School Board Approval

This plan is pending approval by the Pinellas County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <u>www.floridacims.org.</u>

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Tyrone Middle School-The Center for Innovation and Digital Learning will provide a safe and quality educational setting with engaging and rigorous classroom experiences that create educated, respectful, and responsible citizens who are prepared for college, career, and life.

Provide the school's vision statement.

Ensuring Success for All Scholars

Ensuring- certain practices, methods, strategies and actions are in place to make sure. Achievement-Knowledge gain is the currency of scholar success in a formative assessment system. For All-Yes, even that one

Scholars-Kids first in all decision making. They are the reason we chose to become an educator.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

| Name | Position Title | Job Duties and Responsibilities |
|--------------------|---------------------|---|
| Helbling, Jason | Assistant Principal | Supervise Math, Technology, ESE & Magnet Coordinator. |
| Porter, Jeremy | Assistant Principal | Supervise Science, Social Studies, Related Arts |
| Williams, Danielle | Assistant Principal | Supervise Language Arts, Reading, AVID, PE & Health |

Demographic Information

Principal start date

Wednesday 7/6/2022, Linda Burris

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

Total number of teacher positions allocated to the school

Total number of students enrolled at the school

Identify the number of instructional staff who left the school during the 2021-22 school year.

Identify the number of instructional staff who joined the school during the 2022-23 school year.

Demographic Data

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

| Indicator | | | | | (| Gra | ade | e Lo | eve | əl | | | | Total |
|--|---|---|---|---|---|-----|-----|------|-----|----|----|----|----|-------|
| indicator | κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Total |
| Number of students enrolled | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Attendance below 90 percent | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Course failure in ELA | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Level 1 on 2022 statewide FSA ELA assessment | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Level 1 on 2022 statewide FSA Math assessment | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Number of students with a substantial reading deficiency | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

| Indicator | | | | | | Gr | ade | e Le | evel | | | | | Total |
|--------------------------------------|---|---|---|---|---|----|-----|------|------|---|----|----|----|-------|
| indicator | κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | TOtal |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

Using current year data, complete the table below with the number of students identified as being "retained.":

| Indicator | Grade Level | | | | | | | | | | | | | | |
|-------------------------------------|-------------|---|---|---|---|---|---|---|---|---|----|----|----|-------|--|
| indicator | κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Total | |
| Retained Students: Current Year | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | |

Date this data was collected or last updated

Wednesday 7/6/2022

The number of students by grade level that exhibit each early warning indicator:

| Indiantar | Grade Level | | | | | | | | | | | | | |

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

What were the contributing factors to this improvement? What new actions did your school take in this area?

What strategies will need to be implemented in order to accelerate learning?

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

1

#1. Instructional Practice specifically relating to ELA

| Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed. | Based on 21-22 FSA results, 27% of scholars school-wide were proficient. We reviewed the number/percentage of scholars enrolled in our school 22-23 that are currently a level 2.2 (12%), we expect to move these scholars to proficient by the end of the 22-23 school year. Based on the 21022 FSA results, 33% of all scholars and 25% of bottom quartile scholars made a learning in ELA. |
|--|--|
| Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome. | Our current level of performance is 27 % of our students are proficient on the 2022 FSA ELA. We expect our performance level to increase to 39% of our students meeting proficiency by Spring 2023 Progress Monitoring assessment(F.A.S.T.) |
| | Our current level of performance is 33% of all scholars and 25% of bottom quartile scholars made a learning gain in ELA as measured by the FSA. We expect 50% of our scholars to make learning gains as measured by the Spring 2023 Progress Monitoring Assessment (F.A.S.T.). |
| | Administration and instructional leadership team will monitor lesson plan creation, implementation, and data driven revision weekly though attending PLCs on Tuesday & Friday and classroom observation/ walkthroughs with feedback. |
| Monitoring: Describe how this Area of Focus will be monitored for the desired outcome. | Admin, ISD, and teachers will use the following monitoring tools: Unit Assessments (performance matters) Write Score Data (August/December) Formative Assessments Data Chats Baseball Card/Performance Matters iReady iXL Unit Standards Mastery Checks (iready) Diagnostic assessment data (iready) |
| Person responsible for monitoring outcome: | Danielle Williams (williamsdanie@pcsb.org) |
| Evidence-based Strategy: Describe the evidence-based | Strategy 1 - Support staff to utilize data to organize scholars to interact with content in manners which differentiates/scaffolds instruction to meet the needs of each scholar. |
| strategy being implemented for this Area of Focus. | Strategy 2 - Strengthen staff ability to plan and engage scholars in culturally relevant, complex tasks. |
| Rationale for Evidence-based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy. | If teachers use formative, standards-based assessment data to guide their instructional planning, implementation, and remediation, then the instruction will be aligned to the depth and rigor of the standard and differentiated to specific scholar needs. |

