SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

- 1. Have an overall Federal Index below 41%;
- 2. Have a graduation rate at or below 67%;
- 3. Have a school grade of D or F; or
- 4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <u>https://www.floridacims.org</u>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

| SIP Sections | Title I Schoolwide Program | Charter Schools |
|---|---|------------------------|
| I-A: School Mission/Vision | | 6A-1.099827(4)(a)(1) |
| I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring | ESSA 1114(b)(2-3) | |
| I-E: Early Warning System | ESSA 1114(b)(7)(A)(iii)(III) | 6A-1.099827(4)(a)(2) |
| II-A-C: Data Review | | 6A-1.099827(4)(a)(2) |
| II-F: Progress Monitoring | ESSA 1114(b)(3) | |
| III-A: Data Analysis/Reflection | ESSA 1114(b)(6) | 6A-1.099827(4)(a)(4) |
| III-B: Area(s) of Focus | ESSA 1114(b)(7)(A)(i-iii) | |
| III-C: Other SI Priorities | | 6A-1.099827(4)(a)(5-9) |
| VI: Title I Requirements | ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g) | |

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

To inspire and empower students for success through an engaging virtual learning experience (revised SY 2017-2018).

Provide the school's vision statement.

A community of life-long, independent learners prepared to lead in an evolving global environment (revised SY 2017-2018).

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

| Name | Position Title | Job Duties and Responsibilities |
|----------------------|----------------------------------|--|
| Price, Heather | Principal | Monitor instructional program, school culture and adjust as data and feedback warrants. Coordinate professional development and resources to meet needs of school. |
| Kirk, Clarissa | Assistant Principal | Monitor instructional program, school culture and adjust as data and feedback warrants. Coordinate professional development and resources to meet needs of school. |
| Bussendorf, Kathy | Teacher, K-12 | Team leader, provide instructional coaching, facilitate training and monitor data. |
| Sorrentino, Julie | Teacher, K-12 | Team leader, provide instructional coaching, facilitate training and monitor data. |
| Faro, Sara | Teacher, ESE | Team leader, provide instructional coaching, facilitate training and monitor data. |
| Brach, Kristin | Teacher, K-12 | Team leader, provide instructional coaching, facilitate training and monitor data. |
| Johnson, Shannon | Teacher, K-12 | Leadership team member and math team lead. Monitor school-wide math data and lead professional development and discussions. |
| Lenox, Ashley | Teacher, K-12 | Leadership team member and literacy team lead. Monitor school-wide literacy data and lead professional development and discussions. |
| Kirk, Lori | Teacher, Career/ Technical | Lead our school's efforts in expanding CTE programs and student participation. |
| Nichols, Jolene | Teacher, K-12 | Leadership team member and K-5 team lead. Monitor school-wide K-5 data and lead professional development and discussions. |
| Mosley, Catherine | Teacher, K-12 | Team leader, provide instructional coaching, facilitate training and monitor data. |

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

The School Improvement plan will be shared with all stakeholders to gather input during the development process. The School Leadership Team, School Advisory Council and Student Ambassadors will all be involved in the review/development of the SIP.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The SIP will be monitored through the School Leadership Team and School Advisory Council during regularly meetings. Revisions will be made to the plan to adjust to new data and new information received throughout the school year.

Demographic Data

Only ESSA identification and school grade history updated 3/11/2024

| 2023-24 Status | Active |
|---|--|
| (per MSID File) | Active |

Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

| Indicator | | | Gr | ad | e L | .ev | el | | | Total |
|---|---|---|----|----|-----|-----|----|---|---|-------|
| indicator | κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
| Absent 10% or more days | 0 | 1 | 1 | 1 | 0 | 0 | 0 | 4 | 0 | 7 |
| One or more suspensions | 0 | 0 | 0 | 1 | 0 | 0 | 0 | 1 | 1 | 3 |
| Course failure in English Language Arts (ELA) | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 1 | 1 |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 2 | 2 |
| Level 1 on statewide ELA assessment | 0 | 0 | 0 | 1 | 0 | 2 | 1 | 1 | 6 | 11 |
| Level 1 on statewide Math assessment | 0 | 0 | 0 | 0 | 0 | 3 | 1 | 8 | 4 | 16 |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 3 | 1 | 4 |

