Demographics

Principal: Theron Clark

Start Date for this Principal: 1/4/2016

2021-22 Status (per MSID File)	Active
School Function (per accountability file)	
School Type and Grades Served (per MSID File)	High School 6-12
Primary Service Type (per MSID File)	Alternative Education
2020-21 Title I School	No
2020-21 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	27%
2020-21 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	
School Improvement Rating History	
DJJ Accountability Rating	2023-24: No Rating

School Board Approval

This plan was approved by the Dade County School Board on 1/28/2022.

SIP Authority

A Schoolwide Improvement Plan (SIP) is a requirement for Comprehensive Support and Improvement (CSI) ungraded schools pursuant to 1001.42 F.S. and the Every Student Succeeds Act (ESSA) and for DJJ schools receiving a rating of Unsatisfactory pursuant to Sections 1003.51 and 1003.52, F.S. and Rule 6A-1.099813, F.A.C.

CSI schools can be designated as such in 2 ways:

1. Have a graduation of 67% or lower; or
2. Have an overall Federal Index below 41%.

DJJ Unsatisfactory Ratings are based on percentages by program type:

- Prevention and Intervention: 0%-50%
- Nonsecure Programs: 0%-59%
- Secure Programs: 0%-53%

SIP Plans for Ungraded CSI schools and DJJ schools receiving an Unsatisfactory rating must be approved by the district and reviewed by the state.

Purpose and Outline of the SIP

The School Improvement Plan (SIP) provides schools and Local Educational Agencies (LEAs) the opportunity to identify the academic and priority goals along with strategies for each school. School leadership teams may refine their SIP annually to define their school's academic and priority goals to increase student achievement.

Schools and LEAs are strongly encouraged to collaborate in the development and implementation of this plan.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

AMIkids is a non-profit organization dedicated to helping youth develop into responsible and productive citizens. AMIkids' mission is to protect public safety and positively impact as many youth as possible through the efforts of a diverse and innovative staff. AMIkids works in partnership with youth agencies, local communities and families.

Provide the school's vision statement.

Separating a troubled past from a bright future.

Briefly discuss the population unique to your school and the specific supports provided to meet the mission and vision.

Day treatment programs are co-ed, serving both boys and girls, and typically last from 4-6 months. Staff are able to address issues in both the home and in the students' neighborhood by working with the kids and family together. Youth have been adjudicated delinquent by the court for misdemeanors and lesser felonies. Students are referred through juvenile justice agencies or school districts.

School Leadership Team

Membership

Identify the name, email address, position title, and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Spencer, Khalelah	Dean	AMIKids - Oversee academic program
Garcia, Enrique	Other	AMIKids - Oversee overall program
Francis, Patrick	Teacher, Career/ Technical	AMIKids - Oversee career/technical program
Gaines, Anthony	Other	AMIKids - Oversee program operations
Iber, Alberto	Principal	MDCPS Principal and JJEM
Wynne, Dan	Administrative Support	MDCPS - Support program implementation
Antonini, Enrique	Math Coach	MDCPS - Support instruction
Nortelus, Joella	Reading Coach	MDCPS Support instruction
Sawyer, Melissa	Administrative Support	AMIKids - Oversees regional education compliance to all of AMIKids Florida programs
Lafaille, Eddy	Administrative Support	MDCPS Assistant Principal, Administrative support
Cabell, Ben	Attendance/Social Work	MDCPS - Truancy and attendance support
Myles, Diana	Psychologist	MDCPS - MTSS/RTI support/School Psychologist
Thrasher, Catrilia	Teacher, ESE	MDCPS - SPED instruction, support, and collaboration

Is education provided through contract for educational services?

Yes

If yes, name of the contracted education provider.

AMIKids, Inc.

Demographic Information

Principal start date

Monday 1/4/2016, Theron Clark

Number of teachers with professional teaching certificates?

0

Number of teachers with temporary teaching certificates?

3

Total number of teacher positions allocated to the school.

4

Total number of students enrolled at the school.

30

Identify the number of instructional staff who left the school during the 2020-21 school year.

