School Board Approval

This plan is pending approval by the Marion County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at https://www.floridaCIMS.org.

Appendix 3: Budget to Support Goals	37

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school's Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., "SMART goals") for the coming school year in context of the school's greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida's DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only currently A or B with at least one F in the prior three years
- Prevent currently C
- Focus currently D
 - Planning two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority currently F
 - Planning declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

2014-15 DA Category and Statuses

Part I: Current School Status

Supportive Environment

School Mission and Vision

Provide the school's mission statement

Our mission at Saddlewood is to provide all students with the opportunity to achieve their personal best, to build good character, to learn respect for themselves and others, to accept responsibility for their actions, while developing a love of learning as they become lifelong learners.

Provide the school's vision statement

The faculty and staff of Saddlewood Elementary School are committed to providing our students with quality educational experiences, integrating curriculum content with real world experiences, to ensure an understanding of the Florida Standards.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

The school first learns about a students' culture when they enroll at our school. Teachers and support staff work to establish relationships with students by creating classroom communities that are accepting and tolerate of all cultures. Relationships are also formed between school and home through regular on-going communication.

Describe how the school creates an environment where students feel safe and respected before, during and after school

We create a safe environment at our school in several different ways. First, we ensure a safe campus through the processes and procedures put into place with visitor check-in/check-out, through rountine safety drills, and our screeening process for volunteers. Secondly, we ensure student safety through on-going communication with students. Students share concerns with teachers, the school dean, administration, or other support personnel. Staff members understand they must available to assist students with concerns. Additionally, parents understand they may utilize all available school resources to support their child when safety concerns arise.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

Our school utilizes the PBS (Positive Behavior Support) System. PBS, in conjunction with teaching and practicing the five character traits, is the basis for our discipline system. Students are taught the five character traits on a regular basis. Lesson plans and other support material is available to the teacher and documentation of instruction is noted in the lesson plans. Additionally, students are rewarded for making positive choices on our campus. Students earn Stallion Bucks which can be utilized to purchase rewards from the school store or special reward opportunities. Our school also utilizes a progressive discipline appproach when students fail to make the appropriate choices at school. Consequences are aligned with the incident or infraction with the expectation that poor behavior choices will desist.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Our school ensures the social-emotional needs of our students are met through the use of our guidance counselor who provides counseling and mentoring as needed. Additionally, our teachers maintain regular communication with parents when concerns arise with a student. School and district resources are provided to families who require additional supports or services.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

Our school's early warning system include monitoring attendance that is below 90 percent, looking at students who have one or more suspensions, monitoring students who have experienced course failure in ELA or math, and looking at students who scored a level 1 on FCAT the previous year. These students are routinely discussed at our monthly synergy team meetings and resources are allocated to these students based on their needs.

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level						Total
indicator	K	1	2	3	4	5	TOtal
Attendance below 90 percent	64	50	43	42	28	11	238
One or more suspensions		6	4	11	7	7	45
Course failure in ELA or Math		9	15	11	3	6	50
Level 1 on statewide assessment		0	0	50	43	40	133

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level		
Indicator	2	4	Total
Students exhibiting two or more indicators	1	1	2

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Students who have been identified by the early warning system are discussed at monthly Synergy Team meetings. The guidance counselor, psychologist, social worker, dean, Academic and Reading Coach, and administration are present at the monthly meetings. Academic interventions are reviewed at this meeting, as well as quarterly PMP meetings. Intervention needs are discussed and revisions are made based on current data and process. For attendance concerns, the guidance counselor and school social worker work together to improve attendance by involving parents in Child Study Team Meetings. For behavior concerns, the dean and behavior specialist work together to construct Tier II behavior interventions that support the individual child. These interventions may include daily behavior charts or check in/check out procedures.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at https://www.floridacims.org/documents/56319.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

The ways in which the school builds and sustains partnerships with the community is outlined in the Parent Involvement Plan.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Beck, Jennifer	Principal
Baxley, Joy	Assistant Principal
Bramlett, Jessica	Teacher, K-12
Alvarez, Carol	Teacher, K-12
DiSanza, Christine	Instructional Coach
Hughes, Braegan	Teacher, K-12
Newmones, Stacie	Instructional Coach
Ortiz, Meghan	Teacher, K-12
Taylor, Toni	Teacher, K-12
Dyer, Holly	Instructional Coach

