Demographics

Principal: Warren Stevens

Start Date for this Principal: 7/1/2009

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2021-22 Title I School	No
2021-22 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	21%
2021-22 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities Hispanic Students Multiracial Students White Students Economically Disadvantaged Students
School Grades History	2021-22: A (76%) 2018-19: A (67%) 2017-18: A (72%)
2019-20 School Improvement (SI) Information*	
SI Region	Northwest
Regional Executive Director	Rachel Heide
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	N/A
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan was approved by the Santa Rosa County School Board on 10/13/2022.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

School Board Approval

This plan was approved by the Santa Rosa County School Board on 10/13/2022.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Encourage all students to reach their highest potential while providing a supportive and engaging environment.

Provide the school's vision statement.

All students will be prepared to conquer future academic challenges and develop self-confidence to make decisions that will have a positive impact on their future.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

Name	Position Title	Job Duties and Responsibilities
Stevens, Warren	Principal	<ul style="list-style-type: none"> * Manage and administer the overall instructional program at the assigned school. * Manage and administer the overall activities of assessing and developing the instructional program at the assigned school. * Manage and administer the selection of textbooks, materials and equipment needed at the assigned school. * Manage and administer the accreditation program for the assigned school. * Actively participate, as requested, in the development and adoption of district assessments, textbooks and curriculum programs. * Participate, as requested, in the development of District guides related to instruction and personnel. * Participate, as requested, in the development and adoption of the District's assessment program. * Manage and administer the assessment program for the school. * Manage and supervise the wise use of personnel resources. * Manage, supervise and evaluate personnel. * Manage the implementation and administration of negotiated employee contracts at the school level. * Manage and administer the development of long and short-range instructional and facility needs. * Manage and administer plant safety and facility inspection, including supervision of the buildings and grounds at the school. * Manage and administer the maintenance functions for the school in a manner that ensures maximum life and use of facility. * Coordinate facility and support service requirements with appropriate district offices. * Manage the discipline of students on buses, including statutory provisions for suspension. * Maintain a high visibility within all areas of the facility. * Establish guidelines for proper student conduct and effective disciplinary procedures and policies. * Manage the discipline of students on campus, including statutory provisions for suspension and adhering to adopted District policies. * Manage and supervise the function of financial planning for the school, including the preparation of the school's budget. * Manage and supervise, through wise use, the financial resources of the school. * Manage and administer the function of purchasing by the school to ensure maximum educational value of supplies, materials, equipment and services. * Adhere to state statute and District policies relating to financial accounting to ensure judicious

Name	Position Title	Job Duties and Responsibilities
		<p>management of all school funds.</p> <ul style="list-style-type: none"> * Manage and administer the preparation of financial reports for the school. * Manage and administer the function of student accounting at the school, as it pertains to funding, attendance, and the FTE process. * Manage and administer through statute and District guidelines, the school food service program. * Develop and maintain positive school/community relations and act as liaison between the two. * Be proactive in decisions relating to school and community well-being. * Use effective positive interpersonal communication skills. * Actively participate in the recruitment of business partnership to benefit the school community. * Assign and supervise special tasks to school personnel. * Assign to teachers such responsibility and authority for student control as deemed appropriate. * Communicate, through staff meetings and written communications, for the purpose of keeping staff informed of policy, procedures, instructional programs and existing problems.
<p>McChesney, Kim</p>	<p>Assistant Principal</p>	<ul style="list-style-type: none"> • Coordinate all aspects of elementary curriculum. • Coordinate faculty, year level and individual teacher's planning, as assigned. • Assist teachers in interpreting and implementing the District's curriculum. • Coordinate, as assigned, research related to curriculum development. • Recommend curriculum adjustments to meet the special learning needs of individual children. • Assist teachers in organizing classrooms for effective learning. • Implement and schedule the standardized testing program when assigned. • Establish and maintain a system of school-wide textbook accountability. • Schedule and plan in-service programs and prepare required reports. • Work with the media specialist in adapting and improving the use of media in the school. • Participate in proposed and on-going curriculum development projects. • Serve, at the direction of the Principal, as advisor and special consultant to probationary employees. • Coordinate the grade placement and grouping of children. • Assist the Principal in planning and carrying out staff and parent curriculum meetings. • Serve as the administrative representative on the school's MTSS Team. • Complete special assignments assigned by the Principal. • Assume building supervisory responsibility in the absence of the Principal. • Maintain high visibility within all areas of the facility, and assist teachers in maintaining discipline. • Assist in the supervision of all school activities and programs. • Supervise students in order to maintain a safe and orderly environment. • Assist the Principal in planning and implementing the school improvement program.