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Strategy 1

1. All teachers (reading and ELA) will meet weekly in equity-centered common planning PLCs to create/ implement standards-based lesson plans with modeled responses that incorporate cognitively complex tasks (Level 3+), HOT questions, and tasks aligned to the target.

2. All teachers will consistently utilize a common assessment platform (performance matters, iready, write score, and IXL) for collecting/assessing writing and reading standards, reviewing student data and guiding instruction during individual and common planning.

3. Teachers will create/implement common instructional/remediation plans quarterly that include, standards, goals, targets, text sets, tasks, and checks for understanding (quarterly shared cross-curriculum calendar). Teachers will reinforce these common practices through regular exchanges of scholar papers and student work protocol during common planning PLCs.

4. All Reading teachers will implement high quality, scaffolded reading intervention through iReady and Elevate curriculum based on current scholar performance and proficiency.

Person Responsible Danielle Williams (williamsdanie@pcsb.org)

Strategy 2

1. Teachers will work with the site-based and district assigned literacy staff developer to create and implement standards-based, culturally relevant, rigorous lessons using high-yield literacy strategies with a focus on data analysis by sub-group for content differentiation and remediation as needed.

2. All teachers will implement Culturally Relevant Teaching Strategies and AVID WICORT Strategies routinely in lesson planning and implementation.

3. All teachers will utilize the planning roadmap to choose strategies and resources for use as they plan, to ensure lessons are culturally relevant, high engagement, rigor and progress monitoring.

4. Administrators will conduct regular classroom observations and provide timely feedback to teachers. Teachers will schedule and participate in scheduling quarterly peer-to-peer observations/ lesson studies.

Person Responsible

[no one identified]

#2. Instructional Practice specifically relating to Math

| Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed. | Based on 21-22 FSA results, only 29% of scholars school-wide were proficient. We reviewed the number/percentage of scholars enrolled in our school 22-23, 33% of those scholars proficient and another 11% are currently a level 2.2, we expect to move these scholars to proficient by the end of the 22-23 school year. Based on the 21022 FSA results, 33% of all scholars and 38% of bottom quartile scholars made a learning in mathematics. |
|---|--|
| Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome. | Our current level of performance is 29% of our students are proficient on the 2022 FSA Mathematics. We expect our performance level to increase to 40% of our students meeting proficiency by Spring 2023 Progress Monitoring assessment(F.A.S.T.) Our current level of performance is 33% of all scholars and 38% of bottom quartile scholars made a learning gain in mathematics as measured by the FSA. We expect 50% of our scholars to make learning gains as measured by the Spring 2023 Progress Monitoring Assessment (F.A.S.T.). |
| Monitoring: Describe how this Area of Focus will be monitored for the desired outcome. | Data Chats Weekly assessments iXL Remediation based on assessment data Pacing Guides Teacher/School created Assessments/Unit Assessments Standards based comparative data discussed in PLCs Common Planning Performance Matters |
| Person responsible for monitoring outcome: | Jason Helbling (helblingj@pcsb.org) |
| Evidence-based Strategy: Describe the evidence- based strategy being implemented for this Area of Focus. | 1. Support staff to utilize data to organize students to interact with content in manner which differentiates/scaffolds instruction to meet the needs of each student. |
| Rationale for Evidence- based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy. | If teachers use formative, standards-based assessment data to guide their instructional planning, implementation, and remediation, then the instruction will be aligned to the depth and rigor of the standard and differentiated to specific scholar needs. |

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. All teachers will conduct standards-based Weekly/Bi-weekly assessments, review the scholar achievement data at a deeper level and utilize data to provide timely, focused feedback to scholars and plan future differentiated classroom instruction.

