| * As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here . | |

School Board Approval

This plan is pending approval by the Duval County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

We encourage a positive collaborative community that differentiates instruction and challenges students to do their best.

Provide the school's vision statement.

Enterprise Learning Academy provides an engaging environment that empowers students to be compassionate and responsible learners.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

| Name | Position Title | Job Duties and Responsibilities |
|-----------------|---------------------|---------------------------------|
| Collins, Jeff | Principal | |
| Moore, April | School Counselor | |
| Smith, Nichelle | Assistant Principal | |

Demographic Information

Principal start date

Monday 7/1/2019, Jeffrey Collins II

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Total number of teacher positions allocated to the school

38

Total number of students enrolled at the school

700

Identify the number of instructional staff who left the school during the 2021-22 school year.

9

Identify the number of instructional staff who joined the school during the 2022-23 school year.

8

Demographic Data

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

| Indicator | Grade Level | | | | | | | | | | | | | Total |
|--|-------------|-----|-----|-----|-----|-----|---|---|---|---|----|----|----|-------|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | |
| Number of students enrolled | 121 | 119 | 108 | 101 | 112 | 115 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 676 |
| Attendance below 90 percent | 2 | 38 | 31 | 29 | 35 | 28 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 163 |
| One or more suspensions | 0 | 5 | 3 | 4 | 4 | 4 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 20 |
| Course failure in ELA | 4 | 3 | 5 | 4 | 1 | 1 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 18 |
| Course failure in Math | 3 | 1 | 0 | 3 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 7 |
| Level 1 on 2022 statewide FSA ELA assessment | 0 | 0 | 0 | 6 | 16 | 49 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 71 |
| Level 1 on 2022 statewide FSA Math assessment | 0 | 0 | 0 | 4 | 18 | 45 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 67 |
| Number of students with a substantial reading deficiency | 4 | 15 | 48 | 39 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 106 |

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

| Indicator | Grade Level | | | | | | | | | | | | | Total |
|--------------------------------------|-------------|----|----|----|----|----|---|---|---|---|----|----|----|-------|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | |
| Students with two or more indicators | 4 | 20 | 41 | 30 | 15 | 41 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 151 |

Using current year data, complete the table below with the number of students identified as being "retained.":

| Indicator | Grade Level | | | | | | | | | | | | | Total |
|-------------------------------------|-------------|---|---|---|---|---|---|---|---|---|----|----|----|-------|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | |
| Retained Students: Current Year | 4 | 2 | 5 | 6 | 1 | 2 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 20 |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

Date this data was collected or last updated

Wednesday 8/31/2022

The number of students by grade level that exhibit each early warning indicator:

| Indicator | Grade Level | | | | | | | | | | | | | | Total |
|--|-------------|---|---|---|---|---|---|---|---|---|----|----|----|---|-------|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | | |
| Number of students enrolled | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Attendance below 90 percent | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Course failure in ELA | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

With the exception of 4th grade Math and Reading scores, we saw significant progress being made in the areas of both proficiency and learning gains across the board.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

4th grade ELA and Math demonstrated the greatest need for improvement.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Significant lack of both student and teacher attendance contributed to this lack of performance. In addition, the lack of consistency contributed greatly to this area of concern. We have added additional team members to the areas of both Math and Reading for the 2022-2023 school year.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Learning gains in the area of Reading and Math showed significant improvement from 2021. The area with the largest growth was that of our LPQ Math students.

What were the contributing factors to this improvement? What new actions did your school take in this area?

We had great instruction led by our teachers. Our use of the ACALETICS program along with our curriculum and math interventionist contributed greatly to this improvement.

What strategies will need to be implemented in order to accelerate learning?

We need to ensure the learning of ALL students. We need to ensure that ALL children can read on grade level and achieve a year's growth in all areas. We will look to fully implement LLI in teacher led small groups. In addition, our focus will be on providing differentiated instruction based on the needs of our individual learners.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Teachers will be trained on way to increase student engagement--these include research based best teaching practices. In addition, we will look to increase software programming and access to technology for our students as a way to increase engagement. Finally, we will work to engage families and promote the role they play as advocates for their child's education.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

We will add another interventionist to help meet the needs of our most fragile learners.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. Positive Culture and Environment specifically relating to Engagement of Our Most Fragile Learners

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

We currently have a lack of engagement for some of our most fragile learners that is having a negative impact on their overall learning.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

We will reduce referrals for our LPQ students during the 2022-2023 school year. Observations and classroom walkthroughs will capture student behaviors that demonstrate an increase in student engagement. As a result of increased engagement of our most fragile learners, student outcomes will improve.

