Demographics

Principal: Krissy Perkins

Start Date for this Principal: 12/4/2017

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2021-22 Title I School	Yes
2021-22 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2021-22 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Black/African American Students* Hispanic Students White Students Economically Disadvantaged Students
School Grades History	2021-22: C (46%) 2018-19: C (49%) 2017-18: C (51%)
2019-20 School Improvement (SI) Information*	
SI Region	Central
Regional Executive Director	Lucinda Thompson
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	ATSI
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan is pending approval by the Hillsborough County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

District Mission: To provide an education and the supports which enable each student to excel as a successful and responsible citizen.

Trapnell Mission: To create successful learners by teaching students to be safe and responsible, be respectful, focus on learning, be a problem solver, and talk it out.

Provide the school's vision statement.

District Vision: Preparing students for life.

Trapnell Vision: Students first.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

Name	Position Title	Job Duties and Responsibilities
Perkins, Krissy	Principal	<p>Leadership team meetings can include the following:</p> <ul style="list-style-type: none"> Principal Assistant Principal / ELP Coordinator Guidance Counselor SAC Chairs School Psychologist/ Behavior team Representative School Social Worker/ Attendance Committee Representative Academic Coaches (Reading, Math, etc. and other specialists on an ad hoc basis) ESE teachers ELL team PLC Liaisons for each grade level and/or content area District support (including Area Superintendents, Support Specialist, District Coaches) <p>The Leadership team meets regularly (e.g., bi-weekly/monthly). The purpose of the core Leadership Team is to:</p> <ol style="list-style-type: none"> 1. Collaborate and problem solve to ensure the implementation of high quality instructional practices utilizing the RtI/MTSS process: at the core (Tier 1) and intervention/enrichment (Tiers 2/3) levels. 2. Support the implementation of high quality instructional practices at the core (Tier 1) and intervention/enrichment (Tiers 2/3) levels. 3. Review ongoing progress monitoring data at the core to ensure fidelity of instruction and attainment of SIP goal(s) in curricular, behavioral, and attendance domains. 4. Communicate school-wide data to PLCs and facilitate problem solving within the content/grade level teams. <p>A collaborative culture of shared responsibility is established through Leadership Team Meetings and PLCs.</p> <p>Research consistently bears out that the school leader is the most important element in teachers choosing to go to, and then remain at, a school site. To that end, HCPS works to ensure that principals are selected and placed with great care. HCPS works to develop strong leaders through the Hillsborough Principal Pipeline. As stated above,</p> <p>The Hillsborough Principal Pipeline offers unique and valuable opportunities for teachers to experience and prepare for a school leadership position by helping them gain the skills, experience and confidence that are crucial to becoming a high-performing leader. Pursuing school leadership provides the opportunity to make a direct impact on school culture and positively influence instructional quality, which will result in improved outcomes and higher long-term success rates for students in Hillsborough County.</p> <p>HCPS' vision for instructional improvement is to have a highly</p>

Name	Position Title	Job Duties and Responsibilities
		<p>effective teacher in every classroom and a highly effective principal in every school. This vision is founded in the research-based tenet that teacher quality has a larger impact on student achievement than any other schooling factor. Further research demonstrates the impact of a principal's leadership on outcomes for students and teachers. Over the past decade, HCPS has developed a Human Capital Management System (HCMS) to further the district's vision of instructional improvement. Several Teacher Interview Days and Recruitment Fairs occur throughout the summer months, under the oversight of Human Resources. All applicants must be pre-approved by the District to attend these events. Certified teachers with an Effective or Highly Effective performance evaluation, teaching in field, at our highest needs schools are eligible for salary differential. This program was established with the purpose of helping to create stability and equity in harder to staff schools, recruiting and retaining highly qualified instructional staff, increasing student achievement, and promoting a culture of ongoing professional development. Compensation is grounded in a performance-based salary structure that explicitly ties salary increases to sustained high-level performance, while career ladder positions, such as Instructional Mentors, are available to effective educators. The base teacher salary schedule is designed to provide substantial increases in compensation to teachers who have demonstrated positive student impact. Once hired, teacher induction and teacher retention are supported through fully-released instructional mentors assigned to every new educator for up to two years to increase effectiveness and decrease recidivism. Educator effectiveness ratings that differentiate educator quality are used to assist principals in determining teachers' transfer options and promotion into leadership positions. HCPS has linked PD opportunities to HR functions so that school-level and district-level trainings are developed and deployed in response to areas of need identified by educator evaluations. Training course completions can also be tracked by HR Partners to inform human capital decisions.</p>
Patino, Olga	Assistant Principal	<p>Leadership team meetings can include the following: Principal Assistant Principal / ELP Coordinator</p>

