of Focus:

#1. Instructional Practice specifically relating to Collaborative Planning

Area of Focus Description and Rationale:

The average of grades 3, 4, and 5 students scoring at proficiency level 3 and above on FSA ELA averaged 63%; Based on iReady Diagnostic 3, 71% of students demonstrated proficiency relative to grade level standards in the area of vocabulary.

Vocabulary proficiency impacts the performance of all students, including ESSA Subgroups, across core subject areas. Intentional acceleration in reading, specifically targeting vocabulary, would increase student proficiency levels in reading and maintain momentum for students with inconsistent attendance.

-74% of students will demonstrate proficiency relative to grade level standards in the area of vocabulary on iReady Diagnostic 3

Measurable Outcome:

-The average of grade 3, 4, and 5 students scoring at proficiency level 3 and above on the FSA ELA measure in May of 2022 will increase to 66%

iReady passage rates and Diagnostics 1 & 2 will provide grade level and individual student data in addition to the K-2 Wonders Screener and 3-5 progress monitoring assessments provided by the district.

Monitoring:

SWD subgroup data will be monitored using iReady Diagnostic assessments and passage rates in addition to progress monitoring with Wonders Screener for K-2 and 3-5 progress monitoring assessments provided by the district.

Person responsible

for

Tricia Simonsen (tricia.simonsen@hcps.net)

monitoring outcome:

Evidencebased Teachers will engage in Instructional Design Sessions (IDS) to plan with acceleration, monitor, assess, and reflect on student learning experiences that result in mastery of grade level standards and individual learning gain goals.

Rationale

Strategy:

for

Evidencebased Strategy: IDS and vertical approaches will increase intentionality in alignment and assessment of standards-based instruction.

Action Steps to Implement

- 1. Instructional Design Sessions (IDS) implemented bi-weekly for General Education and teachers of SWD
- 2. Vertical content area teams, inclusive of SWD, discuss specific strategies for acceleration and whole school implications
- 3. Teachers track student growth of whole class and subgroups, identify classroom trends, and involve students in reflection
- 4. Principles of Effective Instruction document will be used to guide look-fors in reading and related math, science, and social studies lessons
- 5. K-2 Teachers will participate in PD for implementation of B.E.S.T. Standards

Person Responsible

Tricia Simonsen (tricia.simonsen@hcps.net)

Additional Schoolwide Improvement Priorities

Using the <u>SafeSchoolsforAlex.org</u>, compare the discipline data of the school to discipline data across the state and provide primary or secondary areas of concern that the school will monitor during the upcoming school year. Include how the school culture and environment will be monitored through the lens of behavior or discipline data.

The primary concern of the school is the continued decrease of behavioral incidents, resulting in suspension, to 0 overall. Student services will utilize the Guidance Committee and PSLT to proactively address behavioral concerns and continue to support classroom teachers in positive behavioral supports.

Culture and environment will be monitored utilizing the online Behavior Tracker and Discipline referral system.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

1. Tier 1 supports

Character Education

- -Character Education: Core Essentials by Chick-Fil-A
- -Monthly guidance lessons K-5 aligned with Panorama Survey

Positive Behavior Plan

- -Character Counts Ribbons
- +Students nominated by staff members for demonstrating outstanding character, drawn at random during Friday Morning Show. Students receive a special spririt stick

Citizenship

-Award recognition in classrooms and during award ceremonies for excellent work and study habits

Terrific Kids

- -Terrific Kids is supported by the Kiwanis Club of Brandon
- -One student demonstrating outstanding character is chosen by each homeroom teacher as the Terrific Kid Students are celebrated during an awards ceremony

Safety Patrol Training

-Monthly meetings to support leadership and character education

Student Leadership

- -5th grade students apply for and assume roles of Teacher Helpers, Media Helpers, and Recycle Team Members
- -Peer Mediators actively participate in service project, SEEDS of Hope