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

The school-based MTSS Leadership Team is comprised of members of the Problem Solving Team, the Student Assistance Team (SAT). Members may include the administration, guidance, teachers, school level support (dean, reading coach, academic coach, etc.) and district level support personnel (psychologist, social worker, behavior specialist, etc.) The Assistant Principal is a core member of the MTSS team because she is the one that conducts the Progress Monitoring Meetings and works with

Marion - 0681 - Saddlewood Elementary School - 2014-15 SIP Saddlewood Elementary School

the teachers to determine student proficiency. The Guidance Counselor is a core member of the MTSS team because she is the one that monitors all the required paper work and proper interventions that must take place before going to a Student Assistance Team meeting. Our Reading Coach and Academic Coach are members of this team because they work with the classroom teacher to ensure the proper interventions are being made in a timely, monitored fashion. The Peer Counselor was selected to be on the team because many times students who struggle academically react with behavioral issues and the Peer Counselor can provide input on the students' behaviors. The school psychologist and behavioral specialist are representatives from the district level that will assist with the Student Assistant Team as the student progresses through the level of interventions. Saddlewood's MTSS team consists of the following people:

Assistant Principal, Joy Baxley Counselor, Jan Brown Stacie Newmones, Reading Coach Christine DiSanza, Academic Coach Marguerite Cruz, Peer Counselor Patty Dawkins-School Psychologist Isabel Goenaga-Behavior Specialist

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

The school based leadership team should consistently monitor student achievement data and provide intervention opportunities to students as needed. Progress should be monitored and interventions adjusted based on student growth data.

The school based team identifies areas in need of improvement and sets annual goals that are articulated in the CIM. An action plan is then created to address each goal area. The team then meets periodically to set individual goals for students and to progress monitor student growth. Teachers are included in conversations of student growth and their professional growth needs are identified and prioritized through these conversations and results of team meetings. Data is consistently leveraged to adjust the action plan and to address new areas of need. Title I, Part A funds are used to provide the Saddlewood students with enhanced technology instruction through the purchase of hardware for engaged classrooms. Monies are also used to provide students with extended learning opportunities after school. Students are also provided the opportunity to participate in the after school Supplemental Education Services tutorial program. Title I funds are also used to purchase an Academic Coach and three paraprofessionals that assist teachers with students needing interventions. These monies are also used to purchase quality professional development for Saddlewood teachers. Additionally, materials and supplies are purchased to enhance each teacher's instructional program.

Title I, Part C funds are provided by the district to support those students who have been identified as "migrant students." Funds are used to purchase school supplies, after school tutoring, and a migrant liaison that works with the families. Families must meet the federal eligibility to participate in the program.

Title I Part D funds have been used by the district to improve the basic education programs through the purchase of small equipment to supplement education programs in technology in the classrooms that will increase the instructional strategies provided to the students and for instructional software that will enhance literacy and math skills of struggling students and early childhood students. Title II funds are used to provide staff development for activities to improve the basic educational programs and to assist administrators and teachers in meeting the highly qualified status. Title III funds are used to purchase education materials and provide ELL district support services on an as needed basis to improve the education of immigrant and English Language Learners.

Marion - 0681 - Saddlewood Elementary School - 2014-15 SIP Saddlewood Elementary School

Title X funds are used through the District Homeless Social Worker to provide resources such as school supplies, clothing, or other needed items to students who are identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education.

Supplemental Academic Instruction-Dropout prevention and academic intervention programs are funded through the Florida Education Finance Program (FEFP) and Supplemental Academic Instruction categorical funds. School districts have flexibility in how SAI funds may be expended as long as dollars are used to help students gain at least a year of knowledge for each year in school and to help students not to be left behind. Supplemental instruction strategies may include, but are not limited to (modified curriculum, reading instruction, after-school instruction, tutoring, mentoring, class size reduction, extended school year, intensive skills development in summer school and other methods to improve student achievement.

