### School Board Approval

This plan is pending approval by the Broward County School Board.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at [www.floridacims.org](http://www.floridacims.org).

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### School Demographics

| School Type and Grades Served<br>(per MSID File) | 2021-22 Title I School | 2021-22 Economically Disadvantaged (FRL) Rate<br>(as reported on Survey 3) |
|--|------------------------|--|
| Combination School<br>6-11                       | Yes                    | 100%   |
| Primary Service Type<br>(per MSID File)          | Charter School         | 2018-19 Minority Rate<br>(Reported as Non-white on Survey 2)               |
| K-12 General Education                           | No                     | 99%  |

### School Grades History

| Year  | 2021-22 | 2020-21 | 2019-20 | 2018-19 |
|-------|---------|---------|---------|---------|
| Grade | C       |         | C       | C       |

### School Board Approval

This plan is pending approval by the Broward County School Board.

### SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

### School Mission and Vision

**Provide the school's mission statement.**

Lauderhill 6-12 STEM-MED Magnet School recognizes that students have a need to grow every day and intends to prepare a diverse student population for success in college, and to be thoughtful, contributing members of society.

**Provide the school's vision statement.**

The vision statement at Lauderhill 6-12 STEM MED School is believing that:

Children Have a Need to Grow Everyday (C.H.A.N.G.E.)

Our theme this school year is "Relentless Rising S.T.A.R.S" The acronym S.T.A.R.S represents the school-wide expectations and guidelines for success with each stakeholder striving to be Safe, Team Player, Attentive, Respectful and Successful.

### School Leadership Team

**Membership**

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

| Name            | Position Title      | Job Duties and Responsibilities  |
|-----------------|---------------------|--|
| Reardon, Ryan   | Principal           | Provide strategic direction in the school. Develop curricula, assess teaching methods, monitor student achievement, encourage parental involvement, revise policies and procedures, administer the budget, and hire and evaluate staff and oversee facilities. |
| Maxwell, Keisha | Assistant Principal | Supports the principal to manage employees in the school. Ensures a safe, pleasant and effective educational atmosphere, provides discipline as necessary and enforces school policy.  |
| Farr, Leslie    | Assistant Principal | Supports the principal to manage employees in the school. Ensures a safe, pleasant and effective educational atmosphere, provides discipline as necessary and enforces school policy.  |
| Burch, Shannon  | Assistant Principal | Supports the principal to manage employees in the school. Ensures a safe, pleasant and effective educational atmosphere, provides discipline as necessary and enforces school policy.  |
| Forde, Natasha  | Magnet Coordinator  | Responsible for recruitment of students, public relations related to the magnet school program, and manage the student lottery.  |
| Harris, Brianna | School Counselor    | Listen to students' concerns about academic, emotional or social problems, help students process their problems and plan their goals, mediate conflict between students and teachers, and improve parent/teacher relationships.                                |
| Ellis, Yvette   | School Counselor    | Listen to students' concerns about academic, emotional or social problems, help students process their problems and plan their goals, mediate conflict between students and teachers, and improve parent/teacher relationships.                                |
| Cubano, Frances | Teacher, ESE        | Provide information to students, parents and teachers on how to appropriately implement accommodations for students with Individual Educational Plans and Section 504 Plans.   |
| Sicard, Deborah | Reading Coach       | Develop Literacy Plan and monitor implementation. Support literacy initiatives and classroom teachers.   |
| Curry, Angelica | School Counselor    | Provide counseling and academic support to students. Facilitate parent conferences.  |