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

We will monitor student progress throughout the year to ensure students are on track for success. In addition to looking at student achievement data, we will look at attendance and referrals data sources.

Person responsible for monitoring outcome:

April Moore (moorea6@duvalschools.org)

Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.

We will increase the amount of contact time that lowest performing students and those with discipline issues have with key adults/teachers in the building.

Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Research shows that in order to promote catch up growth and engage all learners you must increase time they have with an adult that is proven to get results.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

We will implement the Ron Clark House System as a way to promote student engagement and cultivate a stronger connection across all grade levels for all learners, but especially our most fragile students. These House meetings will take place on a monthly basis.

Person Responsible

Jeff Collins (collinsj1@duvalschools.org)

We will use Title 1 funds to hire a volunteer/parent liaison to strengthen the communication between school and home for our most fragile learners. We will also ensure that our meeting times allow flexible scheduling for our families to attend. Research shows that increased family involvement promotes student outcomes.

Person Responsible

Nichelle Smith (smithn5@duvalschools.org)

We will implement the THRIVE program as part of our Collaborative Problem Solving Team to better monitor the academic and behavioral needs of our most fragile learners.

Person Responsible

April Moore (moorea6@duvalschools.org)

Our interventionists for Math and Reading will work to build and foster positive relationships with our most fragile learners and their families. We will provide additional updates on their progress throughout each quarter. We will use Title 1 fund to purchase the interventionists to work with these fragile learners and increase student engagement which will improve student outcomes.

Person Responsible Jeff Collins (collinsj1@duvalschools.org)

We will use Title 1 funds to hire additional classroom teachers to help lower student to teacher ratio so that our most fragile learners have smaller class sizes. This will allow for additional contact time by our teaching faculty for our most fragile learners--thus promoting student achievement.

Person Responsible [no one identified]

We will ensure Title 1 funds are used to support our most fragile students by providing access to additional technology such as laptops, interactive monitors, document cameras, projectors, laptop chargers, and headphones. In addition, we will ensure we secure student access to Reflex Math as a way to address learning deficits and build upon student engagement in the classroom.

Person Responsible Jeff Collins (collinsj1@duvalschools.org)

#2. ESSA Subgroup specifically relating to English Language Learners

Area of Focus Description and Rationale:
Include a rationale that explains how it was identified as a critical need from the data reviewed.

Our current ELL student population is not performing at the same rate relative to their peers.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Our goal is to increase learning gains across Reading and Mathematics for our ELL students by 50% for the 2022-2023 school year.

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

These students will be monitored both for academics and behavior on a monthly basis.

We will use discipline data for behavior and classroom assessment/common grade level assessments to monitor academic performance.

Person responsible for monitoring outcome:

Jeff Collins (collinsj1@duvalschools.org)

Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.

Research has proven that one way to improve learning outcomes for lowest performing students is by increasing contact time with their teacher in an individual or small group setting.

Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

In order to improve learning outcomes for lowest performing learners, we must increase the level of student engagement for all students.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#3. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:
Include a rationale that explains how it was identified as a critical need from the data reviewed.

While we had significant growth in the area of Reading last year, we still have a long way to go in order to get ALL students to read on grade level.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase percentage of 3 -5 grade students scoring Level 3 on the 2022 statewide, standardized English Language Arts assessment by 5 percentage points.
Decrease number of "Below Grade Level" students by 5 percentage points.

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

Our school leadership team, district content specialist support, and Supplemental Instructional APs will review ELA data from district assessments.

Person responsible for monitoring outcome:

Jeff Collins (collinsj1@duvalschools.org)

Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.

