Year	
Support Tier	
ESSA Status	ATSI
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Broward County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Assist with establishing job assignments and supervising of all assigned personnel, conducting annual performance appraisals, and making recommendations for appropriate employment actions according to School Board Policy and Procedures adopted by the School Board.</p> <p>82. Assist with difficult personnel decisions when necessary including dealing with ineffective teacher or staff performance.</p> <p>83. Consider the aspirations of self and others in relation to the jobs and tasks assigned when assessing expertise and developmental needs.*</p> <p>MANAGEMENT OF PROCESSES:</p> <p>84. Assist in identifying quality requirements of materials/services and communicates this information to parents, community and suppliers.*</p> <p>85. Access District and community resources to meet school needs.</p>

Name	Position Title	Job Duties and Responsibilities
		<p>86. Demonstrate readiness and confidence in making and/or sharing decisions in a timely fashion.</p> <p>87. Employ an improvement cycle for operational problems that analyzes results, identifies root causes, and takes corrective action.*</p> <p>88. Utilize PLAN, DO, STUDY, ACT (PDSA) and quality improvement tools to assess and improve curriculum and instructional systems, processes, programs and services.*</p> <p>89. Understand, support, and implement School Board, State, and Federal Policies, procedures, negotiated agreements and district decisions.*</p> <p>90. Assist with the implementation and administration of negotiated employee contracts at the school site.</p> <p>91. Implement School Board policy, state statutes, and federal regulations as they pertain to the assigned school.</p> <p>OPERATIONAL RESULTS:</p> <p>92. Show positive trends in the achievement of improvement goals in the areas of operation (key goals), business practices (efficiency) and customer satisfaction.*</p> <p>93. Assist with managing and supervising the school's financial resources including the preparation and disbursement of the school's budget and internal accounts.</p> <p>94. Assist with establishing and managing student accounting and attendance procedures at the assigned school.</p> <p>95. Supervise and monitor the accurate completion of data collection and submits resulting reports according to timelines.</p> <p>96. Assist with the writing and dissemination of newsletters, memos, letters, press releases, agendas, and other materials using proper grammar and punctuation.</p> <p>97. Provide leadership in the effective use of technology in the classroom and in school administration.</p> <p>98. Assist with the coordination of school maintenance and facility needs and monitor progress toward meeting those needs.</p> <p>99. Assist with monitoring the custodial program at the school to ensure a clean, healthy, and safe learning environment.</p> <p>100. Assist with coordinating plant safety and facility inspections at the assigned school.</p> <p>101. Supervise transportation services at the assigned school.</p> <p>102. Assist with the supervision of all extracurricular programs at the assigned school.</p> <p>103. Assist in coordinating the school food service program at the assigned school including the free and reduced food service requirements.</p> <p>104. Perform and promote all activities in compliance with equal opportunity and nondiscrimination policies of the School Board of Broward County.</p> <p>105. Ensure adherence to good safety procedures.</p> <p>106. Perform other incidental tasks consistent with the goals and objectives of this position.</p>

Demographic Information

Principal start date

Friday 10/15/2021, Cassandra Adderley

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

10

Total number of teacher positions allocated to the school

52

Total number of students enrolled at the school

742

Identify the number of instructional staff who left the school during the 2021-22 school year.

4

Identify the number of instructional staff who joined the school during the 2022-23 school year.

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Across grade levels, the Students with Disabilities subgroup is the most fragile and underperforming group. Based on the data for the past three years the number of SWD proficient in Math and ELA has declined and continue to fall below the state average.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

It is noticeable that mathematics has the greatest need for improvement. The number of SWDs proficient for the Math FSA dropped from 18% in 2021 to 8% in 2022. However, the number of SWDs proficient for ELA/Reading has increased from 10% in 2021 to 12% in 2022. The overall percentage of student proficient for math and ELA are 47% and 42% respectively. This data shows that the SWD subgroup proficiency rate is significantly lower.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

A major factor in the past year had been the Covid-19 pandemic and not being face-to-face with students especially for Math which requires face to face learning. Additionally, as math progressively becomes more rigorous, students without foundational elements seem to fall even further behind. Steps need to be taken for remediation to ensure that basic skills and strategies are mastered in mathematics. The support of ESE learning strategies teachers will be paramount as they will need to make mathematics a focus daily during learning strategies classes. The grade level assistant principals will be doing walkthroughs during the learning strategies classes to monitor the learning environment and provide feedback.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Math showed the highest increase from 2021 to 2022 as follows. Math proficiency increased from 35% to 42%, Math learning gains increased from 21% to 56% and Math lowest 25% quartile from 18% to 60%.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Scheduling students was a major factor. Test scores also factor into this improvement as scheduling includes built in labs and remediation courses that students must complete. Extended learning camps were added to concentrate on intensive strategies for our fragile students as well as our proficient students

What strategies will need to be implemented in order to accelerate learning?

