# **School Board Approval**

This plan is pending approval by the St. Johns County School Board.

### **SIP Authority**

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

- 1. have a school grade of D or F
- 2. have a graduation rate of 67% or lower
- 3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <a href="https://www.floridacims.org">www.floridacims.org</a>.

### **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## **Part I: School Information**

### **School Mission and Vision**

### Provide the school's mission statement.

Our mission is to ensure all students are provided with an academically rich and rigorous education through online learning opportunities that meet the needs of today's diverse learners.

#### Provide the school's vision statement.

The vision of St. Johns Virtual School is to be leaders in innovative teaching through online and blended learning programs that use best practices to promote academic excellence and life long learning in a student-centered environment.

### **School Leadership Team**

### Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

Name	Position Title	Job Duties and Responsibilities
Erskine, Ryan	Principal	
Lippo, Kimberly	Assistant Principal	
Sikes, Christine	Teacher, K-12	SAC Chair for SJVS. Plus much more.
Dixon, Erin		Registrar
Nagel, Rachel	Teacher, K-12	
Livingood, Lindsay	Teacher, K-12	
McCullough, Emily	Teacher, K-12	

## **Demographic Information**

### Principal start date

Monday 10/11/2021, Ryan Erskine

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

1

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.

10

### Total number of teacher positions allocated to the school

29

### Total number of students enrolled at the school

381

Identify the number of instructional staff who left the school during the 2021-22 school year.

Identify the number of instructional staff who joined the school during the 2022-23 school year.

**Demographic Data** 

### **Early Warning Systems**

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level												Total	
indicator	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
Number of students enrolled	5	13	10	22	27	30	32	44	53	24	38	48	35	381
Attendance below 90 percent	0	0	0	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	0	1	0	1
Course failure in Math	0	0	0	0	0	0	0	0	0	0	0	0	0	
Level 1 on 2022 statewide FSA ELA assessment	0	0	0	0	1	1	2	2	2	2	1	2	1	14
Level 1 on 2022 statewide FSA Math assessment	0	0	0	0	3	5	3	2	2	3	3	0	1	22
Number of students with a substantial reading deficiency	0	0	0	0	1	1	2	2	2	2	1	2	1	14

Using the table above, complete the table below with the number of students by current grade level who have two or more early warning indicators:

Indicator						Gr	ade	e Le	eve	l				Total
indicator	K	1	2	3	4	5	6	7	8	9	10	11	12	TOLAI
Students with two or more indicators	0	0	0	0	1	1	2	2	1	1	1	1	1	11

Using current year data, complete the table below with the number of students identified as being "retained.":

Indicator						Gr	ade	e Le	vel					Total
indicator	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0	1	0	0	1
Students retained two or more times	0	0	0	0	0	0	0	0	0	0	0	0	0	

### Date this data was collected or last updated

# Part III: Planning for Improvement

### **Data Analysis**

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

### What trends emerge across grade levels, subgroups and core content areas?

When looking over the data, we see that there was a 13% decline in math achievement of level three or higher. We also saw our ELA achievement score drop 12% with students scoring a level three or higher.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

Math and ELA overall achievement scores to increase and also ELA lowest 25% learning gains to see an increase this year.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

New learning environment for many families. The ability to process and retain the information throughout the year became clear once our students that sat for their state assessments. Time and additional resources such as Intensive reading, tutoring, academic days and IXL will bridge the learning gaps moving forward.

# What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Our math learning gains saw an increase of 17%. Sitting at a 64% is the highest SJVS has had.

# What were the contributing factors to this improvement? What new actions did your school take in this area?

More student data contributing to more scores impacting the overall grade. The use of Live lessons we believe really brought on more student and teacher interactions.

### What strategies will need to be implemented in order to accelerate learning?

Continue use of the progress monitoring throughout the program. Live lessons and also the buy in by the staff for our MTSS practice. Incorporation of enrichment days and more student interactions.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

We incorporated a unique practice this year to allow for virtual pre-planning to be teacher ran. Here we saw interventionists, admin and other leaders incorporating practices and strategies to allow for student growth. Also brought in representatives from Nearpod, FLVS and IXL.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

We will use additional services such as IXL, Nearpod, Zoom. Here these services allow for more direct student to student and student to teacher learning sessions. Here a student will be provided with many opportunities to learn in ways that will benefit their style of learning. We will also be incorporating on campus learning opportunities for students.

### **Areas of Focus**

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

### #1. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed.

Based on the data, 82% of SJVS's students scored at level three or above in 2022. Compared to other data years, this displays a large decrease and also is the lowest since we have been receiving data. Working to increase ELA scores will have a positive impact on student success.

### Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Our outcome is to increase overall ELA student scores to 87% or more of the students in our school for the 2022-2023 school year.

## **Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Observations will be used to monitor and also engagement with staff to see what areas need to be addressed during monthly team meetings.

Person responsible for monitoring outcome:

Ryan Erskine (ryan.erskine@stjohns.k12.fl.us)

Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.

SJVS teachers will use PLCs.

# Rationale for Evidence-based

Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Teachers will participate in subject area and grade level PLCs, both with SJVS teachers and also teachers in the virtual community throughout the state.

#### **Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

- 1. Teachers will meet with state PLCs quarterly.
- 2. Teachers will collaborate with the academic interventionist about the needs of students, especially those in lowest 25%.
- 3. Live lessons each week that will help struggling students.

### Person Responsible

[no one identified]

### #2. Instructional Practice specifically relating to B.E.S.T. Standards

### Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

With the transfer to the incorporation of the new B.E.S.T. standards, teachers will be learning how to best serve their students.

#### Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Creating a baseline that will look for better practices for students to see success through new teaching methods. Will look for increased student engagement each week during live lessons.

### Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

PLC groups and also use of observational rounds.

Person responsible for monitoring outcome:

Ryan Erskine (ryan.erskine@stjohns.k12.fl.us)

**Evidence-based Strategy: Describe the evidence-based** Area of Focus.

SJVS teachers will use collaboration through the PLC groups **strategy being implemented for this** here at SJVS and also with the state FLBOLD group.

# Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

SJVS teachers will participate amongst their peers throughout the state and also if appropriate, with SJVS teachers, both in content area groups and in grade level groups to become experts in an online environment.

### **Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

- 1. Use pre-planning to learn the B.E.S.T. standards
- 2. Will collaborate quarterly with FLBOLD peers
- 3. Teachers will utilize direct instruction via Zoom and Nearpod with their students to engage student learning based on the new standards.
- 4. Students identified as needing additional assistance will be introduced to work with our academic interventionist team.

Person Responsible

[no one identified]

### #3. Transformational Leadership specifically relating to Specific Teacher Feedback/Walkthroughs

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

With the heavy emphasis on teacher observations and the unique method that a virtual teacher is observed, the goal is to incorporate a more uniform method for scoring teachers and providing supportive feedback.

**Measurable Outcome:** 

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The outcome is to increase instructional staff understanding of expectations and to see a better use of instructional time during live lessons. The ability to identify ways to increase positive engagement with students.

**Monitoring:** 

Describe how this Area of Focus will be monitored for the desired outcome.

Observations during live lessons.

Person responsible for monitoring outcome:

Ryan Erskine (ryan.erskine@stjohns.k12.fl.us)

Evidence-based Strategy:
Describe the evidence-based
strategy being implemented for this
Area of Focus.

Creating a universal method of providing positive and impactful feedback to staff.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Leadership team will ensure they are uniform in their methods of observing staff and will provide detailed and useful feedback to staff each observational round.

### **Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

- 1. Leadership team will meet prior to the school year to discuss ways to increase feedback.
- 2. Leadership will go over expectations during pre-planning with staff.
- 3. Each observational round will have detailed feedback given and the leadership team will meet to go over specific areas of concern.
- 4. The leadership team will meet to discuss how to support teachers in need of improvement.

Person Responsible

Ryan Erskine (ryan.erskine@stjohns.k12.fl.us)

### #4. Positive Culture and Environment specifically relating to Social-emotional Learning

Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed.

Students who learn virtually tend to be limited in their opportunities to interact with peers and teachers.

### Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

All students will attend monthly homeroom meetings (secondary) or character chats with school counselor (elementary).

### Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Attendance will be taken at homeroom meetings and character chats to ensure student participation.

Person responsible for monitoring outcome:

Ryan Erskine (ryan.erskine@stjohns.k12.fl.us)

**Evidence-based Strategy:** 

Describe the evidence-based strategy being implemented for this Area of Focus.

District-provided videos and additional resources will be used at these monthly meetings.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

By using the district-provided curriculum, SEL opportunities will be increased.

### **Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

- 1. Receive instructional resources from district.
- 2. Provide monthly homeroom/character chats.
- 3. School counselor provides follow-up opportunities for student to interact.
- 4. Students identified as in need of additional SEL support will be referred to the MTSS team.

### Person Responsible

Ryan Erskine (ryan.erskine@stjohns.k12.fl.us)

### **#5. ESSA Subgroup specifically relating to Students with Disabilities**

Area of Focus Description and Rationale: Include a rationale that explains how it was identified as a critical need from the data reviewed.

A percentage of students are not accessing their ESE supports provided by their ESE teacher.

### Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

All ESE students will access the supports provided by the ESE teachers.

### Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

ESE teachers will monitor/submit attendance to LEA after each live ZOOM session.

Person responsible for monitoring outcome:

Kimberly Lippo (kimberly.lippo@stjohns.k12.fl.us)

## **Evidence-based Strategy:**

Describe the evidence-based strategy being implemented for this Area of Focus.

Attendance at ESE support services.

# Rationale for Evidence-based Strategy: Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

Attending support sessions with ESE service providers will boost student learning outcomes and close the achievement gaps.

## **Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

- 1. Identify students who are not accessing their ESE supports.
- 2. Call home to ensure students have the ESE schedule.
- 3. Monitor attendance throughout the school semester/year.
- 4. Discuss possible alternative learning environments.

Person Responsible

Kimberly Lippo (kimberly.lippo@stjohns.k12.fl.us)

## **Positive Culture & Environment**

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

### Describe how the school addresses building a positive school culture and environment.

SJVS continuously works at building a positive school culture and environment for its stakeholders. Some steps will include:

1. Needs assessments surveys sent to Lab Facilitators, students, parents, and staff to determine ways for SJVS to improve meeting the needs of these stakeholders. This data has helped to increase course

offerings and availability, provide support for in-school learning and tracking progress of lab students, and improved communication with teachers and staff.

2. All teachers attend monthly SAC meetings, which provides an open forum for teachers to bring concerns and/or needs to the attention to all stakeholders.

# Identify the stakeholders and their role in promoting a positive school culture and environment.

### Stakeholders include:

- 1. Parents Community Involvement and student support. Creation of a Parent Teacher Organization (PTO).
- 2. Students Attend live lessons, interact with peers, participate in school organizations (Clubs and Groups)
- 3. Lab Facilitators Provide support for students learning virtually at their Brick and Mortar school. Act as liaisons between students and teachers.
- 4. Staff Provide live lessons to increase student interactions. Participate in on-campus enrichment activities.
- 5. Administration Support staff by providing professional development opportunities.