2. Teachers utilize systematic documents to effectively plan for mathematics units that incorporate the standards for mathematical practice and rigorous performance tasks aligned to mathematics Florida

standards.

3. Teachers utilize mathematics unit assessments and use the assessments during unit planning and analyze the data by standard for their class and across the grade level.

4. All teachers will meet weekly in common PLCs to create/ implement standards-based lesson plans that incorporate cognitively complex tasks (Level 3+) and tasks aligned to the target, using AVID WICORT strategies.

5. Administrators monitor teacher practice/provide teachers comments to support professional enhancement and growth.

6. Develop common assessment practices and reinforce these common practices

Person Responsible

Jason Helbling (helblingj@pcsb.org)

#3. Instructional Practice specifically relating to Science

| Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed. | Based on 21-22 FSA results, 24% of 8th grade scholars school-wide were proficient on the SSA-Science Assessment. We reviewed the number/percentage of incoming 8th grade scholars enrolled in our school 22-23, 23% of them are proficient in literacy and 31% of them are proficient in math, additionally, there are 11% of scholars that are currently a level 2.2 in literacy or math, we expect to move these scholars to proficient by the end of the 22-23 school year. |
|---|--|
| Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome. | Our current level of performance is 24% of our 8th grade scholars are proficient on the 2022 SSA Science. We expect our performance level to increase to 38% of our students meeting proficiency by Spring 2023 Progress Monitoring assessment(F.A.S.T.)/SSA-Science Assessment. |
| Monitoring: Describe how this Area of Focus will be monitored for the desired outcome. | The science team will use equity centered PLCs to design, analyze, implement, and monitor student data to create and differentiate inquiry-based instruction using AVID and CRT strategies. Additionally, the team will focus on developing formative and summative assessments to track and review student progress to standards mastery. |
| Person responsible for monitoring outcome: | Jeremy Porter (porterje@pcsb.org) |
| Evidence-based Strategy: Describe the evidence-based strategy being implemented for | Strategy 1-Teachers will provide extensive inquiry based instruction which includes opportunities for students to think scientifically through research, content exploration, and writing opportunities (claims and evidence). Strategy 2-Science teachers will utilize data to differentiate and scaffold instruction |
| this Area of Focus. Rationale for Evidence-based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy. | to increase student performance. If teachers use formative, standards-based assessment data to guide their instructional planning, implementation, and remediation, then the instruction will be aligned to the depth and rigor of the standard and differentiated to specific scholar needs. |
| Action Steps to Imple | ement at will be taken as part of this strategy to address the Area of Focus. Identify the |

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Strategy 1

1. Teachers will utilize common lab formats and rubrics

2. Teachers use common short and extended performance-based tasks for assessment of student mastery

of content.

3. Science teachers utilize the parallel teaching approach teaching Nature of Science in context with Content.

4. Science teachers provide students with opportunities to write lab summaries during inquiry-based science

projects.

5. Teachers provide students the opportunity to make a claim, test it and defend their results with evidence

using WICORT strategies in their writing.

6. Using Project Based Learning, teachers will help students make real world content connections to make content meaningful.

7. All teachers will meet weekly in common planning PLCs, review scholar responses to tasks and formative

assessments, and utilize systemic documents (adopted curriculum, pacing guides, CRT planning resources, etc.) to create standards-based lesson plans with modeled responses that incorporate cognitively complex tasks (Level 3+) aligned targets.