## Demographic Information

### Principal start date

Tuesday 8/13/2013, Ryan Reardon

**Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

**Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

9

**Total number of teacher positions allocated to the school**

53

**Total number of students enrolled at the school**

779

**Identify the number of instructional staff who left the school during the 2021-22 school year.**

11

**Identify the number of instructional staff who joined the school during the 2022-23 school year.**

12

### Demographic Data

### Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

| Indicator  | Grade Level |   |   |   |   |   |     |     |     |    |    |    |    |     | Total |
|--|-------------|---|---|---|---|---|-----|-----|-----|----|----|----|----|-----|-------|
|  | K           | 1 | 2 | 3 | 4 | 5 | 6   | 7   | 8   | 9  | 10 | 11 | 12 |     |       |
| Number of students enrolled                              | 0           | 0 | 0 | 0 | 0 | 0 | 196 | 231 | 248 | 35 | 24 | 20 | 29 | 783 |       |
| Attendance below 90 percent                              | 0           | 0 | 0 | 0 | 0 | 0 | 66  | 80  | 92  | 6  | 3  | 1  | 9  | 257 |       |
| One or more suspensions                                  | 0           | 0 | 0 | 0 | 0 | 0 | 52  | 56  | 65  | 1  | 0  | 0  | 0  | 174 |       |
| Course failure in ELA                                    | 0           | 0 | 0 | 0 | 0 | 0 | 5   | 33  | 21  | 0  | 0  | 0  | 0  | 59  |       |
| Course failure in Math                                   | 0           | 0 | 0 | 0 | 0 | 0 | 11  | 6   | 9   | 0  | 0  | 0  | 1  | 27  |       |
| Level 1 on 2022 statewide FSA ELA assessment             | 0           | 0 | 0 | 0 | 0 | 0 | 79  | 90  | 105 | 2  | 2  | 0  | 0  | 278 |       |
| Level 1 on 2022 statewide FSA Math assessment            | 0           | 0 | 0 | 0 | 0 | 0 | 94  | 103 | 157 | 5  | 2  | 0  | 0  | 361 |       |
| Number of students with a substantial reading deficiency | 0           | 0 | 0 | 0 | 0 | 0 | 40  | 29  | 8   | 0  | 0  | 0  | 0  | 77  |       |

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

| Indicator                            | Grade Level |   |   |   |   |   |     |     |     |   |    |    |    |     | Total |
|--------------------------------------|-------------|---|---|---|---|---|-----|-----|-----|---|----|----|----|-----|-------|
|                                      | K           | 1 | 2 | 3 | 4 | 5 | 6   | 7   | 8   | 9 | 10 | 11 | 12 |     |       |
| Students with two or more indicators | 0           | 0 | 0 | 0 | 0 | 0 | 108 | 106 | 132 | 3 | 1  | 0  | 1  | 351 |       |

Using current year data, complete the table below with the number of students identified as being "retained.":

| Indicator                           | Grade Level |   |   |   |   |   |   |   |    |   |    |    |    | Total |
|-------------------------------------|-------------|---|---|---|---|---|---|---|----|---|----|----|----|-------|
|                                     | K           | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8  | 9 | 10 | 11 | 12 |       |
| Retained Students: Current Year     | 0           | 0 | 0 | 0 | 0 | 0 | 2 | 1 | 50 | 0 | 0  | 0  | 0  | 53    |
| Students retained two or more times | 0           | 0 | 0 | 0 | 0 | 0 | 3 | 0 | 17 | 1 | 1  | 0  | 0  | 22    |

Date this data was collected or last updated

Thursday 9/1/2022

The number of students by grade level that exhibit each early warning indicator:

| Indicator  | Grade Level |   |   |   |   |   |     |     |     |    |    |    |    | Total |
|--|-------------|---|---|---|---|---|-----|-----|-----|----|----|----|----|-------|
|  | K           | 1 | 2 | 3 | 4 | 5 | 6   | 7   | 8   | 9  | 10 | 11 | 12 |       |
| Number of students enrolled                              | 0           | 0 | 0 | 0 | 0 | 0 | 232 | 225 | 247 | 30 | 26 | 30 | 27 | 817   |
| Attendance below 90 percent                              | 0           | 0 | 0 | 0 | 0 | 0 | 100 | 109 | 108 | 4  | 4  | 1  | 6  | 332   |
| One or more suspensions                                  | 0           | 0 | 0 | 0 | 0 | 0 | 7   | 11  | 12  | 0  | 0  | 0  | 0  | 30    |
| Course failure in ELA                                    | 0           | 0 | 0 | 0 | 0 | 0 | 51  | 15  | 43  | 3  | 8  | 0  | 1  | 121   |
| Course failure in Math                                   | 0           | 0 | 0 | 0 | 0 | 0 | 67  | 14  | 18  | 1  | 0  | 1  | 0  | 101   |
| Level 1 on 2019 statewide FSA ELA assessment             | 0           | 0 | 0 | 0 | 0 | 0 | 68  | 62  | 86  | 2  | 0  | 1  | 1  | 220   |
| Level 1 on 2019 statewide FSA Math assessment            | 0           | 0 | 0 | 0 | 0 | 0 | 63  | 54  | 97  | 2  | 0  | 0  | 6  | 222   |