Exceptional Student Education: The Florida Diagnostic Learning Resource System is funded through EHA-Part B as amended by PL94-142, to provide Support Services to Exceptional Student Education Programs.

Vocations Education: Proposals are submitted annually to enhance selected Vocational Programs for regular, disadvantaged and handicapped students in grades 7-12.

Violence Prevention Programs

Our Guidance Counselor works with students indicating suicidal tendencies and refers them to the Centers for crisis intervention and evaluation.

Nutrition Programs

Saddlewood coordinates with the district Health Education Department and the Marion County Health Department to support such programs as the Absences Program and the Asthma Program. Marion County's Health Department also provided support to the district by staffing targeted schools with a full time nurse.

Housing Programs

Saddlewood's social worker and social worker assistant work very closely with families having housing needs. Contacts are made and information is provided to assist families in meeting their needs.

Head Start

For five summers, Saddlewood has housed a Voluntary Prekindergarten Program on campus. Although Summer VPK was not housed on site this past year, we solicited age appropriate students to attend this program at a neighboring elementary school. In additional to the VPK program for preschool students, Title I funds also provide parents resources through the HIPPY program. Students entering kindergarten for the first time also participate in Stagger Start, which allows the students to attend one full day of school during the first three days to become better oriented to the school setting.

Adult Education

Marion County provides an outstanding adult education program on the Community and Technical Adult Education campus.

Career and Technical Education

Marion County has an outstanding career and technical program that is offered to high school students at the Marion Technical Institute. The Career and Technical Adult Education program of Marion County offers several career programs to our post-secondary adults. Advertising of the programs appears frequently in our local newspaper as well as the world wide web. Job training is available on both the MTI and CTAE campuses.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Jennifer Beck	Principal
Joy Baxley	Education Support Employee
Carol Alvarez	Teacher
Linda Wheeler	Parent
Sarah Williams	Parent
Jessica Laurito	Teacher
Jessica Cannon	Teacher
Linda Spencer	Education Support Employee
Angela Echeverri	Parent
Daniel Gentry	Parent
Dan Galassi	Parent
Ruther Brazzel	Parent
Francisco Leal	Parent
Quing Chen	Parent

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

Last year's school improvement plan will be reviewed at upcoming SAC meetings. Our previous goals will be reviewed and adjustments will be suggested by committee members based on previous FCAT data and the current needs of our school.

Development of this school improvement plan

Expected improvements are discussed with SAC members throughout the year and each spring feedback is solicited from the SAC members regarding improvements in reading, math, writing, and science. Feedback from the school survey is also shared with the SAC committee.

Preparation of the school's annual budget and plan

Once district and Title I funds are made available to the principal, the information is shared with the SAC committee. The principal shares financial priorities for the upcoming year and input is solicited from the SAC committee members.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

We did not utilize school improvement funds last year to purchase supplies or equipment. Instead, we utilized district allocated funds and Title I funds to purchase employees, supplies, and equipment to support instruction in the classroom.

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC No

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Our school will be recruiting new SAC members at our upcoming Parent Information Night opportunities, as well as advertising our meetings in upcoming school newsletters. Additionally, our current SAC members will be encouraged to invite parents or community members that are ethnically and racially diverse to upcoming meetings.

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Beck, Jennifer	Principal
Baxley, Joy	Assistant Principal
Newmones, Stacie	Instructional Coach
DiSanza, Christine	Instructional Coach
Dunn, Cecilia	Teacher, K-12
Weeks, Patty	Teacher, K-12
Marinacci, Shannon	Teacher, K-12
Taylor, Vonitra	Teacher, K-12
Whitten-Lavery, Wendy	Teacher, K-12
Jones, Caren	Teacher, K-12

Duties

Describe how the LLT promotes literacy within the school

The major initiatives of the LLT for 2014-15 will be to ensure that all subgroups meet AMO requirements in the area of reading. Another initiative will be to improve the parent attendance at parent involvement activities. The team will also work to ensure the successful implementation of Florida Standards and The Academies (K-2). The team can also examine data to see if additional resources are needed for subgroups.