Name	Position Title	Job Duties and Responsibilities
		<ul style="list-style-type: none"> • Assist the Principal and other staff in maintaining a clean and safe school plant. • Assist in the selection, supervision and evaluation of all school personnel. • Prepare such records and reports as the Principal may assign. • Perform other incidental tasks consistent with the goals and objectives of this position.
Lowry, Tiffany	School Counselor	<ul style="list-style-type: none"> • Is responsible for the registration of new students and scheduling of all students. • Assists students in the selection of classes and graduation options. • Provides small group developmental guidance activities to all students. • Provides personal/social, behavioral, and/or academic counseling to all students. • Provides assistance in the screening, referral, identification and placement of students with special needs • Provides assistance to parents of all students. • Provides appropriate consultation and staff development to school personnel and/or parents/community as needed. • Provides information and counseling in the areas of financial aid, scholarships, and employment opportunities. • Organizes and conducts career and college information programs. • Provides information regarding community service opportunities and enters community service hours in the computer. • Provides information and counseling for Bright Futures opportunities and registration. • Coordinates dual enrollment programs. • Identifies and counsels potential dropouts, offering them other options. • Counsels students who are experiencing attendance difficulties. • Interprets test results to parents, students, and other school staff. • Assists students and families in need with providing basic care through referrals to appropriate resources. • Provides orientation for all incoming and new students. • Counsels students in developing peer relationships, decision-making skills, and conflict resolution (character education). • Identifies and refers students as needed to appropriate agencies (i.e. mental health, TAPP, Lutheran Services, etc.). • Continually enhances the overall guidance program through in-service opportunities. • Evaluates the overall guidance program on a continuing basis. • Provides assistance and information to faculty, students and parents in regard to multi-cultural education. • Assists in the orientation of new faculty/staff members. • Assists students and parents in scheduling teacher conferences and serves as a mediator and/or advisor. • Provides input in the development of curriculum and the master schedule. • Coordinates the proper maintenance, transfer, and acquisition of students'

Name	Position Title	Job Duties and Responsibilities
		<p>records as required.</p> <ul style="list-style-type: none"> • Assists in the maintenance of the automated student data system. • Attends and participates in faculty meetings. • Coordinates all award presentations. • Coordinates all graduation activities, verifying that graduation requirements have been met. • Contributes to the MTSS Team meetings. • Establishes and maintains cooperative relations with students, faculty, staff and parents. • Assumes the responsibility to maintain a valid Florida teachers' certificate. • Provides own method of transportation to various locations when required. • Performs other tasks and responsibilities as assigned by the principal

Part III: Planning for Improvement

Data Analysis
 Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Progress monitor tools and FSA data reflect improved student performance over the 2019-2021-2022 time-frame in ELA, Math, and Science. High achievement scores are the result of strong learning gains in math and reading. Learning gains were strong in both core and lower quartile student groups. A comparison of FSA 2019 to FSA 2022 shows that GBE students improved ELA Achievement from 82 to 84%, learning gains improved to 73%, up from 69%, and our lowest quartile ELA achievement improved to 60% from 47%. Math Achievement also improved from 84% in 2019 to 88% in 2021, then 86% in 2022. Math learning gains trended up from 69% in 2019 to up to 84% in 2021, then 83% in 2022, and the lowest quartile improved from 52% in 2019 to 70% in 2021, then 66% in 2022. Science achievement was also up, improving from 68% proficiency to 78%.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

Although ELA SWD learning gains (based on FSA data) improved from 46% in 2019 to 61% in 2021, then 65% in 2022, it remains the area in most need of improvement when compared to the school-wide ELA performance (84% proficient). Our bottom quartile ELA proficiency (FSA results) improved from 47% in 2019 to 64% in 2021, then 60% in 2022, and learning gains improved in each of the 2019, 2021, and 2022 FSA administrations (46%, 61%, and 65%), the school wide proficiency was 84% in 2022.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Our most academically challenged students often have the greatest need for intensive specialized instruction in reading (ELA). Between 2019 and 2022 assessments, student achievement level for this group improved from 47% in 2019 to 64% in 2021, then 60% proficient due to increased focus on tier 3 interventions and increased attention to small group rotations focused on current standards and student needs (learning gains improved each of the three years). We plan to continue to focus on tier three interventions by adding reading endorsed teachers to support the specialized instruction needed in tier 3.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Lower quartile math and reading students had the largest gains between 2019 and 2022. Lower quartile ELA improved from 47% in 2019, then 64% in 2021 and 60% in 2022. Lower quartile math increased from 52% in 2019 to 70% in 2021, then 66% in 2022.