### Part III: Planning for Improvement

**Data Analysis**

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

**What trends emerge across grade levels, subgroups and core content areas?**

The reported trends across all grade levels, subgroups, and core content areas as ELA reporting 31%, Math Achievement reporting 19%, Science reporting 24%, and Social Studies reporting 44%.

**What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?**

The greatest need for improvement based off progress monitoring and 2022 state assessments is Math Achievement, reporting 19%.

**What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?**

Contributing factors to this need for improvement include low reporting data on formative assessments. New actions that will be taken to address this need for improvement will be creating push-in and pull-out groups facilitated by the math coach, individualized instruction for students during class, and establishing high expectations for all students.

**What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?**

Based off progress monitoring and 2022 state assessments, the most improved area was Math Learning Gains, reporting 36%.

**What were the contributing factors to this improvement? What new actions did your school take in this area?**

Contributing factors to this improvement were individualized instruction for students, a focus on data analysis during all Professional Learning Communities, and parental involvement.

**What strategies will need to be implemented in order to accelerate learning?**

To accelerate learning, there must be continued parental involvement, individualized instruction for all students, and continuous monitoring of data to ensure all students are proficient on all assessments.

**Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.**

There will be many professional development opportunities that will be offered throughout the school year to support teachers and leaders. Professional development workshops will include Culturally Responsive Teaching, literacy workshops, Professional Learning Communities, ESE and ELL strategies, and analyzing data.

**Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.**

Additional services that will be implemented to ensure sustainability of improvement in the next year and beyond is providing multiple opportunities to increase parental involvement throughout the school year.

Lauderhill 6-12 STEM-MED Magnet School recognizes that student achievement is directly linked to parental involvement.

**Areas of Focus**

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

**#1. Instructional Practice specifically relating to Math****Area of Focus Description and Rationale:**

**Include a rationale that explains how it was identified as a critical need from the data reviewed.**

Based on the 2022 data, Math Achievement increased to 19%, the lowest reporting subgroup from the 2022 school year.

**Measurable Outcome:**

**State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.**

By May 2023, math achievement will increase by 5% as measured by the F.A.S.T. Assessment.

**Monitoring:**

**Describe how this Area of Focus will be monitored for the desired outcome.**

This area of focus will be monitored throughout the year through data chats with students, teachers, and administration. This will allow for continuous improvement, strategic instructional planning, and individualized instruction for all students.

**Person responsible for monitoring outcome:**

Keisha Maxwell (kmaxwell@browardschools.com)

**Evidence-based Strategy: Describe the evidence-based strategy being implemented for this Area of Focus.**

The evidence-based strategy being implemented for this area of focus will be weekly teacher-led Professional Learning Communities, providing additional opportunities for parental involvement, and a focus on data analysis.

**Rationale for Evidence-based Strategy:**

**Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.**

The rationale for selecting teacher-led Professional Learning Communities will create collaboration amongst teachers to plan for individualized instruction. Data analysis will allow for continuous progress monitoring and parental involvement will increase and support student achievement .

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Documented minutes for each Professional Learning Community will allow for increased opportunities for teachers to plan for content driven instruction as well as data analysis.

**Person Responsible**

Keisha Maxwell (kmaxwell@browardschools.com)

With the new F.A.S.T. Assessment in Math coupled with new textbooks, we will provide additional math professional development opportunities via Math Coach and District Secondary Math Support.

**Person Responsible**

Jean Galiotte (jean.galiotte@browardschools.com)

Teacher and student math data chats following each Progress Monitoring test administration to gauge pacing of curriculum, level of understanding, growth and progress towards goals.