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

| Indicator | | | C | Grad | de L | evel | | | | Total |
|--------------------------------------|---|---|---|------|------|------|---|---|---|-------|
| indicator | κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | TOLAI |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 2 | 2 |

Using the table above, complete the table below with the number of students identified retained:

| Indicator | | | (| Grad | de L | evel | | | | Total |
|-------------------------------------|---|---|---|------|------|------|---|---|---|-------|
| indicator | Κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
| Retained Students: Current Year | 0 | 0 | 0 | 1 | 0 | 0 | 0 | 0 | 1 | 2 |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

| Indicator | Grade Level | | | | | | Tota | Total | | |
|---|-------------|---|---|---|---|---|------|-------|---|-------|
| indicator | Κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | TUtar |
| Absent 10% or more days | 0 | 0 | 0 | 0 | 1 | 1 | 0 | 6 | 7 | 30 |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 1 | 0 | 0 | 1 | 7 |
| Course failure in ELA | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 1 | 1 | 5 |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 6 |
| Level 1 on statewide ELA assessment | 0 | 0 | 0 | 0 | 0 | 3 | 0 | 2 | 2 | 21 |
| Level 1 on statewide Math assessment | 0 | 0 | 0 | 0 | 3 | 4 | 8 | 2 | 1 | 56 |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 7 | 6 | 56 |

The number of students by current grade level that had two or more early warning indicators:

| Indicator | | | (| Grad | de L | eve | I | | | Total |
|---|---|---|---|------|------|-----|---|---|---|-------|
| indicator | κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | TOLAT |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 0 | 1 | 0 | 2 | 4 | 18 |
| The number of students identified retained: | | | | | | | | | | |
| Indicator | | | (| Grad | de L | eve | | _ | | Total |

| Indicator | | | | | | | | | | Total |
|-------------------------------------|---|---|---|---|---|---|---|---|---|-------|
| indicator | Κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
| Retained Students: Current Year | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 1 | 0 | 3 |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 1 | 0 | 2 |

Prior Year (2022-23) Updated (pre-populated)

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

| Indicator | | | Gr | ad | e L | .ev | el | | | Total |
|---|---|---|----|----|-----|-----|----|---|---|-------|
| Indicator | κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
| Absent 10% or more days | 0 | 0 | 0 | 0 | 1 | 1 | 0 | 6 | 7 | 15 |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 1 | 0 | 0 | 1 | 2 |
| Course failure in ELA | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 1 | 1 | 2 |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |
| Level 1 on statewide ELA assessment | 0 | 0 | 0 | 0 | 0 | 3 | 0 | 2 | 2 | 7 |
| Level 1 on statewide Math assessment | 0 | 0 | 0 | 0 | 3 | 4 | 8 | 2 | 1 | 18 |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 7 | 6 | 13 |

The number of students by current grade level that had two or more early warning indicators:

| Indiantar | | | (| Grad | de L | evel | l | | | Total |
|--|---------------|---------------|---------------|---------------|---------------|---------------|---------------|---------------|---------------|-----------|
| Indicator | κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 0 | 1 | 0 | 2 | 4 | 7 |
| The number of students identified retained: | | | | | | | | | | |
| | Grade Level | | | | | | | | | |
| | | | | | | | | | | T - 4 - 1 |
| Indicator | κ | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
| Indicator Retained Students: Current Year | к 0 | 1 0 | 2 0 | 3 0 | 4 0 | 5 0 | 6 0 | 7 1 | 8 0 | Total |