0

Identify the number of instructional staff who joined the school during the 2021-22 school year.

0

Demographic Data

Early Warning Systems

2021-22

The number of students by grade level that exhibit each early warning indicator listed:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	0	0	0	0	0	0	2	4	3	1	2	2	2	16
Attendance below 90 percent	0	0	0	0	0	0	1	3	1	1	0	2	2	10
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	0
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	0	0	0	0
Course failure in Math	0	0	0	0	0	0	0	0	0	0	0	0	0	0
Level 1 on 2022 statewide FSA ELA assessment	0	0	0	0	0	0	1	4	3	1	0	2	2	13
Level 1 on 2022 statewide FSA Math assessment	0	0	0	0	0	0	1	4	3	0	1	1	0	10
Number of students with a substantial reading deficiency	0	0	0	0	0	0	0	0	0	0	0	0	0	0

The number of students with two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students with two or more indicators	0	0	0	0	0	0	1	4	2	0	1	2	1	11

The number of students identified as retainees:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0	0	0	0	0
Students retained two or more times	0	0	0	0	0	0	0	0	0	0	0	0	0	0

Date this data was collected or last updated

Friday 8/13/2021

2020-21 - Updated

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Number of students enrolled	0	0	0	0	0	0	0	0	0	0	0	0	0	
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on 2019 statewide FSA ELA assessment	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on 2019 statewide FSA Math assessment	0	0	0	0	0	0	0	0	0	0	0	0	0	

The number of students with two or more early warning indicators:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	0	0	0	0	

The number of students identified as retainees:

Indicator	Grade Level													Total
	K	1	2	3	4	5	6	7	8	9	10	11	12	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	0	0	0	0	

Part II: Needs Assessment/Analysis

School Data Review

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school, or combination schools).

School Grade Component	2021			2019			2018		
	School	District	State	School	District	State	School	District	State
ELA Achievement					59%	56%		59%	56%
ELA Learning Gains					54%	51%		56%	53%
ELA Lowest 25th Percentile					48%	42%		51%	44%
Math Achievement					54%	51%		51%	51%
Math Learning Gains					52%	48%		50%	48%
Math Lowest 25th Percentile					51%	45%		51%	45%
Science Achievement					68%	68%		65%	67%
Social Studies Achievement					76%	73%		73%	71%

Grade Level Data Review - State Assessments

NOTE: This data is raw data and includes ALL students who tested at the school. This is not school grade data.

Analysis

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

Reflect on the Areas of Focus from the previous school year. What progress monitoring was in place for low performing ESSA subgroups related to the Areas of Focus?

N/A- No previous plan

Based on ESSA subgroup progress monitoring, which data component showed the most improvement? What new actions did your school take in this area?

School was not flagged for ESSA subgroups; rather, the school is addressing DJJ accountability concerns.

What area is in the greatest need of improvement? What specific component of this area is most problematic? What is your basis (data, progress monitoring) for this conclusion?

Data integrity. The area that is most problematic is pre and post testing for Common Assessment. This is based on 1% compliance score for DJJ data integrity accountability standards.

What trends emerge across grade levels, subgroups and core content areas?

There is insufficient data to address trends. Subgroup data is limited.

What strategies need to be implemented in order to accelerate learning?

Create data chats, discuss student progress and annotate in-progress monitoring plans. Create transition plans for students.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Teachers and school leaders would benefit from training in progress monitoring plans. Training on data management would also be beneficial.

Part III: Planning for Improvement

Areas of Focus:

#1. DJJ Components specifically relating to Common Assessment Data Integrity

Area of Focus Description and Rationale:
 Include a rationale that explains how it was identified as a critical need from the data reviewed.

DJJ Accountability standards determined Data Integrity as an area of critical need since we scored 1%.

Measurable Outcome:
 State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

70% of students that enroll in our program and remain for 45 or more days will have pre and post scores for the Common Assessment.

Monitoring:
 Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitored using an entry and exit checklist to confirm scores. Area is being further reviewed through the compliance monitoring process with the district.