What were the contributing factors to this improvement? What new actions did your school take in this area?

In addition to strong core whole group instruction, increased attention to small group rotations focused on current standards and student needs as well as regular unique interventions based on progress monitoring data and classroom performance was a contributing factor.

What strategies will need to be implemented in order to accelerate learning?

While continuing to emphasize Tier 1 instruction via whole group and targeted small group instruction, additional focus on Tier 2 and 3 students will be supported via core subject area support and specialized instruction during school-wide scheduled intervention time.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Core instruction will be supported via school-wide PLCs focused on new math series and standards, ELA learning goal development, common assessments reviewed during grade level data chats, and district supported inservice focused on the new math series. Tier 2 and 3 supports will be scheduled school-wide, collaborative time will be scheduled for each grade level and tiered data will be reviewed in data chat sessions.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

The most important factor in sustainability is the broadening of instructional knowledge. Both core instruction (Tier 1) and interventions (Tier 2 and Tier 3) are based on the collaborative efforts of our academic team. Strengthening our Tier 3 instruction and core reading knowledge base will directly impact learning for the foreseeable future.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. Instructional Practice specifically relating to ELA

Area of Focus

Description and

Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Although bottom quartile ELA proficiency (FSA results) improved from 47% in 2019 to 64% in 2021, then 60% in 2022, and learning gains improved in each of the 2019, 2021, and 2022 FSA administrations (46%, 61%, and 65%), the school wide proficiency was 84% in 2022. Measures to close the gap using a combination of research-based strategies, professional development, and educator collaboration will be used to focus on improvement.

Measurable

Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase bottom quartile proficiency to above 65%, based on new ELA progress monitoring tool.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

ELA progress monitoring results will reviewed in grade level and with individual teachers. Those results will be the core focus of regular data chats at the end of each progress monitoring administration.

Person responsible for monitoring outcome:

Warren Stevens (stevensw@santarosa.k12.fl.us)

Evidence-based

Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Student self assessment of learning based on clear learning goals and rubrics, clearly aligned to the new BEST ELA standards will be utilized in all classrooms. Teachers in collaboration with PLC facilitators will focus on aligning learning goals to the new ELA BEST standards.

Rationale for Evidence-based

Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

John Hattie's research in Visible Learning shows that clear learning goals allow students to self evaluate and create a learning path. His research indicated that systematic identification of skills and goals prior to delivery of instruction increases student focus and retention of targeted materials. (John Hattie, Visible Learning, 2008)

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. Professional development PLC based on new B.E.S.T. standards for ELA
2. Professional development PLC based on Tier 2 and 3 intervention strategies
3. Data chats (each progress monitoring window) focused on student achievement growth and the identification of learning gaps

4. ESE and classroom teachers will collaborate weekly during team meetings to discuss individual student needs

Person Responsible Warren Stevens (stevensw@santarosa.k12.fl.us)

#2. Instructional Practice specifically relating to Math

Area of Focus

Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Although bottom quartile math proficiency (FSA results) improved from 52% in 2019 to 70% in 2021, then 66% in 2022, FSA administrations, the school wide proficiency was 86% in 2022. Measures to close the gap using a combination of research-based strategies, professional development, and educator collaboration will be used to focus on improvement.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase bottom quartile proficiency to above 66% based on the new math progress monitoring tool.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Progress monitoring will focus on quarterly classroom observations utilizing the new iObservation tool and data chats at the end of each DOE progress monitoring window. Chats conducted by Principal/AP will be based on progress monitoring assessment results as well as classroom and intervention progress.

Person responsible for monitoring outcome:

Warren Stevens (stevensw@santarosa.k12.fl.us)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Explicit instruction based on the new B.E.S.T. Standards in whole-group format, followed by small group instruction based on individual student learning needs focused on acceleration and remediation of learning.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

According to Robert Marzano, explicit instruction is a high-impact strategy that has been shown to be especially successful mitigating academic deficiencies related to isolated academic concepts or strands. Small group instruction allows for the tailoring of academic focus to promote acceleration and/or acquisition of remedial skills. (Robert Marzano, Art and Science of Teaching, 2007)

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. Professional development PLC based on new B.E.S.T. standards for Math with focus on supporting remediation for small groups
2. District support of Math PLC use of new math textbook related to the new B.E.S.T. standards
3. Data chats at the end of each DOE progress monitoring window, focused on student achievement growth and the identification of learning gaps with focus on collaborative strategy discussion, based on classroom experiences.
4. ESE and classroom teachers will collaborate weekly, during team meetings to discuss individual student needs with focus on students receiving Tier 2, Tier 3, or acceleration in small groups.

