Demographics

Principal: Stephany Papili

Start Date for this Principal: 10/1/2022

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	High School 9-12
Primary Service Type (per MSID File)	K-12 General Education
2021-22 Title I School	Yes
2021-22 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	78%
2021-22 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	English Language Learners* Hispanic Students Economically Disadvantaged Students
School Grades History	2021-22: C (43%) 2018-19: B (60%) 2017-18: C (47%)
2019-20 School Improvement (SI) Information*	
SI Region	Southeast
Regional Executive Director	LaShawn Russ-Porterfield
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	ATSI
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

N/A

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

At MCCS (Miami Community Charter School), our faculty is committed to empowering our students through mentorship to be held accountable by teaching them to embrace responsibility, demonstrate mutual respect, and engage in open communication. Our continuous collaboration of all stakeholders will provide a safe and nurturing environment which promotes students' social-emotional and academic growth. Students will feel secure in embracing new challenges by identifying their individual strengths, motivating them through goals, and celebrating their victories. Through our endeavors and dedication to community service, our students will achieve their full potential and become productive members of society.

Provide the school's vision statement.

As life long learners, MCCS students will take ownership to transform obstacles into opportunities for a better community.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

Name	Position Title	Job Duties and Responsibilities
Papili, Stephany	Principal	
Rieumont, Mildrelis	Assistant Principal	
Mejia, Raquel	Assistant Principal	
Marquez, Abinel	School Counselor	
Johnson, Brenda	Psychologist	
Qureshi, Wajida	Science Coach	
Padron, Marcos	Instructional Technology	
Rodriguez, Lianet	Instructional Coach	
Saaveddra, Ruben	Instructional Technology	
Rezaie, Jila	Other	

Demographic Information

Principal start date

Saturday 10/1/2022, Stephany Papili

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

0

Total number of teacher positions allocated to the school

10

Total number of students enrolled at the school

269

Identify the number of instructional staff who left the school during the 2021-22 school year.

2

Identify the number of instructional staff who joined the school during the 2022-23 school year.

0

Demographic Data

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	0	0	0	0	0	0	0	0	0	86	72	46	64	268
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	17	17	9	14	57
One or more suspensions	0	0	0	0	0	0	0	0	0	4	7	15	11	37
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	0	1	0	1
Course failure in Math	0	0	0	0	0	0	0	0	0	0	1	2	1	4
Level 1 on 2022 statewide FSA ELA assessment	0	0	0	0	0	0	0	0	0	46	25	16	27	114
Level 1 on 2022 statewide FSA Math assessment	0	0	0	0	0	0	0	0	0	38	19	18	0	75
Number of students with a substantial reading deficiency	0	0	0	0	0	0	0	0	0	68	0	28	37	133

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	56	6	24	28	114

Using current year data, complete the table below with the number of students identified as being "retained.":

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	0	0	0	0	

Date this data was collected or last updated

Saturday 10/1/2022

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level														Total

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

There is an increase in proficiency from AP1/Baseline to AP2/Mid-Year, however, data does not correlate to the FSA/EOC Data. According to Read 180 the highest academic growth was in the area of 9th Grade ELA. The area with the least growth was in Algebra 1.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

The area with the greatest need of improvement according to progress monitoring and in the state assessment is in Algebra 1.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

The contributing factor to this need for improvement was the lack of social skills, problem-solving, decision-making, high standards, and rigorous instruction. Including the 2-year gap of in-depth mathematic direct instruction and use of manipulatives. The new actions that need to be taken to address this need for improvement include establishing a learning environment with high expectations and active learning.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

The highest academic growth was in the area of Biology and U.S. History.

What were the contributing factors to this improvement? What new actions did your school take in this area?

Some of the contributing factors to this improvement were the use of differentiated instruction and small group support.

What strategies will need to be implemented in order to accelerate learning?

Strategies include implementing and elevating student engagement through rigorous teaching and instilling high expectations.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Professional Development opportunities are provided in the areas of the BEST Standards (ELA and Math) as well as training with the new Math/ELA Curriculum (HMH) and Progress Monitoring tools (Read180 and Performance Matters).