Name	Position Title	Job Duties and Responsibilities

Demographic Information

Principal start date

Monday 12/4/2017, Krissy Perkins

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

2

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

6

Total number of teacher positions allocated to the school

24

Total number of students enrolled at the school

488

Identify the number of instructional staff who left the school during the 2021-22 school year.

5

Identify the number of instructional staff who joined the school during the 2022-23 school year.

4

Demographic Data

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	69	79	75	81	84	85	0	0	0	0	0	0	0	473
Attendance below 90 percent	27	23	22	18	12	17	0	0	0	0	0	0	0	119
One or more suspensions	2	1	0	0	1	1	0	0	0	0	0	0	0	5
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on 2022 statewide FSA ELA assessment	0	0	0	28	42	29	0	0	0	0	0	0	0	99
Level 1 on 2022 statewide FSA Math assessment	0	0	0	18	29	17	0	0	0	0	0	0	0	64
Number of students with a substantial reading deficiency	0	0	0	0	0	0	0	0	0	0	0	0	0	

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students with two or more indicators	1	0	0	6	1	0	0	0	0	0	0	0	0	8

Using current year data, complete the table below with the number of students identified as being "retained.":

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	0	0	0	0

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Reading Proficiency and learning gains are low and have been over the years.
Math Proficiency and learning gains are acceptable.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

Reading Proficiency and learning gains for all students.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Systematic Phonics & vocabulary instruction is lacking in all grade levels. A consistent, schoolwide program needs to be used so that students experience an easier transition from one grade level to the next.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Math Learning Gains- from 33% to 65%.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Departmentalization in the intermediate grades, district support, focus on manipulatives for students.

What strategies will need to be implemented in order to accelerate learning?

Systematic, consistent phonics and vocabulary instruction in all ELA classrooms.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Online access to Really Great Reading lessons and PD, Reading Resource Teacher modeling and support with the phonics program, district support with vocabulary instruction.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Continuation of the use of Really Great Reading phonics and word study program; focus on student attendance; fidelity of program use.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. Instructional Practice specifically relating to ELA**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Systematic, consistent phonics & word study program use by all ELA teachers in grades K-5.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase the percentage of K-5 students scoring on or above grade level in Phonics according to the Spring iReady Reading Diagnostic from 67% to 75% by Spring 2023.

Increase the percentage of K-5 students scoring on or above grade level in Vocabulary according to the Spring iReady Reading Diagnostic from 39% to 50% by Spring 2023.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Admin walkthroughs monthly.
Team planning session observations monthly.
Lesson plans.

Person responsible for monitoring outcome:

Krissy Perkins (krissy.perkins@hcps.net)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Implementation of the Really Great Reading Phonics & Word Study Program in grades K-5.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Phonics Instruction has an effect size of .70 and Vocabulary Instruction has an effect size of .62 according to Hattie's meta-analysis.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Purchase & implement HD Word Really Great Reading kits for grade 2-5 ELA teachers to use in their classrooms as needed in order to address student phonics deficiencies.

Person Responsible

Krissy Perkins (krissy.perkins@hcps.net)

Purchase & implement the online subscriptions that accompany Blast, Countdown, and HD Word kits for ELA teachers in grades K-5.

Person Responsible

Krissy Perkins (krissy.perkins@hcps.net)

Purchase/order Scholastic News/Story Works subscriptions for Grades 1 and 3 to enhance their ability to teach words in context.

Person Responsible

Krissy Perkins (krissy.perkins@hcps.net)

Purchase and implement Scholastic Reading Counts for students in Grades 1-5 in order to motivate students to read independently, practicing their newly acquired phonics and word study skills.

