Demographics

Principal: Elizabeth Darcy

Start Date for this Principal: 7/1/2021

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2021-22 Title I School	No
2021-22 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	32%
2021-22 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners Asian Students Black/African American Students Hispanic Students Multiracial Students White Students Economically Disadvantaged Students
School Grades History	2021-22: A (62%) 2018-19: A (65%) 2017-18: A (65%)
2019-20 School Improvement (SI) Information*	
SI Region	Southeast
Regional Executive Director	LaShawn Russ-Porterfield
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	ATSI
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan was approved by the Seminole County School Board on 10/25/2022.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan was approved by the Seminole County School Board on 10/25/2022.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The mission of Carillon Elementary School is to ensure that all students acquire the knowledge, skills, and mindsets to be capable, connected, collaborative, and contributing citizens in our ever-changing world.

Provide the school's vision statement.

Carillon Elementary strives to support our students in becoming Capable, Connected, Collaborative and contributing members of the community. Our vision is for Carillon Elementary School to be identified as a premier elementary school in Seminole County and recognized for innovating learning environments, engaging instruction, strong relationships, and individualized student success.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

Name	Position Title	Job Duties and Responsibilities
Agosto, Alexis	Principal	Mr. Agosto is the instructional leader of the school and is ultimately responsible for completing both the mission of the school and the district. The principal is responsible for the safety, relationships, and achievement of students and faculty/staff.
Adames, Teddy	Assistant Principal	Mrs. Adames' responsibilities are to assist the principal in being the instructional leader for the school. Her responsibilities include, but are not limited to custodial and facility supervision, literacy instruction and planning, evaluations, testing, dual language, and data analysis.
Boza, Maegan	Assistant Principal	Mrs. Boza responsibilities are to assist the principal in being the instructional leader for the school. Her responsibilities include, but are not limited to discipline, math instruction, evaluations, schedule creation, and data analysis.
Flora, Jennifer	School Counselor	Mrs. Flora serves the schools and student needs by fulfilling the responsibilities that include, but are not limited to, assisting students in crisis, supervising and coordinating the SST schedule, and helping teachers who serve students with exceptionalities.
Osburn-Rapp, Amy	School Counselor	Ms. Osburn-Rapp serves the schools and student needs by fulfilling the responsibilities that include, but are not limited to, assisting with students in crisis, supervising and coordinating the MTSS process, and helping teachers who serve students struggling to make progress.
Hill, Cyndy	Instructional Coach	Mrs. Hill's responsibilities include, but are not limited to, supporting instructional needs in Math and coordinating the Expanding Academic Readiness and Targeted Help (EARTH) blocks at Carillon. As a coach is responsible for completing the coaching cycles with K-5 teachers.
Zuccarini, Krysti	Instructional Coach	Mrs. Zuccarini's responsibilities include, but are not limited to, supporting instructional needs, and coordinating the Expanding Academic Readiness and Targeted Help (EARTH) blocks at Carillon. As a coach is responsible for completing the coaching cycles with K-2 teachers.
Robinson, Tracy	Instructional Technology	Mrs. Robinson's primary responsibilities include but are not limited to, maintaining, and assisting the strong integration of technology into instruction at Carillon. Mrs. Robinson supports grades 3-5 in ELA. As a coach is responsible for completing the coaching cycles with 3-5 teachers.
Youmans, Amy	Teacher, ESE	Mrs. Youmans responsibilities include, but are not limited to, enhancing, and coordinating the education of the gifted and creating and supporting enrichment activities for all students.

Demographic Information

Principal start date

Thursday 7/1/2021, Elizabeth Darcy

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

3

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

15

Total number of teacher positions allocated to the school

52

Total number of students enrolled at the school

946

Identify the number of instructional staff who left the school during the 2021-22 school year.

4

Identify the number of instructional staff who joined the school during the 2022-23 school year.

