School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

To inspire our students through the building of a strong, safe academic community that supports each learner in developing his or her unique voice and goals.

Provide the school's vision statement.

Preparing students for life.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

| Name | Position Title | Job Duties and Responsibilities |
|-------------------|---------------------------|---------------------------------|
| Stephenson, Kevin | Principal | Principal |
| Smith, Matthew | Assistant Principal | Curriculum and Testing |
| Duncan, Thomas | Assistant Principal | Administration and athletics |
| McCray, Antonyia | Parent Engagement Liaison | SAC Chair |
| Lamour, Jenna | Assistant Principal | |
| Grimm, Debbie | SAC Member | |
| Reale, Lisa | Instructional Coach | ELA Coach |
| Bell, Marvin | Assistant Principal | APSA |
| Siudut, Keri | Teacher, K-12 | Reading Teacher |

Demographic Information

Principal start date

Wednesday 7/1/2015, Kevin Stephenson

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

29

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

25

Total number of teacher positions allocated to the school

91

Total number of students enrolled at the school

1,836

Identify the number of instructional staff who left the school during the 2021-22 school year.

7

Identify the number of instructional staff who joined the school during the 2022-23 school year.

7

Demographic Data

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

| Indicator | | | Grade Level | | | | | | | | | | | | | |
|--|---|---|-------------|---|---|---|---|---|---|-----|-----|-----|-----|-------|--|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Total | | |
| Number of students enrolled | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 522 | 471 | 433 | 410 | 1836 | | |
| Attendance below 90 percent | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 162 | 217 | 156 | 131 | 666 | | |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 14 | 10 | 8 | 7 | 39 | | |
| Course failure in ELA | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 1 | 104 | 1 | 106 | | |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 3 | 126 | 70 | 1 | 200 | | |
| Level 1 on 2022 statewide FSA ELA assessment | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 151 | 153 | 0 | 0 | 304 | | |
| Level 1 on 2022 statewide FSA Math assessment | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 56 | 154 | 0 | 0 | 210 | | |
| Number of students with a substantial reading deficiency | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 35 | 24 | 0 | 0 | 59 | | |

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

| Indicator | | | | | | (| Gra | de | Lev | vel | | | | Total |
|--------------------------------------|---|---|---|---|---|---|-----|----|-----|-----|----|-----|-----|-------|
| Indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | rotai |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 76 | 86 | 129 | 108 | 399 |

Using current year data, complete the table below with the number of students identified as being "retained.":

| Indicator | | Grade Level | | | | | | | | | | | | | | |
|-------------------------------------|---|-------------|---|---|---|---|---|---|---|----|----|----|----|-------|--|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Total | | |
| Retained Students: Current Year | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 15 | 0 | 2 | 0 | 17 | | |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | | |

Date this data was collected or last updated

Friday 8/26/2022

The number of students by grade level that exhibit each early warning indicator:

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

We had an overall increase in performance from the prior year. The largest 1 year gain in points. The only group that did not show an increase in performance were 9th and 10th ELA. We continue to see ELL and ESE student under performing.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

9th and 10th grade ELA

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

This was the first year back from COVID/e-learning.

We had a 9th English and a Reading vacancy to start the school year.

Level 2 readers were not scheduled for reading classes. They received support through ELA and subject area classes (World Culture Geography, World History, Environmental Science, Biology)

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Math had the larges gains Biology also showed strong gains

What were the contributing factors to this improvement? What new actions did your school take in this area?

The math and Bio PLC's were focused all year on student assessment data. The teachers used student data to adjust teaching. Common assessments were used to identify areas that needed reteaching. This content was incorporated in current lesson. Teachers also focused on student centered lessons and strategies such as Rally Coach and interactive labs.

What strategies will need to be implemented in order to accelerate learning?

PLC - focus on planning for engaging lessons, common assessments and pacing. Teachers will unpack the standards in the PLC meetings to ensure lessons are on level with the rigger of the standard.

Teachers will also focus on differentiation of lessons to meet the needs of students based on assessment and accommodation needs.

Assessment data will be used to target students who need additional support. This will happen through ELP, push in support, and pull out support.