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Our school employs several strategies to encourage a positive working relationships between teachers. One of the ways this is accomplished is through bi-weekly PLC meetings. These meetings provide opportunities to discuss relevant data and to deconstruct the upcoming ELA and math strands. Additionally, grade levels work together on a weekly basis to plan for instruction based on formative assessment data and upcoming ELA and math needs.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Our recruitment and retention strategies include checking the references of possible new hires to ensure quality performance, we set expectations during the interview process, we assign new hires a mentor to ensure understanding of the grade level responsibilities, and we coordinate with district personnel responsible for working with new teachers to orient them to district policies, procedures, and programs.

Marion - 0681 - Saddlewood Elementary School - 2014-15 SIP Saddlewood Elementary School

Jennifer Beck, Principal and Joy Baxley, Assistant Principal are responsible for recruiting and retaining quality staff at our school. This is accomplished through establishing an on-site training program for new teachers at the school. Additionally, all potential new hires are interviewed by administration and multiple background checks are conducted.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

New teachers with be paired with veteran teachers within their grade level. Administration will take into account proximity of teachers within the building, experience, and willingness to serve in this capacity.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

Our programs and materials are aligned to the Florida standards utilizing a variety of strategies. Upcoming standards are deconstructed at PLC meetings and follow-up planning opportunities are scheduled with grade levels to ensure instructional planning is in alignment with the standards. Student progress on formative assessments and learning checks will be reviewed at data meetings to determine material and program needs. Our teachers utilize the core ELA and math material provided by the district, as well as supplemental material to ensure the standards are met.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Our school uses formative and summative assessment data to differentiate instruction in the classroom. ELA and math small groups are formulated based on current data from AIMSWeb, learning checks, and regular formative assessments. Student groups are fluid based on data. Struggling students work more frequently with the teacher who have difficulty attaining proficiency. Reading instruction is also differentiated during intervention time when small groups of students work with our support staff in an intervention program that addresses their reading deficiency area.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year: 3,000

A Title I, school-based tutoring program will be offered beginning in January 2015 utilizing research-based programs to support remedial and enrichment instruction in core academic subjects.

Strategy Rationale

To provide additional time beyond the school day to remediate a select group of students in ELA and math. Additionally, to accelerate a select group of students with material that encourages critical thinking and problem solving.

Strategy Purpose(s)

- Core Academic Instruction
- Enrichment

Person(s) responsible for monitoring implementation of the strategy Beck, Jennifer, jennifer.beck@marion.k12.fl.us

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Pre and Post test data will be collected from participating students.

Strategy: Extended School Day

Minutes added to school year: 30

Success Maker reading and math will be offered beginning in January 2014 in the computer lab to support remedial instruction in reading and math.

Strategy Rationale

Strategy Purpose(s)

Person(s) responsible for monitoring implementation of the strategy

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Increased reading and math level growth from January-April with an acceptable level of performance

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Marion - 0681 - Saddlewood Elementary School - 2014-15 SIP Saddlewood Elementary School

Saddlewood currently has two Pre-School ESE programs based at the school of which several of the students feed into the regular Kindergarten program. We also host an orientation program during the month of May for several local private Pre-School programs. Incoming kindergarten students who have not participated in a Voluntary Prekindergarten Program are encouraged to attend the summer VPK program. Efforts are made in the spring to facilitate early kindergarten registration so that incoming kindergarten students can take advantage of the summer VPK program. Flyers are sent home and the school marquee encourages early kindergarten registration.

During the first week of school, our district uses the "Stagger Start" procedure where kindergarten students are assigned just one day of attendance during those first three days. On each of these days, the kindergarten teacher has a small group of students that can be oriented to the school, as well as, individually assessed.

Our kindergarten parents also attend our Open House that occurs during the first few weeks of school.