**Person Responsible**

Keisha Maxwell (kmaxwell@browardschools.com)

**#2. Instructional Practice specifically relating to ELA****Area of Focus  
Description and  
Rationale:**

**Include a rationale that explains how it was identified as a critical need from the data reviewed.**

Based on the 2022 data, ELA Achievement remained at 31%.

**Measurable Outcome:**

**State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.**

By May 2023, student ELA Achievement will increase by 5% as measured by the F.A.S.T. Assessment.

**Monitoring:  
Describe how this Area of Focus will be monitored for the desired outcome.**

This area of focus will be monitored for the desired outcome throughout the year through data chats with students, teachers, and administration. Pull-out and push-in groups will be facilitated with our literacy coach. Formative and summative assessments will also be administered three times throughout the school year to maintain continuous improvement through analysis of data.

**Person responsible for monitoring outcome:**

Shannon Burch (shannon.burch@browardschools.com)

**Evidence-based Strategy:  
Describe the evidence-based strategy being implemented for this Area of Focus.**

The evidence-based strategy being implemented for this area of focus include data chats during Professional Learning Communities with a focus on current data analysis. All Professional Learning Communities will be facilitated with fidelity, ensuring teachers are sharing instructional practices to increase and impact student achievement. differentiated instruction, and promote parental involvement.

**Rationale for Evidence-based Strategy:**

**Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.**

The rationale for selecting data analysis allows for increased opportunities for students to be performing on their instructional level through differentiated instruction. Data analysis will also allow for teachers and parents to stay abreast of students' progress.

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

The literacy coach will conduct pull-outs/push-ins to monitor student learning to provide ongoing feedback that can be used by teachers to improve their teaching and by students to improve their learning. This will ensure all students are provided extended learning opportunities.

**Person Responsible** Shannon Burch (shannon.burch@browardschools.com)

Teachers will continually collaborate via scheduled Professional Learning Community meetings facilitated by Literacy Coach and/or District Instructional Specialist support.

**Person Responsible** Deborah Sicard (deborah.sicard@browardschools.com)

Extended Learning Opportunities will be provide to targeted group of students to monitor progress on ELA state standards on areas identified on F.A.S.T ELA PM assessments.

**Person Responsible**      Shannon Burch (shannon.burch@browardschools.com)

**#3. Instructional Practice specifically relating to Science**

**Area of Focus Description and Rationale:**  
**Include a rationale that explains how it was identified as a critical need from the data reviewed.**

Based on the 2022 assessment data, Science Achievement is 24%, a 3% increase from the 2021 school year.

**Measurable Outcome:**  
**State the specific measurable outcome the school plans to achieve.**  
**This should be a data based, objective outcome.**

By May 2023, science achievement will increase by 5% as measured by the F.A.S.T. Assessment.

**Monitoring:**  
**Describe how this Area of Focus will be monitored for the desired outcome.**

This area of focus will be monitored for the desired outcome through data chats with students, administration, and teachers. It will also be monitored through formative and summative assessments, enforcing continuous improvement for all stakeholders.

**Person responsible for monitoring outcome:**

Keisha Maxwell (kmaxwell@browardschools.com)

**Evidence-based Strategy:**  
**Describe the evidence-based strategy being**

The evidence-based strategy being implemented for this area of focus includes Professional Learning Communities, all teacher-led. All Professional Learning Communities will be facilitated with fidelity, ensuring teachers are sharing instructional practices to increase and impact student achievement. Additionally, Lauderhill 6-12 STEM-MED Magnet School will focus on the pacing calendar, which will ultimately provide maximum instruction for all students to meet or exceed proficiency levels. The science department will also attend specific and deliberate professional development workshops that are designed to increase teacher efficacy, instructional practices, and increase student

**implemented for this Area of Focus.**

achievement on all formative and summative assessments. All new educators in the department will be provided support through the District and school.

**Rationale for Evidence-based Strategy:****Explain the rationale for selecting this specific strategy.**

Based on the needs of Lauderhill 6-12 STEM-MED Magnet School, it is critical that all teachers are equipped with the tools necessary to provide individualized instruction. We are committed to teach the whole child, ensuring all students are proficient in all content areas. Additionally, with a focus on increasing student outcomes, all students will stay abreast of their progress throughout the year with data chats with administration, teachers, and coaches.