1

Demographic Data

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	156	140	149	166	173	167	0	0	0	0	0	0	0	951
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA	1	3	4	0	0	0	0	0	0	0	0	0	0	8
Course failure in Math	1	1	1	1	0	1	0	0	0	0	0	0	0	5
Level 1 on 2022 statewide FSA ELA assessment	0	0	0	4	16	17	0	0	0	0	0	0	0	37
Level 1 on 2022 statewide FSA Math assessment	0	0	0	3	12	18	0	0	0	0	0	0	0	33
Number of students with a substantial reading deficiency	0	1	1	3	0	0	0	0	0	0	0	0	0	5

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students with two or more indicators	0	3	3	0	0	1	0	0	0	0	0	0	0	7

Using current year data, complete the table below with the number of students identified as being "retained.":

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Retained Students: Current Year	1	5	2	9	4	7	0	0	0	0	0	0	0	28
Students retained two or more times	0	0	0	0	0	0	0	0	0	0	0	0	0	0

Date this data was collected or last updated

Monday 8/15/2022

Part III: Planning for Improvement

Data Analysis
 Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Low performance of students with disabilities across all state assessment components.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

Components in need of improvement include Low 25 Learning Gains for ELA and Math

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Factors contributing to the low performance include disruption in instructional continuity due to the pandemic that further widened gaps in students' foundational skills. Actions to support improvement in these areas will include frequent formative progress monitoring with target support and acceleration in identified areas of need.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Components showing the most improvement include Learning Gains and Low 25 Learning Gains in ELA and Math and Science Achievement.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Deliberate monitoring of specific student groups contributed to this improvement. Actions included focus on the monitoring of the lowest 30% of students, acceleration of high level 1 and high level 2 and level 3 students along with standards based tutoring.

What strategies will need to be implemented in order to accelerate learning?

Acceleration strategies will include strategic monitoring of lowest 30% of students, acceleration of high level 1 and high level 2 and level 3 students, more frequent common formative assessment to gather progress monitoring data and highly structured professional learning community discussions using this data to collaborate on strategies to accelerate student learning

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Professional development will be focused on the development of highly effective professional learning communities and how school-based leaders can foster the growth and development of teacher collaboration for student success.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Additional services dedicated to student acceleration include focus on instructional strategies Sustainability of improvement efforts Additional services dedicated to student acceleration include support of standards based instruction across all content areas, social emotional learning support for students and families, data driven tutoring and acceleration support and expanded use of SCPS early warning tracking and MTSS based support.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. ESSA Subgroup specifically relating to Students with Disabilities

Area of Focus Description and Rationale:
Include a rationale that explains how it was identified as a critical need from the data reviewed.

Increasing academic achievement of students with disabilities. ESSA Federal Percent of Points Index indicates this is a high priority need and focusing on the success of these students will reduce achievement gaps and prepare these students for future academic success.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase achievement and learning gains for students with disabilities.

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitored through classroom walk throughs, review of progress monitoring data and through data chats with professional learning communities.

Person responsible for monitoring outcome:

Alexis Agosto (alexis_agosto@scps.k12.fl.us)

Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.

Lessons aligned to B.E.S.T. benchmarks at the appropriate grade level of complexity with ongoing feedback loops between leadership and teachers, students and teachers and student with students and PLCs focused on data, instructional planning and student evidence of learning.

Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Standards based lessons differentiated to meet the needs of these specific student groups and data driven deliberate action planning will improve achievement and learning gains for our students. This strategy is aligned to having high expectations for all learners and teachers.

Action Steps to Implement
 List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Build capacity of the new B.E.S.T. Standards by ensuring teachers' instruction is aligned to the standards.

Person Responsible Alexis Agosto (alexis_agosto@scps.k12.fl.us)

Students will track educational goals, which will be shared during parent, teacher, and student conferences.

Person Responsible Alexis Agosto (alexis_agosto@scps.k12.fl.us)

Teachers, coaches, and administrators meet weekly based on their content area to address the Four PLCs' questions to adjust instruction as needed.

Person Responsible Alexis Agosto (alexis_agosto@scps.k12.fl.us)

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

Carillon Elementary utilizes a multi-faceted approach to building positive relationships, communicating our mission and vision, and keeping parents informed of student progress. Teachers and staff members communicate with parents on a daily basis and hold parent/teacher conferences on a consistent basis to address student needs. Administration sends out a newsletter (both electronically and hard copy) at the beginning of every month and a general letter at some point during the middle of each month to keep parents informed on the many happenings at our school. Social media accounts and websites are updated on a regular basis in order to keep parents informed of school events and opportunities.

Identify the stakeholders and their role in promoting a positive school culture and environment.

Administration Team: The Administration team will facilitate and support the schoolwide implementation of our school-wide practices for PBIS.

Teachers: Teachers create a positive classroom that includes establishing clear expectations, predictable classroom routines, and an effectively designed classroom for learning.

Parents: Parental involvement is crucial in supporting a positive home-to-school connection. Parents can support school efforts by providing a safe and supportive environment for students, modeling positive behaviors, regular attendance, and participating in school events and activities.

Students: Students will be active participants in their learning and modeling good citizenship expectations.