Extra-Curricular Activities

- -Chorus
- -Math League

Mentoring

-Student/teacher mentoring sessions designed to aid in social/emotional and academic needs occur regularly in all grade levels

Bully Prevention

- -District staff training on bullying
- -All classrooms participate in a bully prevention guidance lesson
- -Red Ribbon Week promotes healthy behaviors and commitment to bully-free behaviors
- -Kids on the Block presentation regarding bullying

Classroom Behavior Support

- -Through collaboration with Valrico Elementary Guidance/Hawk Traits Committee, the following options are available for teachers with problematic behavior in the classroom:
- +Classroom behavior systems
- +Refocus area (student sits for a few minutes and either reads or writes in a personal journal to calm down and prepare to rejoin the class)
- +Classroom to classroom support
- +Pairing non=preferred activities with preferred activities
- +Utilizing momentum compliance
- +Student Services may assist with individualized behavior plans
- +Teacher may call student services for support if non of the above options are working

Instructional Design Sessions (IDS)

-Administration and Student Services support grade level planning and problem solving sessions for academic and behavioral needs

2. Tier 2 Supports

Peer Mediation

- -Many "disciplinary" issues involve disagreements/misunderstandings between peers
- -5 5th grade students are trained peer mediators
- +Students will serve as mediators to help students solve conflict and develop problem solving strategies

Group and Individual Counseling

- -Targeted groups focusing on behavior, social skills, friendship, etc. meet for 6 week cycles
- -Solution-focused individual counseling available for students as needed

Problem Solving Leadership Team (PSLT)

- -PSLT examines data and has ongoing collaboration
- -Teachers are invited to collaborate with the PSLT on any student with significant academic or behavior concerns

3. Tier 3 Supports

Guidance/Hawk Traits Committee

- -Tier 3 problem solving for behaviors
- -Assistance with development of interventions to aide with student success

Functional Behavior Analysis Team

-Comprised of administration, student services, ESE representatives and classroom teachers

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

Administration, Faculty and Staff

- -Determine and provide multitiered approach to culture and climate
- -Utilize results of Panorama SEL survey and Insight survey to target and address areas of need
- -Staff Meetings comprised of administrators, office staff, head custodian, ESE Resource Teacher, Guidance Counselor, and Student Nutrition Services Manager conducted regularly to address questions, concerns, calendar
- -Integrate social emotional learning through development of classroom culture
- +Implementation of 7 Mindsets strategies and resources

Students

- -Participation in leadership opportunities (see section A)
- -Panorama Survey results provide school wide trends for focus and individual student data
- -Opportunities for practice of 7 Mindsets strategies
- -Individual goal setting and data notebooks
- -Opportunities for celebrating positive character and growth (see section A)

Families

- -Welcome back event, Parent Information Night, and conference nights attendance encouraged
- +Online options available to involve families with schedule limitations
- -Student Progress Reports shared with families quarterly for increased communication about academic and behavior status
- -Monthly School Newsletter
- -Student agendas
- -Celebrations and information shared via multimedia tools (Canvas, Twitter, School Website)

Volunteers

- -Media volunteers support positive literacy behaviors
- -Great American Teach-In connects community with students and promotes citizenship and academics

School Advisory Committee (SAC)

- -Panorama SEL survey results and Insight Survey results shared with SAC for community feedback
- -Academic trends and strategies presented during SAC meetings for increased awareness and feedback

PTA

- -Consistent communication and partnership in facilitating events that positively impact academics while promoting positive social emotional experiences
- +Read-a-thon
- +Teacher grants
- +Welcome back participation
- +Spring Jubilee
- +School spirit shirts
- +Student agendas

Part V: Budget

The approved budget does not reflect any amendments submitted for this project.

| 1 | III.A. | Areas of Focus: Instructional Practice: Collaborative Planning | \$0.00 |
|---|--------|--|--------|
| | | Total: | \$0.00 |