**Describe the resources/ criteria used for selecting this strategy.****Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Using datasheets, students, teachers, and administration will continue to monitor the progress of all students via data chats with teachers. Adjust scheduling to meet the needs of students as reflected by the SSA scores or teacher recommendation.

**Person****Responsible**

Keisha Maxwell (kmaxwell@browardschools.com)

Teachers will review and make lesson adjustments with regular attendance at Professional Learning Community meetings as facilitated by Science Department Chair.

**Person****Responsible**

Renee Barnett (renee.barnett@browardsschools.com)

Students in 8th grade science and 7th grade GEARS 2 (Accelerated Comprehensive Science 2) targeted for SSA proficiency will receive Extended Learning Opportunity before or after school by certified science teachers.

**Person****Responsible**

Keisha Maxwell (kmaxwell@browardschools.com)

**#4. ESSA Subgroup specifically relating to Outcomes for Multiple Subgroups****Area of Focus****Description and****Rationale:**

**Include a rationale that explains how it was identified as a critical need from the data reviewed.**

Based on ESSA Federal Index - Student with Disabilities (SWD) subgroup level for 2021 at 26% and English Language Learner (ELL) subgroup at 30% where both subgroups are below 41% for three (3) consecutive years.

**Measurable****Outcome:**

**State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.**

By May 2023, SWD and ELL students will increase ELA proficiency by 5% as measured by the F.A.S.T Assessment.

**Monitoring:**

**Describe how this Area of Focus will be monitored for the desired outcome.**

This area of focus will be monitored for the desired outcome through data chats with students, administration and teachers. Additionally, formative assessment and CPST meetings.

**Person responsible for monitoring outcome:**

Shannon Burch (shannon.burch@browardschools.com)

**Evidence-based Strategy:**

**Describe the evidence-based strategy being implemented for this Area of Focus.**

The evidenced-based strategy being implemented for this area of focus includes Professional Learning Communities facilitated by Literacy Coach / Response to Intervention (RtI) Coordinator. This will ensure best practices will be shared with fidelity. Additionally, the ESE Specialist will work directly with all stakeholders to ensure all students are proficient through facilitating parent meetings, Family Nights, and intervention meetings.

**Rationale for Evidence-based Strategy:**

**Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.**

Based on the needs of the school and the new assessment tool, teachers must be equipped with the necessary tools to ensure student growth and success. This will also transfer into supporting standards-based instructional practice.

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Using data pulled from MTSS/RtI database, RtI team and teachers will be able to monitor students and provide academic supports for targeted students in SWD and ELL subgroups.

**Person Responsible** Shannon Burch (shannon.burch@browardschools.com)

Provide targeted instruction and support to targeted SWD and ELL subgroup via push-in, pull-out, before or after school Extended Learning Opportunity program(s).

**Person Responsible** Shannon Burch (shannon.burch@browardschools.com)

Teachers and administrators will attend CPST/Rtl meetings to monitor student progress and identify interventions, strengths, needs and resources for student achievement.

**Person Responsible** Leslie Farr (lfarr@browardschools.com)

### **Positive Culture & Environment**

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

#### **Describe how the school addresses building a positive school culture and environment.**

Identifying the diverse needs of cultural traditions amongst students, community, and stakeholders can be accomplished with the accompaniment of the programmed performance initiatives, resource fairs, conceptualizing beliefs, concepts of fairness and equity via opened forums with local political leaders, while embracing the values and rich history and contributions of identified individuals.

Our school will identify employee and teacher of the year to acknowledge their contributions in building positive school culture. Providing multiple opportunities for parental involvement will also be given throughout the school year.

#### **Identify the stakeholders and their role in promoting a positive school culture and environment.**

Stakeholders that are instrumental in promoting a positive school culture and environment begins with the principal and administration. Additional stakeholders include clerical/customer service front line team, faculty and staff. Student support groups such as Student Government Association also plays a pivotal role in spreading the message of caring from the ground up.
