Demographics

Principal: Stephen Hinson C

Start Date for this Principal: 8/2/2022

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Middle School 6-8
Primary Service Type (per MSID File)	K-12 General Education
2021-22 Title I School	Yes
2021-22 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2021-22 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners* Asian Students Black/African American Students* Hispanic Students* Multiracial Students White Students Economically Disadvantaged Students*
School Grades History	2021-22: C (45%) 2018-19: C (52%) 2017-18: B (54%)
2019-20 School Improvement (SI) Information*	
SI Region	Southeast
Regional Executive Director	LaShawn Russ-Porterfield
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	ATSI
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Volusia County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The faculty, staff, and community of Deltona Middle School share the responsibility for guiding our students toward academic growth and emotional development essential for continued learning and lifelong success in a culturally diverse society.

Provide the school's vision statement.

The Deltona Middle School family is dedicated to the maximum growth of our students. By forming a partnership with our community, we create a caring and accepting environment for all. We rise to the challenge as we charge toward a positive tomorrow.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

Name	Position Title	Job Duties and Responsibilities
Williams, Kenisha	Principal	Oversee all operations of the school including: safety and security, community engagement , professional development ,teacher evaluation and leadership support for ELA and Social Studies
Goddard, Brian	Assistant Principal	ESE , MTSS & PBIS support for 6th grade team
Myers, Richard	Assistant Principal	Facilities, Security, Leadership support for Reading and Electives, PBIS support for 7th grade
Mason, Leontyne	Assistant Principal	Testing coordinator, SEL , PBIS, & MTSS

Demographic Information

Principal start date

Tuesday 8/2/2022, Stephen Hinson C

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Total number of teacher positions allocated to the school

43

Total number of students enrolled at the school

1,166

Identify the number of instructional staff who left the school during the 2021-22 school year.

16

Identify the number of instructional staff who joined the school during the 2022-23 school year.

20

Demographic Data

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	0	0	0	0	0	0	344	356	382	0	0	0	0	1082
Attendance below 90 percent	0	0	0	0	0	0	96	90	134	0	0	0	0	320
One or more suspensions	0	0	0	0	0	0	66	85	96	0	0	0	0	247
Course failure in ELA	0	0	0	0	0	0	18	36	12	0	0	0	0	66
Course failure in Math	0	0	0	0	0	0	9	21	10	0	0	0	0	40
Level 1 on 2022 statewide FSA ELA assessment	0	0	0	0	0	0	106	159	155	0	0	0	0	420

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Compared to the last 4 years of data (2018-2022) overall proficiency in ELA, Math ,Science and Social Studies has decreased. In 2022, overall learning gains and learning gains of the lowest quartile in Math increased. Subgroup data shows ESE and African American performing significantly below their comparative peer groups.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

Based off of progress monitoring and state assessments the areas which are greatest need for improvement is proficiency for all students in ELA , Math and Science as proficiency rates are below 50% .

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Contributing factors to this need for improvement are teacher retention and lack of structured interventions. To address the area of teacher retention, teachers will receive consistent and on-going support weekly from content area coaches and administration. To address the lack of structured interventions, teachers will be provided professional development on using formative assessments to design small group intervention , as well as they will receive targeted actionable feedback on how to use data to implement research based intervention strategies.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

The data components which showed the most improvement was the overall learning gains in math and learning gains of the lowest quartile. There was an increase in overall math learning gains from 39% to 48% , and there was an increase in the lowest quartile learning gains from 37% to 50%.

What were the contributing factors to this improvement? What new actions did your school take in this area?

The contributing factors were teacher collaboration and targeted differentiated instruction based on data.

What strategies will need to be implemented in order to accelerate learning?

The strategies which will need to be implemented to accelerate learning are targeted PD during PLC's, support from content area coaches (model lessons, data analysis) student data chats, using formative data to drive re-teach.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Professional Development which will be provided is using formative data to drive re-teach instruction, how to incorporate small group targeted instruction, and MTSS/PBIS to build strong student relationships.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

To ensure sustainability we will focus on building a strong school culture through collaboration, coaching and high expectations and accountability for all students.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. Instructional Practice specifically relating to Instructional Coaching/Professional Learning

Area of Focus Description and Rationale:
 Include a rationale that explains how it was identified as a critical need from the data reviewed.