Additionally, as students transition from one grade level to another, parents are invited to Parent Information Nights. These opportunities allow for a better understanding of grade level expectations.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Not applicable

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

Not applicable

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

Not applicable

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School Feedback Report</u>, as required by section 1008.37(4), Florida Statutes

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

1 = Problem Solving Step S123456 = Quick Key

Strategic Goals Summary

G1. If we intensify the rigor and relevance of our differentiated instruction in all subjects, then an increased percentage of students will demonstrate mastery of the Florida Standards as measured by district proficiency charts.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

Marion - 0681 - Saddlewood Elementary School - 2014-15 SIP Saddlewood Elementary School

G1. If we intensify the rigor and relevance of our differentiated instruction in all subjects, then an increased percentage of students will demonstrate mastery of the Florida Standards as measured by district proficiency charts.

Targets Supported 1b

Indicator	Annual Target
AMO Reading - All Students	71.0
AMO Math - All Students	77.0

Resources Available to Support the Goal 2

- · Academic and Reading Coach
- Electronic resources/technology
- Title I funded purchases
- Supplemental ELA and math resources
- Intervention paraprofessionals

Targeted Barriers to Achieving the Goal 3

- · Collective Responsibility
- Quality Professional Development
- Lack of parent engagement in the learning process
- · Lack of collaborative planning time
- · Lack of rigrous assignments
- Lack of technology software and hardware to support rigorous instruction

Plan to Monitor Progress Toward G1. 8

AIMSWeb, formative assessments, and learning checks

Person Responsible

Joy Baxley

Schedule

Monthly, from 8/25/2014 to 5/29/2015

Evidence of Completion

Data from data notebooks

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Problem Solving Key

G = Goal **B** = Barrier **S** = Strategy

G1. If we intensify the rigor and relevance of our differentiated instruction in all subjects, then an increased percentage of students will demonstrate mastery of the Florida Standards as measured by district proficiency charts.

G1.B2 Collective Responsibility 2

G1.B2.S1 To strategically utilize our instructional and non-instructional support personnel to advance our students understanding of the Florida Standards. 4

Strategy Rationale

All staff members contribute to our student's learning. When the team works towards the same goal, we increase our ability to positively influence student success.

Action Step 1 5

Retain our school Reading and Academic Coach who support teachers by modeling best practices, offering PD, providing instructional feedback, and assisting teachers in making instructional decisions about students.

Schedule

Every 6 Weeks, from 9/2/2014 to 5/29/2015

Evidence of Completion

Our school master schedule reflecting the grade and class assignment of each paraprofessional, the paraprofessional's Fidelity Monitoring sheets indicating who received intervention support each week and how frequently. Additionally, viewing the coaches log to review instructional tasks completed each week. Prior to beginning our after school program, a schedule containing teacher/para responsibilities and instructional resource list will be created.

Plan to Monitor Effectiveness of Implementation of G1.B2.S1 7

Instructional support and paraprofessional evaluations

Person Responsible

Jennifer Beck

Schedule

Every 6 Weeks, from 9/2/2014 to 5/29/2015

Evidence of Completion

The evaluations of both instructional coaches observed during the recommended district time-line will include effective and highly effective ratings. Additionally, the informal paraprofessional evaluations conducted by admin will reflect instructional strengths and weaknesses.

G1.B3 Quality Professional Development 2

G1.B3.S1 Schedule and facilitate quality professional development that has relevance to the grade level standards and increases the rigor of instruction. 4

Strategy Rationale

Teachers and Admin. want grade specific content that can be utilized in the classroom to assist with mastery of the Florida Standards.

Action Step 1 5

Schedule Math Solutions for PD-Math Discourse and Reasoning

Person Responsible

Jennifer Beck

Schedule

On 8/8/2014

Evidence of Completion

Completion of documents to receive master inservice points

Action Step 2 5

Schedule on-going ELA and Math training developed through district program managers in accordance with the district professional development calendar.

Person Responsible

Jennifer Beck

Schedule

Monthly, from 9/10/2014 to 5/6/2015

Evidence of Completion

Completion of documents to receive master inservice points

Action Step 3 5

Unwrapping the Standards

Person Responsible

Jennifer Beck

Schedule

On 8/6/2014

Evidence of Completion

Documents that were created by my staff for school presentation purposes based on their participation in this training.