Person responsible for monitoring outcome:

Khalelah Spencer (kspencer@amikids.org)

Evidence-based Strategy:
 Describe the evidence-based strategy being implemented for this Area of Focus.

Entry and exit checklist will be created that include the student's entry date, date of initial and exit Common assessment, as well as the student's exit date. Information will be monitored using spreadsheet provided in Florida JJCA website.

Rationale for Evidence-based Strategy:
 Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

According to FLDOE administrative rule, entry assessments shall be administered within 10 school days of initial placement into the program. Exit assessments should be administered as close to the student's exit as possible.

Action Steps to Implement:
 List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Upon student enrollment, all entry assessments will be discussed and scheduled with student and parent present. Assessment will be scheduled on day 1 of student attendance. Student will be added to the pre and post common assessment checklist to track and ensure testing occur within 10-days of enrollment and before program exit.

Person Responsible Khalelah Spencer (kspencer@amikids.org)

The exit common assessment will be required in order for the student to reach the final rank at the program. Each student will be tested for the exit common assessments before he/she is withdrawn from the program.

Person Responsible Khalelah Spencer (kspencer@amikids.org)

Monitoring ESSA Impact:
 If this Area of Focus is not related to one or more ESSA subgroups, please describe the process for progress monitoring the impact of the Area of Focus as it relates to all ESSA subgroups not meeting the 41% threshold according to the Federal Index.

N/A

#2. DJJ Components specifically relating to Graduation

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

DJJ Accountability standards determined graduation as an area of critical need since we scored 38%.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

50% of students that enter our program as seniors, as well as students 16-17 years old with little or no credit, will graduate with a high school diploma or GED.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Students' progress will be monitored through the use of Education Transition Plans and monthly Treatment Team meetings. Area is being further reviewed through the compliance monitoring process with the district.

Person responsible for monitoring outcome:

Khalelah Spencer (kspencer@amikids.org)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

The transition plan is an age-appropriate exit plan that includes each 12th grade student's diploma options, entry and exit assessment scores (when available), anticipated upcoming educational placement, and post-release educational plans.

(Takajo, D. H., 2018)

Utilizing student-led individual transition plans and self-determination surveys, the researcher concluded that including students throughout the transition process increases motivation, self-determination, builds autonomy, independence, and leadership skills while developing the skills necessary to be autonomous individuals in life after high school.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Action Steps to Implement:

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Identify seniors in the program and review transition plans with guidance counselor to ensure students are on track for graduation and discuss their progress during monthly treatment team meetings, with student, parent, Case Manager and JPO.

Person Responsible

Khalelah Spencer (kspencer@amikids.org)

For students that are about to complete the program, discuss exit transition plan with student, parent, Case Manager, and JPO, during exit meeting, which should be scheduled at minimum, 2 weeks prior to their scheduled exit date.

Person Responsible

Khalelah Spencer (kspencer@amikids.org)

Facilitate student's enrollment in the subsequent school or program prior to him/her being terminated from the program or soon thereafter.

Person Responsible

Khalelah Spencer (kspencer@amikids.org)

Monitoring ESSA Impact:

If this Area of Focus is not related to one or more ESSA subgroups, please describe the process for progress monitoring the impact of the Area of Focus as it relates to

N/A

all ESSA subgroups not meeting the 41% threshold according to the Federal Index.

#3. DJJ Components specifically relating to Increased Attendance

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

DJJ Accountability standards determined Attendance as an area of critical need since we scored 30%.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Based on our performance on the DJJ accountability rating for attendance, following the completion of AMIkids Miami-Dade North intervention, the goal would be for students to increase their attendance to 40%.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitored using monthly follow-up calls to each student who completed the program successfully and will be transitioning to a traditional school setting in Miami-Dade County. Area is being further reviewed through the compliance monitoring process with the district.

Person responsible for monitoring outcome:

Khalelah Spencer (kspencer@amikids.org)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Continue student follow-up to provide monthly contact with students in order to encourage youth to continue with their post-completion enrollment, and potentially increase attendance

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

(Roshon R. B., 2015)

The researcher found that transportation support, increased parental involvement, and enhanced communication between home and school were effective interventions to support increased attendance.