Students needing additional support will also be invited to Saturday School

School wide focus on literacy strategies.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Our on site coaches will develop PD based on teacher needs. During pre-planning, we will assess teacher PD needs through a survey.

We have purchased 300 hours of paid PD for teacher through Title 1. Teachers will opportunities to complete coaching cycles with our on campus coaches and get paid.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

We will continue to fund on campus coaches through Title 1 to provide on-site support.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed.

Student performance on the ELA state assessment indicated there is a critical need to focus on language skills. These skills should be taught and reinforced in all classes, not just English classes.

Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Our goal is to increase student proficiency on the ELA state assessment by 10%

Monitoring: Describe how this Area of

Focus will be monitored for the desired outcome.

Students will take mandatory baseline and mid year assessments to check proficiency during the school year. Ninth and 10th grade ELA classes will uses additional common assessments. All assessments will be used to monitor progression, identify students for additional learning opportunities, and assess lesson effectiveness.

Person responsible for monitoring outcome:

Matthew Smith (matthew.smith@hcps.net)

Evidence-based Strategy: Describe the evidencebased strategy being implemented for this Area of Focus.

All teachers will focus on EE1.1 – Cite evidence to explain and justify reasoning. This can be applied to all subjects.

Rationale for Evidence-based Strategy: EE 1.1 is a founda Students can practise strategy. Describe the resources/criteria used for selecting this strategy.

EE 1.1 is a founda Students can practice work, political carte classes each day, state assessment.

EE 1.1 is a foundational strategy that can be practiced in all subjects. Students can practice using evidence to support answers for any topic - art work, political cartoons, math problem, etc... This skill, if practiced in all classes each day, should result in students increased ability to do this on a state assessment.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

On site PD will provide teachers with specific strategies to support EE 1.1. Teachers can complete a coaching cycle to earn in service point. We also have PD pay available through Title 1.

Additional PD will be offered focusing on differentiation for the ELL and ESE students to address under performing sub groups.

Person Responsible Lisa Reale (lisa.reale@hcps.net)

Walk through observations will focus on looking for evidence of EE 1.1 in action. The school leadership team will complete the walkthrough with a goal of every teacher receiving feedback each month.

Person Responsible Kevin Stephenson (kevin.stephenson@hcps.net)

Teacher will display posters supporting EE 1.1

Posters will be created by ELA team focused on strategies and skills

Person Responsible Lisa Reale (lisa.reale@hcps.net)

#2. Instructional Practice specifically relating to Student Engagement

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

During pre-planning, teachers identified planning as the key to creating successful engaging lessons. Teachers also identified engaging lessons as the key to learning gains across all subjects.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Teachers will us engaging lesson plans to improve learning gains in each of the rated performance area:

ELA - increase at least 10% Math - increase at least 3% Biology - increase at least 5% US History - increase at least 8%

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Each PLC leader will complete a PLC Collaborative Protocol which includes attendance.

This will be submitted to the principal each month. A member of the leadership team will also attend core PLC meetings each month to support.

Person responsible for monitoring outcome:

Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.

Kevin Stephenson (kevin.stephenson@hcps.net)

In PLC meetings, teacher will develop common assessments, analyze student performance on common assessment and district assessments, planning engaging lessons that are standards based, share lesson plans with group members.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Planning is the core of all instruction.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Each teacher will participate in at least one PLC each month

Person Responsible

Kevin Stephenson (kevin.stephenson@hcps.net)

PLC Leaders will meet as a group prior to the PLC meetings to discuss plans for their meeting. This will also be a time to get support from other PLC Leads.

Person Responsible

Kevin Stephenson (kevin.stephenson@hcps.net)

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

We have several positive recognition initiatives including:
Patriot of the week - teachers nominate students each week to receive rewards
No Tardy Party on Fridays
Quarterly Honor Roll celebrations
Faculty Patriot of the Month
Student Nutrition employee of the month
Bus Driver appreciation events
Monthly Teacher events

Identify the stakeholders and their role in promoting a positive school culture and environment.

PTSA supports the Patriot of the Month and No Tardy Party Teachers nominate students for recognition each week.

All staff can nominate employees for the Patriot of the Month Parents - purchase student incentive items through Amazon Wish List.