Plan to Monitor Fidelity of Implementation of G1.B3.S1 6

Looking at evidence of completed paperwork for master inservice points

Person Responsible

Joy Baxley

Schedule

Monthly, from 9/10/2014 to 5/6/2015

Evidence of Completion

Teacher paperwork in True North Logic for course completion

Plan to Monitor Effectiveness of Implementation of G1.B3.S1 7

Teacher effectiveness ratings in domain 2 and 3

Person Responsible

Jennifer Beck

Schedule

On 2/28/2015

Evidence of Completion

Teachers formal evaluation ratings will be collected in February to demonstrate teacher effectiveness in domain 2 and 3. Teacher should be effective or highly effective in all categories in domains 2 and 3.

G1.B4 Lack of parent engagement in the learning process 2

G1.B4.S1 Involve parents in the learning process, so they can contribute to our students understanding of the Florida Standards.

Strategy Rationale

When parents and caregivers are involved in their child's learning, there is greater likelihood that instruction will be reinforced beyond the school day.

Action Step 1 5

Provide parent training opportunities covering the Florida Standards, the new FSA assessment, and the resources that can be utilized to support mastery of the Standards

Person Responsible

Jennifer Beck

Schedule

Quarterly, from 8/25/2014 to 5/29/2015

Evidence of Completion

Agendas

Action Step 2 5

Strengthen parent communication regarding instruction in the classroom and how parents support the learning process

Person Responsible

Jennifer Beck

Schedule

Monthly, from 8/25/2014 to 5/29/2015

Evidence of Completion

Newsletters, compacts, handbooks, flyers

Plan to Monitor Fidelity of Implementation of G1.B4.S1 6

Looking at the evidence of completion of each step

Person Responsible

Jennifer Beck

Schedule

Monthly, from 8/25/2014 to 5/29/2015

Evidence of Completion

Evidence will include flyers, newsletters, invitations, and agendas

Plan to Monitor Effectiveness of Implementation of G1.B4.S1 7

Increases in student achievement as measured by AIMSweb and district learning checks

Person Responsible

Joy Baxley

Schedule

Monthly, from 8/25/2014 to 6/26/2015

Evidence of Completion

Assessment data

G1.B5 Lack of collaborative planning time 2

९ B113435

G1.B5.S1 Establish on-going PLC and planning meetings by grade level that focus on quality collaboration that results in increased student achievement.

Strategy Rationale

Collaborative opportunities will allow teachers time to look at data, reflect on their practices, and plan for instruction

Action Step 1 5

Schedule grade level planning meetings

Person Responsible

Jennifer Beck

Schedule

Weekly, from 8/25/2014 to 5/29/2015

Evidence of Completion

School-wide calendar

Action Step 2 5

Schedule on-going PLC Meeting

Person Responsible

Jennifer Beck

Schedule

Biweekly, from 8/25/2014 to 5/29/2015

Evidence of Completion

School-wide calendar

Plan to Monitor Fidelity of Implementation of G1.B5.S1 6

Meet and debrief PLC meetings with admin and coaches

Person Responsible

Jennifer Beck

Schedule

Biweekly, from 8/25/2014 to 5/29/2015

Evidence of Completion

notes and results

Plan to Monitor Effectiveness of Implementation of G1.B5.S1 7

AIMSWeb student data reflecting increases in student performance

Person Responsible

Joy Baxley

Schedule

Semiannually, from 8/25/2014 to 5/29/2015

Evidence of Completion

AIMSWeb data completed three times a year in data notebooks

G1.B6 Lack of rigrous assignments 2

₹ B113436

G1.B6.S1 Supplement instruction with research-based materials that reinforce mastery of the Florida Standards.

Strategy Rationale

The district adopted textbook material does not adequately provide enough support in teaching or practicing the Florida Standards; therefore additional material is provided to reinforce skills and standards.

