School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at https://www.floridaCIMS.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

To provide an equitable education and safe environment that supports and empowers our students, families, and community.

Provide the school's vision statement.

We support the District's vision of Preparing Students for Life, and are working to ensure that our students leave our school equipped with the tools they need to graduate on time. With that in mind, we have developed the following Vision for our school:

Building our CommUNITY

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

| Name | Position Title | Job Duties and Responsibilities |
|---------------------|------------------------|---|
| Barber, Monica | Principal | Instructional Leader |
| Brascom, Satonya | Assistant Principal | Supports the vision of the principal and serves as an instructional leader. |
| King, Jesenia | Teacher, K-12 | SAC Chair |

Demographic Information

Principal start date

Friday 7/29/2022, Monica Barber

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

1

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

8

Total number of teacher positions allocated to the school

24

Total number of students enrolled at the school

352

Identify the number of instructional staff who left the school during the 2021-22 school year.

1

Identify the number of instructional staff who joined the school during the 2022-23 school year.

Demographic Data

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

| Indicator | Grade Level | | | | | | | | | | | | | Total |
|--|-------------|----|----|----|----|----|---|---|---|---|----|----|----|-------|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | TOtal |
| Number of students enrolled | 26 | 51 | 54 | 56 | 44 | 49 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 280 |
| Attendance below 90 percent | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Course failure in ELA | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Level 1 on 2022 statewide FSA ELA assessment | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Level 1 on 2022 statewide FSA Math assessment | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Number of students with a substantial reading deficiency | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

| Indicator | Grade Level | | | | | | | | | | | | | |
|--------------------------------------|-------------|---|---|---|---|---|---|---|---|---|----|----|----|-------|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Total |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

Using current year data, complete the table below with the number of students identified as being "retained.":

| Indicator | Grade Level | | | | | | | | | | | | | | |
|-------------------------------------|-------------|---|---|----|---|---|---|---|---|---|----|----|----|-------|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Total | |
| Retained Students: Current Year | 1 | 9 | 0 | 10 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 20 | |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | |

Date this data was collected or last updated

Friday 7/29/2022

The number of students by grade level that exhibit each early warning indicator:

| Indicator | Grade Level | | | | | | | | | | | | | |

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

The amount of ELL and Black students who are proficient.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

Our 5th grade reading Achievement Points had the lowest performance.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

The amount of students who are reading with proficiency through implementations of consistent instructional strategies beginning in Kindergarten.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Our ELA learning gains improved the most with our 4th graders.

What were the contributing factors to this improvement? What new actions did your school take in this area?

We had an emphasis on small group professional development and we were able to hire highly effective teachers.

What strategies will need to be implemented in order to accelerate learning?

In order to facilitate acceleration we will provide ongoing feedback on academic ownership for the our students to acquire grade level standards and data driven conversations.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

We will provide differentiating professional development, follow-up on professional development, provide trainings to paraprofessionals to be dual useful as well as allocating more time to planning.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

We will create procedures to conduct fidelity checks, create surveys to evaluate the effectiveness of our professional development, and monitor student progress towards grade level standards.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

Last Modified: 5/3/2024 https://www.floridacims.org Page 13 of 19

#1. Instructional Practice specifically relating to Instructional Coaching/Professional Learning

Area of Focus
Description and
Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Teachers focused on students' well-being needs (electricity/food/water) and provided standard review sessions (worksheets of previously taught materials) due to shortage of computers and internet; which lacked teacher created questions on new grade-level appropriate content and led to teacher-led discourses instead of student-led.

Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

100% of teachers will participate in discussions and coaching cycles targeted to increase student discourse within the 2022-2023 school year.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Follow-up data will be collected monthly to progress monitor implementation of coaching, remediation groups, and acceleration groups. Administration will attend monthly Professional Learning Communities to discuss students' learning gains from implementation of the strategies. Administration will review evaluation data to measure effectiveness of strategy implementation.