Action Steps to Implement:

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Identify the students who have successfully completed the program within the last year and determine which of those students were subsequently enrolled in a traditional school setting in Miami-Dade County or any other county.

Person Responsible

Khalelah Spencer (kspencer@amikids.org)

Contact students released in the current contract year for monthly follow-up and annotate progress in Lauris Online.

Person Responsible

Abraham Ruiz (aruiz@amikids.org)

Ensure that student records are transferred within three (3) days of their exit, to their subsequent school or County Transition Specialist, to facilitate a smooth transfer.

Person Responsible

Khalelah Spencer (kspencer@amikids.org)

Monitoring ESSA Impact:

If this Area of Focus is not related to one or more ESSA subgroups, please describe the process for progress monitoring the impact of the Area of Focus as it relates to all ESSA subgroups not meeting the 41% threshold according to the Federal Index.

N/A

#4. DJJ Components specifically relating to ELA

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

DJJ Accountability standards determined ELA learning gains as an area of critical need since we scored 31%.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Based on our performance on the last rating, we anticipate 40% of students will make learning gains on the FSA ELA following implementation of intervention and progress monitoring plans.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Intervention and progress monitoring will be provided through the IXL learning platform. Area is being further reviewed through the compliance monitoring process with the district.

Person responsible for monitoring outcome:

Khalelah Spencer (kspencer@amikids.org)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Progress monitoring plans that include specific, measurable, attainable, realistic, and timely goals designed to assist students in maximizing academic achievement.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Fuchs and Fuchs (2002) conducted an analysis of research on student progress monitoring that considered only experimental, controlled studies. These researchers concluded that When teachers use systematic progress monitoring to track their students' progress in reading, mathematics, or spelling, they are better able to identify students in need of additional or different forms of instruction, they design stronger instructional programs, and their students achieve better.

Action Steps to Implement:

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Identify students who are deficient in ELA and develop progress monitoring plans for each student.

Person Responsible

Khalelah Spencer (kspencer@amikids.org)

Provide intervention and progress monitoring through skills-based activities, using the IXL learning platform. Director of Education will collaborate with the subject area teachers and coaches to facilitate this process.

Person Responsible

Khalelah Spencer (kspencer@amikids.org)

Coordinate professional development trainings for teachers in facilitating student learning on the Edgenuity learning platform. These trainings can be offered by the School District or by the program's Home Office, care of the Regional Education Liaison.

Person Responsible

Khalelah Spencer (kspencer@amikids.org)

A district Reading coach will be available to meet with students and Director of Education on a weekly basis in order to supervise instruction in the math classroom and assist with the implementation of the district's course pacing guide as a method of intervention that is necessary for student success.

Person Responsible

[no one identified]

Monitoring ESSA Impact:

N/A

If this Area of Focus is not related to one or more ESSA subgroups, please describe the process for progress monitoring the impact of the Area of Focus as it relates to all ESSA subgroups not meeting the 41% threshold according to the Federal Index.

Part IV: Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning, and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups to employ school improvement strategies that impact the positive school culture and environment are critical. Stakeholder groups more proximal to the school include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.

Stakeholders play a key role in school performance and addressing equity. Consulting various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies.

Describe how the school addresses building a positive school culture and environment.

The school addresses building family values, including the creation of an environment that provides warmth, discipline, and empowerment from students and staff. Our program creates an environment that protects the public, where staff and students can function free from hazard or injury.

Identify the stakeholders and their role in promoting a positive culture and environment at the school.

AMikids is accredited nationally by AdvancED, the world's largest education community. This formal accreditation speaks to our emphasis on education and gives additional credibility to our successful approach, which is holistic and strength-based. AMikids is contracted by the U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP) and their model programs guide for successful results with our day treatment program. AMikids-Miami Dade North stakeholders consist of families, students, agency staff, and Miami Dade County Public Schools: The Education Alternative Outreach Program (EAOP) provides oversight and ongoing support to ensure equitable learning amongst all youth, creating a positive culture and learning environment.
