SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

Supportive Environment

School Mission and Vision

Provide the school's mission statement

KES will accomplish the highest academic achievement possible for each of our students within a safe learning environment that is staffed by caring, highly qualified teachers and staff.

Provide the school's vision statement

We believe that "all children can learn and succeed" but not on the same day in the same way. We believe that increased student achievement, along with school safety, should be our top priorities. We support the six pillars of character as outlined in the Character Counts! Program. We strive to build a true professional learning community. We understand the critical connection between home and school. While supporting high standards and the need for a core academic curriculum, we also believe in the theory there are multiple intelligences in human beings.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

The school coordinates a variety of programs to build relationships with students. Ice cream social, Kindergarten Orientation, Meet and Greet Gr. 1-5, Curriculum Night, parent/teacher conferences, and support classes for parents. The school has an active Parent Teacher Organization and School Advisory Council comprised of parents, staff as well as business and community members.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Ketterlinus adopted a character education program, Project Wisdom, that the students use on a daily basis. Each day students are provided with a daily message on making good choices and wise decisions. The program also provides lesson plans, projects, and journal prompts for writing and discussion.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

A school-wide behavior management system is instilled throughout the school. Each classroom establishes classroom rules that support the school-wide system. Students are awarded with Dandy Dolphins for following classroom and school rules. Classrooms are also awarded a Pod for displaying good character as group. Classrooms with Perfect Pods are acknowledged quarterly with an incentive. A portion of the staff were trained in nonviolent crisis intervention that emphasizes early intervention and nonphysical methods for preventing or managing disruptive behavior.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Guidance lessons are conducted in all classrooms focusing on social-emotional needs and character development. Individual and group sessions are provided for students that need additional support

with regards to social-emotional needs. School has added an additional resource to our behavior unit as well as school wide to promote the social and emotional needs of students. The school offers K Kids, affiliated with Kiwanis, Good News Club, Big Brothers Big Sisters which provide mentoring and support for students.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension
 One or more suspensions, whether in school or out of school
 Course failure in English Language Arts or mathematics
 A Level 1 score on the statewide, standardized assessments in English Language Arts or mathematics

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Attendance below 90 percent	5	11	7	6	5	5	39
One or more suspensions	0	3	1	3	2	5	14
Course failure in ELA or Math	2	2	2	1	1	0	8
Level 1 on statewide assessment	0	0	0	2	3	4	9
	0	0	0	0	0	0	

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level					Total
	K	1	3	4	5	
Students exhibiting two or more indicators	1	2	2	2	4	11

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Students identified by the Early Warning System are referred to the MTSS/RtI Team for evaluation and problem solving. Individual plans are developed to address the needs of each student. Supplemental At-Risk funds were used to hire a counselor to focus on social and emotional issues with at-risk families.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/197988>.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

KES utilizes Title 1 and Additional Revenue funds to provide funding for school-based volunteer/community coordinator. The Volunteer Coordinator secures partnerships with community and business stakeholders to accomplish school-wide goals.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Power, Ashley	Teacher, K-12
Tucker, Kathy	Principal
Keaton, Monique	Assistant Principal
McCutcheon, Sandy	Guidance Counselor
Brush, Sue	Teacher, K-12
Droege, Denise	Teacher, K-12
Gwaltney, Stacey	Registrar
Lewis, Curtis	Teacher, K-12
Marsh, Elizabeth	Teacher, K-12
Mercer, Maria	Teacher, K-12
Owens, Wendy	Teacher, K-12
Pelletier, Greta	Teacher, K-12
Redmon, Angela	Instructional Coach
Smith, Brooke	Guidance Counselor
Smolek, Rachel	Guidance Counselor
Wilkerson, Francine	Teacher, ESE

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

Responsibilities

- Member of core team
- Attends core meetings
- Attends Rtl review meetings with teacher
- Helps develop Tier II and Tier III academic and behavior plans
- Develops agenda for MTSS meetings
- Responsible for gathering attendance data
- Responsible for gathering behavior data
- Graphs students' progress monitoring data
- Participates in gap analysis
- Makes the MTSS team aware of health/medical conditions that may impact learning
- Takes minutes during the meeting
- Provides the minutes of the meetings to all MTSS members in a timely fashion
- Files paperwork for Rtl students into the Rtl folder
- Updates data into the Rtl digital database
- Schedules meetings to review Rtl plans with teachers
- Performs speech and language screenings
- Performs vision and hearing screenings
- Sends home referrals based on vision and hearing needs
- Refers students/parents to appropriate community resources
- Participates in parent conferences
- Performs classroom observations
- Develops progress monitoring probes
- Reviews school wide progress monitoring information
- Conducts guidance lessons based on specific areas of need
- Provides training to staff/teachers on Rtl procedures, progress monitoring and related interventions
- Finalizes Rtl referral packet and submits to LEA

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

At Ketterlinus, we use the 4-step problem-solving model: Step 1, define, in objective and measurable terms the goal(s) to be attained, Step 2, identify possible reasons why the desired goal(s) is not being attained. Step 3, develop and implement a well-supported plan involving evidence-based strategies to attain the goal(s) Step 4, evaluate the effectiveness of the plan in relation to stated goal.