Person responsible for monitoring outcome:

Monica Barber (monica.barber@hcps.net)

Evidence-based

Strategy:

Describe the evidencebased strategy being implemented for this Area of Focus. Accountable Talk Professional Development Observe Me Professional Development Collaborative Planning Sessions

Five Practice for Orchestrating Productive Mathematics Discussion Teacher-Coach Analysis of scripted lessons

Rationale for Evidencebased Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Student discussion leads to deeper understanding and learning.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Hire a Reading Coach. The Reading Coach will focus on coaching, side-by-side coaching, modeling, and lesson planning focused on planning effective questions that address grade-level questions with teachers in grades k-5. The coaching and modeling will occur weekly under the supervision of the school principal. The side-by-side coaching will occur once a month under the supervision of the principal. The Reading Coach will meet weekly with teachers in grades K-5 to plan effective lessons to meet the needs of students in grades K-5. The Reading Coach will meet with teachers once a month to discuss student work towards meeting the targeted grade level appropriate standard. Follow-up data will be collected monthly to progress monitor implementation of coaching.

Person Responsible Satonya Brascom (satonya.brascom@sdhc.k12.fl.us)

Hire a Math Resource. The Math Resource will focus on coaching, side-by-side coaching, modeling, and lesson planning effective questions that address grade-level questions with teachers in grades k-5. The coaching and modeling will occur weekly under the supervision of the school principal. The side-by-side coaching will occur once a month under the supervision of the principal. The Math Resource will meet weekly with teachers in grades K-5 to plan effective lessons to mee the needs of students in grades K-5. The Math Resource will meet with teachers once a month to discuss student work towards meeting the targeted grade level appropriate standard. Follow-up data will be collected monthly to progress monitor implementation of coaching.

Person Responsible Satonya Brascom (satonya.brascom@sdhc.k12.fl.us)

Hire a Reading Resource. The Reading Resource will focus on pulling small groups of students in grades 3-5 that fall in our Black and ELL ESSA categories for extra remediation or passed third grade via Portfolio using Scholastic Edge, LLI, Reflex Math, and/or Reading Blast-Off. The remediation instruction will focus on all content areas and progress monitoring. The Reading Resource will assist the Reading Coach with modeling and side-by-side coaching with teachers in grades 3-5. The modeling will occur weekly under the supervision of the school principal. The side-by-side coaching will occur once a month under the supervision of the principal. The Reading Resource will meet with teachers once a month to discuss student work towards meeting the targeted grade level appropriate standard. Follow-up data will be collected monthly to progress monitor implementation of remediation small groups.

Person Responsible Satonya Brascom (satonya.brascom@sdhc.k12.fl.us)

Hire a paraprofessional. The paraprofessional will focus on pulling small groups of students (K-5) that have been identified as one or more years behind in reading or math using Scholastic Edge, LLI, Reading Blast-Off, and/or Reflex Math. The instruction will focus on remediation in all content areas and progress monitoring. The instructional will occur weekly under the supervision of the school principal. Follow-up data will be collected monthly to progress monitor implementation of remediation small groups.

Person Responsible Satonya Brascom (satonya.brascom@sdhc.k12.fl.us)

Teachers will participate in a job embedded professional development monthly entitled, "Observe Me". Teachers will provide feedback to their colleagues based on targeted strategies. All debriefs will be held immediately after school. Teachers will participate in a follow-up observation approximately one month later. Administration will do walkthroughs to ensure strategies are used effectively. Administration will send monthly surveys to teachers asking for feedback in regard to effectiveness and next steps. Also, administration will review evaluation data to measure effectiveness of strategy implementation.

Person Responsible Monica Barber (monica.barber@hcps.net)

Teachers will participate in a book study using the text "Unlocking English Language Learners". Teachers will identify a few strategies from the text and use the strategies to develop our preplanning activities to improve our multilingual learning instructional practices. Administration will attend and teacher leaders will lead the professional development throughout the school year. Administration will do walkthroughs to ensure strategies are used effectively. Administration will attend monthly Professional Learning Communities to discuss students' learning gains from implementation of the strategies.