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

We have also established an extended learning center where students are able to apply their learning and enhance their skills through digital online progress monitoring programs.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. Instructional Practice specifically relating to Standards-aligned Instruction

Area of Focus
Description and Rationale:
 Include a rationale that explains how it was identified as a critical need from the data reviewed.

If the instruction is increased in content areas including ELA/Reading, Mathematics (Algebra 1 & Geometry), Science (Biology), and Social Studies (U.S.History) then students' achievement will improve.
 The practice of aligning learning to standards also helps to ensure a higher level of student achievement and guides teachers in the process of assessment. Teachers follow standards-based instruction to ensure that their students meet the demands targeted.

Measurable Outcome:
 State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Student overall achievement in English Language Arts/Reading, Mathematics (Algebra 1 & Geometry), Science (Biology), and Social Studies (U.S.History) will increase by 5 percentage points from 43% to 47%.

Monitoring:
 Describe how this Area of Focus will be monitored for the desired outcome.

This Area of Focus will be monitored by ongoing data progress including performance platforms such as Performance Matters (Topic/District-Based Assessments) and Read180.

Person responsible for monitoring outcome:

Stephany Papili (spapili@mccsedu.org)

Evidence-based Strategy:
 Describe the evidence-based strategy being implemented for this Area of Focus.

Effective Learning Environments Observation Tool (ELEOT) and Rigor Index Marzano's Taxonomy and Depth of Knowledge) will continue to be implemented in order to increase the level of rigor in instruction.

Rationale for Evidence-based Strategy:
 Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

The practice of aligning learning to standards also helps to ensure a higher level of student achievement and guides teachers in the process of assessment. Teachers follow standards-based instruction to ensure that their students meet the demands targeted. Marzano's Taxonomy and Depth of Knowledge are both scales of cognitive demands to align standards with assessments.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Teachers will be provided with professional development opportunities pertaining to Rigor, Planning, and Digging Deep in B.E.S.T Standards, Read180 Data-Driven Instruction, ESOL/ESE Professional Development Trainings, and Mathematics Icads.

Person Responsible Stephany Papili (spapili@mccsedu.org)

Implementation of Read180 online instruction and ongoing progress monitoring, every 20 days.

Person Responsible Raquel Mejia (944052@dadeschools.net)

Topic/District Based Assessments using Performance Matters and Ellevation in Class for ELL instruction.

Person Responsible Mildrelis Rieumont (mrieumont@dadeschools.net)

RAISE

The RAISE program established criteria for identifying schools for additional support. The criteria for the 2022-23 school year includes schools with students in grades Kindergarten through fifth, where 50 percent or more of its students, for any grade level, score below a level 3 on the most recent statewide English Language Arts (ELA) assessment.

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

N/A

Grades 3-5: Instructional Practice specifically relating to Reading/ELA

N/A

Measurable Outcomes:

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K-3, using the new coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment.
- Each grade 3-5 where 50 percent or more of its students scored below a level 3 on the most recent statewide, standardized ELA assessment and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2: Measureable Outcome(s)

N/A

Grades 3-5: Measureable Outcome(s)

N/A

Monitoring:

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will take place with evaluating impact at the end of the year.

N/A

Person responsible for monitoring outcome:

Select the person responsible for monitoring this outcome.

Evidence-based Practices/Programs:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. Â§7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

N/A

Rationale for Evidence-based Practices/Programs:

Explain the rationale for selecting the specific practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified practices/programs show proven record of effectiveness for the target population?

N/A

Action Steps to Implement:

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step

Person Responsible for Monitoring

Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

A positive school culture and environment reflects a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect, and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment is critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners. Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment ensuring all stakeholders are involved.

Identify the stakeholders and their role in promoting a positive school culture and environment.

To ensure that the students' social-emotional needs are being met, the school employs a Dean of Students and a guidance counselor to address the counseling, mentoring, and any other guidance services that the students may need.