Action Step 1 5

Investigate and research programs and materials that support rigorous instruction in ELA and Math

Person Responsible

Jennifer Beck

Schedule

Monthly, from 8/11/2014 to 6/3/2015

Evidence of Completion

Samples of requested material and meeting notes with staff to review products

Action Step 2 5

Select materials/activities for instruction utilizing teacher input and research supporting rigorous instruction

Person Responsible

Jennifer Beck

Schedule

Monthly, from 8/11/2014 to 6/3/2015

Evidence of Completion

purchased supplemental material

Plan to Monitor Fidelity of Implementation of G1.B6.S1 6

Observation of steps and observation of material in use in the classroom

Person Responsible

Jennifer Beck

Schedule

Monthly, from 8/11/2014 to 6/3/2015

Evidence of Completion

Material use noted in teacher lesson plans

Plan to Monitor Effectiveness of Implementation of G1.B6.S1 7

Increases in student performance on AIMSWeb

Person Responsible

Joy Baxley

Schedule

Semiannually, from 8/25/2014 to 5/29/2015

Evidence of Completion

AIMSWeb performance data

G1.B7 Lack of technology software and hardware to support rigorous instruction 2

% B113437

G1.B7.S1 Supplement instruction with technology that works to extend instruction and allows for student interaction, while reinforcing mastery of the Florida Standards.

Strategy Rationale

Students learn through engaging and interactive activities that challenge their understanding of the Standards.

Action Step 1 5

Investigate available hardware and software resources that increase a student's interaction with the content.

Person Responsible

Jennifer Beck

Schedule

Quarterly, from 7/1/2014 to 6/3/2015

Evidence of Completion

A list of technology resources that were considered or purchase orders for technology resources that were selected for classroom or school use

Action Step 2 5

Purchase quality research-based technology hardware and software that will increase engagement and increase the rigor of instruction.

Person Responsible

Jennifer Beck

Schedule

Quarterly, from 7/1/2014 to 6/3/2015

Evidence of Completion

completed purchase orders

Plan to Monitor Fidelity of Implementation of G1.B7.S1 6

Looking at the evidence of completion submitted for both steps of the action plan

Person Responsible

Jennifer Beck

Schedule

Quarterly, from 8/25/2014 to 5/29/2015

Evidence of Completion

Observation and PO's for purchased resources

Plan to Monitor Effectiveness of Implementation of G1.B7.S1 7

Increases in student performance on AIMSWeb

Person Responsible

Joy Baxley

Schedule

Quarterly, from 8/25/2014 to 5/29/2015

Evidence of Completion

AIMSWeb performance data

Appendix 1: Implementation Timeline

Action steps and monitoring activities identified in the SIP as necessary to achieve the school's goals.

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/End Date
G1.B5.S1.A1	Schedule grade level planning meetings	Beck, Jennifer	8/25/2014	School-wide calendar	5/29/2015 weekly
G1.B3.S1.A1	Schedule Math Solutions for PD-Math Discourse and Reasoning	Beck, Jennifer	8/8/2014	Completion of documents to receive master inservice points	8/8/2014 one-time
G1.B6.S1.A1	Investigate and research programs and materials that support rigorous instruction in ELA and Math	Beck, Jennifer	8/11/2014	Samples of requested material and meeting notes with staff to review products	6/3/2015 monthly
G1.B7.S1.A1	Investigate available hardware and software resources that increase a student's interaction with the content.	Beck, Jennifer	7/1/2014	A list of technology resources that were considered or purchase orders for technolgy resources that were selected for classroom or school use	6/3/2015 quarterly
G1.B4.S1.A1	Provide parent training opportunities covering the Florida Standards, the new FSA assessment, and the resources that can be utilized to support mastery of the Standards	Beck, Jennifer	8/25/2014	Agendas	5/29/2015 quarterly

Marion - 0681 - Saddlewood Elementary School - 2014-15 SIP Saddlewood Elementary School

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/End Date
G1.B2.S1.A1	Retain our school Reading and Academic Coach who support teachers by modeling best practices, offering PD, providing instructional feedback, and assisting teachers in making instructional decisions about students.	Beck, Jennifer	8/18/2014	Staffing plan information	8/18/2014 one-time
G1.B5.S1.A2	Schedule on-going PLC Meeting	Beck, Jennifer	8/25/2014	School-wide calendar	5/29/2015 biweekly

Appendix 2: Professional Development and Technical Assistance Outlines

Professional development opportunities and technical assistance items identified in the SIP as action steps to achieve the school's goals.