Weekly our school has a MTSS core team that has an agenda that discusses SIP goals, core instruction, resource allocation, teacher support systems, and small group needs. Then, our school holds weekly MTSS meetings to discuss individual student needs for those students not meeting grade level proficiency.

Title I, Part A

Services are provided to ensure students requiring additional remediation are assisted through in-school program funded through our Title 1 (ARRA) funds. SAI funds are used to purchase school-wide intervention materials and reading teacher. Both Title I and Race to the Top (RTTT) funds are provided for staff development needs.

Title I, Part C- Migrant

The St Johns County School District Migrant Liaison provides services and support to students and parents.

The liaison coordinates with Title I and other programs to ensure student needs are met.

Title I, Part D

District receives funds to support the Educational Alternative Outreach program. Services are

coordinated with district Dropout Prevention programs.

Title II

District receives supplemental funds for improving teaching practices.

Title X- Homeless

District Homeless Social Worker provides resources (clothing, school supplies, social services referrals) for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education.

Violence Prevention Programs

The school offers a non-violence and anti-drug program to students that incorporates community service, counseling, and anti-bullying campaign.

Nutrition Programs

*The School's Registered Nurse will coordinate health screenings. In addition, the registered nurses provides guidance to both parents and students on healthy habits.

Housing Programs

Housing Program/Homeless Student District Liaison and District Social Worker continue to provide support to our homeless families helping them to locate housing as well as working out transportation issues so that the children have continuity by being allowed to remain at our school regardless of zoned school.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Kathy Tucker	Principal
Ashley Power	Teacher
Sandy McCutcheon	Teacher
Carole Gauronskas	Education Support Employee
Nancy Thompson	Parent
Dan Hersey	Parent
Jana Waler	Parent
Jenny Ranick	Parent
Katie Robshaw	Parent
Kelley Mantei	Parent
Liz Struhar	Parent
Pamela Jett	Education Support Employee
Stephanie Davis	Parent
Vanessa Townsend	Parent
Yvonne Ross	Education Support Employee

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

The previous years school improvement plan was presented along with most recent school achievement data. Changes in state standards were addressed in the discussion of the plan.

Development of this school improvement plan

The SAC team has been involved in developing this plan by reviewing the school achievement data as well as current changes in state standards (common core).

Preparation of the school's annual budget and plan

Based on Needs Assessment Staff survey, the SAC meets to review needs and prepare the budget.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

School improvement funds will be used to purchase materials and trainings that support AVID (Advancement Via Individual Determination).

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Tucker, Kathy	Principal
Keaton, Monique	Assistant Principal
McCutcheon, Sandy	Guidance Counselor
Wilkerson, Francine	Teacher, ESE
Gwaltney, Stacey	Registrar
Redmon, Angela	Instructional Coach
Smith, Brooke	Guidance Counselor

Duties

Describe how the LLT promotes literacy within the school

LLT team will continue in implementing and communicating our school-wide reading program. The LLT will communicate the school-wide initiative to have both reading and writing a nightly requirement. LLT will assist in expanding our leveled reading library in the classrooms as well as our non-fiction books in the media center to assist us in the implementation of Common Core State Standards.

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

*Peer Mentoring: teachers new to KES are paired with experienced teachers in their shared grade-level. The instructional literacy coach helps to facilitate mentoring activities and provide assistance and one-on-one coaching.

*Grade Levels participate in quarterly "Data and Dialogue" days. Using Title 1 funds, substitute teachers are hired to provide classroom coverage as teachers have "Data and Dialog Days". Days are structured to review current assessments (District DE and Formative Assessments), District Curriculum Maps and State Standards/NGSSS to plan for classes and small group instruction. Time is built in to review two of the high yield strategies associated with AVID program and Marzano.

* The KES Sunshine Committee exists to support teachers and staff. The Committee recognize KES Staff at major times in their lives: death, birth/adoption, marriage, retirement, illness, family tragedy, and or special recognition. The Committee hosts events each month to foster positive relationships among teachers.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

St. Johns County School District actively recruits instructional staff at college job fairs in the state. Ketterlinus hires only the highest quality teachers by utilizing the PATs web-based system. Administration and staff are responsible for identifying teachers with qualifications that meet the criteria of the State of Florida for teaching professionals. Using the St. Johns County rules and regulations, they only hire teachers that are highly qualified, are certified in-field and are effective educators.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

*Experienced teachers are paired with new teachers to KES in their shared grade-level. The instructional literacy coach helps to facilitate mentoring activities and provide assistance and one-on-one coaching.