8. Teachers monitor and provide feedback to scholars

Person Responsible Jeremy Porter (porterje@pcsb.org)

Strategy 2

1. Teachers will regularly incorporate checks for understanding (formative assessments) in each phase of 5E instruction and use the data to gauge scholar mastery of the content.

2. All Teachers will meet weekly in equity-centered common planning Professional Learning Communities (PLCs), inclusive of 'data chats', to review scholars' responses to tasks and formative assessments and plan for instructional lessons, following the 5E model, that include text-dependent questions, close and critical reading and skill/strategy-based groups to implement during core instruction to support success with complex texts.

3. Teachers will meet to collaboratively create and implement common bi-weekly differentiated instructional

plans that include, standards, goals, targets, text dependent questions, close and critical reading, checks for understanding, and complex tasks/texts based on student performance data.

4. Administrator will conduct regular classroom visits to monitor teacher instructional practice

Person Responsible Jeremy Porter (porterje@pcsb.org)

#4. Instructional Practice specifically relating to Social Studies

| Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed. | Based on 21-22 Civics EOC results, 31% of scholars school-wide were proficient. We reviewed the number/percentage of 7th and 8th scholars enrolled in our school 22-23 that will be placed in a Civics course, of these scholars we expect 62% of them to be proficient on the Civics EOC by the end of the 22-23 school year. |
|---|--|
| Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome. | Our current level of performance is 31% of our 7th & 8th grade scholars are proficient on the 2022 Civics EOC. We expect our performance level to increase to 62% of our scholars meeting proficiency by Spring 2023 Progress Monitoring assessment(F.A.S.T.)/Civics EOC. |
| Monitoring: Describe how this Area of Focus will be monitored for the desired outcome. | Teachers will implement in their classrooms the use of formative assessments, DBQs, and will consistently analyze student responses and other data points within their instructional practices. As a department, each teacher will analyze their cycle data to drive their instructional decisions. Tyrone Middle School will also utilize district designed unit assessments to monitor for desired outcomes throughout the year. Additionally, teachers will actively engage in weekly equity-centered PLC meetings to collaborate and analyze their data throughout the school year. |
| Person responsible for monitoring outcome: | Jeremy Porter (porterje@pcsb.org) |
| Evidence-based Strategy: Describe the evidence- based strategy being implemented for this Area of Focus. | Strategy 1-Support staff to effectively utilize diagnostic, cycle, and unit assessment data to guide the planning for instructional decisions that organize scholars to interact with content in manners which differentiates/ scaffolds instruction to meet the needs of each scholar. |
| | Strategy 2-Strengthen staff ability to engage scholars in complex tasks. |
| Rationale for Evidence- based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for | If teachers use formative, standards-based assessment data to guide their instructional planning, implementation, and remediation, then the instruction will be aligned to the depth and rigor of the standard and differentiated to specific scholar needs. |

Action Steps to Implement

selecting this strategy.

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Strategy 1

 All teachers will meet weekly in equity-centered common planning PLCs, review scholar response to tasks and formative assessments, and utilize systemic documents (adopted curriculum, pacing guides, planning tools, culturally relevant teaching resources, DBQs, etc.) to create standards-based lesson plans with modeled responses that incorporate cognitively complex tasks (Level 3+) aligned to the target.
 All teachers will implement Culturally Relevant Teaching Strategies & AVID WICORT Strategies (Focused Note Taking & Collaborative Study Groups) routinely in lesson planning and implementation.
 Teachers will use inquiry based culturally responsive strategies to increase rigor in all classes.

4. Teachers monitor and provide feedback to scholars to support learning.

Person Responsible

Jeremy Porter (porterje@pcsb.org)

Strategy 2

1. Ensure all social studies teachers attend district provided PD to support growth and development of instructional practices (facilitated planning, democratic classrooms, purposeful instructional technology and the social justice standards).

2. Ensure teachers receive professional development around how to create and structure short response, text-dependent questions based on primary source documents.

3. Utilize supplemental resources and integrate LAFS for Literacy to social studies content via Document Based Questions (DBQs) project materials and collaboration between the reading and social studies departments.