Person Responsible Monica Barber (monica.barber@hcps.net)

Teachers will participate in a book study using the text "Number, Sense Routines". Teachers will identify a few strategies from the text and use the strategies to develop our preplanning activities to increase instructional strategies with student discourse. Administration will attend and our leadership team will lead the professional development throughout the school year. Administration will do walkthroughs to ensure strategies are used effectively. Administration will attend monthly Professional Learning Communities to discuss students' learning gains from implementation of the strategies

Person Responsible Monica Barber (monica.barber@hcps.net)

Teachers will participate in a job embedded professional development during pre-planning to build their writing instructional practices. Administration will attend and our leadership team will develop the

professional development during the summer and lead the professional development throughout the school year.

Person Responsible [no one identified]

#2. ESSA Subgroup specifically relating to Black/African-American

Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed.

Our Black Students were below the ESSA subgroup norm of 41%.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome. We will identify our Black Students and provide them with additional small group instruction to support their learning and raise our ESSA goal to above the 41% norm.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Administration will conduct walkthroughs to ensure our small group instruction is taking place.

Person responsible for monitoring outcome:

[no one identified]

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Teachers will use evidence-based instructional practices to provide additional support with comprehension of grade appropriate standards.

Rationale for Evidence-based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/ criteria used for selecting this strategy.

Our students thrive from effective instructional strategies provided by teachers on a consistent basis.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

RAISE

The RAISE program established criteria for identifying schools for additional support. The criteria for the 2022-23 school year includes schools with students in grades Kindergarten through fifth, where 50 percent or more of its students, for any grade level, score below a level 3 on the most recent statewide English Language Arts (ELA) assessment.

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment.
 Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

Students will deepen their understanding of reading strategies through productive dialogue in small groups using high quality instruction aligned to standards.

Grades 3-5: Instructional Practice specifically relating to Reading/ELA

Students will deepen their understanding of reading strategies through productive dialogue in small groups using high quality instruction aligned to standards.

Measurable Outcomes:

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K-3, using the new coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment.
- Each grade 3-5 where 50 percent or more of its students scored below a level 3 on the most recent statewide, standardized ELA assessment and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2: Measureable Outcome(s)

50% of our students will score proficient on our FASST assessment.

Grades 3-5: Measureable Outcome(s)

50% of our students will score proficient on our FASST assessment.

Monitoring:

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will take place with evaluating impact at the end of the year.

Administration will conduct walkthroughs to ensure our students are grasping the strategies being presented during small group instruction.

Person responsible for monitoring outcome:

Select the person responsible for monitoring this outcome.

Barber, Monica, monica.barber@hcps.net

Evidence-based Practices/Programs:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidencebased Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

Our evidence-based practices align with our district's K-12 Comprehensive Evidence-based Reading Plan and ELA Standards.

Rationale for Evidence-based Practices/Programs:

Explain the rationale for selecting the specific practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified practices/programs show proven record of effectiveness for the target population?

Yes, our evidence-based practices address the need of all our students in the subject area of reading.

Action Steps to Implement:

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

| Action Step | Person Responsible for Monitoring |
|-------------|--------------------------------------|
|-------------|--------------------------------------|

We will incorporate Literacy Coaching and Professional Learning on a weekly basis to support the pedagogy knowledge of our instructional staff.

Brascom, Satonya, satonya.brascom@sdhc.k12.fl.us

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

50% of our caregivers will attend events or provide designed to center their voices. 90% of caregiver conferences will empower the caregiver as the individual who knows their child the most and will shift the balance of power to the caregiver. 100% of the teachers will teach using strategies that empower students and make space for them to direct the curriculum and learning experiences.

Identify the stakeholders and their role in promoting a positive school culture and environment.

Administration: Monica Barber & Satonya Brascom

SEL Lead Team: Sharon Bennett, Sarah Wooten, Yuri Mota Rodriguez, & Kelly Von Euw