*Mentors and mentees should establish a calendar to meet, before or after student contact time, at least 3-4 times each month during the first four months of employment and at least twice each month thereafter. A checklist and a New Teacher Mentoring Log with suggested discussion topics are included in the mentoring handbook and on the SJCS D professional development website.

*The New Teacher Mentoring Log should be kept of all meetings/observations. These logs should be shared with school administrators. The New Teacher Mentoring Summary should be submitted to Tricia Herring in Professional Development at the end of the school year to earn inservice points.

*Both mentors and mentees will earn inservice points when the completed log summary is submitted.

*Professional learning opportunities will be provided monthly for new teachers. This professional development will be aligned with the SJCS D District Curriculum Goal, the EEE Evaluation System and the Florida Professional Educator Competencies. Attendance is encouraged for all new teachers. Mentors and school administrators are also welcome to attend.

*School administrators will meet quarterly with mentor/mentee teams to discuss challenges and successes, provide feedback and support these mentor/mentee teams.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

Teacher representatives from each course and or grade level meet four times a year with district Subject Area Specialists to develop/review curriculum maps, quarterly formative assessments and

teacher resources to include instructional materials. These District Professional Learning Communities work to ensure that curriculum, instruction and assessment are based on applicable state standards. This process is in addition to a standards based instructional materials review program that is used when the district adopts the primary instructional materials for a course. The teacher representatives work with instructors and administrators at the school level to ensure that the results of the District Professional Learning Communities are implemented at the school level. The curriculum maps which include links to vetted instructional materials and lesson plans are the basis for school level standards based planning and instruction.

In addition to what each teacher is doing to promote learning and measure student performance, District Formative Assessments are given in the core instructional programs to assess student mastery of standards, guide instructional practice and inform district planning. Detailed data reports are accessed through Performance Plus which is a reporting system available to all teachers and administrators. These reports are used by teachers, administrators and district staff to ensure that instruction and assessment are designed to produce student mastery of the Florida Standards. The reports are also used with individual students and parents as needed to assist them in understanding the standards and learning expectations.

Administrators meet with teachers in grade level / content area Professional Learning Communities to review reports from Performance Plus and analyze results with the intent of planning instruction to differentiate, intervene, re-teaching, and innovate to improve student mastery of the standards. The same information is used to review curriculum maps and instructional materials/resources as to their effectiveness in promoting standards based instruction and learning.

This process is repeated each quarter and serves as the foundation for a standards based continuous improvement model that uses student performance data to evaluate and improve curriculum, instruction and assessment in a manner designed to promote the highest level student mastery of the Florida Standards.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Instructional staff implements and utilizes district formative assessments to guide instruction for individual students.

KES uses state and district progress monitoring assessments, as well as classroom reading assessments (DRA) to determine the child's specific need and growth. Students identified as needing extra support are referred to the MTSS team for evaluation. Once placed on an Rtl plan, students are progress monitored weekly or bi-weekly to assess progress and adjust plans accordingly.

Services for students identified as gifted are offered at each grade level. These classes are usually provided through the gifted blended model and are taught by gifted endorsed teachers. Classes are blended with other students to achieve state mandated class size requirements.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Summer Program

Minutes added to school year:

Students in grades 1, 2 & 3 (level 1's) are provided intensive reading remediation during the summer by certified teachers.

Strategy Rationale

Summer school is designed to boost the academic needs of underperforming students.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Data is collected through participation of summer staff development as tracked through the district's professional development system - Sungard. In addition, fidelity of training is tracked through classroom observations as shown in iObservation teacher evaluation web-based system.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

The Florida Kindergarten Readiness Screener (FLKRS) is administered to assess the readiness of each child for kindergarten. The FLKRS includes a subset of the Early Childhood Observation System and the first two measures of the Florida Assessment for Instruction in Reading (FAIR) for kindergarten.

In addition, this year the school has implemented a Voluntary Pre-Kindergarten (VPK) program to assist preschool children to kindergarten.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

NA

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

N/A

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

NA

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

Strategic Goals Summary

- G1.** Instructional staff will consistently use high-yield strategies and high expectations for students.
- G2.** Instructional staff will implement and utilize district formative assessments to guide instruction for individual students.
- G3.** Ketterlinus will increase their parental and community/business partnerships and involvement to support student achievement.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Strategy Rationale

Allowing additional time for staff to review data, plan and receive additional grade-specific training on high yield strategies will promote the use of such strategies in all classrooms across all grade levels.

Action Step 1 **5**

Using Title 1 funds, substitute teachers will be hired to provide classroom coverage as teachers have "Data and Dialog Days". Days will be structured to review current assessments (District DE and Formative Assessments), District Curriculum Maps and State Standards/NGSSS to plan for classes and small group instruction.

Time will be built in to review two of the high yield strategies associated with AVID program and Marzano