Professional Development Opportuntities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G1. If we intensify the rigor and relevance of our differentiated instruction in all subjects, then an increased percentage of students will demonstrate mastery of the Florida Standards as measured by district proficiency charts.

G1.B3 Quality Professional Development

G1.B3.S1 Schedule and facilitate quality professional development that has relevance to the grade level standards and increases the rigor of instruction.

PD Opportunity 1

Schedule Math Solutions for PD-Math Discourse and Reasoning

Facilitator

Jennifer Beck, Principal

Participants

K-5 teachers

Schedule

On 8/8/2014

PD Opportunity 2

Schedule on-going ELA and Math training developed through district program managers in accordance with the district professional development calendar.

Facilitator

District program managers develop-Reading Coach and STEM leads facilitate

Participants

K-5 teachers by grade levels

Schedule

Monthly, from 9/10/2014 to 5/6/2015

Marion - 0681 - Saddlewood Elementary School - 2014-15 SIP Saddlewood Elementary School

PD Opportunity 3

Unwrapping the Standards

Facilitator

Florida DOE team

Participants

one K teacher, one 3rd grade teacher, Academic Coach, and Admin.

Schedule

On 8/6/2014

G1.B5 Lack of collaborative planning time

G1.B5.S1 Establish on-going PLC and planning meetings by grade level that focus on quality collaboration that results in increased student achievement.

PD Opportunity 1

Schedule on-going PLC Meeting

Facilitator

Jennifer Beck

Participants

K-5 teachers

Schedule

Biweekly, from 8/25/2014 to 5/29/2015

Marion - 0681 - Saddlewood Elementary School - 2014-15 SIP Saddlewood Elementary School

Technical Assistance Items

Technical Assistance opportunities identified in the SIP as action steps to achieve the school's goals.

Budget Rollup

Summary		
Description	Total	
Goal 1: If we intensify the rigor and relevance of our differentiated instruction in all subjects, then an increased percentage of students will demonstrate mastery of the Florida Standards as measured by district proficiency charts.	162,579	
Grand Total	162,579	

Goal 1: If we intensify the rigor and relevance of our differentiated instruction in all su			
increased percentage of students will demonstrate mastery of the Florida Standards as measured by district proficiency charts.			
Description	Source	Total	
B2.S1.A1 - Our school Academic Coach will work with teachers to model best practices, offer PD to staff, provide instructional feedback, and assist teachers in making instructional decisions about students.	Title I Part A	60,077	
B2.S1.A2 - Quality paraprofessionals will be utilized to support the intervention needs of our students. They will be working with small groups of students daily on research-based intervention programs.	Title I Part A	69,606	
B2.S1.A3 - Instructional and paraprofessional staff will be hired to work with students in our after school tutoring program, beginning January 2015.	Title I Part A	11,565	
B3.S1.A1 - A mini-grant was written to the district to receive these funds to provide continued support for teachers in understanding why we teach math the way we do and how conversation between students and between students and teachers impacts math instruction.	Title II	3,800	
B4.S1.A1 - The use of refreshments will be utilized to to encourage participation in parent training opportunities.	Title I Part A	600	
B4.S1.A2 - The use of the parent handbook, parent compacts, and student planner will be utilized to maintain communication between home and school. Ink will be utilized to send flyer, newsletters, and other reminders of upcoming events and meetings that support instruction in the classroom.	Title I Part A	3,650	
B5.S1.A2 - Schedule K-5 collaboration day for teachers to review data, schedule PD, discuss material usage, and plan for instruction	Title I Part A	2,610	
B6.S1.A2 - Purchasing basic supplies for classroom use and SS Weekly magazines for 4th and 5th grade students.	Title I Part A	3,146	
B7.S1.A2 - Purchasing SMART board technology for a select classroom, as well as Brain Pop and Study Island Math software to supplemental instruction. Headphones will also be purchased to support interactive technology.	Title I Part A	7,525	
Total Goal 1		162,579