Person Responsible

[no one identified]

Purchase a course for some ELA teachers to take regarding the Science of Reading to enhance their knowledge of the latest research concerning how students learn to read.

Person Responsible

Krissy Perkins (krissy.perkins@hcps.net)

Purchase & employ a Primary Reading Resource Teacher and an Intermediate Reading Resource Teacher to service students with reading gaps and to assist teachers in planning for reading instruction.

Person Responsible Krissy Perkins (krissy.perkins@hcps.net)

Purchase and implement the Heggerty Phonics/Phonemic Awareness program for ELA teachers in grades 1 and 2.

Person Responsible Krissy Perkins (krissy.perkins@hcps.net)

Purchase and implement a variety of classroom library books for ELA classrooms.

Person Responsible [no one identified]

Closely monitor our Black students as well as students with disabilities (our 2 lowest-performing subgroups) to ensure they receive appropriate academic support/intervention (and possibly behavioral/counseling support if there is a need) in order to make gains.

Person Responsible Krissy Perkins (krissy.perkins@hcps.net)

Closely monitor our Black students as well as students with disabilities (our 2 lowest-performing subgroups) to ensure they receive appropriate academic support/intervention (and possibly behavioral/counseling support if there is a need) in order to make gains.

Person Responsible Krissy Perkins (krissy.perkins@hcps.net)

#2. Instructional Practice specifically relating to Math**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Some students, especially ESE students, are struggling with basic math facts that inhibit their ability to learn more complicated math skills and content.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase the percentage of K-5 students scoring on or above grade level in Number Sense according to the Spring iReady Math Diagnostic from 57% to 70% by Spring 2023.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Admin walkthroughs monthly.
Team planning session observations monthly.
Lesson plans.

Person responsible for monitoring outcome:

Krissy Perkins (krissy.perkins@hcps.net)

Evidence-based Strategy: Describe the evidence-based strategy being implemented for this Area of Focus.

Implement hands-on learning such as Touch Math for ESE students in grades K-5 and the use of manipulatives for all students in K-5 as appropriate to master conceptual understanding and simple fact fluency programs, routines, and procedures daily so that students can master basic math facts.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Deliberate Practice has an effect size of .79 and Rehearsal and Memorization has an effect size of .73 according to Hattie's meta-analysis.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Purchase and implement Touch Math in the ESE department for any student, K-5, who would benefit from its use.

Person Responsible

Krissy Perkins (krissy.perkins@hcps.net)

Purchase and implement Touch Math kits for use by Math teachers in grades K-5 and for intensive intervention (including support for students with disabilities) as appropriate.

Person Responsible

Krissy Perkins (krissy.perkins@hcps.net)

Inventory and purchase math manipulatives and materials for K-5 math classrooms needed for instruction.

Person Responsible

Krissy Perkins (krissy.perkins@hcps.net)

RAISE

The RAISE program established criteria for identifying schools for additional support. The criteria for the 2022-23 school year includes schools with students in grades Kindergarten through fifth, where 50 percent or more of its students, for any grade level, score below a level 3 on the most recent statewide English Language Arts (ELA) assessment.

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

Implementation and use of Heggerty Phonemic Awareness Program and Really Great Reading Phonics/Word Study program.

Grades 3-5: Instructional Practice specifically relating to Reading/ELA

Implementation and use of Really Great Reading Phonics/Word Study program.

Measurable Outcomes:

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K-3, using the new coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment.
- Each grade 3-5 where 50 percent or more of its students scored below a level 3 on the most recent statewide, standardized ELA assessment and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2: Measureable Outcome(s)

Increase the percentage of K-5 students scoring on or above grade level in Phonics according to the Spring iReady Reading Diagnostic from 67% to 75% by Spring 2023.

Increase the percentage of K-5 students scoring on or above grade level in Vocabulary according to the Spring iReady Reading Diagnostic from 39% to 50% by Spring 2023.

Grades 3-5: Measureable Outcome(s)

The iReady Reading Projected Proficiency report from the Spring iReady Reading Diagnostic was 36%. Our actual percent proficient was 38%, which is very close. So, the Spring 2023 iReady Reading Diagnostic Projected Proficiency report will be at least 50%.