Small Group/Differentiated Instruction: Based on data, breaking groups of students into smaller groups to ensure Tier II support is given. Not all students are on the same level, but all standards must be mastered. Small group instruction will allow teachers to meet students at their level to support their needs.

Progress Monitoring: Student progress monitoring helps teachers evaluate how effective their instruction is, either for individual students or for the entire class.
<https://www.ascd.org/el/articles/how-student-progressmonitoringimproves-instruction>

Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Instructional Reviews with Action Plans: The implementation review is a plan designed to 1) recognize accomplishments, 2) track actions, 3) measure implementation impact, 4) evaluate the plan, 5) determine next steps. It may be used by the school alone or with the assistance of the support lead.
<https://institutionalresearch>.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

RAISE

The RAISE program established criteria for identifying schools for additional support. The criteria for the 2022-23 school year includes schools with students in grades Kindergarten through fifth, where 50 percent or more of its students, for any grade level, score below a level 3 on the most recent statewide English Language Arts (ELA) assessment.

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

Primary area of focus is our students with disabilities group is performing much lower than their grade level peers.

Grades 3-5: Instructional Practice specifically relating to Reading/ELA

Primary area of focus is our students with disabilities group is performing much lower than their grade level peers.

Measurable Outcomes:

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K-3, using the new coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment.
- Each grade 3-5 where 50 percent or more of its students scored below a level 3 on the most recent statewide, standardized ELA assessment and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2: Measureable Outcome(s)

Our goal is to raise the level of achievement for all students, especially those students with disabilities. The goal will be to bring the achievement levels of our SWD's within 2 points of their grade level peers.

Grades 3-5: Measureable Outcome(s)

Our goal is to raise the level of achievement for all students, especially those students with disabilities. The goal will be to bring the achievement levels of our SWD's within 2 points of their grade level peers.

Monitoring:

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will take place with evaluating impact at the end of the year.

We will monitor multiple data sets throughout the year including the following: PM FAST data, common assessments for each content on end of unit, and other progress monitoring pieces throughout the 22-23 school year.

Person responsible for monitoring outcome:

Select the person responsible for monitoring this outcome.

Collins, Jeff, collinsj1@duvalschools.org

Evidence-based Practices/Programs:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. Â§7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

We will be using best teaching practices across all content areas. We will differentiate instruction to meet the needs of all learners. We will use data to drive our planning and instructional delivery.

Rationale for Evidence-based Practices/Programs:

Explain the rationale for selecting the specific practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified practices/programs show proven record of effectiveness for the target population?

We believe our research based approach does provide evidence for student achievement.

Action Steps to Implement:

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

| Action Step | Person Responsible for Monitoring |
|---|--|
| Provide admin-directed common planning sessions whereby teachers are afforded time to become familiar with BEST and plan detailed lessons to meet the needs of all learners. The Literacy Leadership team and Literacy Coaches will work with all teachers to bring best practices at scale across all classrooms. | Collins, Jeff, collinsj1@duvalschools.org |
| Implement both Corrective Reading and LLI for small group reading instruction to best meet the needs of our students with disabilities and those who are not reading on grade level. Use formative and informal assessments to plan for both instruction as well as professional development for our students and teachers. | Smith, Nichelle, smithn5@duvalschools.org |

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

Our approach to build and sustain a positive culture at Enterprise Learning Academy is multi-faceted. We solicit and use feedback from all stakeholders to build a plan to address our areas of opportunity. We devise a school improvement plan that embodies the input from stakeholders. This information is shared and revisited throughout the year. In addition, we have assemblies with students twice during the school year to review our expectations for learning and culture in the building. Also, we implement social emotional programming to assist with mental health of students and staff.

Identify the stakeholders and their role in promoting a positive school culture and environment.

Our stakeholders include the following: students, teachers, staff, families, business leaders, and community leaders. Each stakeholder plays a vital role in the promotion and maintaining a positive culture and environment at Enterprise Learning Academy. Parents play a role in staying active in their child's education

and partnering with us. Teachers play a role in terms of promoting key values and collegiality throughout the school and in all relationships. Local businesses and community leaders play a role in supporting the mission and vision of the school to ensure the success of all students.

Duval - 2551 - Enterprise Learning Academy - 2021-22 SIP