4. Teachers will collaboratively create and implement common bi-weekly instructional plans quarterly that include, standards, goals, targets, text dependent questions, close and critical reading, checks for understanding, and skills/strategy-based groups to support success with complex tasks/texts.

5. Administrator will conduct regular classroom visits to monitor teacher instructional practice, strategy implementation, and provide feedback to teachers to support teacher growth.

6. Teachers monitor and provide feedback to scholars to support learning.

Person Responsible Jeremy Porter (porterje@pcsb.org)

#5. ESSA Subgroup specifically relating to Students with Disabilities

| Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed. | Our current level of performance of SWD is 7% proficient and in ELA and 8% proficient in math as evidenced in the 2021/2022 Florida Standards Assessment. |
|---|--|
| Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome. | The percent of SWD achieving proficiency in math will increase from 8% to 15% by the end of the school year as measured by the FAST assessment. The percent of SWD achieving proficiency in ELA will increase from 7% to 15% by the end of the school year as measured by the FAST assessment. |
| Monitoring: Describe how this Area of Focus will be monitored for the desired outcome. | We will monitor the learning of ESE scholars by regularly reviewing assessment data and frequent classroom walkthroughs. |
| Person responsible for monitoring outcome: | Miranda Scibbe (scibbem@pcsb.org) |
| Evidence-based Strategy: Describe the evidence- based strategy being implemented for this Area of Focus. | Students requiring ESE services work towards mastery of meaningful Individualized Education Plan (IEP) goals while learning the foundational skills they need to engage in rigorous, grade-level content in the Least Restrictive Environment (LRE). |
| Rationale for Evidence- based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy. | If teachers and scholars are educated and using IEP plans to drive their instructional planning, implementation, and remediation, then the instruction will be standards-based to the depth and rigor of the standard while still aligned to specific scholar needs. |
| Action Steps to Implement List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step. | |

-Implement a process for placing students requiring ESE services in master schedules first in order to optimize service delivery and focused on a clustering process to meet student needs.

-Provide opportunities for ESE and general education teachers to co-plan for differentiated instruction and support delivery of services.

-ESE will provide additional professional development to full faculty on implementation of accommodations and to team teaching partners on collaborative planning and high leverage strategies.

-Special education teachers will develop quality IEPs that include specific specially designed instruction to meet individual scholar need

-Use evidence-based practices for students with disabilities to teach foundational literacy and math skills as a pathway to grade level work.

Person Responsible Miranda Scibbe (scibbem@pcsb.org)

#6. ESSA Subgroup specifically relating to Multi-Racial

| • • • • | |
|---|--|
| Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed. | Our current level of performance is 21% are proficient in ELA and 17% in Math are proficient as evidence in the 2021-2022 FSA. |
| Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome. | The number of teachers utilizing culturally relevant teaching practices effectively and consistently and the change in rate of observable culturally relevant teaching practices as observed in classroom visits. |
| Monitoring: Describe how this Area of Focus will be monitored for the desired outcome. | Classroom visits and walkthroughs Monitoring of teacher gradebooks. Lesson plan review. |
| Person responsible for monitoring outcome: | [no one identified] |
| Evidence-based Strategy: Describe the evidence-based strategy being implemented for this Area of Focus. | Strengthen Equitable Practices (Culturally Relevant Teaching, Equitable Grading and Restorative Practices) |
| Rationale for Evidence-based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy. | To ensure the academic, behavioral and emotional needs of each scholar is known and met. |
| Action Steps to Implement | |

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

-Develop a process to gain a better understanding of who our learners are (cultural perspectives that influence how they engage, access and express learning).

-Ensure that all scholars who show potential to succeed in an advance level course are scheduled into an appropriate course and provided supports.

-All teachers will complete Culturally Relevant Teaching and Equitable Grading Practices Professional Professional Learning

-All teachers will implement Culturally Relevant Teaching Strategies routinely in lesson planning and implementation.

-Ensure staff has access to real-time data for scholars in order to have effective data chats and targeted support for improved learning.

