School Board Approval

N/A

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

School Board Approval

N/A

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

The City of Hialeah Educational Academy is committed to setting an environment that strives for academic achievement, develops character and maintains the goal of preparing students to serve and give back to their community in the field of public service.

Provide the school's vision statement.

The vision of the City of Hialeah Educational Academy is to provide a high quality, rigorous career oriented curriculum that will prepare students for successful progression into post-secondary education and productive employment within a multilingual work environment.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

| Name | Position Title | Job Duties and Responsibilities |
|---------------------|---------------------|--|
| Alvarez, Carlos | Principal | Master Schedule Faculty Meetings & CLC Meeting Student Government Association Academy Administrator Oversight of Athletics Community Partners FCPCS Evaluation Walk-Throughs School Governance/Oversight Committee Maintenance Administrator Internal & Operating Accounting School Safety & Compliance CRISIS Management & Intervention Title I Compliance & Oversight Instructional Leadership – All Core Areas School Budget & Expenditures Staffing Federal Grants (Title I, II, III, IV / ESSER I, II, III) Marketing & Digital Advertising Enrollment Oversight |

Demographic Information

Principal start date

Tuesday 7/1/2008, Carlos Alvarez

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

31

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

13

Total number of teacher positions allocated to the school

51

Total number of students enrolled at the school

970

Identify the number of instructional staff who left the school during the 2021-22 school year.

7

Identify the number of instructional staff who joined the school during the 2022-23 school year.

9

Demographic Data**Early Warning Systems**

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

| Indicator | Grade Level | | | | | | | | | | | | | | Total |
|--|-------------|---|---|---|---|---|-----|-----|-----|-----|-----|-----|-----|-----|-------|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | | |
| Number of students enrolled | 0 | 0 | 0 | 0 | 0 | 0 | 112 | 136 | 160 | 161 | 148 | 133 | 120 | 970 | |
| Attendance below 90 percent | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 0 | 3 | 2 | 2 | 2 | 0 | 1 | 3 | 13 | |
| Course failure in ELA | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 1 | 0 | 0 | 0 | 0 | 1 | 2 | |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 6 | 0 | 0 | 0 | 1 | 3 | 3 | 13 | |
| Level 1 on 2022 statewide FSA ELA assessment | 0 | 0 | 0 | 0 | 0 | 0 | 22 | 53 | 55 | 63 | 0 | 56 | 25 | 274 | |
| Level 1 on 2022 statewide FSA Math assessment | 0 | 0 | 0 | 0 | 0 | 0 | 25 | 59 | 73 | 45 | 46 | 29 | 16 | 293 | |
| Number of students with a substantial reading deficiency | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | |

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

| Indicator | Grade Level | | | | | | | | | | | | | | Total |
|--------------------------------------|-------------|---|---|---|---|---|----|----|----|----|----|----|----|-----|-------|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | | |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 0 | 0 | 12 | 40 | 50 | 37 | 1 | 25 | 15 | 180 | |

Using current year data, complete the table below with the number of students identified as being "retained.":

| Indicator | Grade Level | | | | | | | | | | | | | Total |
|-------------------------------------|-------------|---|---|---|---|---|---|---|---|---|----|----|----|-------|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | |
| Retained Students: Current Year | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

Date this data was collected or last updated

Sunday 9/25/2022

The number of students by grade level that exhibit each early warning indicator:

| Indicator | Grade Level | | | | | | | | | | | | | | Total |

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Some of our trends that emerged across grade levels, subgroups and core content areas were: ELA from 2021-2022 increased by 3, Math increased by 10, Science increased by 12 and Social Studies increased by 10 as well. All subgroups are at or over 41%.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

Based on our school data the greatest need for improvement was in Geometry.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Contributing factors were: Challenges:

COVID

Student interest decline

10th grade overall learning gap

ESE Accommodations & ELL Strategies – Attention to special populations

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Data showed that 8th Grade Math had the most improvement with +35 points

What were the contributing factors to this improvement? What new actions did your school take in this area?

Pull-out – targeted interventions

Teacher built relationships with students

Teacher tutoring after-school in addition to pull-out and Saturday Tutoring

Strategic Sessions w/instructional coach to plan

New math teacher, prior knowledge in subject strategy acceleration

Motivational rewards to achieve learning gains

What strategies will need to be implemented in order to accelerate learning?

Differentiated instruction, data chat sheet, Reading and Math interventions tailored to the students, more progress monitoring across all content areas, closer monitor of subgroups, and vertical alignment.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

This school year, COHEA will propose and organize professional development opportunities based on the needs of the students and teachers. For example, COHEA has adopted the "Teach Like a Champion" strategies that provides educators with a set of techniques, a shared vocabulary, and a framework for practice that equips teachers to prepare students for post-secondary education.

In addition, COHEA has implemented "Teacher Education and Mentoring" (T.E.A.M.) monthly sessions to offer teachers proven methods in addressing the needs of their students. Such as, differentiated

instruction, data analysis, progress monitoring, development of individual professional growth plans, and test taking skills.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Continuous monitoring of individual professional growth plans to determine if goals set by teachers that aim to positively impact student scores have been implemented and have been successfully met by the teacher.