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

| | | 2023 | | | 2022 | | 2021 | | |
|------------------------------------|--------|----------|-------|--------|----------|-------|--------|----------|-------|
| Accountability Component | School | District | State | School | District | State | School | District | State |
| ELA Achievement* | 71 | 58 | 53 | 61 | 63 | 55 | 68 | | |
| ELA Learning Gains | | | | 64 | | | 56 | | |
| ELA Lowest 25th Percentile | | | | 56 | | | 48 | | |
| Math Achievement* | 44 | 62 | 55 | 39 | 40 | 42 | 54 | | |
| Math Learning Gains | | | | 50 | | | 41 | | |
| Math Lowest 25th Percentile | | | | 49 | | | 42 | | |
| Science Achievement* | 75 | 61 | 52 | 56 | 64 | 54 | 60 | | |
| Social Studies Achievement* | 69 | 72 | 68 | 77 | 61 | 59 | 81 | | |
| Middle School Acceleration | 55 | 70 | 70 | 45 | 51 | 51 | 46 | | |
| Graduation Rate | 92 | 87 | 74 | 91 | 62 | 50 | 100 | | |
| College and Career Acceleration | 49 | 75 | 53 | 55 | 76 | 70 | 59 | | |
| ELP Progress | | 47 | 55 | | 68 | 70 | | | |

* In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings.

Grade Level Data Review– State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

III. Planning for Improvement

62%

3%

63%

2%

Data Analysis/Reflection

2023 - Spring

N/A

Answer the following reflection prompts after examining any/all relevant school data sources.

65%

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Math proficiency continues to be the area of lowest performance with a 46% pass rate for all grade levels (3-EOC). Although low, it does represent a 3% improvement from the previous year. Math continues to be the hardest subject area for student to learn online, due to the independent learning nature of our program. We continue to put more resources in this area as we attempt to close gaps and increase proficiency.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Social Studies EOC test scores showed the greatest decline from 76% to 68%, with the decline being highest in US History. Last year, we had an 81% pass rate, this year was a 65% pass rate. We had many more students scoring in level 2 than in previous years.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Math proficiency in general, Geometry with the greatest gap. Geometry has been challenging for students for many years, it has grown increasingly difficult in the virtual environment.

Which data component showed the most improvement? What new actions did your school take in this area?

ELA overall proficiency increased from 67% to 73%. Science proficiency increased from 62% to 73%.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

There are very few students who have shown 2 or more EWS categories. However, our 7th and 8th grade students demonstrate the highest level of concern.

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

Math Proficiency - Geometry #1 Math Proficiency - Grades 3-5 ELA Proficiency - 3rd grade

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Positive Culture and Environment specifically relating to Other

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

As a virtual school, students can feel disconnected from their school community due to the nature of our program, with students working independently from home the majority of the time. In the 2023 Youth Truth Survey of students in grades 3-12, it was evident that we need to work harder on helping students feel like an important part of our school community. In response to the question related to feeling an important part of your school or school community, students responded positively as follows: 41% (no previous data) of students in grades 3-6; 45% (previously 50%) of students in grades 7-8 and 34% (previously 33%) of students in grades 9-12.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

By increasing our efforts to make homeroom the cornerstone of relationship building at BVS, our YouthTruth data of students responding positively to this question will increase by 10% in each grade level band.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Monthly Collaboration Days (where all staff are together in person for meetings and professional development) will include discussion and brainstorming on effective strategies for homeroom teachers. Leadership team members will also review effectiveness of strategies being implemented.

Person responsible for monitoring outcome:

Clarissa Kirk (kirk.clarissa@brevardschools.org)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

PBIS - Positive Behavior Intervention System

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The PBIS team monitors school-wide data and provides all staff, students and families with a clear understanding of desired behaviors. The goals of being Respectful, Responsible and Engaged apply to the classroom and beyond. The PBIS structure will allow us to monitor the status toward our goal, encourage

student behavior and help our school reach this goal.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Retraining of all staff on the rationale for homeroom and the desired outcome for homeroom teachers.

