Demographics

# Principal: Thomas Bennett M

Start Date for this Principal: 9/6/2022

<b>2019-20 Status</b> (per MSID File)	Active
School Type and Grades Served (per MSID File)	Combination School KG-12
Primary Service Type (per MSID File)	K-12 General Education
2021-22 Title I School	No
2021-22 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	36%
<b>2021-22 ESSA Subgroups Represented</b> (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	
School Grades History	2021-22: I (%) 2018-19: No Grade 2017-18: No Grade
2019-20 School Improvement (SI) Information	*
SI Region	Northeast
Regional Executive Director	Cassandra Brusca
Turnaround Option/Cycle	N/A
Year	
Support Tier	
	CSI

## School Board Approval

This plan was approved by the Levy County School Board on 10/25/2022.

#### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <u>www.floridacims.org.</u>

#### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

This plan was approved by the Levy County School Board on 10/25/2022.

#### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridaCIMS.org">https://www.floridaCIMS.org</a>.

#### Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## **Part I: School Information**

#### School Mission and Vision

#### Provide the school's mission statement.

Our mission is to educate all students in a safe environment and to graduate them ready for college and career success.

#### Provide the school's vision statement.

Honoring the past, building the future.

#### School Leadership Team

#### Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

Name	<b>Position Title</b>	Job Duties and Responsibilities
Bennett, Morgan	Principal	Oversees the day to day operations of Levy Virtual School. In charge of Application Committee
Harvey, David	School Counselor	Monitors students academic progress Meets and counsels students on their academic plans Testing administrator
Smith, James	Administrative Support	Supervises the day to day Levy Virtual operation. Liason between students, parents and teachers. Class scheduling Monitors students grades and pacing on a weekly basis Testing Administrator
Bowers, Paige	Teacher, K-12	Teaches Language Arts to our students K-12. She plans and prepares for instruction, as well as instructs students in Tier 2 and 3 in small groups sessions.

#### Demographic Information

#### **Principal start date**

Tuesday 9/6/2022, Thomas Bennett M

**Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective.** *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.* 

0

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

0

**Total number of teacher positions allocated to the school** 13

**Total number of students enrolled at the school** 28

Identify the number of instructional staff who left the school during the 2021-22 school year. 2

Identify the number of instructional staff who joined the school during the 2022-23 school year. 2

**Demographic Data** 

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													
indicator	Κ	1	2	3	4	5	6	7	8	9	10	11	12	Total
Number of students enrolled	4	2	2	6	4	5	8	3	6	4	5	5	1	55
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on 2022 statewide FSA ELA assessment	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on 2022 statewide FSA Math assessment	0	0	0	0	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency	0	1	0	0	0	0	0	0	0	0	0	0	0	1

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

Indicator						Gr	ade	e Le	vel					Total
indicator	κ	1	2	3	4	5	6	7	8	9	10	11	12	TOLAI
Students with two or more indicators	0	0	0	0	0	0	0	0	0	0	0	0	0	

Using current year data, complete the table below with the number of students identified as being "retained.":

Indiantar						Gr	ade	e Le	ve					Total
Indicator	κ	1	2	3	4	5	6	7	8	9	10	11	12	Total
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	0	0	0	0	

#### Date this data was collected or last updated

Indicator		Grade Level										Total		
indicator	κ	1	2	3	4	5	6	7	8	9	10	11	12	Total
Students with two or more indicators	0	0	0	0	0	0	0	0	1	0	1	0	0	2

#### The number of students identified as retainees:

Indiantan	Grade Level											Total		
Indicator	κ	1	2	3	4	5	6	7	8	9	10	11	12	Total
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	0	0	0	0	

## Part II: Needs Assessment/Analysis

#### School Data Review

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school, or combination schools).

School Grade Component		2022			2021			2019	
School Grade Component	School	District	State	School	District	State	School	District	State
ELA Achievement		40%	55%					46%	61%
ELA Learning Gains								48%	59%
ELA Lowest 25th Percentile								46%	54%
Math Achievement		35%	42%					51%	62%
Math Learning Gains								51%	59%
Math Lowest 25th Percentile								42%	52%
Science Achievement		43%	54%					54%	56%
Social Studies Achievement		47%	59%					78%	78%

#### Grade Level Data Review - State Assessments

NOTE: This data is raw data and includes ALL students who tested at the school. This is not school grade data.

## Part III: Planning for Improvement

#### Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

#### What trends emerge across grade levels, subgroups and core content areas?

Math scores are very low across the grades. Science and Social studies scores are low as well. Science currently is not counted in school grade, due to low cell size. 40% of LVS students scored a level 3 or above on the ELA State assessment compared to 43.8% in the District. 10% of LVS students scored a 3 or above on the Math assessment compared to 54.9% in the District. LVS had a very small sample size for the 2021-22 academic year.

