Demographics

Principal: Anthony Losada

Start Date for this Principal: 1/7/2019

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Combination School KG-8
Primary Service Type (per MSID File)	K-12 General Education
2021-22 Title I School	No
2021-22 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	71%
2021-22 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* English Language Learners Asian Students Black/African American Students Hispanic Students Multiracial Students White Students Economically Disadvantaged Students
School Grades History	2021-22: A (69%) 2018-19: A (72%) 2017-18: A (72%)
2019-20 School Improvement (SI) Information*	
SI Region	Central
Regional Executive Director	Lucinda Thompson
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	N/A
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Manatee County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

This plan is pending approval by the Manatee County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

Mission statement: Our mission is to inspire students to achieve academic excellence, embrace global diversity, and become lifelong learners.

Provide the school's vision statement.

Vision statement: Johnson K-8 School of International Studies will empower students to live the International Baccalaureate Learner Profile, teach the importance of social and emotional competencies, and foster a caring community of compassionate and respectful learners. Together, students and staff will aspire to be the positive change in our society.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

Name	Position Title	Job Duties and Responsibilities
Losada, Anthony (Tony)	Principal	<p>PERFORMANCE RESPONSIBILITIES:</p> <p>Instructional Program Management / Development</p> <ol style="list-style-type: none"> 1. Manage and administer the instructional program so as to ensure all students the opportunity to learn. 2. Provide leadership and direction for the implementation and evaluation of curriculum and instruction at the assigned school consistent with the District's goals and priorities. 3. Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

One trend that emerged is that learning gains in reading and math increased across all grade levels. While not falling below 41%, the performance of our students with disabilities is below the expectations for our schools.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

The greatest need for improvement is shown in the learning gains for the lowest 25% on the FSA and in the sub group data. To address this need for improvement we will be providing faculty with professional learning opportunities to strengthen instructional practices, providing students with after-school tutoring to fill learning gaps, and adjusting tiered intervention groups based on progress monitoring data.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Some contributing factors for this need for improvement include limited staff support, learning loss related to the global pandemic, and faculty mobility rate. To address this need for improvement we will be providing faculty with professional learning opportunities to strengthen instructional practices, providing students with after-school tutoring to fill learning gaps, and adjusting tiered intervention groups based on students' progress monitoring data.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Based off 2022 state assessments, achievement in both mathematics and science showed the most improvement.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Contributing factors included the implementation of new mathematical programs to fidelity, improved Professional Learning Communities, and targeted tiered interventions.

What strategies will need to be implemented in order to accelerate learning?

Strategies that we will use to accelerate learning include vertical planning sessions throughout the school year, accelerated reading and math courses for select grade levels, and close progress monitoring of classroom based assessments for standards mastery.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Professional development to accelerate learning will include vertical planning sessions on reading and mathematics, training on the DBQ for reading acceleration, and supporting parents with their child's acceleration through Parent University nights and our school website.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Additional services will include detailed progress monitoring through our Instructional Leadership Team, program implementation incentives for faculty and students, and funding after-school academic support for students.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

After reviewing the 2022 FSA data, 52% of students made learning gains in the area of reading. This percentage was lower than our projected goals established for our students.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

By the end of the 2022-2023 school year, 100% of students who scored a level 1, 2, 3, or 4 in the area of reading as measured by the 21-22 FSA, will score one level higher as measured by percentile rank of the 22-23 PM3 administration of the F.A.S.T.

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitoring through district quarterly benchmarks and the administration of the PM2 F.A.S.T. By using this data we will be able to adjust tiered interventions and other instructional practices to meet the needs of students.

Person responsible for monitoring outcome:

Anthony (Tony) Losada (losadaa@manateeschools.net)

Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.

The evidence-based strategies will include implementation of curriculum programs to fidelity, targeted tiered interventions, and close progress monitoring by the Instructional Leadership Team.

Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy.