-Facilitate Equity Centered PLCs in all subject areas. Dissagrreate common standards based assessments, identify gaps and utilize PLC protocols that promote more robust data discussions around race.

-Administrator will conduct regular classroom visits to monitor teacher instructional practice and observe lessons to monitor equitable practices (Culturally Relevant and restorative practice) strategy

Person Responsible

[no one identified]

#7. ESSA Subgroup specifically relating to Economically Disadvantaged

| #1. LOOA Oubgroup specifically rela | ing to Loonomically Distartantagoa | |
|--|---|--|
| Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed. | Our current level of performance is 33% are proficient in ELA (41% made learning gains, 37% L25 made learning gains) and 30% in Math are proficient (36% made learning gains, 37% L25 made learning gains), as evidenced in 2018-2019 FSA. We expect our performance level to be 40% for ELA proficiency and 75% for Learning Gains and 40% for Math proficiency and 75% for Learning Gains by end of the school year . The problem/gap is occurring because there needs to be a focus on targeted scholars for progress. | |
| Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome. | The percent of black scholars who are proficient in ELA and Math will increase from 20% in ELA and 17% in Math to 30% for both ELA and Math, as measured by FSA ELA or Math. The percent of black scholars who will make learning gains will increase from 36% in ELA and 29% in Math to 75% in both ELA and Math. | |
| Monitoring: Describe how this Area of Focus will be monitored for the desired outcome. Person responsible for monitoring | | |
| outcome: | Jason Helbling (helblingj@pcsb.org) | |
| Evidence-based Strategy: Describe the evidence-based strategy being implemented for this Area of Focus. | Strengthen Equitable Practices (Culturally Relevant Teaching, Equitable Grading and Restorative Practices) | |
| Rationale for Evidence-based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy. | To ensure the academic, behavioral and emotional needs of each scholar is known and met. | |
| Action Steps to Implement List the action steps that will be taken a person responsible for monitoring each | as part of this strategy to address the Area of Focus. Identify the step. | |
| Develop a process to gain a better understanding of who our learners are (cultural perspectives that influence how they engage, access and express learning). -Develop a process to gain a better understanding of who our families are (cultural perspectives that influence how they can support their learners). -Ensure that all scholars who show potential to succeed in an advance level course are scheduled into an appropriate course and provided supports. -All teachers will complete Culturally Relevant Teaching and Equitable Grading Practices Professional Professional Learning -All teachers will implement Culturally Relevant Teaching Strategies routinely in lesson planning and implementation. -Ensure staff has access to real-time data for scholars in order to have effective data chats and targeted support for improved learning. Facilitate Equity Centered PLCs in all subject areas. Dissagrreate common standards based | | |

assessments, identify gaps and utilize PLC protocols that promote more robust data discussions around race.

Person Responsible

Jason Helbling (helblingj@pcsb.org)

RAISE

The RAISE program established criteria for identifying schools for additional support. The criteria for the 2022-23 school year includes schools with students in grades Kindergarten through fifth, where 50 percent or more of its students, for any grade level, score below a level 3 on the most recent statewide English Language Arts (ELA) assessment.

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

Grades 3-5: Instructional Practice specifically relating to Reading/ELA

Measurable Outcomes:

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K-3, using the new coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment.
- Each grade 3-5 where 50 percent or more of its students scored below a level 3 on the most recent statewide, standardized ELA assessment and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2: Measureable Outcome(s)

Grades 3-5: Measureable Outcome(s)

Monitoring:

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will take place with evaluating impact at the end of the year.

Person responsible for monitoring outcome:

Select the person responsible for monitoring this outcome.

Evidence-based Practices/Programs:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidencebased Reading Plan?
- · Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

Rationale for Evidence-based Practices/Programs:

Explain the rationale for selecting the specific practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- · Do the evidence-based practices/programs address the identified need?
- Do the identified practices/programs show proven record of effectiveness for the target population?

Action Steps to Implement:

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step

Person Responsible for Monitoring

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

Identify the stakeholders and their role in promoting a positive school culture and environment.