# What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

Mathematics achievement, Reading achievement, Reading Learning Gains, Mathematics Learning Gains, Science, Social Studies

Only 5 subgroups currently over 10 students that are counting towards school grade:

ELA achievement (Currently 40% 3.0 or above) ELA learning gains (Currently 58% demonstrating learning gains) Math achievement (Currently 11% 3.0 or above) Math learning gains (Currently 38% demonstrating learning gains Social studies (Currently 45% 3.0 or above)

# What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Possible non-alignment with Edgenuity and math standards - need to crosswalk Some admitted students may have needed further review before admission to the program

# What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Limited data to make this determination (low cell size

# What were the contributing factors to this improvement? What new actions did your school take in this area?

Limited data to make this determination (low cell size)

#### What strategies will need to be implemented in order to accelerate learning?

Initiate secondary IXL/LIA progress monitoring Initiate small group (online/in person small group instruction based on subtest areas of weakness in conjunction with MTSS process initiation and monitoring. Implement supplementary writing support for LVS students.

# Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Curriculum mapping (Edgenuity to Florida Standards) for ELA, Math, Sci, SS. Needs to include LVS supplement teachers, Paige Bowers, James Smith, David Harvey, Morgan Bennett MTSS process training (Paige Bowers, James Smith, David Harvey, Morgan Bennett)

# Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Progress Monitoring 3 times a year.

Remediation services will be offered to students who are not at a Level 3 or higher in ELA or Math.

#### Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

#### **#1. Instructional Practice specifically relating to B.E.S.T. Standards**

Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed.	Low assessment scores and testing turnout.
Measurable Outcome: State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.	55% or more of Levy Virtual School students shall demonstrate proficiency (Level 3 or higher) on the 2022-23 FAST Reading assessment.
Monitoring: Describe how this Area of Focus will be monitored for the desired outcome.	Progress monitoring 3 times a year and state assessment tests.
Person responsible for monitoring outcome:	James Smith (james.smith@levyk12.org)
Evidence-based Strategy: Describe the evidence-based strategy being implemented for this Area of Focus.	Initiate secondary IXL/LIA monitoring. FAST Testing Initiate small group interventions based on subtest areas of weakness. Implement supplementary writing support for LVS students.
Rationale for Evidence-based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.	Progress monitoring will allow for weaknesses and strength of each student to be identified. Implementing supplementary writing for LVS students in their courses will help strengthen their writing skills.
Action Steps to Implement	

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#### RAISE

The RAISE program established criteria for identifying schools for additional support. The criteria for the 2022-23 school year includes schools with students in grades Kindergarten through fifth, where 50 percent or more of its students, for any grade level, score below a level 3 on the most recent statewide English Language Arts (ELA) assessment.

#### Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment.
  Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

#### Grades K-2: Instructional Practice specifically relating to Reading/ELA

n/a

#### Grades 3-5: Instructional Practice specifically relating to Reading/ELA

n/a

#### Measurable Outcomes:

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K-3, using the new coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment.
- Each grade 3-5 where 50 percent or more of its students scored below a level 3 on the most recent statewide, standardized ELA assessment and
- Grade 6 measurable outcomes may be included, as applicable.

#### Grades K-2: Measureable Outcome(s)

n/a

#### Grades 3-5: Measureable Outcome(s)

n/a

#### Monitoring:

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will take place with evaluating impact at the end of the year.

n/a

#### Person responsible for monitoring outcome:

Select the person responsible for monitoring this outcome.

#### **Evidence-based Practices/Programs:**

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidencebased Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

n/a

#### Rationale for Evidence-based Practices/Programs:

Explain the rationale for selecting the specific practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- · Do the evidence-based practices/programs address the identified need?
- Do the identified practices/programs show proven record of effectiveness for the target population?

#### n/a

#### Action Steps to Implement:

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step

**Person Responsible for Monitoring**

### **Positive Culture & Environment**

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

#### Describe how the school addresses building a positive school culture and environment.

Levy Virtual School promotes a positive school culture and environment by providing an open line of communication with all stakeholders. Students and Guardians recieve an email every week checking on their academic status. The students and guardians recieve a progress report once a week as well. Parent conferences, phone calls are made to ensure that the students educational needs are met when necessary. Academic progress is monitored daily and positive feedback is given to each student.

#### Identify the stakeholders and their role in promoting a positive school culture and environment.

Jim Smith- Administrative Assistant- monitors academic progress and is responsible for progress reports and pacing emails. He is also the point of contact for all conferences.

David Harvey- Guidance Counselor- monitors academic performance and tracks graduation requirements. Paige Bowers- Teacher- monitors academic performance and and holds virtual meetings with K-5 students. Morgan Bennett- Principal- leads staff meetings weekly to ensure the academic success of Levy Virtual School, as well as ensuring that there is a positive school culture and environment for staff and students.