The strategies listed above were developed using the research found in John Hattie's Visible Learning which suggests that the strategies that have a high positive impact on student achievement is assessment-capable learning, direct instruction, and teacher efficacy. Both assessment-capable learning and direct instruction are used to create and manage tiered intervention groups. All of these strategies will be implemented throughout the year as well as professional learning to increase the fidelity of program implementation. Time will be designated for all teachers to receive needed professional learning.

Describe the resources/ criteria used for selecting this strategy.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Professional learning opportunities for reading curriculum programs including i-Ready, Benchmark Advanced, DBQ Project, and Lexia.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

Development of tiered intervention groups including identification of students, identification of targeted skills, and selection of progress monitoring tools.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

Weekly and monthly review of progress monitoring data by Teacher Curriculum Teams and Instructional Leadership Team.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

#2. Instructional Practice specifically relating to Math**Area of Focus
Description and
Rationale:****Include a rationale that explains how it was identified as a critical need from the data reviewed.**

After reviewing the 2022 FSA data, 69% of students made learning gains in the area of reading. This percentage was lower than our projected goals established for our students.

**Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.**

By the end of the 2022-2023 school year, 100% of students who scored a level 1, 2, 3, or 4 in the area of mathematics as measured by the 21-22 FSA, will score one level higher as measured by percentile rank of the 22-23 PM3 administration of the F.A.S.T.

**Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.**

This area of focus will be monitoring through district quarterly benchmarks and the administration of the PM2 F.A.S.T. By using this data, we will be able to adjust tiered interventions and other instructional practices to meet the needs of students.

Person responsible for monitoring outcome:

Anthony (Tony) Losada (losadaa@manateeschools.net)

**Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.**

The evidence-based strategies will include implementation of curriculum programs to fidelity, targeted tiered interventions, close progress monitoring by the Instructional Leadership Team.

**Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy.**

The strategies listed above were developed using the research found in John Hattie's Visible Learning which suggests that the strategies that have a high positive impact on student achievement is assessment-capable learning, direct instruction, and teacher efficacy. Both assessment-capable learning and direct instruction are used to create and manage tiered intervention groups. All of these strategies will be implemented throughout the year as well as professional learning to increase the fidelity of program implementation. Time will be designated for all teachers to receive needed professional learning.

Describe the resources/ criteria used for selecting this strategy.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Professional learning opportunities for mathematics curriculum programs including SuccessMaker, First in Math, Savvas, Acaletics, and Dreambox.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

Development of tiered intervention groups including identification of students, identification of targeted skills, and selection of progress monitoring tools.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

Weekly and monthly review of progress monitoring data by Teacher Curriculum Teams and Instructional Leadership Team.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

#3. Instructional Practice specifically relating to ELA**Area of Focus
Description and
Rationale:**

Include a rationale that explains how it was identified as a critical need from the data reviewed.

After reviewing the 2022 FSA data, 62% of were proficient in the area of reading achievement. This percentage was lower than our projected goals established for our students.

**Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.**

Through the implementation of writing and inquiry across all content areas, we will achieve an A as a combined K-8 school as measured by the state's overall school grade calculation for academic proficiency.

**Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.**

This area of focus will be monitoring through district quarterly benchmarks and the administration of the PM2 F.A.S.T. Additionally, lesson plans will be submitted to and reviewed by administrators on a weekly basis. By using this data, we will be able to adjust tiered interventions and other instructional practices to meet the needs of students.

Person responsible for monitoring outcome:

[no one identified]

**Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.**

The evidence-based strategies will include implementation of curriculum programs to fidelity, targeted tiered interventions, close progress monitoring by the Instructional Leadership Team.

**Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.**

The strategies listed above were developed using the research found in Fisher and Frey's Checking for Understanding: Formative Assessment Techniques for Your Classroom which includes notes on how student writing clarifies their thinking. Student writing in all content areas will support comprehension in the content areas and effectively support student achievement.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Professional learning opportunities for writing curriculum programs including No Red Ink and other standards-based curriculum.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

Weekly and monthly review of lesson plans and student work samples by Teacher Curriculum Teams and the Instructional Leadership Team.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

#4. Positive Culture and Environment specifically relating to Student Discipline

Area of Focus

Description and

Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

After reviewing the 2022 student discipline data, there were 140 office discipline referrals for inappropriate behavior. This number was lower than our projected goals established for our students.