Person Responsible: Clarissa Kirk (kirk.clarissa@brevardschools.org)

By When: August 10, 2023

Monthly training, discussion and planning for homeroom activities to increase engagement of students in all aspects of our school community.

Person Responsible: Heather Price (price.heather@brevardschools.org)

By When: April 30, 2024

Monthly monitoring of student engagement in Live Virtual Classes and Homeroom through the PBIS app data.

Person Responsible: Kathy Bussendorf (bussendorf.kathy@brevardschools.org)

By When: May 15, 2024

Review of YouthTruth data from the January 2024 implementation with the Leadership Team.

Person Responsible: Heather Price (price.heather@brevardschools.org)

By When: February 1, 2024

#2. ESSA Subgroup specifically relating to English Language Learners

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

BVS was identified as ATSI following the 21-22 school year due to proficiency rate for our students in the ELL program. At the time, our enrollment had increases substantially due to COVID (over 500 students). Since that time, our enrollment has returned to traditional levels of around 230 students. During the 22-23 student we did not have the minimum number of student in the ELL program to qualify for reported data. We currently have one student in the ELL program (8th grade) and a first year kindergartner being assessed. The 8th grade student tested as proficient in both ELA and Math last year.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

BVS students in the ELL program will continue to perform well on state assessments and we anticipate a 100% pass rate.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The ELL committee will monitor FAST PM 1 & 2 data to ensure our student in on track for proficiency and will provide tutoring or further assistance if necessary.

Person responsible for monitoring outcome:

Sara Faro (faro.sara@brevardschools.org)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Data based decision making - data teams

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Monitoring student performance on progressing monitoring tools will allow us to intervene early, if necessary, to ensure mastery of content at the end of the school year.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Progress monitoring of student performance outcomes on PM 1 & 2 of FAST.

Person Responsible: Ashley Lenox (lenox.ashley@brevardschools.org)

By When: February 2024

Provide targeted instruction and remediation as needed to address student gaps in knowledge.

Person Responsible: Sara Faro (faro.sara@brevardschools.org)

By When: May 2024

#3. Instructional Practice specifically relating to Student Engagement

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

The online program is primarily asynchronous, which means students are engaging independently with the curriculum. In 22-23, students in grades K-5 participated in a Live Virtual Class (LVC) with their peers twice weekly basis (an increase from once weekly the year before). LVC in 6th grade was held once weekly and in grades 7-12 the LVC varied monthly. By continuing our focus on increasing our content-based instruction and opportunities for peer collaboration, we anticipate a higher level of interest and participation. Increased participation will result in higher achievement across all measures. The 2023 Youth Truth data shows that students in grades 7-12 work with their peers at a rate below the district average.

Grades 7-8: 19% work with peers because the teacher asks/tells them to (decreased from 33%) Grades 9-12: 10% work with peers because the teacher asks/tells them to (no change from previous year)

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

This metric on our YouthTruth survey will increase by 10% in each grade level.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

PBIS app has been modified to allow for teachers to issued BVS Bucks specifically for engagement in LVC, this data can then be monitored by the PBIS team for growth over time.

Person responsible for monitoring outcome:

Clarissa Kirk (kirk.clarissa@brevardschools.org)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

PBIS - Positive Behavior Intervention System

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The PBIS team monitors school-wide data and provides all staff, students and families with a clear understanding of desired behaviors. The goals of being Respectful, Responsible and Engaged apply to the classroom and beyond. The PBIS app has been modified to all us to track participation in LVC sessions as a school.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

Academic support funds (ARP funds) as well as Post-Secondary Remediation funds received will be prioritized for tutoring students who have demonstrated an academic need. Priority will be given to students in the ELL program who are not showing on grade level performance on FAST testing or other progress monitoring tools utilized for their grade level. BVS Leadership Team and School Advisory Council will be briefed and consulted for effective use of allocations.