Continuous progress monitoring and lessons based on formative assessments. Providing support to teachers and staff on using SEL and Project based resources to engaged students with innovated lessons.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Ongoing professional learning opportunities that included behavior management, Cambridge strategies as well as district based initiatives and curriculum planning will contribute to accelerate learning opportunities. Instructional coaches personalize support to educators as well as utilize collegiate peer coaching opportunities.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Actively engaging stakeholders to create and update the action plan for services on a quarterly basis to ensure a plan that is focused and data driven will ensure sustained improvement.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. ESSA Subgroup specifically relating to Students with Disabilities**Area of Focus
Description and
Rationale:**

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Students with disabilities consistently showed the greatest need across all grade levels based on progress monitoring data as well as state assessments.

**Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.**

The percentage of students with disabilities scoring proficiency or higher in Reading will increase from 35% to 42% by May 2023 as measured by the FAST.

**Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.**

The read 180 program, the FAST progress monitoring assessments 1 & 2, and formative and summative assessments will be utilized at key intervals to monitor progress of the desired population. Student data chats as well as monthly curriculum leaders meetings will be used to disaggregate data and plan for improvement.

Person responsible for monitoring outcome:

Shenee Rowe (shenee.rowe@browardschools.com)

**Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.**

Educators implement the CARE (Curriculum, Assessment, Remediation, Enrichment) Cycle with fidelity and utilize Professional Learning Communities (PLCs) to actively engage in curriculum planning and data disaggregation that results in action planning. Our school-wide Professional Development focus is Literacy. School-wide Literacy PD is designed to equip teachers with literacy strategies that will be used in all content areas. Provide pull-out and push-ins through the ESLS (Exceptional Student Learning Support) department.

**Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.**

CARE cycle supports ongoing teacher professional growth that directly relates to teaching and learning in the classroom. PLCs provide ongoing support for curriculum implementation as well as data disaggregation to identify highest needs, trends, and opportunities for enrichment. When students improve their literacy skills they will improve their overall student achievement.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Engages with the ESLS team to identify any deterrents in the effort to provide support for students.
Reviews data with the team in order to more effectively schedule students according to need.

Person Responsible Terry Tait (terry.tait@browardschools.com)

Assists as necessary with data disaggregation and understanding in order to more effectively plan opportunities for student learning.

Person Responsible Jasmine Mayers (jasmine.mayers@browardschools.com)

Engages the team in shared decision making for our fragile student populations.

Person Responsible Cassandra Adderley (cassandra.adderley@browardschools.com)

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

The principal, Mrs. Adderley, actively engages the school community in decision making processes. As a school we recognize the need for a unified approach in order to provide a positive school culture and environment. Positivity starts with the front office staff and extends to teachers, staff and administration who actively strive to welcome students each morning. Initiatives such as Start with Hello Week, Peace Week, etc. are actively encouraged school wide. Many opportunities are also provided throughout the school year for family engagement with staff. At the beginning of the school year, Soar and Explore, encourages any new

student to attend prior to school reopening for a few hours of meeting and greeting administrators and staff as well as learning about the geography of their new school environment. At other times, events are held to educate parents, keep them informed or engage them in cultural activities.

Student groups and clubs also endorse positive culture and environment. Via student performances like band recitals, step show, cultural observances, and a daily live news show, students display pride in their school. Clubs like NJHS (National Junior Honor Society), student government, GSA (Gay Straight Alliance), Latinos in Action (LiA), MTL (Mentoring Tomorrows Leaders), and various sport teams also help students display pride and positivity toward their school environment. Additionally, students have the opportunity to be caught doing great and earn Attucks bucks as a positive behavior system. Their bucks are used to reward students with calls or notes home, snacks, skipping the lunch line, becoming security officers, and several other student interest rewards. We also celebrate our students based on good behavior and

academics. We have quarterly Honor Roll assemblies, Award ceremonies, NJHS Induction, MTL Induction, First Priority meetings etc.

Identify the stakeholders and their role in promoting a positive school culture and environment.

Administrators are the first line in promoting the positive culture. They are visible to their grade level students at all times of the day and are key in promoting positivity through Attucks bucks and reward systems.

Teachers are also key stakeholders and actively promote positivity in their classroom especially with the implementation of "safe spaces" through Social Emotional Learning. Teachers also have their own PBIS incentives.

Students are actively being taught how to self regulate via the PROUD acronym - Positive, Respectful, Organized, Unified, Determined.

Families are frequently engaged through flyers, website, social media to maintain input about the school and its operations. They are also invited to several events in order to maintain healthy relationships school wide. We also have family nights for ELA, Math, Social Studies and Science through Title I. We also have our monthly SAC, SAF and PTSA meetings. During these meetings all stakeholders are able to contribute to the School Improvement Plan.