This area was chosen because trend data from the last 4 years shows a decrease in overall proficiency in the core content areas of ELA, Math and Science,

Measurable Outcome:
 State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase ELA and Math proficiency from 38% to 43 %
 Increase Science proficiency from 46% to 51%

Monitoring:
 Describe how this Area of Focus will be monitored for the desired outcome.

Teacher practice will be measured by 85% of teachers using formative assessment data to drive instruction as evidenced by lesson plans and classroom walkthrough data.

This area of focused will be measured by classroom walkthroughs, PLC lesson planning and student performance on school, district and state assessments.

Person responsible for monitoring outcome:

Kenisha Williams (kmwilli3@volusia.k12.fl.us)

Evidence-based Strategy:
 Describe the evidence-based strategy being implemented for this Area of Focus.

The school will provide professional development on standards based instruction with the alignment of student task when developing lesson plans.

Rationale for Evidence-based Strategy:
 Explain the rationale for selecting this specific strategy. Describe the resources/ criteria used for selecting this strategy.

The rationale for selecting this strategy is for teachers to be able to plan lessons which are standards aligned with student expected task.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

The leadership team will conduct classroom walkthroughs focused on the following look-fors:
 Bell work- aligned to trailing or current standard
 Learning Target - relevant to lesson
 Success Criteria
 Check for understanding
 Student task aligned with learning target
 Team expectations for behavior

Person Responsible

Kenisha Williams (kmwilli3@volusia.k12.fl.us)

PLC Lesson Planning
 Classroom walkthroughs

Person Responsible

Kenisha Williams (kmwilli3@volusia.k12.fl.us)

#2. Positive Culture and Environment specifically relating to Discipline

Area of Focus Description and Rationale:
Include a rationale that explains how it was identified as a critical need from the data reviewed.

Discipline data shows that 368 referrals were written during the 2021-2022 school year, of which 87 were for campus disruption and 81 school rules violation.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The measurable outcome is to reduce the number of discipline referrals for campus disruption and school rules by 50% , which would decrease campus disruption to 43 and school rules violation to 40.

Teacher practice outcome will be measured by 75% of teachers implementing PBIS strategies through the PBIS rewards app.

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitored through monthly discipline reports and teacher use of the PBIS rewards app.

Person responsible for monitoring outcome:

Kenisha Williams (kmwilli3@volusia.k12.fl.us)

Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.

The evidence based strategy will be restorative practices and PBIS.

Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

The rationale for selecting restorative practices is research shows that it builds positive relationships, encourages responsibility and builds a community of respectful learners. The rationale for selecting PBIS is research shows that it improves school culture, safety and reduces suspensions.

Action Steps to Implement
 List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Teachers will be trained on PBIS.

Restorative practice will be utilized to reduce out of school suspension and teach students problem solving strategies.

Students will earn points and rewards for positive behavior through the PBIS rewards app.

Person Responsible Leontyne Mason (lsmason@volusia.k12.fl.us)

#3. ESSA Subgroup specifically relating to Students with Disabilities

Area of Focus Description and

Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Students with disabilities was the lowest performing subgroup with only 28% of students showing proficiency.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase proficiency by 10%.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Classroom walkthroughs, school, district and state progress monitoring data. Data discussion during Professional Learning Communities.

Person responsible for monitoring outcome:

[no one identified]

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

The school will provide PD on UDL strategies.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

The rationale is for teachers to be able to analyze various sets of data to develop lesson plans which address the diverse needs of their students with the intent to increase student mastery of standards.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Provide PD on UDL

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

PBIS reward system
Monthly staff celebrations
Building relationships
TEAM activities
Family Nights

Identify the stakeholders and their role in promoting a positive school culture and environment.

School Administration team - Implement Systems of Support through PBIS
Teachers- Build relationships with students, on-going communication with parents
Students- Follow school and classroom expectations
Parents- Attend family nights, support student academic and social growth