Monitoring:

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will take place with evaluating impact at the end of the year.

Monthly administrative walkthroughs with feedback.

Teacher data chats after the first and second diagnostic assessments to review Phonics/Vocab student progress.

Beginning of the Year chats to design ELA blocks to meet the needs of each classroom of students.

Person responsible for monitoring outcome:

Select the person responsible for monitoring this outcome.

Perkins, Krissy, krissy.perkins@hcps.net

Evidence-based Practices/Programs:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. Â§7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

Link to the research behind Really Great Reading Phonics Program:

https://www.reallygreatreading.com/sites/default/files/rgr_white_paper_decoding_strategies_for_success_2016.pdf

According to the research report, the program meets Florida's definition of evidence-based and is aligned with the K-12 Comprehensive Evidence-based Reading Plan and the B.E.S.T. ELA Standards.

Rationale for Evidence-based Practices/Programs:

Explain the rationale for selecting the specific practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified practices/programs show proven record of effectiveness for the target population?

The Really Great Reading Blast kits address students who have phonics deficits in Kindergarten Reading. The Really Great Reading Countdown kits address students who have phonics deficits in First/Second Grade Reading.

The Really Great Reading HD Word kits address students who have phonics/word study skill deficits in Second-Fifth Grade Reading.

We have previously used the kits in Kindergarten and First grade and have found success. For example, an average of 64% of our Kindergarten students and 61% of our First Grade students scored on grade level in Phonics on the Spring iReady Reading Diagnostic. They have been the only grade levels using the program to date.

For comparison, only 41% of our Second Grade students scored on grade level in Phonics on the Spring Diagnostic.

Action Steps to Implement:

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step	Person Responsible for Monitoring
Purchase and implement online subscriptions that accompany the Blast and Countdown kits for grade K & 1 classrooms.	Perkins, Krissy, krissy.perkins@hcps.net
Purchase and implement HD Word kits (and online subscriptions) for ELA classrooms in grades 2-5.	Perkins, Krissy, krissy.perkins@hcps.net
Primary and Intermediate Reading Resource Teachers will provide training and support for all ELA teachers utilizing the Really Great Reading Phonics program.	Patino, Olga, olga.patino@hcps.net

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

Below are a list of activities and events that will occur this school year. These activities and events are created, scheduled, and conducted in an effort to promote a positive school culture and environment.

- * PTO Spring Talent & Art Show: once per year, this event brings all of our students, staff, and community members together.
- * Parent Nights: Curriculum Nights, Chorus Programs, Book Fairs, etc. These events are open to all of our students and families and seek to promote academic achievement and parent/community involvement.
- * Great American Teach-In: The event opens the doors to community members and parents and encourages our students to consider various jobs and careers.
- * Clothes Closet: Occurs twice per year; through this event, we are able to offer parents and community members the opportunity to acquire life's necessities such as clothing and other household items they may need.
- * Parent Breakfast and Grandparents' Breakfast: twice during the year
- * Sanford Harmony SEL Program: components of this program are taught daily by K-5 teachers. The program addresses various social-emotional needs of students.

Identify the stakeholders and their role in promoting a positive school culture and environment.

- * School Advisory Committee (SAC): meets monthly and is composed of staff members, community members, and parents. The goal for SAC is to bring stakeholders together to make decisions that are in the best interest of our students.
- * Migrant Parent Advisory Council (MPAC) & ELL Parent Advisory Council: meets twice per year and is composed of our Migrant Advocate, ESOL Resource Teacher, and parents of Migrant students. The purpose of this council is to offer information and support to parents as well as listen to their valuable input.
- * Local High Schools (Durant and Plant City): Local high school students volunteer their time through translating during parent conference nights and assisting with other events as needed.
- * Community Organizations: (Plant City Church of God, Transforming Life Church, First Baptist of Plant City, etc.) These organizations donate backpacks, school supplies, money, clothing, holiday gifts, meals, etc. to our families.
- * Parent-Teacher Organization (PTO): meets monthly and is composed of staff members and parents. The goal for PTO is to bring stakeholders together to build a culture of community with a united purpose- to put students first.