Person Responsible Warren Stevens (stevensw@santarosa.k12.fl.us)

#3. ESSA Subgroup specifically relating to Students with Disabilities

Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed.

Although our SWD ELA FSA results improved annually from 2019 (46% proficient) to 2021 (61% proficient) to 2022 (65% proficient), we would like to close the gap between SWD and school-wide achievement (84% proficient).

Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

SWD ELA Cambium proficiency will be above 65%.

Monitoring: Describe how this Area of Focus will be monitored for the desired outcome.

Progress toward this goal will be monitored using progress monitoring data to be discussed during grade level and administrative data chats. MTSS strategies and results are monitored via regular MTSS meetings involving MTSS team members, teachers, parents and administration. Adjustments to interventions are made based on data presented during both MTSS and Data Meetings.

Person responsible for monitoring outcome:

Warren Stevens (stevensw@santarosa.k12.fl.us)

Evidence-based Strategy: Describe the evidence-based strategy being implemented

GBE was one of only 19 schools to be recognized by the Florida DOE as an "MTSS Recognized School" for exemplary MTSS practices. Meetings focused on varied levels of student supports and how those supports impact student achievement will rely on student data, teacher and parent feedback to allow for specific intervention based on student need. ELA tier 3 students will be supported by reading endorsed teachers who will also participate in subsequent MTSS meetings.

for this Area of Focus.

Rationale for Evidence-based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/ criteria used for selecting this strategy.

MTSS is the systemic use of data to identify and monitor students at risk for academic failure, while identifying the interventions shown to be most effective for each student. The structure and process are designed to use a clear structure to progress through levels of support. ESE students identified as needing tier 3 support will be supported by a reading endorsed teacher, using research based materials, such as SIPPS, 95% Group, or Phonics for Reading , in addition to services listed on the IEP Parents, teachers and interventionist all participate in supporting the learning process. According to John Hattie's research listed in Visible Learning Rtl is listed as a "top ten" effect size strategy with a 1.29 effect-size impact on student learning.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. Professional development PLC based on MTSS data analysis and student targets
2. Professional development PLC based on Tier 2 and Tier 3 intervention strategies
3. Data chats, lead by Principal/AP, will be held after each DOE progress monitoring window. Chats will be focused on student achievement growth and the identification of learning gaps.
4. ESE and intervention teachers will collaborate weekly, during grade level meetings with classroom teachers to discuss student needs.
5. MTSS Meetings are held biweekly to monitor student progress and need for additional support.

Person Responsible [no one identified]

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

A positive school culture starts with the mindset that all classes will be inclusive and welcoming to all stakeholders. The spirit of inclusivity is stressed as an important part of building a positive school culture. Traditionally Gulf Breeze Elementary has benefitted from sustained partnerships throughout the Gulf Breeze Community. Our volunteers add to the richness of the student experience while supporting our school's vision and mission. We consistently have over 600 approved volunteers, contributing over 15,000 volunteer hours annually, working to give our students the best environment to find success.

Identify the stakeholders and their role in promoting a positive school culture and environment.

Our most important stakeholders are our students. When changes are made or activities are added, the first question should be, "How will this impact the student experience?". An active Parent-Teacher Organization adds structure to our volunteer group, while supporting a wide variety of school functions and activities. Parent and community volunteers enjoy opportunities to support learning and the overall school experience. In a typical year 20+ volunteers are trained to support classroom instruction under the direction of a classroom teacher or academic support specialist.

Our School Advisory Council, along with teachers, administration and staff contribute to the formulation and review of our School Improvement Plan annually, while consistently working to improve the learning environment.

Several school-wide opportunities combine the resources of our community as well as the partnership of students and staff, such as Bike Fest, Bubble Run, Art and Music Nights, Veterans Day Breakfast, Color Run, Homecoming Tail-Gate, Movie Nights, Medieval Fest, and after-school STEAM events (STEAM Night and Book Engineering) all support our school mission, while encouraging community involvement. These activities include thousands of unique experiences for students throughout the year!