Measurable

Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

By the end of the 2022-2023 school year, we will reduce our referrals related to inappropriate behavior by 20% as measured by Focus discipline data.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitored through monthly data reviews with the Instructional Leadership Team as well as the Intensive Support Team.

Person responsible for monitoring outcome:

Anthony (Tony) Losada (losadaa@manateeschools.net)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

The evidence-based strategies will include implementation of discipline and life skills programs to fidelity, targeted tiered interventions, and close progress monitoring by the Instructional Leadership Team. The strategies listed above were developed using the research found in Spark program which details the positive affect on student behavior that brain-based instruction, student engagement, relational/responsive practices have.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

The strategies listed above were developed using the research found in Spark program which details the positive affect on student behavior that brain-based instruction, student engagement, relational/responsive practices have.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Professional learning opportunities for life skills curriculum programs including SPARK, CHAMPS, and Class Dojo. Continuous conversations and time will be designated for additional professional learning opportunities for all students.

Person Responsible

Anthony (Tony) Losada (losadaa@manateeschools.net)

Development of tiered intervention groups including identification of students, identification of targeted skills, and selection of progress monitoring tools.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

Weekly and monthly review of progress monitoring data by Teacher Curriculum Teams and Instructional Leadership Team.

Person Responsible Anthony (Tony) Losada (losadaa@manateeschools.net)

RAISE

The RAISE program established criteria for identifying schools for additional support. The criteria for the 2022-23 school year includes schools with students in grades Kindergarten through fifth, where 50 percent or more of its students, for any grade level, score below a level 3 on the most recent statewide English Language Arts (ELA) assessment.

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

N/A

Grades 3-5: Instructional Practice specifically relating to Reading/ELA

N/A

Measurable Outcomes:

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K-3, using the new coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment.
- Each grade 3-5 where 50 percent or more of its students scored below a level 3 on the most recent statewide, standardized ELA assessment and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2: Measureable Outcome(s)

N/A

Grades 3-5: Measureable Outcome(s)

N/A

Monitoring:

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will take place with evaluating impact at the end of the year.

N/A

Person responsible for monitoring outcome:

Select the person responsible for monitoring this outcome.

Losada, Anthony (Tony), losadaa@manateeschools.net

Evidence-based Practices/Programs:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. Â§7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

N/A

Rationale for Evidence-based Practices/Programs:

Explain the rationale for selecting the specific practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified practices/programs show proven record of effectiveness for the target population?

N/A

Action Steps to Implement:

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step**Person Responsible for Monitoring**

N/A

Losada, Anthony (Tony), losadaa@manateeschools.net

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

We are building a positive school culture and environment through the implementation of CHAMPS, a schoolwide token economy for our PBIS program, and celebrations for faculty and staff. CHAMPS is a classroom management program used by all faculty to teach students classroom and campus expectations to remove ambiguity with regard to student behavior. The token economy used for PBIS at Johnson is Class Dojo, which allows faculty and staff to acknowledge and reward the positive behaviors that our students demonstrate. Students use the points earned from Class Dojo to receive prizes and rewards from their classroom teacher and from the school. In addition to the token economy used with students, at Johnson we have a system for faculty and staff to acknowledge and reward their exceeding school expectations. Faculty and staff are able to receive rewards from this program as well.

Identify the stakeholders and their role in promoting a positive school culture and environment.

Several stakeholders will be involved in the development of our positive school culture and environment. The school's goal is to ensure that faculty, staff, and students all feel appreciated for their hard work. The principal will lead the implementation of tier 1 programs with students and the program incentives for faculty and staff. The school-based leadership team will assist the principal in program implementation and progress monitoring. Parents and families will support the positive school culture through at-home protocol practice and assistance with incentives.