Adding an instructional coach that supports and develops high quality and effective teachers, common planning periods for department chairs, new teacher mentoring program, revision of progress monitoring sheet, contracting of data consultant, smaller class sizes for core classes, increase in number of interventionist, taking a deeper dive with the afterschool program to reinforce the standards to customize the educational needs of each student.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. -- Select below -- specifically relating to

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Person responsible for monitoring outcome:

[no one identified]

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/ criteria used for selecting this strategy.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#2. Instructional Practice specifically relating to Math**Area of Focus Description and****Rationale:**

Include a rationale that explains how it was identified as a critical need from the data reviewed.

The Leadership team met over the summer to review and discuss the Math achievement.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase Math EOC Achievement proficiency by 7% from 48% to 55% or higher as measured by the EOC Assessment by the EOC 2022-2023.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The Administration Team and the Department Head will conduct walk-throughs and data chats on a monthly basis.

Person responsible for monitoring outcome:

Nelson Pena (npena@coheaedu.com)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

COHEA will be using iReady and Performance Matters to help support our students. Our school has hired an interventionist in order to support and ensure that our students are being helped in their specific need.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Limitations on interventionist, lack of attention, the number of percent of students that were targeted through intervention, vertical alignment did not occur, progress monitoring window and monitoring of intervention.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#3. Instructional Practice specifically relating to Science**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a critical need from the data reviewed.

Science was identified as a need because COHEA data shows that we have not performed at our full capacity.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase Science achievement proficiency by 3% from 54% to 57% or higher as increased by the Science and State-wide Assessment of 2022-2023.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Student data is broken down to better service them through the use of progress monitoring. The Administration Team will conduct walk-throughs and meet monthly with the Department Chair to review the student's progress.

Person responsible for monitoring outcome:

[no one identified]

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

COHEA hired more interventionist, purchased additional resources to monitor student progress, observation of interventionist across all content areas that they serve.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

We have used our school data and our historical data in order to be able to implement the specific strategies.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#4. Instructional Practice specifically relating to ELA**Area of Focus Description and****Rationale:**

Include a rationale that explains how it was identified as a critical need from the data reviewed.

The Leadership Team met over the summer to discuss and review the data in order to break down which area to focus on.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Eleventh grade students will increase from 54% proficient to 70% proficient as exhibited on the FSA ELA Assessment or concordant exam by June 2023.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The Administration Team and the Department Heads will conduct daily walkthroughs. The team will meet monthly to review and discuss how the students are performing. COHEA has hired an Interventionalist to do the push-ins with our low performing students.

Person responsible for monitoring outcome:

Ivelisse Puente (ipuenta7@dadeschools.net)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Differentiated instruction, data chat sheet, Reading intervention will tailor to the students, more progress monitoring across all content areas, closer monitor of subgroups, and vertical alignment. Other resources that are being implemented are iReady and Achieve 3000.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

COHEA will utilize the resources to assist with this improvement, continuous interventions, Saturday tutoring, and push-ins.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

COHEA's school culture includes an atmosphere of mutual respect among all stakeholders where teaching and learning are valued, achievements and successes are celebrated, and ongoing collaboration is a must. We take priority on creating a healthy school culture.

We have a strong EESAC Team, which consist of Administrators, teachers, parents, business partners and students. Together we make decision that are in the best interest of our school. Collaboration is essential in our school, with every stakeholder within our school.

Our school's Activities Director (AD) and our Community Involvement Specialist (CIS), reaches out to our community in order to secure our partnerships. The AD invites the businesses to our Family Day at school as well as various events at our school. We provide parent academies to teach parents how to utilize technology, know what their children are being tested on, as well other educational help that the parents can utilize.

Our students must complete 75 hours of community services within our community.

COHEA has adopted the Youth Crime Watch Program, in which our trust counselor leads this program for our students. The Youth Crime Watch is a crime- and drug-prevention program. This program provides a forum for discussing drug and crime prevention, establishing communication and reporting systems, and engaging in community networking.

We also conduct 2 times a year, a STEM Night, which involves all stakeholders the parents, students, business partners, teachers, and the community.

The Leader In Me helps create well-rounded learners by developing the whole-person and preparing students to become life-ready leaders. Leader in Me unites students, staff and families around a common goal to prepare students with college, career, and life-readiness skills that are necessary to thrive in our environment.

Identify the stakeholders and their role in promoting a positive school culture and environment.

All stakeholders work together to promote a positive culture and environment. The Administration team has an open door policy and welcomes all the ideas from all the stakeholders. COHEA is proud of the parent involvement that has been established at our school.

The school staff, the business partners, the parents and the students are involved because they participate in the EESAC meetings, in our school events, in our Coffee with the Principal meetings and the parent academies that are conducted twice a month. During our school meetings the parents are able to discuss any information that they would like to share/inform the school.
